 COUNCIL DISTRICT(S): 2

REQUESTED ACTION:

An Ordinance to install angle parking on the west side of 15th Street between Broadway and "E" Street.

STAFF RECOMMENDATION:

Staff recommends approval of the requested action.

EXECUTIVE SUMMARY:

This action will authorize the installation of angle parking on the west side of 15th Street between Broadway and "E" Street. This action is in accordance with Municipal Code section 86.03, and California Vehicle Code section 22503.

15th Street between Broadway and "E" Street is a two-lane 52-foot wide two-way street with parking permitted on both sides of the street. It is located within the vicinity of East Village. In their efforts to increase the available parking, the San Diego Police Department has requested the conversion of the west side of this segment of 15th Street from parallel to angle parking.

This section of 15th Street is currently a parking meter zone in effect from 8 AM to 6 PM, Sundays and certain holidays excepted, and will remain as a parking meter zone if the angle parking is installed. The installation of angle parking would result in a net gain of eight parking spaces and the installation of eight additional parking meters. The existing single-head parking meters will be replaced with double-head parking meters to accommodate the 20 new angle parking spaces. One disabled parking space will also be installed, thus complying with Federal ADA regulations and Council Policy 500-08.

FISCAL CONSIDERATIONS: \$3,615

The cost of the ten double head parking meters will be shared on a 55%-45% basis between the City and the Community Parking District (District One) administered by the Centre City Development Corporation. The City's share (\$2,818) will be from the General Services Department's budget. It is expected that the eight new meters will increase revenues by \$2,582 per year.

000248

The striping of the angle parking spaces will be completed by the City of San Diego Street Division at a cost of \$797. General funds are not budgeted for this specific project. However, Street Division will reprioritize other maintenance needs to complete this project.

PREVIOUS COUNCIL and/or COMMITTEE ACTION:

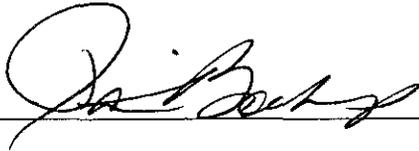

None

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

The adjacent property on this block of 15th Street is the San Diego Police Department. Both the S.D.P.D. and the Downtown Parking Management Group (DPMG) are in support of this action.

KEY STAKEHOLDERS AND PROJECTED IMPACTS:

The San Diego Police Department, East Village residents, the public visiting the SDPD Headquarters and the DPMG will benefit from increased parking.
