EXECUTIVE SUMMARY:

This action will allow the City of San Diego to accept a contribution by The Gillispie School toward the design and construction of a lighted crosswalk adjacent to The Gillispie School located at 7380 Girard Avenue in La Jolla. The Gillispie School has agreed to contribute \$12,000 toward the installation of the lighted crosswalk. The Engineering and Capital Projects Department has \$12,000 available in Fiscal Year 2007 Traffic Control and Calming Measures Annual Allocation (CIP 61-001.0) to cover the remaining of the total estimated project cost of \$24,000. The proposed lighted crosswalk is similar to the existing lighted crosswalks at various intersections on La Jolla Boulevard. The purpose of the lighted crosswalk is to enhance pedestrian safety by improving drivers' awareness of pedestrians in the crosswalk. The lighted crosswalk will be activated by its users via pedestrian push buttons which will be installed on either side of the street. The proposed location of this lighted crosswalk has been evaluated by City staff and its installation is recommended.
