Two actions relative to the construction of Alvarado Filtration Plant paving:  
(Navajo Community Area. District-7.)

Subitem-A: (R-85-417) ADOPTED AS RESOLUTION R-261677

Inviting bids on Work Order No. 148181/30385; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the City Auditor and Comptroller to transfer \$126,960 from Water Revenue Fund 41502, Unallocated Reserve (70679), to the Water Operating Fund (41500), Alvarado Filtration Plant Maintenance (70342); authorizing the expenditure of not to exceed \$126,960 from Water Operating Fund (41500) for said project and related costs; authorizing the Auditor and Comptroller upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.  
(BID-5900)

Subitem-B: (R-85-418) ADOPTED AS RESOLUTION R-261678

Authorizing the use of City Forces to do all the work to prepare subgrade for paving in connection with the above work, pursuant to the recommendation of the City Manager and submission of estimates by him indicating that said work can be done by City Forces more economically than if let by contract; declaring that the cost of said work shall not exceed \$5,000.

CITY MANAGER REPORT: This project consists of repaving approximately 1.5 miles of deteriorated access roadways located at the Alvarado Filtration Plant, and the paving of a 30,000 square foot dirt parking lot. Approximately 2,300 tons of asphalt concrete will be required for this paving.

COMMITTEE ACTION: Reviewed by PFR on 3/7/84. Recommendation to adopt the Resolution. Districts 1, 2 and 7 voted yea.

Districts 3 and 4 not present.

CITY MANAGER REPORT: The Ruiz-Alvarado Adobe ruins are of historical interest in that this adobe was constructed by Captain Francisco Maria Ruiz in 1824 and was the first house on the Mexican Land Grant of 1823. On August 24, 1983, the Los Penasquitos Canyon Preserve Task Force voted to proceed as a first priority to construct an appropriate shelter to protect and preserve the adobe ruins with a replication of the original adobe to be constructed on a nearby site at a later date subject to availability of funds. This project will provide for the construction of the shelter as requested. The development plans have been reviewed and approved by the Los Penasquitos Canyon Preserve Task Force and Citizens Advisory Committee, the Historic Site Board, and the Public Facilities and Recreation Committee.

\* ITEM-104: (R-85-541) ADOPTED AS RESOLUTION R-261680

Authorizing and empowering the Mayor and the City Clerk to execute for and on behalf of the City of San Diego a parcel map (TM-82-0587), in accordance with the requirements of Resolution R-259645, adopted on November 21, 1983. (Uptown Community Area. District-8.)

CITY MANAGER REPORT: On November 21, 1983, the City Council

approved Resolution R-259645 authorizing the vacation of City-owned portions of Maple Canyon Road, Union Street, Curlew Street, and Horton Avenue in the Uptown area. A condition of the vacation imposed on the City, as the property owner, was the approval and recording of a parcel map on the City property. This action will fulfill the condition of the street vacation by authorizing the execution of a 4-lot parcel by the City, as owner. Two of the vacated City lots as Union and Laurel Streets and at Horton Avenue and Laurel Street, created by this parcel map, were previously authorized for sale on August 25, 1980 by Resolution R-252539.

\* ITEM-105: (R-85-516) ADOPTED AS RESOLUTION R-261681

Vacating Black Mountain Road, Ossuna Canon Road (Survey 3) and Road Survey 133 (Traveled Ways) in Rancho de los Penasquitos, all within or adjacent to the Casablanca Subdivision (TM-84-0254) boundaries, under the procedure for the summary vacation of streets and public service easements where a street has been superseded by relocation; declaring that this resolution shall not become effective unless and until the final subdivision map for Casablanca Subdivision (TM-84-0254) has been approved by Council action; in the event that the final map is not approved by June 11, 1990, this resolution shall become void and be of no further force or effect; directing the City Engineer to advise the City Clerk of the approval of the aforementioned subdivision map.

(Penasquitos East Community Area. District-1.)

CITY MANAGER REPORT: The subject rights-of-way to be vacated were acquired for public use by easement and prescriptive use.

The abutting property owners have petitioned for the vacation to unencumber and facilitate the resubdivision and development of their property as the Casablanca Subdivision, a Planned Residential Development (PRD-84-0254). Prior to 1974, the Black Mountain Road traveled ways in this area provided for access and traffic circulation between the Mira Mesa and Rancho Penasquitos area. Since 1974, Black Mountain Road has been realigned and improved to City standards through the development process, and the need for the old road easement and prescriptive use roadways

is, therefore, eliminated. This action proposes to vacate the eliminated rights-of-way that lie within the proposed Casablanca Subdivision, as they are unimproved and contain no public facilities. Staff has concluded that the rights-of-way to be vacated are no longer needed for present or prospective public use and can be summarily vacated conditioned upon the Casablanca Subdivision (TM-84-0254) being approved and recorded. This action was processed in accordance with Council Policy 600-15.

\* ITEM-106: (R-85-556) ADOPTED AS RESOLUTION R-261682

Authorizing the sale by negotiation of a 2.283-acre portion of Rancho San Bernardo to Home Capital Corporation, the adjacent owner, for the sum of \$190,000; authorizing the execution of a deed granting to Home Capital Corporation said property; determining that no broker's commission shall be paid by the City on said negotiated sale.

(Located on the east side of West Bernardo Drive, southwesterly of Highland Valley Road and Interstate 15.

Rancho Bernardo Community Area. District-1.)

CITY MANAGER REPORT: Home Capital Corporation, the adjacent developer, has requested the sale of a 2.283-acre parcel in the northwest Rancho Bernardo area for inclusion in its proposed residential development, "Casa de las Campanas." This long, narrow parcel is a portion of a 13.6-acre parcel, which is located between West Bernardo Drive and I-15. The moderate to steeply sloping terrain would make this site difficult to develop as a separate parcel. The most appropriate use of this site is joinder with the adjacent property for residential development purposes. The site has been cleared through all departments and has been determined to be surplus to City needs, with the sale being in conformance with the General Plan.

Conditions of this sale are that the buyer is to join this parcel to its Casa de las Campanas development, rezone it to correspond to the R-1500 Zone, obtain amendments to its Conditional Use and Planned Residential Development Permits and convey to the City of San Diego two excess parcels totalling 0.495 acre. The City of San Diego will make available sewer capacity rights for not more than 54 units to be paid for by the buyer. The value has been based upon an independent appraisal

which was adjusted upward by Property Department staff to reflect a higher number of dwelling units. The land (with sewer capacity) was opined to be worth \$4,935 per dwelling unit at a density of 54 dwelling units. \$1,450 per unit was deducted from this amount to adjust for the cost of sewer connections. This resulted in a total (rounded) price of \$190,000.

\* ITEM-112: (R-85-512) ADOPTED AS RESOLUTION R-261687

Authorizing the execution of an agreement with Reynolds Environmental Group for completing and updating the Mission Trails Regional Park Master Development Plan; authorizing the expenditure in an amount not to exceed \$30,000 from Environmental Growth Funds (10505) - CIP-20-010.1, Annual Allocation - Resource Based Parks, solely and exclusively for the purpose of providing funds for the above program. (See City Manager Report CMR-84-343. East Elliot, Navajo and Tierrasanta Community Areas. District-7.)

CITY MANAGER REPORT: This agreement with Reynolds Environmental Group will provide professional services necessary to revise and update the previous draft master development plan for Mission Trails Regional Park (1976) including changes and deletions resulting from the Environmental Impact Report, from the Mission Trails Regional Park Citizens' Advisory Committee (1981), and Task Force. Council on August 20, 1984 - Resolution R-261421, directed the Manager to negotiate an agreement with Reynolds Environmental Group to revise and update the previous draft master development plan that was prepared, by Reynolds Environmental Group, as a joint effort of City/County. This action was a result of the request of the Mission Trails Regional Park Task Force (August 9, 1984) to make the necessary changes to secure a final approved plan. This request will provide for execution of the professional services agreement. Maximum fees payable under this agreement are not to exceed \$30,000.

\* ITEM-113: (R-85-453) ADOPTED AS RESOLUTION R-261688

Authorizing an agreement with Southern California Housing and Development, Inc., to provide for reimbursement by the City out of Capital Outlay Fund 30245, CIP-58-001, Department 30244, Org. 107, in an amount not to exceed \$11,571 for the construction of drainage facilities.

(Southeast San Diego Community Area. District-4.)

CITY MANAGER REPORT: As a condition of a Building Permit, Southern California Housing Developers, Inc. is required to improve the northerly side of Delta Street which requires extending the existing drainage culvert. The existing culvert, however, does not meet current standards for capacity and must be replaced. Since the work involves replacement of an existing substandard City facility, the developer has requested City participation in the cost. It is recommended that the City participate in the amount of \$11,571 which represents 50 percent of the replacement cost for the existing inadequate culvert. The developer will pay the remaining 50 percent replacement cost plus 100 percent of the cost involved with extending the storm drain to accommodate the wider street. City participation is in accordance with Council Policy 800-04, "Cooperative Drainage Projects."

\* ITEM-114: (R-85-513) ADOPTED AS RESOLUTION R-261689

Authorizing the execution of an agreement with Willdan Associates for design consultant services in connection with the improvement of alleys and replacement of utilities in the City Heights, Logan Heights and 40th and Hilltop Community Development Block Grant areas; authorizing the expenditures in amounts not to exceed \$49,750 from Fund 18520 for alley improvements, \$6,080 from Fund 41506 and \$670 from Fund 41502 for sewer and water main replacement respectively, for the above project.

(Various Community Areas. Districts-4 and 8.)

CITY MANAGER REPORT: The Fiscal Year 1985 Capital Improvements Program identifies this project to improve the alleys in City Heights, Logan Heights and 40th and Hilltop. Funds are provided under the Public Facilities Element of the Community Development Block Grant Program for Calendar Year 1984 (FY 1985) and the annual allocations for sewer and water main replacements. The project consists of improving substandard alleys in connection with housing rehabilitation efforts in the City Heights and Logan Heights Community Development Block Grant area and the attendant sewer and water main replacements mandated by the imminent paving of these alleys. Because of the present heavy work load of qualified staff, it is proposed to utilize the services of a design consultant in order to complete the design and construction of the project.

Letters of interest were solicited from qualified design consultants by means of advertisements appearing in the San Diego Daily Transcript on June 8th and June 15, and after reviewing data submitted by the 23 responding firms, the Design Consultant Nominating Committee recommended 4 firms for further consideration. Staff then interviewed all finalists and selected the firm of Willdan Associates as the recommended consultant. The consultant will be responsible for developing all engineering features of the project, including drafting the construction drawings, for a total fee not to exceed \$56,500. The consultant does not intend to subcontract any of the work under this agreement.

\* ITEM-115: (R-85-559) CONTINUED TO NOVEMBER 5, 1984

Amending the last sentence of Section 12, subsection (b) of the Declaration of Restrictions applicable to South San Diego Industrial Park Unit No. 1 as follows: "Any proposed ground-mounted identification signs or logos shall be submitted in detail to the Committee for review. The Committee shall have the absolute discretion to approve or disapprove any such ground-mounted identification signs or logos. Approval of any such proposed sign or logo must be obtained from the Committee prior to applying for building

permits."

(San Ysidro Community Area. District-8.)

CITY MANAGER REPORT: Recent trends of the developments within industrial parks indicate that the City's conditions are overly restrictive with regards to ground-mounted signs or logos at the South San Diego Industrial Park. The proposed change will permit such signs or logos, but require the City Manager to approve the improvements within the park. The Planning Department concurs with this change.

\* ITEM-116: (R-85-542) ADOPTED AS RESOLUTION R-261690

Authorizing the City Manager to submit a Grant Application to the Office of Criminal Justice Planning, (OCJP), for funds in the amount of \$63,622, to be made available through the Juvenile Justice and Delinquency Prevention Act of 1974 and administered by OCJP, for the purpose of funding, in part, the operations of the San Diego Street Youth Program, during the period of October 1, 1984 to September 30, 1985; authorizing the execution of a contractual agreement with OCJP, including any extensions or amendments thereto, upon approval of the Grant Application submitted by the City, for the purpose of performing the services described in the Grant Application; declaring that the grant funds received shall be expended solely and exclusively for the purpose of operating, in part, the San Diego Street Youth Program and shall not be used to supplant local juvenile expenditures that are controlled by the City of San Diego.

(Southeast San Diego, Logan Heights, and San Ysidro/Del Sol Community Areas. Districts-4 and 8.)

CITY MANAGER REPORT: On June 15, 1984 the City submitted a concept paper to the Office of Criminal Justice Planning (OCJP) which described the goals and objectives of the Street Youth Program, and requested OCJP funding in the amount of \$63,622 to defray, in part, the cost of operating the program during the period of October 1, 1984 to September 30, 1985. On September 6, 1984, OCJP notified the City that the allocation had been approved, and requested that the City submit a detailed grant application. The City Manager is requesting authorization to

submit the grant application to OCJP, and upon receipt of the funds to expend them for FY-85 Street Youth Program operations. It should be noted that upon being signed and documented by OCJP, the grant application will constitute a contractual agreement between the City and OCJP, and the funds are to be expended according to the terms and conditions stated therein. No further agreements will be required.

The grant application being submitted at this time is the second in a three-year OCJP funding cycle. The City submitted an initial application in November, 1983 and was awarded \$74,849 in OCJP funds for FY-84 operations. The OCJP rules are such that the second year (FY-85) allocation cannot exceed 85 percent of the initial award (\$63,622), and the third and final (FY-86) allocation cannot exceed 50 percent of the initial award (\$37,425). The total funds to be received by the City over the three-year funding period will be \$175,896.

\* ITEM-S401: (R-85-531) ADOPTED AS RESOLUTION R-261694

Inviting bids to provide and install a noise monitoring system for Montgomery Field on Work Order No. 25001; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the City Auditor and Comptroller to add CIP-31-140, Montgomery Field Noise Monitoring System, to the FY 1985 budget; authorizing the City Auditor and Comptroller to transfer \$250,000 from the Unallocated Reserve (Department 720, Object Account 4220, Job Order 25001), to CIP-31-140, Montgomery Field Noise Monitoring System; authorizing the expenditure of not to exceed \$250,000 from CIP-31-140, Montgomery Field Noise Monitoring System, for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. (BID-5935) (Kearny Mesa Community Area. District-5.)

CITY MANAGER REPORT: In accordance with the Master Plan adopted by the City Council in July 1984, staff was directed to secure and install a noise monitoring system for Montgomery Field. This system will provide the ability to measure noise levels created by aircraft, so that those who exceed maximum allowable noise levels may be identified. City Council previously approved an agreement with Wyle Laboratories for the preparation of specifications for the noise monitoring system.

The specification has been completed. This action will authorize the City Manager to advertise for bids to provide and install the specified system and to award a contract to the contractor selected.

\* ITEM-S403: (R-85-590) ADOPTED AS RESOLUTION R-261696

Authorizing the execution of a second amendment to agreement with George S. Nolte and Associates for consultant services required for Pueblo Lands - Parcel A; authorizing the expenditure of not to exceed \$50,000 from CIP-39-040, Pueblo Lands - Development, for the above purpose.

(University City Community Area. District-1.)

CITY MANAGER REPORT: In March 1981, the City Council authorized an agreement with George S. Nolte and Associates to provide consultant services for the development of Parcel A of Pueblo Lands (Resolution R-25380). The consultant's work included the preparation of a preliminary plan, final subdivision map, grading and improvement plans for streets, drainage and all underground utilities, preparation of specifications, assistance during bidding process, as-builts and final lot monumentation. On June 18, 1984, the City Council authorized the City Manager

to execute a contract with the lowest responsible and reliable bidder for construction of Eastgate Technology Park Unit No. 1. Construction began on September 17, 1984, and it was determined at that time that a soils engineering firm was necessary for engineering observation and compaction testing for Eastgate Technology Park Unit No. 1. This amendment will provide for an increase in the consultant's compensation to cover the additional services needed.

Introduction and adoption of an Ordinance amending Ordinance O-16249 (New Series), as amended, entitled "An Ordinance Adopting the Annual Budget for the Fiscal Year 1984-85 and Appropriating the Necessary Money to Operate the City of San Diego for said Fiscal Year" by amending Documents No. OO-16249-1 and No. OO-16249-2, as amended and adopted therein, by appropriating the sum of \$3,064,668 from the Unappropriated Revenue of the Sewerage Utility Revenue Fund (41506); amending Section 2, Subsection VI, Item 2, entitled "Sewerage Utility Revenue Fund (41506)" to increase non-personnel expense and total by said \$3,064,668; directing the Auditor and Comptroller to set aside, transfer and allocate the \$3,064,668 appropriated above to the Wastewater Research Program (70242). (The first public hearing of this Ordinance was held on October 1, 1984.)

Subitem-B: (R-85-436) ADOPTED AS RESOLUTION R-261697  
Adoption of a Resolution authorizing the execution of an agreement with Black & Veatch for engineering services in connection with the San Diego Aquatic Treatment Pilot Project with Total Resources Recovery; authorizing the expenditure of not to exceed \$3,143,250 for the above purpose; authorizing the City Auditor and Comptroller to transfer the sum of \$78,582 within the Sewer Revenue (41506), from the Unallocated Reserve (70697), to the Wastewater Research Program (70242), Non-Personnel Expense, for the City's share of the Aquatic Treatment Pilot Project with Total Resources Recovery.

CITY MANAGER REPORT: On November 16, 1981, Council authorized an agreement with Black & Veatch, Consulting Engineers, for engineering services related to the San Diego Aquaculture Project. This project is funded through the Clean Water Grant Program and will demonstrate the feasibility of an aquaculture system for treatment of waste water equivalent to secondary treatment quality. The City recently received new State and Federal grants to expand the current aquaculture program to a total water reuse project which will convert the sewage to potable water. This addition to the project has caused a need for modifications to the engineering agreement. On April 2, 1984, Council authorized Amendment No. 1 to the original Black & Veatch agreement which deleted certain services and added additional testing needed for the expansion of the project. The new agreement with Black & Veatch has been negotiated to coincide with the new grant. This new agreement includes those tasks deleted from the original agreement, and

provides for design, testing, and operation of the plant. Black & Veatch will also determine results and write reports to the EPA.

Authorizing the execution of an agreement with Pountney & Associates, Inc. for consultant services in connection with the Public Improvement Survey of Council District 4; authorizing the expenditure of not to exceed \$47,000 from Fund 18520 for the above purpose.

(Southeast San Diego, South Bay Terraces, Skyline-Paradise Hills and Greater Golden Hill Community Areas.

District-4.)

CITY MANAGER REPORT: In order to revitalize Southeast San Diego, Project First Class was adopted. Part of Project First Class calls for a prioritized survey of the existing unimproved

streets and alleys including the cost, locations and type of improvement necessary to bring Council District 4 up to City standards. Funds for this survey are provided under the Public Facilities Element of the Community Development Block Grant Program for calendar year 1984.

Letters of Interest were solicited from qualified consultants by means of advertisements appearing in the San Diego Daily Transcript on June 8th and June 15th. After reviewing data submitted by the 23 responding firms, the Design Consultant Nominating Committee recommended four firms for further consideration. Staff then interviewed all finalists and selected the firm of Pountney & Associates as the recommended consultant. The consultant will be responsible for all the survey, evaluation, displays and reports for a total fee not to exceed \$47,000. The consultant does not intend to subcontract any of the work in this agreement.
