\* ITEM-100: (R-84-1879) ADOPTED AS RESOLUTION R-260657

Awarding a contract to W. R. Connelly Inc. for the construction of West Miramar Solid Waste Disposal Facility Phase I - Contract 1B; authorizing the expenditure of not to exceed \$113,948 from Capital Outlay Fund 30245, CIP-37- 055.4, West Miramar Solid Waste Disposal Facility to supplement funds previously authorized by Resolution R-260089, adopted on February 13, 1984 for providing funds for said project and related costs. BID-5504

(Miramar Community Area. District-5.)

CITY MANAGER REPORT:

Bids for this project were opened on March 23, 1984, and there were two bids. The low bid of W. R. Connelly, Inc. amounting to \$689,721 was 17 percent above the consulting engineer's estimate of \$575,773. The consulting engineer's estimate for this work was prepared over a year ago and was based upon low bids received for similar work performed during a poor economic period within the construction industry. A resurgence of construction activity together with price increases for this type of earth moving operations indicate that this higher bid is acceptable. The purpose of this project is to continue to construct the improvements necessary to develop and operate the West Miramar Sanitary Landfill. An earlier project, Contract 1A (Resolution R-257177), was authorized to construct the primary improvements necessary to initially open a portion of this landfill.

Portions of the construction work contained within this project affect operations agreements arranged with the Miramar Naval Air Station and the San Diego Gas and Electric Company and require expeditious construction completion. It is felt that rebidding this work would not achieve a lower contract price, but only delay the construction work, adversely affecting all West Miramar development programs.

(Mid-City Community Area. District-3.)

Subitem-A: (R-84-1776) ADOPTED AS RESOLUTION R-260662

Inviting bids on Work Order No. 17341/148176; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the expenditure of not to exceed \$310,490 from Water Revenue Fund 41502, CIP-73- 083, Annual Allocation - Water Main Replacements, for said project and related costs. BID-5651

Subitem-B: (R-84-1777) ADOPTED AS RESOLUTION R-260663

Authorizing the use of City Forces to do all the work to make connections and perform operational checks in connection with the construction of the Federal Boulevard Water Main Replacement, pursuant to the recommendation of the City Manager and submission of estimates by him indicating that said work

can be done by City Forces more economically than if let by contract; declaring that the cost of said work shall not exceed \$29,665.

**CITY MANAGER REPORT:**

This project consists of replacing the existing 12- inch cast iron water main east of I-805 to 47th Street and extending to a connection with the existing 8-inch water main westerly of I-805 in

Federal Boulevard. This replacement will take care of maintenance problems caused by a deteriorated cast iron water main, and the westerly extension shall provide water to a new subdivision and shall complete the water loop for effective emergency back up.

Inviting bids for the construction of traffic signal and street lighting systems at Jackson Drive and Park Ridge Boulevard on Work Order No. 118413; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the expenditure of not to exceed \$86,000 from Capital Outlay Fund 30245, CIP-61-001, Annual Allocation - Signal Installations to Accommodate Sudden Traffic Changes, for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. BID-5682

(Navajo Community Area. District-7.)

**CITY MANAGER REPORT:**

This project will provide for the installation of traffic signal and street lighting systems at Jackson Drive and Park Ridge Boulevard. This intersection is expected to have a great increase in traffic volume when the construction of Jackson Drive northerly

to Mission Gorge Road is completed. The proposed traffic signal will provide safety and efficiency to the intersection by properly assigning vehicular and pedestrian right-of- ways. An emergency vehicle preemption feature will be provided for fire and ambulance equipment.

\* ITEM-105: (R-84-1843) ADOPTED AS RESOLUTION R-260665

19840514

Inviting bids for the construction of traffic signal and street lighting systems at Munda Road and Paradise Valley Road on Work Order No. 118459; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the expenditure of not to exceed \$74,500 from Capital Outlay Fund 30245, CIP-61-001, Annual Allocation - Signal Installations to Accommodate Sudden Traffic Changes, for said project and related costs; authorizing the Auditor

and

Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. BID-5684

(Paradise Hills Community Area. District-4.)

CITY MANAGER REPORT:

This project will provide for the installation of traffic signal and street lighting systems at Munda Road and Paradise Valley Road. Paradise Valley Road is a high speed road in this area, and traffic volumes are increasing because of continuing development occurring nearby. The proposed traffic signal will improve safety and efficiency of the intersection by properly assigning vehicular and pedestrian right-of-ways. An emergency vehicle preemption feature will be provided for fire and ambulance equipment.

\* ITEM-106: (R-84-1835) ADOPTED AS RESOLUTION R-260666

Inviting bids for the construction of channelization improvements at various locations - Fiscal Year 1984 on Work Order No. 118439; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the City Auditor and Comptroller to transfer within Capital Outlay Fund 30245, \$12,400 from CIP-58-004, Annual Allocation - Miscellaneous Improvements on City Streets, to CIP-63-003, Annual Allocation - Channelization Improvements; authorizing the expenditure of not to exceed \$62,400 from Capital Outlay Fund 30245, CIP-63-003 Annual Allocation - Channelization Improvements, for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. BID-5642

CITY MANAGER REPORT:

This project will close ten abandoned driveways, lengthen left turn pockets in three locations, and construct a chain link fence on an existing island. Turn pocket modifications which are listed below will improve capacity and safety for left turning vehicles at intersections: 1) Imperial Avenue east of Euclid; 2) Clairemont Mesa Boulevard south of Luna Avenue; 3) Clairemont Mesa Boulevard south of Pocahontas Avenue; and 4) Clairemont Mesa Boulevard north of Pocahontas Avenue. Installing the chain link fence will prevent students from Theodore Roosevelt Jr. High School from crossing Park Boulevard in mid block. The driveway closures are located city-wide and will provide additional on-street parking in areas where parking is at a premium.

Subitem-A: (R-84-1432) ADOPTED AS RESOLUTION R-260669

Releasing a portion of the surety issued by Aetna Casualty and Surety Company in the form of Performance Bond No. 59-SB-015423 BCA, so that the same is reduced as follows: 1) for faithful performance, to the sum of \$1,467,677; and 2) for the benefit of the contractor, subcontractor and to persons renting equipment or furnishing labor or materials, to the sum of \$733,839.

Subitem-B: (R-84-1433) ADOPTED AS RESOLUTION R-260670

Granting an extension of time to October 25, 1985 to Ponderosa Homes, subdivider, to complete the improvements required in Scripps Ranch Estates.

**CITY MANAGER REPORT:**

On February 13, 1980, the City entered into an agreement with Ponderosa Homes for the construction of public improvements for Scripps Ranch Estates Subdivision. Performance Bond No. 59-SB-015423 BCA, issued by the Aetna Casualty and Surety Company in the amount of \$4,586,491 was provided by the subdivider. Subsequently, a time extension was granted to February 25, 1984. The subdivider has requested a partial release of surety and an extension of time to October 25, 1985 in which to complete the required improvements. Approximately 90 percent of the work has been completed.

In accordance with Council Policies 800-11 and 600-21, respectively, it is recommended that the surety be reduced to \$1,467,677 (approximately 68 percent reduction) and since the incomplete improvements are not necessary to serve the adjacent development or general public, that the time extension be granted.

Vacating a portion of 39th Street adjacent to Lot 23 of Block 444 of Duncan's Addition, Map-403, under the procedure for the summary vacation of streets where an excess right-of-way of a street or highway is not required for street or highway purposes.

(Southeast San Diego Community Area. District-4.)

**CITY MANAGER REPORT:**

Thirty-ninth Street was dedicated in 1914 and improved in 1981 as part of a block-grant Capital Improvement Project (CIP-52- 285). During the construction, a corner of a newly constructed house located on the southeast corner of 39th Street and Boston Avenue, along with a retaining wall and a fence, was found to be encroaching into the right-of-way. The present owner of the property has petitioned for the closure to recover the land and abrogate the encroachments. Thirty-ninth Street is classified as a local

residential street and has been improved to its ultimate width of 30 feet in accordance with City Design Standards. Because of topographic considerations, the improvements were offset 10 feet to the west of the centerline of the right-of-way, producing curb-to-property dimensions of 10 feet on the west side and 20 feet on the east side. Since a 10-foot curb-to- property dimension is typical in residential areas, the petitioner is seeking a closure of the excess 10 feet on the east side to remove his existing encroachments from the right-of-way. The area of closure contains no public facilities. Staff has concluded that the subject right-of-way to be vacated is no longer needed for present or prospective public use and may be summarily vacated. This application was processed in accordance with Council Policy 600- 15 and has been reviewed by the Southeast Economic Development Corporation (SEDC).

\* ITEM-111: (R-84-1878) ADOPTED AS RESOLUTION R-260673

Changing the name of Sierra Carmel Way, north of Carmel Valley Road adjacent to Lots 83 and 84, all within the

boundaries of the Sierra Del Mar Subdivision, Map-10111, to Pointe Del Mar Way.

(Torrey Pines Community Area. District-1.)

**CITY MANAGER REPORT:**

Sierra Carmel Way was dedicated and named by the Sierra Del Mar Subdivision, Map-10111, in 1981. The abutting property owners, who have recently acquired the property, have petitioned for a name change in conjunction with the development and marketing of the subdivision as a Planned Residential Development (PRD-135).

Sierra Carmel Way is a cul-de-sac street that lies entirely within the boundaries of the Sierra Del Mar Subdivision. It is bounded on the south by Carmel Valley Road and on the north by Caminito de la Sierra, a private street. The street improvements are being constructed with the subdivision improvements. One hundred percent of the affected property owners abutting Sierra Carmel Way have petitioned for the name change. The name change will not require any address changes since all properties taking their addresses from the subject street are either currently being developed or are vacant land. The applicant has paid the costs associated with re-signing the street as Pointe Del Mar Way. Caminito Sierra Del Mar is a private street and, as such, its name is being administratively changed to Caminito Pointe Del Mar concurrently with this action. The changing of the private street name signs is the responsibility of the developer. Staff recommends approval of the subject street name change. This application has been processed in accordance with Council Policy 600-12.

Authorizing the execution of a five-year Use and Occupancy Permit with the County of San Diego for the County's use of 88 square feet of a City vault and an antenna location at Mt.

Woodson for radio communication purposes.

CITY MANAGER REPORT:

The proposed Use and Occupancy Permit will provide the County of San Diego with a five-year agreement for 88 square feet of space in an unused vault and adjacent antenna location atop Mt. Woodson. The premises will be used for the Sheriff's radio communications. The County's use shall be rent free with consideration to the City being given comparable space in a County communications facility on a rent-free basis. The agreement may be terminated by either party on 90 days' notice.

\* ITEM-122: (R-84-1858) ADOPTED AS RESOLUTION R-260685

Authorizing the execution of an agreement with the San Diego

Unified School District relating to the repayment of funds advanced by the City to pay assessments on district-owned parcels within the Mira Mesa Boulevard (Parkdale Avenue to Lusk Industrial Park), and Lopez Canyon Sewer and Retention Basin Assessment Districts.

(District-5.)

**CITY MANAGER REPORT:**

In June, 1982, Council established the Mira Mesa Boulevard (Parkdale Avenue to Lusk Industrial Park) Assessment District and levied assessments against benefitting parcels. Contained in that assessment district were five parcels owned by the San Diego Unified School District with assessments totaling \$69,253.11. In August, 1983, Council confirmed assessments for the Lopez Canyon Sewer and Retention Basin Assessment District which contained two parcels owned by the S.D.U.S.D. with assessments totaling \$16,013. In both assessment districts, the school district was unable to pay its assessments, and Council advanced funds to pay the assessments on the condition that the City would be repaid. All district-owned parcels are currently undeveloped.

The proposed agreement with the school district requires the payment of the assessment on any parcel which is sold, leased, or developed. The school district has agreed to pay interest on the assessments equal to the interest on the bonds issued on each assessment district. This is 12 percent on the Mira Mesa Boulevard bonds and 10.57 percent on the Lopez Canyon Sewer and Retention Basin bonds. The proposed agreement has been approved by the Board of the San Diego Unified School District.

Authorizing the City Manager to waive the restriction of a maximum of 1,000 no-charge spectator passes for the San Diego Socker game of June 3, 1984 to allow free access to the game for all 5th grade school children in San Diego.

**CITY MANAGER REPORT:**

At its meeting on April 12, 1984, the San Diego Stadium Authority Board of Governors considered a request from the General Manager of the San Diego Sockers to waive the restriction of a maximum of 1,000 no-charge spectator passes for the San Diego Sockers game of June 3,

1984 to allow free access to the game for all 5th grade school children in San Diego. The Sockers expect that 2,000 to 4,000 children could take advantage of such an offer to attend a free game. This request, in conjunction with the City Council approved partial waiver of parking fees, a twenty-five percent decrease in ticket prices, a new start time of 7:00 p.m., and a plan to provide live music in the tailgate area, is an attempt to increase family-oriented attendance at Socker games. The City Manager's office has recommended approval. The San Diego Stadium Authority Board of Governors recommended approval to waive the restriction of the maximum of 1,000 no-charge spectator passes for the San Diego Socker game of June 3, 1984.

Rescinding Resolution R-208655 adopted August 21, 1973, relating to setting charges for portable meters.

CITY MANAGER REPORT:

In May of 1977, the City Council passed an Ordinance setting the

rates to be charged for construction meters. Current practice in keeping with Section 67.60 of the San Diego Municipal Code is to allow a contractor to use either: a) City owned meters with regular charges, or b) Privately owned meters with no charge if the contractor uses no water. An earlier Resolution R-208655 is in conflict with the Ordinance in that it requires additional charges. This action will rescind that Resolution to prevent any misunderstanding.

Two actions relative to the issuance of Industrial Development Revenue Bonds for Unitog Rental Services, Inc.:  
(Located at the Gateway Center West Redevelopment Project. Southeast San Diego Community Area. District-4.)

Subitem-A: (O-84-218) INTRODUCED, TO BE ADOPTED MAY 29, 1984

Introduction of an Ordinance authorizing a loan agreement with Unitog Rental Services, Inc. and an indenture of trust with a trustee in connection with the issuance of City of San Diego Industrial Development Revenue Bonds in an aggregate principal amount not to exceed \$2,500,000.

Subitem-B: (R-84-1871) ADOPTED AS RESOLUTION R-260692

Authorizing the issuance of Industrial Development Revenue Bonds, Series 1984 (Unitog Rental Services, Inc.) in an aggregate principal amount not to exceed \$2,500,000; approving the forms of documentation for the loan agreement and indenture of trust; authorizing the execution of final bond documentation

with any changes determined necessary and approved by the City Attorney.

**CITY MANAGER REPORT:**

Adoption of this ordinance and resolution is the final action required by the City Council to authorize an industrial development bond issue of up to \$2,500,000 for Unitog Rental Services, Inc. The bond issue will finance that company's new facility in the Gateway Center West Redevelopment Project. The City Council adopted Inducement Resolution R- 259849 on December 13, 1983. On February 27, 1984, after consideration of a City staff evaluation report, the City Council adopted Resolution R-260194, which authorized the City Manager to continue with preparation of documents.

The bonds will be purchased by Merchants' Bank, Kansas City, Missouri. Maturity will be ten years. The interest rate is projected at 11 percent. Payment of principal and interest by Unitog Rental Services, Inc. is guaranteed by the parent company, Unitog. The bonds will be further secured by a first mortgage on the land and improvements. The indenture specifies that "neither the faith and credit nor the taxing power of the City of San Diego is pledged to the payment of the principal, or premium, or interest on the bonds." Documentation includes an Indenture of Trust between the City and Merchants Bank, a Loan Agreement between the City and Unitog Rental Services, Inc., and supporting certificates and instructions.
