STAFF’S RECOMMENDATION:

Take the following actions:

Approving the recommendation of the Director of Engineering and Capital Projects and the Mayor to summarily abate the public nuisance which has created a situation of imminent peril to public health, safety and welfare;

Stating that the assessment and recovery of costs incurred by the City during the summary abatement process are not waived but are deferred until such time as the cause of the landslide has been determined;

Authorizing the Mayor, to take any additional action which may become necessary or appropriate to eliminate any imminent life safety hazards as a result of the landslide;

Directing the City Attorney to prepare the appropriate resolutions and/or ordinances in accordance with Charter Section 40.
