CITY MANAGER REPORT:

At the February 28, 1983 meeting of the City Council, Resolution R-258037 was passed authorizing the creation of the Officer Kirk Leland Johnson Reward Fund. The Resolution provided for a reward or rewards for information leading to the apprehension of a suspect or suspects in the murder of Officer Kirk Leland Johnson. All rewards were to be made with the approval of the City Manager and with the advice of the Chief of Police. In the event a reward was not paid after five years, funds collected were to be returned to those persons making donations.

The prosecution of the case has been successfully completed. The Police Chief has recommended to the City Manager that the reward not be issued since the suspect information was provided by an accomplice to the crime. The City Manager and City Attorney agree with this recommendation. With this action Council will provide for the immediate return of monies in the Reward Fund to the original donors.
