MOTION BY MITCHELL TO CONTINUE TO SEPTEMBER 11, 1984, AS REQUESTED BY TORREY PINES ENTERPRISES. Second by Jones. Passed by the following vote: Mitchell-yea, Cleator-not present, McColl-not present, Jones-yea, Struiksmayea, Gotch-yea, Murphy-yea, Martinez-yea, Mayor Hedgecock-yea.

ITEM-332: (R-84-772) CONTINUED TO JULY 24, 1984

Vacating Mt. Carol Drive south of Tamres Drive, adjacent to Lots 37 and 38, of Fireside Park Unit 2, Map-4947 under the procedure for the summary vacation of streets where the portion of street to be vacated consists of a street or highway that lies within property under one ownership and that does not continue through such ownership of end touching property of another; reserving and excepting from the foregoing vacation the right, easement and privilege of placing, constructing, repairing, replacing, maintaining, using and operating public utilities of any kind or nature pursuant to said resolution; the easement reserved herein is in, under, over, upon, along and across Mt. Carol Drive south of Tamres Drive adjacent to Lots 37 and 38, of Fireside Park Unit 2, Map-4947.

(Clairemont Mesa Community Plan. District-6.)

CITY MANAGER REPORT: Mt. Carol Drive was dedicated by subdivision in 1962. The abutting property owners have petitioned for the closure to facilitate improvement of their property. Mt. Carol Drive to be vacated is fully improved and contains sewer and water facilities. An existing sewer easement will be retained to service and maintain the sewer. The applicants have paid to have the water facility cut and plugged so that it will no longer extend into the closure. The existing improvements were constructed as a requirement of the Fireside Park Unit No. 2 Subdivision, which was approved in 1962. At that time, Mt. Carol Drive was planned to be extended by future development to service the area to the south and west. The City

has since acquired the area for Tecolote Canyon Park, which precludes the future extension of the street. Mt. Carol Drive has, however, been designated as a pedestrian access to the park; therefore, a pedestrian and non-motor-vehicular easement has been reserved to accommodate access.

The petitioners have obtained and bonded for the street improvements at Tamres Drive necessary to accommodate the closure. Staff has concluded that this right-of-way is no longer needed for present or prospective public use and can be summarily vacated subject to the easement and public improvements cited above. This action was processed in accordance with Council Policy 600-15 and has been reviewed by the Tecolote Canyon Citizens' Advisory Committee.
