Effective July 1, 2024, all residential *development* subject to this Division shall include inclusionary *dwelling units* as follows:

- (a) Rental residential *development*:

At least 10 percent of the total *dwelling units* in the *development* shall be made available for rent by *very low income* households or *low income* households at a cost, including an allowance for utilities, that does not exceed 30 percent of 60 percent of *median income*.

- (c) The *applicant* may propose a combination of inclusionary *dwelling units* required by this Division. The proposal shall be considered by the San Diego Housing Commission in accordance with this Division and the Procedures Manual. The proposal shall be approved if the combination provides substantially the same or greater level of affordability as required by this Division and provides the same or greater number of inclusionary *dwelling units* required by this Division.
- (d) For any partial inclusionary *dwelling unit* calculated, the *applicant* shall pay a prorated amount of the Inclusionary In Lieu Fee in accordance with Section 142.1306 or provide an additional inclusionary *dwelling unit*.
- (e) *Development* of inclusionary *dwelling units* shall be subject to the following:
 - (1) The inclusionary *dwelling units* shall be constructed at the same time as the market-rate *dwelling units* and receive final inspection approval from the Building Official no later than the date that the market-rate *dwelling units* receive final inspection approval from the Building Official. The *applicant* may seek an alternative *development* schedule in accordance with Sections 142.1310 and 142.1311.
 - (2) The inclusionary *dwelling units* shall be comparable in *bedroom* mix, design, and overall quality of construction to the market-rate *dwelling units* in the *development*, as determined by the San Diego Housing Commission, except that the inclusionary *dwelling units* shall not be required to exceed three *bedrooms* per *dwelling unit*. The square footage and interior features of the inclusionary *dwelling units* shall be good quality and consistent with current building standards for new housing in the City of San Diego. For purposes of calculating total *bedroom* count for inclusionary *dwelling units* on a different *premises* from the *development*, the *applicant* may provide different *bedroom* mixes to meet the total *dwelling unit* and *bedroom* count minimums as follows:

- (A) An affordable studio *dwelling unit* or a micro unit shall count as 60 percent of an affordable *bedroom*;
 - (B) An affordable *SRO hotel room* shall count as 40 percent of an affordable *bedroom*; and
 - (C) Any calculations resulting in fractional units shall round up to the next whole number.
- (3) Sale or lease of the inclusionary *dwelling units* shall follow the marketing requirements and procedures in the Procedures Manual.

Very low income, low income, and moderate income households located in an area identified as a Low Resource or High Segregation and Poverty Resource California Tax Credit Allocation Committee (CTCAC) Opportunity Area when the *development* application is *deemed complete* shall receive priority preference for new covenant-restricted *dwelling units* created under this section.
- (4) *Development* of the inclusionary *dwelling units* shall follow all other requirements in the Procedures Manual.
- (5) When the inclusionary *dwelling units* are located on a different *premises* from the *development*, the *applicant* shall record a deed restriction prior to the issuance of the first Building Permit that:
 - (A) Documents the required number of affordable *dwelling units* to be provided; and
 - (B) Assigns foreclosure rights of the *development premises* to the San Diego Housing Commission as follows:
 - (i) For new *development*, if the affordable *dwelling units* have not received a certificate of occupancy within 54 months of the issuance of the first Building Permit.
 - (ii) For an existing *structure(s)* if the affordable *dwelling units* have not received a certificate of occupancy within 36 months of the issuance of the first Building Permit.

- (f) Rental inclusionary *dwelling units* shall remain affordable for a period of not less than 55 years from the date of final inspection for the *development* or applicable phase of the *development*.
- (g) For-sale inclusionary *dwelling units* shall be owner-occupied and the San Diego Housing Commission shall cause the for-sale inclusionary *dwelling units* to be subject to documentation ensuring the following:
 - (1) The owner and the San Diego Housing Commission shall share equity in a for-sale inclusionary *dwelling unit*. For the purpose of this Section 142.1304, equity shall be defined in the Procedures Manual. Shared equity shall be measured by the difference between the unrestricted fair market value of the inclusionary *dwelling unit* on the date of the first resale and the original unrestricted fair market value of the inclusionary *dwelling unit* at the time of its initial acquisition. Any equity calculation shall be based on an appraisal approved by the San Diego Housing Commission and shall consider the actual costs of any San Diego Housing Commission-approved improvements to the inclusionary *dwelling unit*. If the San Diego Housing Commission's calculation results in a negative number, the equity is deemed to be zero.
 - (2) The owner and the San Diego Housing Commission shall share the equity earned during the owner's first 15 years of ownership at the time of the first resale, refinance, or transfer of the for-sale inclusionary *dwelling unit* in accordance with the table in the Procedures Manual. The San Diego Housing Commission may waive the requirement to share equity if the for-sale inclusionary *dwelling unit* is sold to another *median income* household or *moderate income* household in compliance with the Procedures Manual.
 - (3) Upon any sale or transfer of the inclusionary *dwelling unit* by the original owner, whenever it occurs, the San Diego Housing Commission shall also receive that sum calculated as the difference between the original unrestricted fair market value of the inclusionary *dwelling unit* and the restricted value of the inclusionary *dwelling unit* at the time of the original sale, as determined by an appraisal approved by the San Diego Housing Commission.

- (4) The owner shall sell the inclusionary *dwelling unit* at no less than fair market value unless sold to another *median income* household or *moderate income* household in compliance with the Procedures Manual.
- (5) Unless otherwise required by law, all promissory note repayments, shared equity payments, or other payments collected under this Section 142.1304(g) shall be deposited into the Affordable Housing Fund.
- (h) Residential *development* that intends to provide affordable *dwelling units* as a condition of the *development* and has an application for a *development permit*, for a *subdivision*, or for a Building Permit *deemed complete* before July 1, 2020 shall be subject to the version of these Inclusionary Affordable Housing Regulations in effect prior to July 1, 2020, as set forth in the Procedures Manual.
