Division 7: Affordable Housing Density Bonus Regulations

(Added 12-9-1997 by O-18451 N.S.; effective 1-1-2000.)

§143.0710 Purpose of Affordable Housing Density Bonus Regulations

The purpose of these regulations is to provide increased residential density to developers who guarantee that a portion of their residential *development* will be available to *moderate income, low income, very low income*, or senior households. The regulations are intended to materially assist the housing industry in providing adequate and affordable housing for all economic segments of the community and to provide a balance of housing opportunities for *moderate income, low income, very low income*, and senior households throughout the City. It is intended that the affordable housing *density* bonus and any additional *development* incentive be available for use in all residential *development* of five or more units, using criteria and standards provided in the General Plan, and that requests be processed by the City of San Diego and be implemented by the President and Chief Executive Officer of the San Diego Housing Commission. It is also intended that these regulations implement the provisions of California Government Code Sections 65915 through 65918.

§143.0715 When Affordable Housing Density Bonus Regulations Apply

This Division applies to any residential *development* where current zoning allows for five or more *dwelling units*, not including *density* bonus units, where an *applicant* proposes *density* beyond that permitted by the base zone and *land use plan* at the time the application is *deemed complete*, in exchange for either of the following:

- (a) A portion of the total *dwelling units* in the *development* being reserved for *moderate, low, or very low income* households or for senior citizens through a written agreement with the San Diego Housing Commission; or
- (b) The donation of land, pursuant to the State Density Bonus Law.

(Added 12-9-1997 by O-18451 N.S.; amended 6-21-1999 by O-18654 N.S.; effective 1-1-2000.)

(Amended 12-5-07 by O-19689; effective 01-04-08.)

§143.0717 Required Replacement of Affordable Units

- (a) An *applicant* is ineligible for a *density* bonus or any incentive under this Division if the property on which the *development* is proposed contains, or during the five years preceding the application, contained, rental *dwelling units* that have had the rent restricted by law or covenant to persons and families of *low income* or *very low income*, or have been occupied by persons and families of *low income* or *very low income*, unless the proposed *development* replaces the affordable *dwelling units*, and either:
 - (1) Provides affordable *dwelling units* at the percentages set forth in Section 143.0725 (inclusive of the replacement *dwelling units*), or
 - (2) Provides all of the *dwelling units* as affordable to *low income* or *very low income* households, excluding any manager's unit(s).

- (b) The number and type of required replacement *dwelling units* shall be determined as follows:
- (1) For a *development* containing any occupied *dwelling units*, the *development* must contain at least the same number of replacement *dwelling units*, of equivalent size or type, or both, and must be made affordable to and occupied by persons and families in the same or a lower income category as the occupied *dwelling units*. If some of the *dwelling units* in the *development* are unoccupied, the replacement *dwelling units* shall be of the same proportion of affordability as those *dwelling units* that are occupied.
 - (2) If all the *dwelling units* are vacant or have been demolished within the five years preceding the application, the *development* must contain at least the same number of replacement *dwelling units*, of equivalent size or type, or both, as existed at the time of the greatest number of occupied affordable *dwelling units* in that *development*, and must be made affordable to and occupied by persons and families in the same or a lower income category as those in occupancy at that same time. If the income categories are unknown for the prior five year period, then one-half of the replacement *dwelling units* shall be made available for rent to or purchase by and occupied by persons and families in the *very low income* category, and one-half of the replacement *dwelling units* shall be made available for rent to and occupied by persons and families in the *low income* category.
 - (3) All replacement *dwelling unit* calculations resulting in fractional units shall be rounded up to the next whole number.
 - (4) All rental replacement *dwelling units* shall be affordable for at least 55 years.

(“Required Replacement of Affordable Units” added 7-28-2015 by O-20518 N.S.; effective 8-27-2015.)

The agreement and deed of trust in favor of the San Diego Housing Commission are to be recorded in the Office of the Recorder of the County of San Diego as an encumbrance against the *development*.
- (b) The *density* bonus units authorized by this Division shall be exempt from the Inclusionary Housing Regulations set forth in Chapter 14, Article 2, Division 13, provided that the affordability restrictions, term of affordability, occupancy, and rents charged under the *density* bonus regulations provide greater affordability than those within the Inclusionary Housing Regulations.
- (c) A rental affordable housing *density* bonus agreement shall utilize the following qualifying criteria consistent with the procedures established by the San Diego Housing Commission:
 - (1) *Very low income* - At least 5 percent of the pre-*density* bonus units in the *development* shall be affordable, including an allowance for utilities, to *very low income* households at a rent that does not exceed 30 percent of 50 percent of the area median income, as adjusted for household size; or
 - (2) *Low income* - At least 10 percent of the pre-*density* bonus units in the *development* shall be affordable, including an allowance for utilities, to *low income* households at a rent that does not exceed 30 percent of 60 percent of the area median income, as adjusted for household size.
 - (3) The affordable units shall be designated units, be comparable in bedroom mix and amenities to the market-rate units in the *development*, and be dispersed throughout the *development*.
 - (4) The *dwelling units* shall remain available and affordable for a period of at least 55 years or longer, as may be required by other laws or covenants.
- (d) A for-sale affordable housing *density* bonus agreement shall utilize the following qualifying criteria consistent with the procedures established by the San Diego Housing Commission:

- (2) Rental *dwelling units* shall remain available for a period of at least 55 years or longer as may be required by other laws.

- (g) Provision shall be made by the San Diego Housing Commission for certification of eligible tenants and purchasers, annual certification of property owner compliance, payment of a monitoring fee to the San Diego Housing Commission, as adjusted from time to time, for monitoring of affordable unit requirements, and any other terms that the San Diego Housing Commission determines are needed to implement the provisions and intent of this division and State law.
- (h) A *condominium conversion* that provides at least 33 percent of the total *dwelling units* to *low income* and *moderate income* households, or 15 percent of the total *dwelling units* to *low income* households, shall be entitled to a *density* bonus of 25 percent or other incentives of equivalent financial value in accordance with State Density Bonus Law and this Division, unless the *development* previously received a *density* bonus or other incentives.

§143.0740 Development Incentives for Affordable Housing Density Bonus Projects

The City shall process an incentive requested by an *applicant*, consistent with State Density Bonus Law and as set forth in this Section.

- (a) An incentive means any of the following:
 - (1) A deviation to a *development* regulation;
 - (2) Approval of mixed use zoning in conjunction with a residential *development* provided that the commercial, office, or industrial uses:
 - (A) Reduce the cost of the residential *development*; and
 - (B) Are compatible with the proposed residential *development*; and
 - (C) Are compatible with existing or planned *development* in the area where the proposed residential *development* will be located.
 - (3) Any other incentive proposed by the *applicant*, other than those identified in Section 143.0740(c), that results in identifiable, financially sufficient, actual cost reductions.
- (b) Items not considered incentives by the City of San Diego include, but are not limited to the following:
 - (1) A waiver of a required permit;
 - (2) A deviation from the requirements of the Coastal Height Limit Overlay Zone (Chapter 13, Article 2, Division 5);
 - (3) A waiver of fees or dedication requirements;
 - (4) A direct financial incentive;
 - (5) A deviation from the requirements of the City of San Diego Building Regulations;

 - (1) Upon an *applicant's* request, *development* that meets the applicable requirements of Sections 143.0720 and 143.0725 shall be entitled to incentives pursuant to Section 143.0740 unless the City makes a written *finding* of denial based upon substantial evidence, of any of the following:
 - (A) The incentive is not required in order to provide for affordable housing costs, as defined in California Health and Safety Code Sections 50052.5 and 50053;
 - (B) The incentive would have a specific adverse impact upon public health and safety as defined in Government Code section 65589.5, the physical environment, including *environmentally sensitive lands*, or on any real property that is listed in the California Register of Historical Resources and for which there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact without rendering the *development* unaffordable to *low income* and *moderate income* households;
 - (C) The incentive would be contrary to state or federal law. Requested incentives shall be analyzed in compliance with the California Environmental Quality Act as set forth in Chapter 12, Article 8, and no incentive shall be granted without such compliance; or
 - (D) Within the Coastal Overlay Zone, the incentive would be inconsistent with the resource protection standards of the City's Local Coastal Program or the *environmentally sensitive lands* regulations, with the exception of *density*.
 - (2) Granting an incentive shall not require a General Plan amendment, zoning change, or other discretionary approval.
 - (3) The decision process for a *development* requesting an incentive shall be the same decision process that would be required if the incentive were not a part of the *development* proposal.

- (4) The *development permit* requirement for a *development* requesting an incentive shall be the same *development permit* that would be required if the incentive were not a part of the *development* proposal.
- (5) Notwithstanding Sections 143.0740(c)(3) and (4), when a *development permit* is required, the decision to deny a requested incentive shall be made by the decision maker for the *development permit*.
- (d) The number of incentives available are identified in Table 143-07A for *very low income* households, Table 143-07B for *low income* households, and Table 143-07C for *moderate income* households consistent with the percentage of *pre-density* bonus units identified in the first column of each table.
