Adoption of a Resolution of the City Council acting as the legislative body of Community Facilities District No. 4 (Black Mountain Ranch Villages) authorizing the Levy of Special Taxes for Fiscal Year 2004/2005.

**CITY MANAGER SUPPORTING INFORMATION:**

The City Council has previously adopted resolutions and ordinances that established Community Facilities district No. 1 (Miramar Ranch North), Community Facilities District No. 2 (Santaluz), Community Facilities District No. 3 (Liberty Station), and Community Facilities District No. 4 (Black Mountain Ranch Villages). These actions authorized the issuance of limited obligation special tax bonds to finance the construction and acquisition of public infrastructure in or serving the districts, and authorized the levy of a special tax to pay annual debt service on each district's outstanding bonds, or to pay directly for the acquisition of public facilities. This City Council

action would confirm the annual rates, apportionment, and total amount of special taxes to be levied and collected on taxable property within the boundaries of Community Facilities District No. 1, Community Facilities District No. 2, Community Facilities District No. 3, and Community Facilities District No. 4 for Fiscal Year 2005. Each year, the special tax levy is presented to the City Council for approval, in accordance with the Mello-Roos Community Facilities Act of 1982. The special taxes are calculated in accordance with each District's taxing formula, known as the Rate and Method of Apportionment of Special Taxes. The FY 2005 special tax rates are consistent with previous years, with the exception of a programmed 2% increase for Community Facilities District No. 2, pursuant to the taxing formula. Special taxes to be levied against taxable parcels of land within each district for the upcoming fiscal year are reflected in the reports submitted herewith. These special taxes will be billed and collected by the County of San Diego in the same manner as ordinary ad valorem property taxes. Monies received in the form of special taxes will be used to pay debt service on the outstanding bonds and/or pay directly for public facilities, maintain the appropriate balance in the reserve fund for each district, and pay costs incurred by the City in administering the districts.

**FISCAL IMPACT:**

No fiscal impact to the City will occur as a result of this City Council action. The annual special tax levy includes an administrative charge to reimburse the City for costs and expenses incurred on behalf of the districts.

The signal construction will be permanent on the fully-developed north side of the intersection. At the time the south side is developed, the developer will fund the additional signal work required to complete the traffic signal.

**FISCAL IMPACT:**

The total estimated project cost for the temporary traffic signal is \$71,817.50.

**SUPPORTING INFORMATION:**

Sewer and Water Replacement Group 2000 is part of the City of San Diego's continuing Annual Sewer and Water Main Replacement Program. Group 2000 consists of five sewer and water group jobs that are located in various parts of the City. This project includes replacement and rehabilitation of approximately 45,750 feet (8.7 miles) of 6, 8, 10-inch old and deteriorated sewer mains; abandoning 8,500 feet of 6-inch sewer mains in easements to be relocated in the public right-of-way; and replacement of 7,680 feet (1.45 miles) of 6, 8, 12, 16-inch water mains. This project includes replacement of 787 sewer laterals and installing 231 sewer replumbs. Re-routing the sewer main required additional trenching that reached 28 feet deep. This project includes the construction of 163 curb ramps and re-paving and slurry sealing of the impacted streets. The streets affected by construction operations within this project are: Upas Street, Georgia Street, Alabama Street, Robinson Avenue, Park Boulevard, Myrtle Street, Mississippi Street, Louisiana Street, Normal Street, El Cajon Boulevard, Polk Avenue, University Avenue, Bush Street,

Pennsylvania Avenue, Redwood Street, Ocean View Boulevard, 40th Street, Hemlock Street, Teak Street, T Street, 38th Street, 37th Street, 36th Street, 35th Street, 16th Street, 13th Street, Tenth Avenue, and Eleventh Avenue as shown on the location maps.

These close out change orders are to compensate the contractor for material, labor, equipment, and adjustment of quantities to reflect the actual field measured amounts of improvements constructed which differed from the quantities shown on the bid items. A significant part of these change orders include restoring deteriorated streets beyond the original scope of work. Funds are requested to pay additional inspection and City Force work and to compensate the contractor for additional thick pavement removal and for additional restoration and improvement of the excessively damaged streets in the downtown area.

**FISCAL IMPACT:**

The total cost of these projects is \$18,549,107. Funding of \$18,008,778 was previously authorized by Council Resolutions R-295438 on September 10, 2001, R-296115 on February 25, 2002, and R-297561 on January 28, 2003. This request is authorizing additional expenditures of \$540,329 from Water Fund 41500, CIP-73-083.0, Annual Allocation - Water Main Replacement.

(Centre City Community Area. District-2.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2004-1204)            ADOPTED AS RESOLUTION R-299421

Authorizing the City Manager to execute a lease agreement with 7<sup>th</sup> & Broadway Partners, LLC, 901 7<sup>th</sup> Avenue Partners, LLC, and 707 Weber, LLC, for storage of library materials at a rental of \$963 until December 25, 2006, on the terms and conditions substantially as set forth in the Storage Lease Agreement;

**CITY MANAGER SUPPORTING INFORMATION:**

The Library has been leasing space at 707 Broadway since December 26, 2001 on the third floor and a portion of the B-2 basement level. The Library recently closed one of its locations. In doing so, additional storage space was immediately needed to relocate books that were stored at the closed location. Storage space was identified in the B-2 basement level of 707 Broadway directly across the hall from the Library's existing space. The Library will be expanding its basement space under the following basic terms:

TERM: Thirty-three (33) months and twenty-five (25) days commencing March 1, 2004, expiring December 25, 2006.

RENT: \$1.00 per square foot or \$963 per month. This rental rate is below market as compared to similar storage space in the area within high rise buildings that have been leasing at approximately \$1.10 per square foot.

USE: Book storage space for the City Library.

SIZE: Expansion storage space is approximately 963 square feet.

**FISCAL IMPACT:**

\$3,852 will be paid from the Library's budget, Fund 100, Dept. 310, for FY 2004. Rent for FY 2005 is contingent upon City Council approval of the FY 2005 Budget.

**CITY ATTORNEY'S RECOMMENDATION:**

Adopt the following resolution:

(R-2005-22) ADOPTED AS RESOLUTION R-299422

Authorizing a second amendment to the Retainer Agreement by and between the City of San Diego and Latham & Watkins, for legal services in Otay Acquisition v. City of San Diego, San Diego Superior Court Case No. GIC 753247, National Enterprise v. City of San Diego, San Diego Superior Court Case No. GIC 730011, and Border Business Park, Inc. v. Authorizing the expenditure of an amount not to exceed \$750,000 from Liability Fund No. 81140, solely and exclusively, for the purpose of providing funds for the above agreement.

**SUPPORTING INFORMATION:**

An initial agreement in an amount not to exceed \$250,000 was authorized with Latham & Watkins for outside counsel to defend the City in the matters of Otay Acquisition v. City, S.D.S.C. Case No. GIC 753247; National Enterprises v. City, S.D.S.C. Case No. GIC 730011; and Border Business Park, Inc., v. City, S.D.S.C. Case No. 692794. A first amendment to that agreement was authorized by the City Council in an amount not to exceed an additional \$2.8 million. Additional services are now required, and an additional \$750,000 is required to fund the necessary services. The total contract will be in an amount not to exceed \$3,800,000. Approximately \$2.1 million of insurance proceeds has been received to help defray the cost of the representation.

\* ITEM-107: Amendment to the Retention Agreement with KPMG LLP to Continue Audit of the City's Fiscal Year 2003 Financial Statements.

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2005-23) ADOPTED AS RESOLUTION R-299423

Authorizing and directing the City Manager to execute an amendment to the retention agreement with KPMG for an additional amount not to exceed \$300,000, for a total contract amount not to exceed \$800,000 to Continue Audit of the City's Fiscal Year 2003 Financial Statements.

**CITY MANAGER SUPPORTING INFORMATION:**

On January 27, 2004, the City filed a voluntary financial disclosure concerning, in part, certain errors and correctible statements in the City's FY 2002 Comprehensive Annual Financial Report ("CAFR"). As a result, the FY 2003 CAFR has not been finalized and issued. The City Manager retained the firm of KPMG LLP to perform the audit of the City's FY 2003 basic financial statements, which are included in the CAFR, before the FY 2003 CAFR is finalized and issued. The preliminary estimate for the cost to perform the audit was anticipated to be approximately \$500,000, however given the actual expenditures to date and the estimated cost to complete the audit, the City Manager is requesting that the City Council authorize an amendment with KPMG for an additional \$300,000 for a total contract amount of not to exceed \$800,000.

\* ITEM-108: Lease Agreement with San Diego State University Foundation (SDSUF) for the Development, Operation, and Maintenance of a Laboratory Research Facility.

(Peninsula Community Area. District-2.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2004-1404) ADOPTED AS RESOLUTION R-299424

Authorizing the City Manager to execute a lease agreement with San Diego State University Foundation for the development, operation, and maintenance of a laboratory research facility, for a term expiring January 18, 2031, at no rent plus administrative cost recovery.

**CITY MANAGER SUPPORTING INFORMATION:**

On January 18, 2001, the U. S. Department of Health and Human Services deeded a 7.9 acre parcel at the Naval Training Center (NTC) to the City via a Public Benefit Conveyance. The City developed its new Metropolitan Wastewater Department (MWW) Environmental Monitoring & Technical Services Lab on a portion of the parcel, and the City wishes to lease approximately two acres of the remaining parcel to SDSUF to develop and operate a research complex (40,000 sq. ft.) and an outdoor Seawater Lab (11,500 sq. ft.). SDSUF's costs for developing the premises will be approximately \$7.6 million, which is its consideration to City for executing the lease. SDSUF and USGS will conduct collaborative research on the premises and share information with MWW. The approved uses are in compliance with the deed restrictions of the public conveyance and the Council-approved San Diego Reuse Plan for NTC.

The lease is for approximately 26.5 years, expiring on January 18, 2031, with an option for SDSUF to negotiate an extension for an additional unspecified term with the City, with similar terms and conditions of the original term, providing the original circumstances of the lease have not changed that would require modification of the lease.

SDSUF will pay its share of all costs for developing and maintaining improvements shared with MWW and for developing Esplanade Park, during the lease term, which will result in SDSUF paying the City's Clean Water Program Fund 41509, \$364,537.57 in 2004 with future additional payments, as required.

City staff estimates the current annual market rent is approximately \$237,600, which was determined by updating the data in a 2003 appraisal of the premises performed by an independent MAI appraiser. Based on the new proposed Nonprofit Policy, SDSUF will be charged an annual Administration Fee of \$2,621, with annual CPI adjustments.

**FISCAL IMPACT:**

FY 2005, \$364,537.57 to Fund 41509; and a minimum of \$2,621 annually to Fund 100.

\* ITEM-109: Drainage Easement Vacation within a Portion of Parcel 2 of Parcel Map 18040.

(Mission Valley Community Area. District-6.)

**CITY MANAGER’S RECOMMENDATION:**

Adopt the following resolution:

(R-2005-6) ADOPTED AS RESOLUTION R-299425

Vacating the City’s interest in the drainage easement located within a portion of Parcel 2 of Parcel Map No. 18040, to unencumber this property and facilitate development of the site under the procedure for the summary vacation of public service easements, Section 8330 et. seq. of the California Streets and Highways Code.

**CITY MANAGER SUPPORTING INFORMATION:**

City Council action is requested to vacate a portion of a drainage easement within Parcel 2 of Parcel Map 18040 as shown on Engineering Drawing No. 19597-B. This site is located in the Mission Valley Community Plan area, between I-5 and SR-163, southerly of Hotel Circle South in Council District 6.

The easement being vacated is on private property and was acquired at no cost to the City. The applicant has obtained a building permit with new building design which required the re-location of a drainage line. This re-location, as shown on Engineering Drawing No. 31302-D, has been completed, making this existing easement unnecessary. There is no present or anticipated future use for the easement in its present location. A drainage easement of approximately equal value as shown on Engineering Drawing No. 19554-B has been acquired. Staff has reviewed the request and recommends approval of the vacation.

**FISCAL IMPACT:**

None.

\* ITEM-110: Amended Map of Nobel Research Park Including Sewer, Drainage, General Utility, and Access Easement Vacations.

(Located northwesterly of Nobel Drive and Judicial Drive. University Community Area. District-1.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2005-4) ADOPTED AS RESOLUTION R-299426

Approving amended map of Nobel Research Park.

**CITY MANAGER SUPPORTING INFORMATION:**

This 42.629-acre map proposes 16 lots, 15 for commercial purposes and 1 for open space. This map is located in the University Community Plan area, northwesterly of Nobel Drive and Judicial Drive in Council District 1.

This map requires City Council approval because a sewer easement, drainage easement and general utility and access easements are being vacated on the map. The sewer easement and drainage easement were granted by separate document, the general utility and access easements were granted on Nobel Research Park Map No. 14728, all at no cost to the City, and the City has

no fee interest. None of these easements have been used, and there is no future or anticipated use for these easements in their current locations. New drainage and sewer easements are being granted on the Amended Map. A Substantial Conformance Review has been approved, which allows the reconfiguration of the original lots, revising the traffic circulation so that the general utility and access easements are no longer required. The public improvements required for the project conform to the new map, and are shown on Engineering Drawing No. 31863-1-41-D, for which an engineering permit has been issued. This map does not allow for greater development density; therefore, there is no expected traffic impact. There are no park fees due in connection with this project.

Staff recommends approval.

(Black Mountain Ranch Community Area. District-1.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2005-5) ADOPTED AS RESOLUTION R-299427

Approving Parcel Map W.O. No. 421268, being a lot line adjustment of lots 18, 19, and 35 of Black Mountain Ranch Unit No. 6, Map No. 14255;

Declaring that a portion of the building restricted easement granted to the City of San Diego per Map No. 14255 within Parcel 2 is not shown with the Parcel Map because it is vacated pursuant to Section 66445(j) of the Subdivision Map Act.

**CITY MANAGER SUPPORTING INFORMATION:**

This parcel map proposes a lot line adjustment of a 5.207 acre site into three parcels for residential development. It is located in the Black Mountain Ranch Community Plan area, southwesterly of San Dieguito Road and Carmel Valley Road in Council District 1. This map requires City Council approval because a portion of a building restricted easement is being vacated on the map.

The building restricted easement being vacated was granted on Map No. 14255 at no cost to the City. During the final mapping stages of the Santa Luz project, some custom lots were consolidated to accommodate the market. A Substantial Conformance Review was completed and approved to allow development of these consolidated lots. One lot within the development, Lot "G" was formally a Property Owner's Association lot with a building restricted easement placed on it at the discretion of the developer; this was not a City requirement. When this lot was approved as a building lot, it became necessary to vacate the building restricted easement. Staff has determined that this revised project is consistent with all previously approved permits, and the City Engineer has approved the parcel map. This lot line adjustment map does not create any new lots, or greater development density. Therefore, there is no expected traffic impact. There are no park fees due in connection with this project.

(Black Mountain Ranch Community Area. District-1.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2005-3)                      ADOPTED AS RESOLUTION R-299428

Vacating the general utility and access easements located within Lots 91, 93, 95, 97, 119, 121, 123, 125, 192, 194, 196, 198, 200, 202, 204, 206, 212, and 214 of Amended Map of Black Mountain Ranch Unit 1, Map No. 14307 to unencumber the property and facilitate development of the site under the procedure for the summary vacation of public easements, Section 8330 et. seq. of the California Streets and Highways Code.

**CITY MANAGER SUPPORTING INFORMATION:**

City Council action is requested to vacate general utility and access easements in Lots 91, 93, 95, 97, 119, 121, 123, 125, 192, 194, 196, 198, 200, 202, 204, 206, 212, and 214 of Amended Map of Black Mountain Ranch Unit No. 1, Map No. 14307 as shown on Engineering Drawing No. 00082-C. These properties are located southwesterly of San Dieguito Road and Black Mountain Road in the Black Mountain Ranch Community Plan area in Council District 1.

These general utility and access easements are on private property. The applicant requests that the easements be vacated in order to better utilize the lots. The applicant has amended the original subdivision map to provide larger lots, and in doing so re-designed the utility layout and access to the lots via private drives, making the existing utility and access easements unnecessary. Due to this relocation of the utilities to the private drives, no new easements are required. The easements were acquired at no cost to the City, and were never used for the purpose for which they were intended. There is no present or anticipated future use for the easements in their present locations. These general utility and access easement vacations are consistent with all previously approved permits.

Staff recommends approval of the vacations.

\* ITEM-113: Via Alicante Storm Drain Replacement.

(University Community Area. District-1.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2005-14)                      ADOPTED AS RESOLUTION R-299429

Authorizing the City Manager to execute the Permit, which includes the following indemnification provision:

“The City shall defend, indemnify and save Permittee free and harmless from and pay in full, any and all claims, demands, losses, damages or expenses (“Claims”) that the Permittee may sustain or incur in any manner resulting from the City’s acts or omissions during entry onto the Property for the purpose of performing the Work authorized by this Permit, including, without limitation, any Claims arising from disturbance of coastal sage scrub and wetlands habitat existing on the Property at the time of the City’s entry, or any failure by the City to comply with any applicable Storm Water Pollution Prevention Plan, National Pollution Discharge Elimination System permit or other applicable environmental regulations or permits.”

**CITY MANAGER SUPPORTING INFORMATION:**

In the Spring of 2001, a failure occurred in a section of 180-inch diameter multiplate steel storm drainpipe beneath Via Alicante just east of Gilman Drive. A sinkhole developed in the street, necessitating emergency repair of the pipe. This repair was completed in May 2001, but was only temporary in nature. A portion of the pipe had to be supported with steel I-beam braces that are still in place. Other areas that have not yet failed are extensively corroded. A project has been designed and advertised to remove the corroded and failed sections of 180" steel pipe and replace them with a 14 ft. x 14 ft. reinforced concrete box culvert. The work will require open trenching, for the most part within the Via Alicante right-of-way, but extending southward approximately 40 feet into a privately owned open space area. A permit to do work on private property has been approved in form by the City Attorney and has been signed by the property owner. The permit contains a clause to indemnify the property owner in any damage to the Property or any third parties during completion of the project.

**FISCAL IMPACT:**

There is no fiscal impact with this action.

- \* ITEM-118: Two actions related to Amendment to the Undergrounding of Utilities 2003 Calendar Year Annual Allocation, and Calling for a Public Hearing: Tennyson Street from Chatsworth Boulevard to Willow Street.

(Midway Community Plan Area. District-2.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolutions:

Subitem-A: (R-2005-25) ADOPTED AS RESOLUTION R-299434

A Resolution modifying by removing the project known as "Garrison Street" (from Clove Street to Rosecrans Street), estimated at \$925,000, and replacing it with the project known as "Tennyson Street" (from Chatsworth Boulevard to Willow Street and Sterne Street from Tennyson Street to Willow Street), estimated at \$1,113,078.

Subitem-B: (R-2005-26) ADOPTED AS RESOLUTION R-299435

Calling a public hearing to determine whether the public health, safety or general welfare requires the formation of Underground Utility Districts financed through the City of San Diego Undergrounding Surcharge Fund.

Subitem-C: ~~(R-2005-28)~~

~~Certifying that the Addendum to Environmental Impact Report LDR No. (23247(a), on file in the office of the City Clerk, has been completed in compliance with the California Environmental Quality Act of 1970 (California Public Resource Code section 21000 et seq.), as amended, and the State Guidelines thereto (California Code of Regulations section 15000 et seq.), that the report reflects the independent judgment of the City of San Diego as Lead Agency and that the information contained in said report, together with any comments received during the public review process, has been reviewed and considered by this Council in connection with the approval of the Tennyson Street from Chatsworth Boulevard to Willow Street and Sterne Street from Tennyson Street to Willow Street Underground Utility District.~~

~~That the City Clerk is directed to file a Notice of Determination [NOD] with the Clerk of the Board of Supervisors for the County of San Diego regarding the above project.~~

**CITY MANAGER SUPPORTING INFORMATION:**

The proposed action to amend the 2003 annual allocation is made at the request of Council District 2 and is in accordance with Council Policy 600-08. The Tennyson Street underground project is being coordinated with a City CIP project to replace concrete streets to prevent the future trenching of the new concrete streets. The formation of Tennyson Street and Chatsworth Boulevard to Willow Street and Sterne Street from Tennyson Street to Willow Street Underground Utility District will require the removal and/or underground conversion of certain overhead power and communications wires with poles within the established boundary. The expense of the underground installation and removal of overhead facilities within the right-of-way (street and sidewalk area) will be the responsibility of the utility companies in accordance with California Public Utilities Commission Rules.

It is the responsibility of the individual property owner(s) for the trenching and other related work to convert their property to receive electrical, telecommunication and cable television from an underground service. However, San Diego Gas and Electric will offer to property owner(s) within the Underground Utility Districts, to perform all the work necessary to convert private property, including necessary conduits for telephone and cable facilities at no cost to the property owner(s). In order to take advantage of San Diego Gas and Electric's offer to perform this work, property owners are required to sign a Permit to Enter Form.

**FISCAL IMPACT:**

SDG&E Cost: The amount of \$925,000 was previously authorized for the project known as Garrison Street from Clove Street to Rosecrans Street as part of the FY03 Annual Allocation (Case 8209). This action would replace the Garrison Street Project with a project known as the Tennyson Street from Chatsworth Boulevard to Willow Street and Sterne Street from Tennyson Street to Willow Street. The construction cost of \$1,113,078 will be financed through the use of SDG&E Annual Allocation Funds as directed by the Public Utilities Commission (Case 8209). The fiscal impact of \$18,000 to the City is the indirect cost of such street light replacement, and other related work. These funds will be available in Fund No.30100, Undergrounding Surcharge Fund, contingent upon receipt of funds from San Diego Gas & Electric. The expenditure has been previously approved by R-295894. No additional expenditure authorization is required as part of this action.

\* ITEM-S400: Establishment of a Three-Hour Unmetered Parking Zone on Imperial Avenue between 63<sup>rd</sup> and 65<sup>th</sup> Street.

(Encanto Neighborhoods Community Area. District-4.)

**CITY MANAGER'S RECOMMENDATION:**

Adopt the following resolution:

(R-2004-1343 Cor. Copy 2) ADOPTED AS RESOLUTION R-299442

Establishing a three-hour unmetered time parking zone, effective twenty-four hours a day, seven days a week, on the north side of Imperial Avenue between 63<sup>rd</sup> and 65<sup>th</sup> Street, San Diego, California, pursuant to authority conferred by and in accordance with the provisions of Section 86.04 of the San Diego Municipal Code;

Waiving the provisions of Council Policy 200-04 to establish time limit parking;

Authorizing the installation of the necessary signs and markings to be made on said street, and the regulations hereinabove imposed shall become effective upon the installation of such signs.

**CITY MANAGER SUPPORTING INFORMATION:**

This action is to waive Council Policy 200-04 and authorize the City Manager to establish three-hour time limit unmetered parking on the north side of Imperial Avenue between 63<sup>rd</sup> Street and 65<sup>th</sup> Street. Staff evaluated parking at this site in relation to the criteria in Council Policy 200-04, Installation or Removal of Time Limit Parking Zones and Parking Meter Zones. Although it does not meet the threshold of the criteria in the Council Policy, the adjacent churches and businesses desire time limit parking in order to ensure that parking is available to visitors attending their functions and business. The installation of time limit parking will improve the turnover of parking and thereby improve access to their establishment.

The three-hour time limit parking zone will be effective 24 hours a day, seven days a week. This action is in accordance with Municipal Code Section 86.04.

**FISCAL IMPACT:**

Fiscal Impact is \$1,200. Funds are not budgeted for this purpose. However, Street Division will reprioritize other maintenance needs in order to complete this project.
