Arroyo Sorrento Road, Via Del Mar, Tierra Del Sur, and Arroyo Sorrento Place are unpaved streets that serve an area of the City located east of Interstate 5 and south of Carmel Valley Road. This area was annexed to the City from the County in 1958. A petition to construct street improvements by means of a 1913 Act Assessment District was signed by the owners of 89.4 percent of the land area subject to assessment. A second petition was circulated and filed to specifically request that the street improvement project include the undergrounding of overhead

utility lines. On June 11, 1996, the City Council adopted Resolution of Intention R-287502, as amended, to delete the underground utility portion and to continue with the remainder focusing on the road paving portion.

ITEM-331:

SUBJECT: Seven actions related to the Final Subdivision Map of Stonecrest Village Unit No. 1 and Street Vacation of Daley Center Drive. (A 7-lot subdivision, located west of Daley Center Drive. Serra Mesa Community Area. District-6.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-97-69) ADOPTED AS RESOLUTION R-287756

Vacating the westerly excess portion of Daley Center Drive north and south of Stonecrest Boulevard in connection with Stonecrest Village TM-95-0204, under the procedure for the summary vacation of streets.

Subitem-B: (R-97-71) ADOPTED AS RESOLUTION R-287757

Authorizing a Subdivision Improvement Agreement with California Pacific Homes, Inc., for the installation and completion of public improvements. (Stonecrest Village Company, L.L.C.)

Subitem-C: (R-97-70) ADOPTED AS RESOLUTION R-287758

Approving the final map.

Subitem-D: (R-97-72) ADOPTED AS RESOLUTION R-287759

Subitem-E: (R-97-73) ADOPTED AS RESOLUTION R-287760

Authorizing an agreement with Stonecrest Village Company L.L.C., for the contribution of funds towards the construction of a southbound Interstate 15 auxiliary lane between Murphy Canyon Road southbound on-ramp and Friars Road.

Subitem-F: (R-97-74) ADOPTED AS RESOLUTION R-287761

Subitem-G: (R-97-75) ADOPTED AS RESOLUTION R-287762

Authorizing an agreement with Stonecrest Village Company L.L.C., for the improvement of Aero Drive and Interstate 15.

CITY MANAGER SUPPORTING INFORMATION:

The vacation of the westerly excess portion of Daley Center Drive has been requested by the developer in connection with the final map for Stonecrest Village Unit No. 1 (TM-95-0204). The project area is located in the Kearny Mesa Community Plan Area and is within the R-1500 Zone. The tentative map and planned residential development permit for Stonecrest Village was approved by City Council on January 30, 1996. The area of vacation totals 0.830 acres and will be consolidated into Lots 2, 3, and 4 of the final map. The future development of the subdivision is regulated by the conditions of the associated Planned Residential Development Permit PRD-95-0204. The Kearny Mesa Community Planning Group voted unanimously to recommend approval of the street vacation on June 26, 1996. The area proposed for vacation is now considered excess and surplus to the needs of the public. The excess right-of-way was created when Daley Center Drive was down graded from a six lane major street to a four lane major street at its intersection with Stonecrest Boulevard as a two-lane collector street south of the intersection as depicted in the Community Plan Amendment approved

by City Council on February 12, 1996. The excess right-of-way is unimproved and does not support public utilities or franchise facilities so easement reservations are not required. The remaining portion of Daley Center Drive is partially improved with additional improvements to be constructed in conjunction with this subdivision. Staff review of this vacation has indicated that the four required findings of vacation can be made and that the excess right-of-way proposed for vacation may be summarily vacated.

ITEM-332:

SUBJECT: Resolution of Intention to Vacate Streets and Alleys Within the United States Navy Bayview Housing Complex.

(Skyline/Paradise Hills Community Area.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-142) ADOPTED AS RESOLUTION R-287763

consisting of Alleghany Court, Bairoka Drive, Bataan Circle, Boxer Road, Chenango Place, Guadalcanal Road, Hornet Drive, Rendova Place, Saipan Drive, Wasp Drive and alleys, all located within the United States Navy Bayview Housing Complex; and fixing a time and place for a public hearing.

A projected hearing date of September 10, 1996 at 10:00 a.m. has been selected for City Council consideration of the street vacation, and certification of Final Environmental Analysis for the United States Navy Bayview Housing Complex.

CONSENT MOTION BY McCARTY TO ADOPT. Second by Mathis.

ITEM-333:

SUBJECT: Vacating Hoss Court, Masher Court, and Excess Portion of Sequence Drive and Drainage and Sewer Easements within Lots 10-17 and Lot B of Lusk Mira Mesa Business Park East II, Map-12642. (Kearny Mesa Community Plan Area. District-6.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-152) ADOPTED AS RESOLUTION R-287764

Vacating Hoss Court and Masher Court north of Sequence Drive, the excess portion of Sequence Drive adjacent to Lots 10, 11, 13, 14, and 17 of Lusk Mira Mesa Business Park East II, Map-12642, a Pedestrian Non-Motor Vehicular Right-of-way, and Sewer and Drainage Easements, under the procedure for the summary vacation of streets;

Declaring that this resolution shall not become effective unless and until the consolidation parcel map is filed within three (3) years, or this resolution shall become void and of no further force or effect;

Directing the City Engineer to advise the City Clerk of the completion of the conditions stated within this resolution and to then be recorded with the County Recorder.

CITY MANAGER SUPPORTING INFORMATION:

The vacation of Hoss Court, Masher Court, an excess portion of Sequence Drive, a Pedestrian Non-Motor Vehicular Right-of-way, and drainage and sewer easements have been requested by the abutting property owner to facilitate development. The developer, General Instruments Corporation, proposes the consolidation/lot-line adjustment of Lots 10 through 17 of Mira Mesa Business Park East II, Map-12685 with the subject vacation areas for the development of a future research and development campus. The areas of vacation are situated in the M-1-A and M-1-B zones and are located in the Mira Mesa Community Plan Area. The areas of vacation total approximately 2.40 acres. The future development of the property is subject to the design guidelines of the Lusk Mira Mesa Business Park East as established and governed through PID Permit PID-88-0499.

The rights of way proposed for vacation are unimproved but have been bonded for through the subdivision process. It has been determined through staff's review that Sequence Drive may be reduced to a 58 foot width provided that on street parking is prohibited. The adjacent properties will provide sufficient off-street parking to serve their developments. The cul de sacs, Hoss Court and Masher Court, are also proposed for vacation. The areas of vacation would be consolidated with adjacent property for future development. A consolidation/lot line adjustment

parcel map is required to prevent land locking of parcels. In addition, a replacement alignment would be dedicated on the consolidation/lot-line adjustment parcel map to accommodate the realignment of the Pedestrian Non-Motor Vehicular right-of-way. The existing public utilities will be provided with easements on the parcel map.

Staff review of the proposed street vacations has indicated that the required findings for vacation can be made and that the rights-of-way proposed for vacation may be vacated upon the approval and filing of a consolidation/lot-line adjustment parcel map.

On 5/15/96, LU&H voted 3-0 to approve the City Manager's recommendation.

Ayes: Councilmembers Mathis, Warden and McCarty

Nays: None

Not Present: Councilmembers Wear and Stevens

CITY MANAGER SUPPORTING INFORMATION:

On November 9, 1993 the City Council considered and continued proposals to resolve a land use conflict in the "Flight Activity Zone" of Runway 10L at Montgomery Field Airport. The land use conflict is due to the Kearny Mesa Community Plan's General Commercial land use designation of properties in the Flight Activity Zone, and the Montgomery Field Comprehensive Land Use Plan which calls for non-commercial ("low intensity") land uses in the Flight Activity Zone.

These issues were considered by the Land Use and Housing Committee on May 15, 1996, and Manager's Report P-96-074 was prepared which recommends:

1) amending the Montgomery Field Comprehensive Land Use Plan and Kearny Mesa Community Plan to reduce the Flight Activity Zone of Runway 10L.

2) distinguishing between the Flight Activity Zone and the Runway Protection Zone of Runway 10L. The proposed amendments would be subject to the approval of SANDAG, acting as the regional Airport Land Use Commission, and would resolve the land use conflict. The Land Use and Housing Committee approved the City Manager's recommendation by a vote of 3-0.

ENVIRONMENTAL IMPACT: The proposed changes to the Montgomery Field Comprehensive Land Use Plan are exempt from the California Environmental Quality Act (CEQA) pursuant to State guidelines,

section 15061(b) (3) .

The previously prepared Kearny Mesa Environmental Impact Report (DEP-87-0626) and Supplemental Environmental Impact Report (DEP-91-0844) with findings and overriding considerations, was certified by the Council on October 6, 1992 by Resolution No. R-280820.
