RESOLUTION: (Continued)

ITEM-S500: (Continued)

Directing the City Manager to change the Board's composition to include three City staff as part of the seven-member Board: the City's Chief Information Officer (CIO) and two additional staff at the Deputy City Manager or Department Director level;

Directing the Board to confirm the CIO as Chair of the Board;

Directing the SDDPC, its Board, officers, and employees to fully and timely cooperate in all matters related to the City's efforts to develop an implementation plan.

**RULES, FINANCE AND INTERGOVERNMENTAL RELATIONS COMMITTEE'S  
RECOMMENDATION:**

On 5/19/2004, RULES voted 5 to 0 to:

A. Approve the following and forward to the full City Council:

1. Delegate the voting proxy of the City, as the sole member of the San Diego Data Processing Corporation (SDDPC), to the City Manager, without limitation, over matters related to SDDPC.
2. Direct that officers and employees of the City shall be eligible to serve as voting members of the SDDPC Board of Directors (Board).
3. Direct the City Manager to change the Board's composition to include three City staff as part of the seven-member Board: The City's Chief Information Officer (CIO) and two additional staff at the Deputy City Manager or Department Director level.
4. Direct the Board to confirm the CIO as Chair of the Board and direct the City Attorney to provide the City Council with a legal opinion on this issue.
5. Direct SDDPC, its Board, Officers, and employees to fully and timely cooperate in all matters related to the City's efforts to develop an implementation plan.

ADOPTION AGENDA, DISCUSSION, COMMITTEE ITEMS (Continued)

COMMITTEE ON RULES, FINANCE, AND INTERGOVERNMENTAL RELATIONS,  
RESOLUTION: (Continued)

ITEM-S500: (Continued)

B. Approve the following with direction to return to the Rules Committee as indicated:

1. Direct the City Manager to establish a Project Team to take full advantage of the expertise and knowledge of the City and SDDPC staff. This Project Team will include the City Manager's Office, the City Attorney, SDDPC's General Counsel and specialized outside counsel, and senior SDDPC staff.
2. This Project Team should define the problems and potential solutions, including identifying the necessary consultants and framing the Scope of Work for any objective analysis, and identifying cost savings that could be implemented immediately. This Project Team should provide an unbiased and objective review of all strategic options for Information Technology (IT) sourcing for the City's short and long-term IT needs.
3. The Project Team should focus on the four questions posed by the Mayor and be charged with returning comprehensive answers to those questions: What organizational structure will save the taxpayers the most money? What organizational structure will provide the best information technology service? What organizational structure will best prevent future abuse? What are the existing legal obligations and rights of both the City and SDDPC?
4. The City Manager will provide a progress report to the Rules Committee in 90 days and the final Project Team Report will be due back at the Rules Committee in 180 days.

(Mayor Murphy, Deputy Mayor Atkins, Councilmembers Peters, Maienschein, and Madaffer voted yea.)
