ITEM-100: (R-90-581 Rev.1) ADOPTED AS AMENDED AS RESOLUTION
R-274659

19891031

Awarding a contract to Tri-core Construction, a sole owner, meeting specifications for Standley Community Park Additional Improvements; authorizing the City Manager, if circumstances warrant, to finance or refinance this project with tax exempt securities; authorizing the expenditure of \$15,700 from PSD Fund No. 13000 to supplement funds previously authorized by Resolution R-272854, adopted on February 13, 1989 for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. (BID-0425/89B) (University Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The Standley Community Park Additional Improvements project was advertised for bids three times. The first bid opening was on March 15, 1989 and four bids were received. The low bid was \$50,500 over the \$158,700 estimate. The bid proposal did not include deductive bid alternates and additional financing was not available. Bids were rejected and the project was readvertised with a revised bid proposal which had bid alternatives. No bids were received at the May 1989 bid opening. Telephone conversations with some of the previous bidders indicated that the bidders were confused about the process.

The project was advertised again and three bids were received. The low bid by Tri-Core Construction was \$49,300 over the \$158,700 estimate. A contract can be awarded by using all four deductive bid alternates and by supplementing the authorized financing with an additional \$15,700. The deductive alternates

delete remote control switching for the existing ballfield lighting, a public address system for the gym, replacing existing tennis court light fixtures and replacing existing ballfield light fixtures. The replacement of lights cannot be financed with park fees.

COUNCIL ACTION: (Tape location: A076-122.)

MOTION BY WOLFSHEIMER TO APPROVE THE LOW BID SPECIFIED FOR ITEM-100 SUBJECT TO THE RECEIPT OF \$42,000 WHICH WOULD BE CONTRIBUTED BY McKELLAR AND AHMANSON TOWARDS THE STANDLEY COMMUNITY PARK IMPROVEMENTS, AND THIS WOULD BE IN ADDITION TO THE TRANSFER OF \$15,700, AND DIRECT THE PREPARATION OF THE RESOLUTION AND GIVE MANY THANKS TO McKELLAR AND AHMANSON FOR THIS GIFT TO COMPLETE STANDLEY PARK AND TO APPROVE ITEM-125 SUBITEMS RELATIVE TO THE DOYLE COMMUNITY PARK RECREATION BUILDING, BRINGING BACK A REIMBURSEMENT AGREEMENT FOR THE COST OVER THE FBA FUNDS, AND THE PARTIES TO BE BENEFITTED SPECIFICALLY WOULD BE NORTH UNIVERSITY RESIDENTIAL DEVELOPERS.

Second by Roberts. Passed by the following vote:

Wolfsheimer-yea, Roberts-yea, McColl-yea, Pratt-yea, Struiksma-not present, Henderson-yea, McCarty-yea, Filner-yea, Mayor O'Connor-yea.

ITEM-125:

Two actions relative to the Doyle Community Park Recreation Building:

(University Community Area. District-1.)

Subitem-A: (R-90-547) ADOPTED AS RESOLUTION R-274660

19891031

Authorizing the execution of a Reimbursement Agreement with Ahmanson Developers, Inc. and McKellar Development of La Jolla for the design and construction of the Doyle Community Park Recreation Building; authorizing the City Auditor and Comptroller to expend funds from FBA Fund No. 79001, as funds become available, in accordance with the terms of the agreement.

Subitem-B: (R-90-548) ADOPTED AS RESOLUTION R-274661

Certifying that the information contained in Environmental Impact Report EIR-88-0867, has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and State guidelines, and has been reviewed and considered by the Council.

CITY MANAGER SUPPORTING INFORMATION: Doyle Community Park is located on Regents Road north of Berino Court. The park improvements for this 26-acre site are being designed now and City Council action authorizing advertising for bids is expected in June 1990. The proposed reimbursement agreement will provide both the design and construction of a 17,400 square foot recreation building on the park. Construction of the park improvements and the building should occur concurrently. The agreement provides a significantly larger than standard building which will be completed much earlier than if it were designed and constructed by the usual City contract process. A typical recreation center building has a floor area of about 11,000 square feet. The agreement is between the City of San Diego and two developers, Ahmanson Developments Inc. and McKellar Development of La Jolla. The developers will provide the building and will be reimbursed monthly for work performed. The reimbursement will not exceed \$1,800,000 from FBA funds. An additional \$500,000 will be provided by the developers to supplement the financing for this 17,400 sq. ft. building. The North University Phasing Plan limits the number of dwelling units to 2300 until the recreation center building has been completed. The agreement changes that requirement from completion of the building to the execution of the agreement and the approval of a letter of credit in the amount of \$500,000. City Council approval of this reimbursement agreement is recommended.

Matters of:

1. Amendments to the Mission Beach Precise Plan, Local Coastal Program (LCP) Addendum and the Progress Guide and General Plan, to redesignate the Belmont Park site from

Belmont Amusement Park to Mission Beach Park (Belmont Park);

2. An amendment to the Progress Guide and General Plan to redesignate the Belmont Park site from Commercial Recreation to Resource-based Park; and

3. Rezoning of Belmont Park/Mission Beach Park from Zone C (Commercial) to Zone OS-R (Open Space-Resource), except for the Plunge Building/Fitness Center which is proposed for rezoning from Zone C to Zone CR (Commercial Recreation).

The proposed plan amendments and rezoning also constitute an amendment to the City of San Diego's Local Coastal Program (LCP). If approved by the City Council, the proposed LCP amendment must be submitted to the California Coastal Commission for review and certification. The LCP amendment would not become effective until after approval by the California Coastal Commission.

The above actions are mandated by Proposition G, which was approved by the citizens of San Diego on November 3, 1987. The proposition restricts the Mission Beach Park property, owned by the City of San Diego, to public park and recreation uses and expressly excludes retail and commercial uses except within the Plunge Building. The subject property is located west of Mission Boulevard between Ventura Place and San Fernando Place within the Mission Beach community.

CITY MANAGER SUPPORTING INFORMATION: At its July 24, 1989 meeting, the Transportation and Land Use Committee directed the City Manager to identify an individual to be responsible for the overall coordination of the City's efforts relating to the San Dieguito River Valley Regional Park project. In response to that directive, this action will add 1.00 Management Assistant to provide that coordination. The position would be similar in nature to the Manager's representative assigned to coordinate activities in Mission Bay and Balboa Park. The individual assigned to the San Dieguito project will draw from the technical expertise of other City departments to facilitate the efficient progress of the complex park planning effort. The position will be funded from the unallocated reserve of the Water Revenue Fund (41502), as the majority of the land within the City's jurisdiction of the park's focused planning area is owned by the Water Utilities Department.
