(“Adoption of the Uniform Fire Code (1994 Edition)” added 1-8-1996 by O-18242 N.S.)
(Retitled to “Adoption of the California Fire Code (1998 Edition)” 7-19-1999 by O-18659 N.S.)
(Retitled to “Adoption of the California Fire Code (2001 Edition)” 9-24-2002 by O-19103 N.S.)
(Retitled to “Adoption of the 2007 California Fire Code” 4-8-2008 by O-19728 N.S.)

(Retitled to “Adoption of the 2013 California Fire Code” on 4-6-2016
by O-20625 N.S.; effective 5-6-2016.)

§55.0101 Adoption of the 2013 California Fire Code Purpose and Intent, and Administrative Provisions

- (a) Portions of the California Fire Code (2013 Edition) adopted. Except as otherwise provided in this Article, the California Fire Code (2013 Edition), which incorporates and amends the International Fire Code (2012 Edition), including adopted appendices, is hereby adopted by reference. A copy of the California Fire Code (2013 Edition) is on file in the office of the City Clerk as Document No. OO- 20625. The California Fire Code (2013 Edition) is referred to in this Article as the 2013 California Fire Code or the California Fire Code.
- (b) San Diego Fire Code. The document known as the San Diego Fire Code consists of the following documents:
 - (1) Those portions of the 2013 California Fire Code adopted by the City in section 55.0101 with changes as specified in Chapter 5, Article 5, of the San Diego Municipal Code (Municipal Code);
 - (2) Sections 55.0101 through 55.5001 of Chapter 5, Article 5, of the Municipal Code; and
 - (3) Applicable sections of the California Code of Regulations.
- (c) Relationship of the Municipal Code section numbers to the 2013 California Fire Code section numbers. Sections within the 2013 California Fire Code retain those same section numbers when referred to within the text of the Municipal Code. Thus, section 901 of the 2013 California Fire Code will be cited as the 2013 California Fire Code section 901 within the text of the Municipal Code.

Where a section of the 2013 California Fire Code is adopted with changes, it is promulgated within the Municipal Code by using a numbering system to reflect both the Municipal Code numbering system and the 2013 California Fire Code numbering system. For example, section 901 of the 2013 California Fire Code is adopted with changes in Municipal Code section 55.0901. The first two digits to the left of the first decimal point are the chapter and article number of the Municipal Code. The two digits to the right of the first decimal point represent the Municipal Code’s division number. The last four digits reflect the numbering system of the 2013 California Fire Code. A zero (0) after the decimal point is a filler to accommodate the Municipal Code numbering system and is added when the section number in the 2013 California Fire Code is less than four digits.

The Municipal Code numbering system reflects the numbering system of the 2013 California Fire Code excluding the chapter and article numbers to the left of the decimal point and, when appropriate, the utilization of a filler zero (0). Consequently, with these modifications, the numbering in Municipal Code sections 55.0101 through 55.9401 corresponds with the numbering system change in the 2013 California Fire Code.

- (d) Definitions. Whenever the following terms appear within the text of the 2013 California Fire Code, they shall have the following definitions:

Fire Code Official means the Fire Chief of the City of San Diego.

Municipality or jurisdiction means the City of San Diego.

- (e) Prospective and Retrospective Application. Unless specifically stating that they may be applied prospectively only, provisions of the San Diego Fire Code may be retrospectively applied in accordance with the 2013 California Fire Code, Chapter 1, section 102.
- (f) Effective Date. Unless otherwise stated in a specific Municipal Code section or 2013 California Fire Code section adopted by the City, the effective date of the 2013 San Diego Fire Code shall be January 1, 2014.
- (g) Reference to California Building Code. Any reference within the San Diego Fire Code to the “C.B.C.” or “California Building Code” shall refer to those provisions of the California Building Code as adopted by Chapter 14 of the Municipal Code.
