Recommendation to approve the City Manager's recommendation to  
deny Mr. Zongker's request for a land swap. Districts 1, 2, 4  
and 8 voted yea. District 5 not present.

CITY MANAGER SUPPORTING INFORMATION: On May 10, 1988,  
William Zongker spoke before the Transportation and Land Use  
Committee requesting the City to enter into a land exchange of  
his property for City-owned property. The item was referred to  
the City Manager for a report. On August 4, 1988 the Park and  
Recreation Board voted unanimously to oppose the exchange of  
City-owned property to Mr. Zongker. The Board also requested  
that this parcel be dedicated as parkland by ordinance, pursuant  
to Section 55 of the City Charter and Council Policy 700-7. On  
September 26, 1988, the Transportation and Land use Committee  
considered City Manager's Report CMR-88-467, concerning the  
proposed exchange and voted to approve the Manager's  
recommendation, not to authorize the exchange. This action will  
dedicate this property for park purposes but will not name it to  
permit flexibility in naming and changing the name in the  
future.

\* ITEM-100: (R-89-863) ADOPTED AS RESOLUTION R-272458

Awarding a contract to L.R. Hubbard Construction Co.  
Inc. for the installation of Mira Mesa Lighting  
and Landscaping; authorizing the City Auditor and  
Comptroller to transfer \$253,894 from Fund No. 79006,  
Mira Mesa Facilities Benefit Assessment Fund, to  
CIP-52-384, Mira Mesa Lighting and Landscaping;  
authorizing the expenditure of an amount not to exceed  
\$253,894 from Fund No. 79006, Mira Mesa Facilities  
Benefit Assessment Fund, CIP-52-384, Mira Mesa Lighting

and Landscaping, to supplement funds previously authorized by Resolution R-271698, adopted on August 8, 1988, for said project and related costs; authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

(BID-0048/89)

(Mira Mesa Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: This project will provide lighting and landscaping to the Mira Mesa Boulevard medians between Parkdale Avenue on the west and I-15 on the east. This project will add needed beautification to the recently completed median narrowing and street work done by City contract. One bid only was received in the amount of \$774,500 from L.R. Hubbard Construction Company, which was 41 percent over the project budget of \$550,600 and 14 percent over our consultant's estimate of \$678,661. There are no discrepancies on the plans or in the specifications which would warrant re-advertising and bidding and a significant reduction in the scope of the project is not a reasonable alternative. Additional funds are required for this contract.

Recommendation to accept the City Manager's Report. Districts 1, 5, 6, 7 and 8 voted yea.

CITY MANAGER SUPPORTING INFORMATION: Earlier Council action authorized the design and construction of a chilled water generating system at the Planetarium to replace an underground pipe line installed in 1970 which has developed leaks. This request is for the purchase of equipment needed for the system which may include long lead time items. The installation plans and specifications are being completed and will be bid separately. In discussions with Planetarium staff it was agreed to oversize some equipment to accommodate the planned Phase I expansion of this facility. The location and screening of the new equipment has also been reviewed and approved by Park committees and the Park and Recreation Board. SDG&E is providing a subsidy of \$56,000 to the project as an incentive for using a gas fired chiller vs. the electric drive type. A low profile screening structure will be installed which will also provide for security and weather protection. This installation will be made at the west end of the building adjacent to a lower level truck delivery area in space that will not impact on park usage. The project and funding was

unanimously approved by the Planetarium Authority at its April 22, 1988 meeting. The PF&R Committee considered this item on April 27, 1988 (City Manager's Report CMR-86-205) and concurred in its recommendation.

(BID-0292/89)

(Mission Bay Community Area. District-6. )

CITY MANAGER SUPPORTING INFORMATION: The project will repair concrete spalls and provide deck resurfacing to the Sports Arena Boulevard bridge over the San Diego River flood control channel. In recent years, progressive physical damage to the bridge deck has occurred due to insufficient cover over the reinforcing steel. Linear fractures and delaminations have produced a rough riding surface, necessitating frequent deck repairs. Application of the concrete overlay system will prevent further deterioration of the existing substrate while providing a relatively impermeable, skid resistant wearing surface. This should extend the structural life of the base concrete and improve deck surface rideability. Funding for the project has been provided by the General Services Department, Streets Division, from Gas Tax maintenance funds, since there is no CIP available to fund the hiring of a specialist contractor.

\* ITEM-110: (R-89-854) ADOPTED AS RESOLUTION R-272468

Inviting bids for the construction of Safety All-Weather Walkway for Lisbon Street on Work Order No. 119041; authorizing the execution of a contract with the lowest responsible bidder; authorizing the transfer of \$54,000 from Proposition 'A' Fund 3300, CIP-52-396, State Route 117 and 125 to CIP-52-327, Annual Allocation - Safety All Weather Walkways; authorizing the expenditure of an amount not to exceed \$121,100 (\$67,100 from Capital Outlay Fund 30245 and \$54,000 from Proposition 'A' Fund 3300) from CIP-52-327, Annual Allocation - Safety All Weather Walkways, for providing funds for said project and related costs; authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. (BID-0279/89)

(Southeast San Diego Community Area. District-4.)

CITY MANAGER SUPPORTING INFORMATION: This Annual Allocation will construct an all-weather, asphalt concrete walkway on the north side of Lisbon Street from Imperial Avenue to 700 feet east of 71st Street to serve Keiller Middle School. At present, there are no sidewalks on Lisbon Street for students and pedestrians. Therefore, this interim project will improve safety for students until permanent street improvements are constructed. Lisbon Street was selected for this Annual Allocation from a priority list of similar streets based on criteria such as traffic volume, speed, and whether or not the street is a safe route to school.

Rejecting all bids received on October 14, 1988 and inviting bids for the Construction of Southeast Athletic Area - Improvements on Work Order No. 118922; authorizing the execution of a contract with the lowest responsible and reliable bidder; authorizing the City

Auditor and Comptroller to transfer \$20,713 (\$2,551 from PSD Fund 11660 and \$18,162 from PSD Fund 15000) to CIP-29-579, Southeast Athletic Area - Improvements; authorizing the expenditure of funds not to exceed \$20,713 from CIP-29-579, Southeast Athletic Area - Improvements, to supplement funds previously authorized by Resolution R-271868, adopted on September 19, 1988, for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. (BID-0126/89A)

(Southeast San Diego Community Area. District-4.)

CITY MANAGER SUPPORTING INFORMATION: This project will provide additional improvements needed to complete the development of the Southeast Athletic Area park site. The improvements include the construction of a children's play area, expanded picnic facilities, automated irrigation systems and landscaping. The construction cost estimate was \$80,000. One bid of \$99,137 was received on October 14, 1988. An active construction climate and a low bid estimate have been identified as reasons for lack of bidder response. The project's cost estimate has been increased. Rejection of the bid received and readvertising is recommended.

Terminating the Subdivision Improvement Agreements of August 31, 1981 for Villa Mesa Unit Nos. 1, 2 and 3; releasing Performance Bond Nos. SC-731-12-22, SC-731-14-23, and SC-731-14-24, issued by American Insurance Company, guaranteeing the improvements in the subdivision known as Villa Mesa Unit Nos. 1, 2 and 3.

(Tierrasanta Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: On August 31, 1981, the City entered into agreements with Tierrasanta Norte (presently known as Tierrasanta L-L Partnership ) for the construction of public improvements for Villa Mesa Unit Nos. 1, 2 and 3. No work was done on these projects. The property covered by these agreements has been resubdivided by Tierrasanta Norte III, Tierrasanta Norte VI, Unit No. 1 and Tierrasanta Norte VI, Unit No. 2. The City has entered into agreements with Tierrasanta L-L Partnership for the construction of public improvements for these projects, which completely supersede those obligated through the Villa Mesa agreements. Therefore, it is recommended that the Subdivision Improvements for Units 1, 2 and 3 of Villa Mesa be terminated and the sureties be released.

Authorizing the execution of a deed conveying to San Diego Gas and Electric Company, an easement for electrical service over a portion of Lot 70, Rancho Mission, to serve the Mission Trails Regional Park, at Cowles Mountain.

(Cowles Mountain Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: A new comfort station to serve the Mission Trails Regional park at Cowles Mountain is in the final stages of development planning. Electrical service to the public restroom within the plan will require SDG&E to cross a portion of the regional park still owned in fee by the City (the rest of the park is a joint County/City project). This project will be a County development, but, when completed, City's Park and Recreation Department, Open Space Division will

staff and manage the facility. Therefore, no processing fee is being charged. The City's fee ownership is a 0.89-acre site in the northeast corner of Navajo Road and Golfcrest Drive, known as Lot 70, Rancho Mission.

Approving the acceptance by the City Manager of a deed of the United States Government conveying to the City a 0.44-acre parcel of land; dedicating said land as and for a public street, and naming the same Antigua Boulevard. (Tierrasanta Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: By Resolution R-255652 dated January 11, 1982, the City of San Diego conveyed a deed of reversion to the Federal Government for a 0.44 acre of land. This land was originally a portion of a larger parcel deeded to the City from the Federal Government for park purposes. The 0.44 acre was reverted back to the Federal Government for removal of certain deed restrictions that would then allow its use for street purposes. Once the restrictions were removed, the U. S. General Services Administration (GSA) would establish a fair market value for the property for which it would be purchased by the City.

Subitem-A: (R-89-1096) ADOPTED AS RESOLUTION R-272478  
Dedicating for public street purposes portions of Section 26, Township 18 South, Range 2 West, San Bernardino Meridian, and naming the same Beyer Boulevard.

Subitem-B: (R-89-1097) ADOPTED AS RESOLUTION R-272479  
Certifying that the information contained in Environmental Impact Report EIR-83-0227, has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and State guidelines, and has been reviewed and considered by the Council.

CITY MANAGER SUPPORTING INFORMATION: On May 31, 1988, City Council Resolution R-271054 authorized the acquisition of right-of-way required for the widening of Beyer Boulevard from State Route 117 on the south to the City limits on the north. This project allowed the widening of Beyer Boulevard to a four-lane major street and the construction of a new bridge over the Otay River. This project is consistent with the General Plan and circulation element of the Otay-Mesa Nestor Community Plan. The right-of-way acquired for the street now needs to be dedicated for street purposes.

\* ITEM-123: (R-89-1098) ADOPTED AS RESOLUTION R-272485

Authorizing the City Manager to expend an amount not to exceed \$7,500 from Open Space Bond Fund No. 79103, to cover the cost of appraisal of three parcels of land, totalling 6.19 acres in Radio Canyon, for the purpose of acquisition for open space.

(Southeast San Diego Community Area. Districts-3 and 4.)

CITY MANAGER SUPPORTING INFORMATION: On November 21, 1983, the Council approved a revised open space retention list and gave direction on future open space appraisals for purposes of acquisition. Included in that direction was that \$5 million be allocated in each of Council Districts 3 and 4 to acquire open space and to "look to the Councilmember of the District" in identification of parcels to be acquired. City staff has since been working with District staff to meet the requirements of the Council directive. In the case of District 4, approved expenditures have reduced the allocation to approximately \$500,000. As a part of our ongoing efforts to acquire quality open space, the availability of these parcels was reported to District 4. District 4 reviewed these parcels and recommended they be added to the acquisition plan. Although these parcels are in District 3, a half block from the District 4 boundary, they connect to the Chollas Radio system within District 4, which is Priority No. 5, in Category A, of the Council-approved open space retention list. Acquisitions in this system now total 157 acres. This request is for Council approval of inclusion of these parcels into the open space acquisition plan and to authorize expenditure of \$7,500 from Open Space Bond Fund 79103 for appraisal costs. These parcels, totalling 6.19 acres, are located east of 60th Street, fronting on the south side of Radio Drive.

\* ITEM-133: (R-89-1077) ADOPTED AS RESOLUTION R-272495

Authorizing the execution of an agreement with the California Department of Transportation (CalTrans), for the design and construction of a traffic signal and safety lighting at the intersection of Genesee Avenue and the southbound off-ramp of State Route 163; authorizing the expenditure of an amount not to exceed \$94,200 (50 percent of the total cost of the signal and safety lighting) from CIP-68-001.1, Cooperative Signal Projects, for the purpose of providing funds for the above project.

(Linda Vista Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: This City/State agreement is for the design and construction of a traffic signal and safety lighting at the intersection of Genesee Avenue and the southbound off-ramp of State Route 163. Recent traffic studies made at this intersection indicated that the criteria for installation of a traffic signal were satisfied. The installation is necessary to provide proper right-of-way assignment at this intersection. The total cost estimate for this project, including design and construction of a traffic signal, safety lighting and freeway ramp widening, has been estimated at \$338,000. The City's share of this cost will not exceed \$94,200 (50 percent of the total traffic signal and safety lighting cost). The State will pay for the entire cost of the ramp widening.

\* ITEM-134: (R-89-1080) ADOPTED AS RESOLUTION R-272496

Authorizing the execution of an amended Master Policy Statement for the Citymed Health Plan to authorize a premium rate increase of 10 percent for dependents and retirees and to maintain the current premium rates for employees.

CITY MANAGER SUPPORTING INFORMATION: In March 1988, the actuarial firm of Angus Crawford, Inc. completed a review of the integrity and stability of the Citymed Health Plan. The review recommended the following premium rate structure:

	\$50	\$1000	\$2500		
Monthly Premiums				Deductible	Retirees
Employee (City pd.)	\$ 74.90		\$37.44	\$30.00	\$182.00
Retiree (Medicare)				\$ 52.00	
1 Dependent					
(Employee pd.)	\$ 91.12	\$45.56	\$36.38		
1 Dependent					
(Medicare)				\$ 52.00	
2+ Dependents					
(Employee pd.)	\$169.58	\$84.78	\$67.80		

Premium rates are unchanged from FY 1988 for employees and have increased 10 percent for dependents and retirees due to experience. The indicated plan modifications implement changes required by State law related to adoptions and coverage for mammograms and provide clarification of current plan provisions. Aud. Cert. 8900045.

\* ITEM-135: (R-89-1036) ADOPTED AS RESOLUTION R-272497

Authorizing the execution of a Fifth Amendment to the agreement with DeWeese Burton Associates, for additional professional services required for the South Shores Development - Phase III, authorizing the City Auditor and Comptroller to transfer \$60,000 from CIP-22-069, Shoreline

Reclamation and Environmental Enhancement, Capital Outlay Fund 302453 to CIP-22-024.1, South Shores Development - Phase III; authorizing the expenditure of an amount not to exceed \$60,000 from CIP-22-024.1, South Shores Development - Phase III, for the purpose of providing funds for the above fifth amendment to agreement; authorizing the City Auditor and Comptroller upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

(Mission Bay Community Area. District-6.)

CITY MANAGER SUPPORTING INFORMATION: The proposed Fifth Amendment to the Agreement with DeWeese Burton and Associates adds \$60,000 to the additional services and reimbursable expenses portion of the fee. This fee increase is required to pay for continued testing for toxic material during the construction of the South Shores Development Phase III project and for other as yet unidentified additional services. The project site was used as a sanitary landfill by the City in the 1950's. The park's design considered that former use and all that was known about the site and problems were anticipated. The extent and therefore the cost of professional services required to monitor ground water and landfill gases was underestimated. The authorized fee for additional services is almost exhausted and services are required.

(Balboa Park Community Area. District-8.)

Subitem-A: (R-89-1122) ADOPTED AS RESOLUTION R-272498

Authorizing the execution of an agreement with Mandeville and Associates for design and installation of a monitoring and migration control system at the Arizona Street landfill; authorizing the expenditure of an amount not to exceed \$847,500, consisting of \$696,483 from Capital Outlay Fund 302453, CIP-37-250.8 and \$151,017 from Waste

Management - Refuse Disposal Fund 40201, CIP-37-250.8 for the purpose of providing funds for the above project; authorizing the City Auditor and Comptroller to remit unexpended funds to the appropriate reserves upon advice of the administering department.

Subitem-B: (R-89-1123) ADOPTED AS RESOLUTION R-272499  
Certifying that the information contained in Environmental Negative Declaration END-88-0965, has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and the State guidelines, and has been reviewed and considered by the Council.

CITY MANAGER SUPPORTING INFORMATION: Arizona Street Landfill, located in Balboa Park, between Florida Canyon and Pershing Drive was operated as a City Landfill from 1952 through 1974. This project is needed to prevent the migration of the landfill gas into the facilities on an adjacent to the landfill, and to comply with requirements established by the County Health Department and the Air Pollution Control District. This agreement will assess the magnitude of landfill migration, design and construct a permanent monitoring and migration control system. The Migration Control System will include several collection wells, piping and a flare station. In addition this agreement will provide for the development of a closure, post closure and maintenance funding plan for the Arizona Street Landfill. An advertisement was placed in the San Diego Transcript requesting consultant services for developing landfill gas migration control systems. The City Consultant Nominating Committee then short listed four firms. The General Services Department then solicited proposals from these four firms. A selection committee was then created to evaluate the proposals and interview the prospective consultants. This committee has selected Mandeville and Associates as the recommended consultant based on their qualifying interview and their previous experience on similar projects. Mandeville Associates is a scientific and engineering consulting firm with an extensive background in the fields of landfill gas management and related environmental quality assessment and control. Approximately 90 percent of their work is landfill gas related.

Cancelling the Capital Improvement Program of Water Revenue Fund (41502), Dulzura Conduit Phase II, CIP-73-279.0; authorizing the execution of an agreement with Kennedy/Jenks/Chilton, Inc. for consultant services in connection with the Dulzura Conduit Renovation; authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$78,500 within the Water Revenue Fund, Water Engineering Construction Program (70893), from Dulzura Conduit Phase II, CIP-73-279.0, to the Dulzura Conduit, CIP-73-252.0; authorizing the expenditure of an amount not to exceed \$386,420 from the Water Revenue Fund (41502), consisting of \$28,094 from CIP-73-278.0, Barrett Reservoir Access Road, and \$358,326 from CIP-73-252.0, Dulzura Conduit, for the purpose of providing funds for the above agreement.

CITY MANAGER SUPPORTING INFORMATION: This agreement is for engineering design services for the Dulzura Conduit Renovation project. The purpose of this project is to renovate the deteriorated sections which have limited water conveyance capacity (to 15 MGD from the original design of 40 MGD). Also included will be a survey of the Barrett Reservoir Access Road. Although originally planned as to CIP projects, Dulzura Conduit CIP-73-252 and Dulzura Conduit Phase II CIP-73-279, the proposed renovation will be constructed as one project. Project design by a consultant is recommended to meet the current construction schedule, maximizing the potential savings realized through the use of reservoir water by the Otay Filtration Plant. This project was advertised in the Daily Transcript on February 2, 1988, with 6 consultants responding. Five consultants were interviewed in accordance with Council Policy 300-7 and Kennedy/Jenks/Chilton, Inc., was selected. The consultant's responsibilities will include a preliminary design report, environmental study, survey and mapping, geotechnical explorations, preparation of construction plans and specifications, and construction support services for a contract amount not to exceed \$386,420. Project subconsultants are: Converse Consultants, geotechnical \$72,208; Jaykim Engineers (MBE), surveys \$64,402; Butler/Roach Group (WBE), environmental, \$15,300; and Macklin and Macklin, construction estimating \$8,000.

\* ITEM-138: (R-89-1108) ADOPTED AS RESOLUTION R-272501

Authorizing the execution of an agreement with San Diego Regional Employment and Training Consortium (RETC) to provide a job development specialist to work exclusively in the Enterprise Zone from January 1, 1989, through June 30, 1989; authorizing the expenditure of an amount not to exceed \$16,000 from 1988-89 CDBG Fund 18524, Dept. 5666, Org. 6605, Job Order No. 006605, for the purpose of providing funds for the above project.

(Southeast San Diego, Barrio Logan and Centre City Community Areas. Districts-4 and 8.)

CITY MANAGER SUPPORTING INFORMATION: The Enterprise Zone is a program which provides incentives for businesses to invest in economically distressed parts of the City. The most valuable incentive is a State income tax credit on up to 50 percent of the wages of qualifying new employees. Qualifying employees must be enrolled in the County's Greater Avenues to Independence (GAIN) program, be certified by the State Employment Development Department as meeting certain criteria, or receiving training in a Job Training Partnership Act training program. Since March, 1987, the City's Enterprise Zone administration has included a job development specialist on contract with RETC to coordinate job placements in the Zone. This specialist accesses eligible unemployment persons from appropriate agencies. In this way, employers need not try to determine which government agency to go to for new employees. Also, persons referred for employment are assured to qualify the employer for State tax savings. The contract with RETC to provide a job development specialist has worked well and should be continued. In two years of operation, over 400 persons have been placed in new jobs. This resolution would authorize the execution of a six month contract extension. The extension will result in a contract term to coincide with both City and RETC fiscal cycles. An expenditure of \$16,000 is budgeted for this purpose from the 1988-89 CDBG allocation for the Enterprise Zone project.

Authorizing the execution of a 7-year flat rate lease agreement with Rohr Industries, Inc., commencing February 1, 1989, for the continuing operation of a jet engine testing facility on a 9.95-acre site on the north side of Brown Field Airport, at an initial rent of \$1,867 per month.

(Otay Mesa Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: Since 1966, Rohr Industries, Inc. has operated a jet engine testing facility on the north side of Brown Field Airport. This new seven year lease will commence February 1, 1989 subsequent to expiration of the existing lease agreement on January 31, 1989. This lease

area (9.95 acres) is not planned for redevelopment within the new lease term. A 180-day Termination Clause is included in the lease agreement, however, to allow the City flexibility in the event the development schedule is accelerated. The rent has been increased from \$13,005 to \$22,404 annually, which represents a 9 percent return on land value based on a recent City staff appraisal. The lease also provides for C.P.I. rent adjustment every two years. All other terms and conditions have been updated to reflect the City's current standard lease provisions. Rohr has requested an early renewal of its lease of the premises to allow consummation of contracts for engine testing past the expiration date of their current lease.

Approving Change Order No. 1, dated September 27, 1988, issued in connection with the contract with C.E. Wylie Construction Company for expansion of the Lower Otay Water Filtration Plant; amounting to a net increase in the contract price of \$40,270.

(South San Diego, Paradise Hills, Otay Mesa and San Ysidro Community Areas. Districts-4 and 8.)

CITY MANAGER SUPPORTING INFORMATION: On November 16, 1987, the City Council authorized contract award to the low bidder, C.E. Wylie Construction Co., in the amount of \$12,181,052 for expansion of the Lower Otay Water Filtration Plant. Plant expansion will meet the anticipated growing water demands of the southern section of the City, including Otay Mesa. Construction is proceeding ahead of schedule and is fifty percent complete. This request is for a net authorization of \$40,270 for Change Order No. 1. Change Order No. 1 includes the following items:

1. During construction of the new raw water pump station, the 80 year old intake line was dewatered and inspected. The inspection discovered a leak in the line and it is anticipated replacement will be required within ten years. To ensure safety the City directed the contractor to construct a concrete thrust wall down stream of the shutoff gate valve to support pressure should there be a failure. Total cost \$28,767.

2. Demolition and removal of an unforeseen concrete encasement around the raw water line beneath the old filter building at a cost of \$11,162.
3. Upsize two chlorine solution lines from 2-inch to 3-inch. Total cost \$4,330.
4. Reroute 90 lineal feet of water line not located correctly on the as-built drawings. Total cost \$1,646.
5. A \$5,630 credit for substituting wall rings in lieu of link seals penetrating structural walls and deletion of one carbon dioxide scale.

(South San Diego, Paradise Hills, Otay Mesa and San Ysidro Community Areas. Districts-4 and 8.)

CITY MANAGER SUPPORTING INFORMATION: On May 11, 1987, the City Council approved funding for the expansion of the Lower Otay Water Filtration Plant. On November 16, 1987, the City of San Diego awarded a contract to C.E. Wylie Construction Company of San Diego in the amount of \$12,131,052 for the expansion of the Lower Otay Water Filtration Plant. Sheet Numbers 22777-17-D, 22777-121-D, and 22777-141-D of the approved plans require City forces to furnish an 8-inch water meter at the effluent control structure and a 4-inch water meter at the Filter Pipe Gallery. Due to safety measures and economic reasons, it is common practice to have all water meters installed by City forces. City Council approval is required when the amount used for City forces exceeds \$5,000 within any single City contract. The total cost for City forces to furnish and install the two meters is \$23,540.

ITEM-151:

Two actions relative to the transfer of Paratransit Regulatory Activities to the Metropolitan Transit Development Board (MTDB):

Subitem-A: (O-89-113) INTRODUCED, TO BE ADOPTED JANUARY 9, 1989

Introduction of an Ordinance repealing Chapter VII, Article 5, of the San Diego Municipal Code relating to Paratransit Code.

Subitem-B: (R-89-1088) ADOPTED AS RESOLUTION R-272517

Adoption of a Resolution authorizing the execution of a first amendment to the agreement with the San Diego Metropolitan Transit Development Board, to regulate paratransit services for a five-year period; authorizing the City Manager to transfer all pending administrative matters, permit applications, appeals, etc., to the San Diego Metropolitan Transit Development Board pursuant to the agreement.

(See City Manager Report CMR-87-438.)

COMMITTEE ACTION: Reviewed by TLU on 9/14/87.

Recommendation to approve the City Manager's recommendation to refer Paratransit regulatory activities to MTDB. Districts 1, 7 and 8 voted yea. District 6 not present.

CITY MANAGER SUPPORTING INFORMATION: In June, 1988, the Council authorized the Metropolitan Transit Development Board (MTDB) to administer and enforce the San Diego Municipal Code, Chapter VII, Article 5; and the City Manager to execute a memorandum of understanding with MTDB concerning the transfer of responsibility for regulation of Paratransit activities by Council Resolution R-271307, dated June 28, 1988. It is necessary to adopt a resolution, to extend, for five years, the current agreement for transfer of administrative authority to MTDB as the successor to the City. The present agreement expires on December 31, 1988. MTDB is willing to continue. Attached agreement provides for the transfer to avoid any conflicting provisions, authority and responsibilities to regulate. MTDB has adopted ordinances to regulate in accordance with State Public Utilities Code (PUC), Section 120266.

Therefore, the City should repeal its Paratransit Ordinance to avoid confusion.

(Continued from the meeting of November 28, 1988, Item 111, at Ross Felber's request, for further review.)

Approving the acceptance by the City Manager of a grant deed of McComic-Westwood, Ltd., granting to the City Parcel 6 of Parcel Map PM-12542 for open space purposes; authorizing the expenditure of an amount not to exceed \$375 from Open Space Bond Fund 79103, in payment of Title Policy for Parcel 6 of Parcel Map PM-12542.

(Rancho Bernardo Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The Park and Recreation and Property Departments recommend acceptance of a 5.21-acre site which will increase the City's open space holdings in northeast Rancho Bernardo. The donation by R.B. McComic, Inc., is contingent upon an agreement with the City to restrict use of the land to either open space or park purposes. The agreement is appended to the grant deed as "Exhibit A." The site is adjacent to land to the west already designated as open space, and to Battle Mountain which will be a future open space donation to the City.

ITEM-204: (O-89-108) FIRST HEARING HELD

First public hearing in the matter of:

An Ordinance amending Ordinance O-17122 (New Series), as amended, entitled "An Ordinance Adopting the Annual Budget for the Fiscal Year 1988-89 and Appropriating the Necessary Money to Operate the City of San Diego for said Fiscal Year" by amending Document No. OO-17122-1, as amended and adopted therein, to establish a special fund to be entitled "Urban Conservation Corps Fund" , (No. 10590), said fund to earn and be credited with interest earnings in proportion to total earnings received by the City; authorizing the Auditor and Comptroller to accept for deposit and to disburse monies from this fund, as directed.

CITY MANAGER SUPPORTING INFORMATION: At the direction of the City Council, the Manager is in the process of forming an Urban Conservation Corps for the community's young people who are out of school and without employment. The Corps will be established to serve approximately 80 individuals, and will have

as a goal, the placement of these individuals in full-time employment in the private sector. In order to facilitate fund raising, it is necessary to establish a special fund to account for monies raised and expended on this project. The consultant approved previously by the City Council will have the responsibility of fund raising for the project. Funds raised will be used for expenses associated with the Corps development and start-up.

NOTE: See Item 336 on the docket of Tuesday, December 13, 1988, for the introduction and adoption of the Ordinance.

Proposal to approve the Miramar Ranch North Development Agreement between the City of San Diego and BCE Development, Inc.

The proposed development agreement would apply to approximately 1,200 acres in the Miramar Ranch North community. The development agreement is being proposed to meet a condition placed on an approved tentative subdivision map for the property. The primary purpose of the development agreement is to provide for the funding of public facilities through the owner's participation in the community's public facilities financing plan. The owner would agree to pay its fair share of fees or contribute

facilities in lieu of payment as required by the public facilities financing plan for the community. The developer would also provide public improvements, facilities and services as required by the tentative subdivision map. The development agreement would assure the owner that the property could be developed in conformance with the Miramar Ranch North Community Plan, and the Miramar Ranch North Public Facilities Financing Plan for the 20-year term of the agreement. Additional provisions are included in the draft development agreement.

The property subject to the proposed development agreement is located generally east of I-15, southerly of Poway Road and north of Miramar Lake. A brief legal description is as follows: portions of Sections 20, 21, 27, 28, 29, 32 and 33, Township 14 South, Range 2 West, S.B.B.M. Approval of the proposed Scripps Eastview Development Agreement between the City of San Diego and ITEC Properties.

The proposed development agreement would apply to approximately 114 acres in the Scripps Miramar Ranch community. The development agreement is being proposed to meet a condition placed on an approved tentative subdivision map for the property. The primary purpose of the development agreement is to provide for the funding of public facilities through the owner's participation in the community's public facilities financing plan. The owner would agree to pay its fair share of fees or contribute facilities in lieu of payment as required by the public facilities financing plan for the community. The developer would also provide public improvements, facilities and services as required by the tentative subdivision map. The development agreement would assure the owner that the property could be developed in conformance with the Scripps Miramar Ranch Community Plan, Vesting Tentative Map VTM-87-0884, Planned Residential Development Permit PRD-87-0884 and the A-1-1, R-3000, R1-6000 and HRO zones for the 20-year term of the agreement. Additional provisions are included in the draft development agreement. The property subject to the proposed development agreement is located south of the Poway City Limits on the north and westerly sides of Pomerado Road, opposite the intersection of Beeler Canyon Road. A brief legal description is as follows: The northwest quarter of the southwest quarter; portion of the northeast quarter of the southwest quarter; portion of the northwest quarter of the southeast quarter; portion of the southeast quarter of the southwest quarter and a portion of the southwest quarter of the northeast quarter, Section 26, Township 14 South, Range 2 West, S.B.B.M. The specific legal description is on file in the

City Planning Department.

Four actions relative to a street vacation, street dedication and related items in Lot 1 of Speer Tract, Map-3789, located southeasterly of Midway Drive and Rosecrans Street:  
(Midway Community Area. District-2.)

Subitem-A: (R-89-1145) ADOPTED AS RESOLUTION R-272543  
Vacating the excess portion of the street reservation located within Lot 1 Speer Tract, Map-3789, under the procedure for the summary vacation of streets and public service easements, Section 8330 et seq. of the California Streets and Highways Code.

Subitem-B: (R-89-1142) ADOPTED AS RESOLUTION R-272544  
Authorizing the execution of a quitclaim deed to Hughes/Loma Square Associates, effecting the revestment of abutter's rights of access to Rosecrans Street adjacent and contiguous to Lot 1 of Speer Tract, Map-3789.

Subitem-C: (R-89-1143) ADOPTED AS RESOLUTION R-272545  
Approving the acceptance by the City Manager of a street easement deed of Hughes/Loma Square Associates, granting to the City a portion of Lot 1 of Speer Tract, Map-3789; dedicating the land as and for a public street and naming the same Rosecrans Place.

Subitem-D: (R-89-1144) ADOPTED AS RESOLUTION R-272546

Approving the acceptance by the City Manager of an Offer to Dedicate deed of Hughes/Loma Square Associates, offering to dedicate for public street purposes a portion of Lot 1 of Speer Tract, Map-3789.

CITY MANAGER SUPPORTING INFORMATION: The proposed vacation is in conjunction with Planned Commercial Development Permit PCD-88-0534 and a proposed consolidation parcel map. The PCD proposes redevelopment of Loma Square and utilization of the vacation area for parking and landscaping. The subject vacation is within the Midway Community Plan area and situated within a CA Zone. The area-of-vacation totals approximately 4,750 square feet and is included as part of the 687,652 square foot redevelopment site of which proposes a 205,097 square foot building area. The PCD-88-0543 was approved by the Planning Director on August 5, 1988. The proposed vacation is a street reservation, which was granted to the City but was never dedicated or improved as a public street. If dedicated, the right-of-way would serve as dedicated access only to the commercial site. The existing utilities within the vacation are will not be affected since easements are being provided. Access to development site is to be accommodated by a series of driveways which are under construction as part of the related Public and Land Development permits. In addition, access rights are to be revested adjacent to the northeasterly segment of the street reservation. Staff review has indicated that the street reservation to be vacated is no longer required for present or prospective public use and may be summarily vacated. Rosecrans Place is a frontage road adjacent to Rosecrans Street and is being realigned and dedicated ultimately to provide access to Rosecrans Street. The improvement of Rosecrans Place is shown on Engineering Drawing No. 24542-D, for which a permit will be issued and a bond, in the amount of \$34,791.00, posted to assure the work. The offer to dedicate street reservation is for property along the north side of the property adjacent to Midway Drive to accommodate widening of the street at some future date.

Approving the acceptance by the City Manager of a grant deed by Clifford Nelson and Neva E. Nelson, conveying to the City the North Quarter of the Southwest Quarter of the Southwest Quarter of Section 11, Township 12 South, Range 1 East, San Bernardino Meridian, according to the Official Plat; authorizing the expenditure of an amount not to exceed \$127,000 from Water Revenue Fund 41502, for the above acquisition.

(Pamo Valley Community Area.)

CITY MANAGER SUPPORTING INFORMATION: Over the past several years, the City has attempted to acquire several parcels of land still in private ownership in Pamo Valley. The most recent acquisition was of a 10-acre parcel in January 1987. The property owner has approached the City to buy his property for \$125,000. This is an opportunity to purchase a parcel of land we have desired to acquire in years past. This 10-acre parcel is completely surrounded by existing City Water Utilities' property. The acquisition of this parcel will eliminate an island of private ownership and round out the City's ownership in this area.

\* ITEM-S416: (R-89-1173) ADOPTED AS RESOLUTION R-272554

Approving the submission of a proposal under the California Beverage Container Recycling and Litter Reduction Act.

CITY MANAGER SUPPORTING INFORMATION: The Department of Conservation, Division of Recycling has made \$775,000 available for Litter Abatement and Recycling Activities in the current funding cycle. Proposals must be submitted to the DOC by December 15, 1988. Selected projects will be funded with the start date of March 1, 1989. The Waste Management Department requests approval to submit a proposal for five projects qualifying for possible funding under these guidelines. All proposed projects support the City's Recycling Plan and would contribute to the goal of reducing the volume material disposed of in the landfill.

1. Expansion of the City Office Paper Recycling Program to provide for the collection of beverage containers. DOC funding would purchase beverage recycling containers to be placed in City offices.
2. Downtown Sidewalk Litter and Recycling project to encourage the collection and separation of beverage containers. Provides funds for additional litter cans with attached beverage container collection baskets and baskets for 180 existing containers.

3. Tierrasanta Community Recycling Project will develop a "Zoned: collection program for newsprint, glass, plastic and aluminum." Funds approximately 25 neighborhood collection sites and a community education/program campaign.
4. Block Leader Program to support the City's Curbside Recycling project. Funds programs to encourage participation and involvement in recycling through a network of community volunteers.
5. Support of the Community education and outreach programs with the funding of a desk top publishing system. The system will be used to produce newsletters for the Block Leader Program, school recycling project and non-profit organizations and to provide graphic support for recycling promotion efforts.

Authorizing the execution of a Letter Amendment dated November 4, 1988, to the agreement with Freilich, Leitner, Carlisle and Shortlidge to provide for: 1) Phase III Compensation of \$80,000, 2) Extension of the term of the agreement to June 30, 1989 and 3) Payment for services related to preparation of Council Policy on Development Agreements.

FILE LOCATION: MEET

COUNCIL ACTION: (Tape location: B120-561.)

Motion by McCarty to approve 1) of the resolution and disapprove 2) and 3). Second by Henderson. No vote.

SUBSTITUTE MOTION BY FILNER TO ADOPT THE RESOLUTION AND DIRECT STAFF TO REPORT BACK TO COUNCIL IN JANUARY ON THE SCOPE OF SERVICES FOR DR. FREILICH. Second by Wolfsheimer. Passed by the following vote: Wolfsheimer-yea, Roberts-yea, McColl-yea, Pratt-yea, Struiksma-not present, Henderson-yea, McCarty-nay, Filner-yea, Mayor O'Connor-yea.

\* ITEM-S419: (R-89-1195) ADOPTED AS RESOLUTION R-272557

Authorizing the execution of an agreement with San Diego County Certified Development Corporation to carry out the Community Development Block Grant (CDBG) Program within the City of San Diego; authorizing the City Manager to extend the existing multi-year agreement for Certified Development Corporation monitoring with George Peterson and Associates from July 1, 1989 to December 31, 1989; authorizing the City Auditor and Comptroller to expend \$12,120 from CDBG Fiscal Year 1989 Fund 18525, for such services for the period of January 1, 1989 to December 31, 1989; authorizing the expenditure of an amount not to exceed \$5,350 from CDBG Fiscal Year 1989 Fund 18525, for audit of the CDC by the firm of Quezada Navarro and Company for the CDC year ending September 31, 1988; authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$212,000 from CDBG Program Income Fund 18502 to CDBG Fiscal Year 1989 Fund 18525; authorizing the expenditure of an amount to exceed \$194,530 from CDBG Fiscal Year 1989 Fund 18525, for the purpose of providing funds for the

execution of the agreement with the Certified Development Corporation.

CITY MANAGER SUPPORTING INFORMATION: The San Diego County Certified Development Corporation (CDC) is a Community Development Block Grant (CDBG) funded nonprofit corporation providing loan packaging and technical assistance to small businesses in San Diego. The proposed agreement would use a 1989 CDBG allocation of \$212,000. Of this amount, \$12,120 has been allocated for the purpose of monitoring the CDCs ongoing finances and \$5,350 has been allocated to perform a year end audit, leaving a remaining balance of \$194,530 available to finance CDC operations. This action would authorize the expenditure of the \$194,530 and approve the related agreement between the City and the CDC. It would also extend the existing three year contract with the program monitor to coincide with the City/CDC contract year and authorize the expenditure of funds for monitor and audit activities.

CONSENT MOTION BY McCOLL TO ADOPT. Second by McCarty. Passed by the following vote: Wolfsheimer-yea, Roberts-yea, McColl-yea, Pratt-yea, Struiksma-yea, Henderson-yea, McCarty-yea, Filner-yea, Mayor O'Connor-yea.

\* ITEM-S420: (R-89-1189) ADOPTED AS RESOLUTION R-272558

Authorizing the execution of an agreement with Torrey Pines Hotel Associates for the construction of a Fire Department emergency access road at the Torrey Pines Golf Course; authorizing the expenditure of an amount not to exceed \$34,489 from CIP-29-648, Torrey Pines Golf Course Requirements, Torrey Pines Improvement Fund No. 10530, for the purpose of providing funds for the execution of the above agreement; authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

(University Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: A new golf cart storage and pro shop facility is being constructed at Torrey Pines by Torrey Pines Hotel Associates under the terms of their lease with the City. The building permit, consistent with Fire Department requirements, provides for an emergency access road, with an asphalt surface. Because of aesthetics, durability, and consistency with other improvements planned by the City, it is

most desirable that the road be constructed of concrete rather than asphalt. Torrey Pines Hotel Associates has offered to provide the concrete road subject to reimbursement for their additional cost of \$34,489. Staff is satisfied that this cost is reasonable. The alternative of reconstructing the asphalt road at a later date would significantly increase the cost of achieving a concrete road. The agreement will enable completion of the concrete road in advance of the February, 1989 Shearson Lehman Hutton Open Golf Tournament.

ITEM-S426: (R-89-1120) ADOPTED AS RESOLUTION R-272563

Declaring that the City will contribute monies for consultant services for development of the Central Bayfront area; authorizing the execution of an agreement with the consultant in conjunction with the joint participation agreement with SANDAG; authorizing the

expenditure of an amount not to exceed \$7,000 from the General 100 Fund for the above services.

**CITY MANAGER SUPPORTING INFORMATION:** The additional scope of services requires that the consultant complete and furnish the following products:

**Task 1: Update Data Base of existing conditions from the Development Strategies Study.**

The most important part of this task will be to understand Bayfront development that has occurred since the study, as well as the most current status of potential future development such as the Navy's Broadway Complex, County Administrative Center, and the Santa Fe sites. Any changes or new plans, policies, or regulatory controls must also be identified.

**Task 2: Confirm/Distill Goals and Objectives for Waterfront Development.**

The goals and policies for the waterfront as contained in the CCPC Centre City Concept Plan will be used as a point of departure for developing alternative concept plans for the Central Bayfront.

**Task 3: Develop Alternative Concept Plans for the Central Bayfront.**

Alternative physical concepts for the Bayfront will be developed to portray a range of potential development for the study area. The basis for these alternatives will be:

Goals, policies, and design precepts as documented in the CCPC Centre City Community Plan and distilled in Task 2.

Existing and planned patterns of development.

Potentials and constraints of the study area as determined in the prior study effort and updated in Task 1.

The Alternative concepts will be developed as a series of maps and related descriptive information to show:

The locations and functions of major activity nodes.

The land use types that would be appropriate for each node.

Major open space linkages within and between activity nodes, and between the Central Bayfront and upland areas.

Recommended densities for each activity node as well as range of values for height, bulk, bay views, parking, circulation, and open space.

**Task 4: Evaluate Alternative Concept Plans.**

The concept plans would be evaluated through the systematic application of a uniform set of criteria to each alternative.

Criteria would include:

Responsiveness to goals and policies of the CCPC Centre City Community Concept Plan.

Ease of implementation/administration within the Separate

Jurisdictions.
