That the Redevelopment Agency (Agency)

Item 1. Adopt a Resolution certifying that the information contained in the Addendum to the 2006 Final Environmental Impact Report (FEIR) for the Downtown Community Plan, Centre City Planned District Ordinance, and Redevelopment Plan for the Centre City Project Area FEIR has been completed in compliance with the California Environmental Quality Act (CEQA) of 1970 and State guidelines, and that said Addendum has been reviewed and considered by the Agency pursuant to California Public Resources Code Section 21081.

(RA-2008-17)

Item 2. Adopt a Resolution approving the 11th Amendment to the Redevelopment Plan for the Centre Redevelopment Project, approving the Report to City Council pertaining thereto, and authorizing the submission of the proposed 11th Amendment to the Redevelopment Plan, and the Report to City Council, to the City Council of the City of San Diego.

Based on the results of the Initial Study prepared for the Addendum, none of the amendments or the circumstances under which they are being undertaken would result in any new significant impacts not discussed in the FEIR, or any substantial increase in the severity of impacts identified by the FEIR. In addition, no new information of substantial importance has become available since the FEIR was prepared regarding new significant impacts, or feasibility of mitigation measures or alternatives that apply to the proposed project.
