(RA-2006-120)

Approve a Proposed Implementation Agreement to the Disposition and Development Agreement (“DDA”) entered into by the Agency and GRH, LLC on April 12, 2004, for the assembly of 40,000 square-foot site to develop and construct a 334 –room hotel on the corner of Fifth Avenue and J Street (“Site).

(RA-2006-121)

Stating for the record that the information contained in the MEIR/SEIR and the Secondary Study and the Supplement to the MEIR for the project, has been reviewed and considered by the Agency and it is determined that no substantial changes or new information of substantial importance within the meaning of CEQA Guideline Section 15162 would warrant any additional environmental review in connection with approval of the project.

An Environmental Secondary Study for the Renaissance Hotel, dated April 12, 2002, was prepared by BRG, an environmental consultant for CCDC. The Environmental Secondary Study found that the proposed project may result in significant environmental effects not discussed in the Master Environmental Impact Report (“MEIR”), for the Centre City Project, the Subsequent Environmental Impact Report (“SEIR”) to the MEIR for the proposed Ballpark and ancillary development and a Supplement to the MEIR would be required to be prepared for the project.

A Supplement to the MEIR was prepared to evaluate the environmental effects of the demolition of the historic Greenbaum Market and the Manos Produce buildings. The Agency by Resolution No. R03756, certified that the Agency reviewed and considered information contained in the MEIR, the SEIR, and the Supplement to the MEIR, with respect to the DDA; approving the Supplement to the MEIR; adopting a Mitigation, Monitoring and Reporting Program; adopting a statement of overriding considerations and findings pursuant thereto; and making certain findings and determinations regarding environmental impacts of the Development pursuant thereto.
