

**REDEVELOPMENT AGENCY OF THE  
CITY OF SAN DIEGO, CALIFORNIA  
AGENDA FOR  
SPECIAL REDEVELOPMENT AGENCY MEETING  
MONDAY, FEBRUARY 28, 2011, AT 9:00 A.M.  
Council Chambers  
202 C Street, San Diego, CA 92101**

Roll Call

**To Address Redevelopment Agency on an Agenda Item:** Speaker forms are available in the Council Chambers prior to each meeting. Fill out a speaker slip “In Favor” or “In Opposition” to the Recommendation listed first on the Docket for the subject item, and submit the form to the City Clerk. Speakers will be called by name to address the Redevelopment Agency when the item is heard. Time allotted to each speaker is determined by the Chair and, in general, is limited to three (3) minutes; moreover, collective testimony by those who support or oppose an item shall be limited to no more than fifteen (15 minutes to per side).

Members of the public wishing to address the Agency must submit a “Request to Speak” form to the City Clerk **prior** to the agenda item being called. Please note that “Request to Speak” forms will **not** be accepted once the item is called. Speaker slip on any item should be submitted at the **beginning** of each Agency meeting.

**Assistance for the Disabled:** Agendas, reports and records are available in alternative formats upon request. To order information or request an agenda in an alternative format, or to request a sign language or oral interpreter for the meeting, please call the City Clerk’s Office at least five working days prior to the meeting at 533-4000 (voice) or 236-7012 (TT) to ensure availability. Assistive Listening Devices (ALDs) are available from the City Clerk’s Office prior to the meeting, and are to be returned at the end of the meeting. A closed caption monitor is available, upon request.

**Reports and Attachments:** See the links below in the agenda for these documents.

**Joint Public Hearing**

**1. Cooperation Agreement for Payment of Costs Associated with Certain Redevelopment Agency Funded Projects (Districts 2, 2, 3, 4, 6, 7 and 8)**

Agency and City Council:

[\(RA-2011-91\)](#)

Item 1. Authorizes the Executive Director or designee and Mayor or designee, Respectively; 2) to execute the Cooperation Agreement for Payment of Costs Associated with Certain Redevelopment Agency Funded Projects (“Agreement”) Between the Redevelopment Agency (“Agency”) and the City (“City”); b) to Execute and deliver, and file and record against Agency-owned property, any documents, including without limitation promissory notes, pledge agreements and security instruments, deemed by them to be reasonably necessary to carry out and implement the Agreement and to administer the Agency’s and the City’s obligations, responsibilities, and duties to be performed under the Agreement; and c) to execute any amendments to the Agreement that will not result in an increase in the total amount of funds payable by the Agency to the City under the Payment schedule attached to the Agreement.

Item 3. Make necessary findings and determinations in accordance with H&S Code Sec. 33334.2 with respect to the use of low-and moderate income housing funds for the Projects that include low and moderate income housing located outside of the Project Areas that such use will be of benefit to the community because the use of such funds will be of benefit to the Project Areas.

**Joint Public Hearing**

**1. Cooperation Agreement for Payment of Costs Associated with Certain Redevelopment Agency Funded Projects (Districts 2, 2, 3, 4, 6, 7 and 8)**

(Continued)

Agency and City Council

Item 4. Authorize that, in the event the Agency desires to issue bonds, notes or other instruments of indebtedness to carry out redevelopment projects: a)any indebtedness of the Agency to the City, including any interest accrued thereon, shall be deemed not to be a first pledge of tax increment allocations received by the Agency pursuant to Section 33670 of the CRL; b)any indebtedness of the Agency to the City, including any interest accrued thereon, shall be subordinate to any pledge of tax increments to bondholders for the holders of other such instruments of indebtedness; and c)the indebtedness of the Agency under the Agreement shall be subordinate to the rights of the holder or holders of any existing bonds, notes or other instruments of indebtedness of the Agency incurred or issued to finance redevelopment activities and projects pursuant to the Redevelopment Plans and the Implementation Plans.

Agency

[\(RA-2011-91\)](#)

Item 1. Authorizes the transfer to the City of net Tax Increment, other revenue received by the Agency and available fund balances of Projects as described in the Payment Schedule set forth in Exhibit 2 of the Agreement.

The proposed approval of the Agreement is not a “project” for purposes of the California Environmental Quality Act (CEQA) and the State CEQA Guidelines (CEQA Guidelines) because, consistent with CEQA Guidelines Section 15378(b)(4), the Agreement creates a governmental funding mechanism that does not involve any absolute commitment to any specific project on the City’s part.

To the extent, however, that the Agreement is deemed to be a “project” for purposes of CEQA, environmental review has already been conducted pursuant to CEQA for various projects associated with the Agreement, as described in “CEQA Review” column of the Schedule of Projects attached to the Agreement.

For the balance of the projects associated with the Agreement that have not undergone environmental review, consistent with CEQA Guidelines Section 15004, approval of the Agreement is not the appropriate time to conduct environmental review of such projects because (a) the development concept for such projects has not been formulated to a sufficient level of detail to enable meaningful environmental review at this juncture, (b) environmental review of such projects is thus unripe and too premature at this stage, and (c) consistent with CEQA Guidelines Section 15352, the City is not committed to a definite course of action with regard to any of such projects.

## Joint Public Hearing

### 1. Cooperation Agreement for Payment of Costs Associated with Certain Redevelopment Agency Funded Projects (Districts 2, 2, 3, 4, 6, 7 and 8) (Continued)

The Agreement provides that, although the Agency is presently committing to provide funds for the projects, the City is not committing to a definite course of action in regard to any project intended to be carried out. The Agreement further provides that the City shall not be obligated to complete any individual project identified in the Schedule of Projects attached to the Agreement if the City later determines that such project is not exempt from CEQA, has not already undergone complete CEQA review, and requires the preparation of a mitigated negative declaration, environmental impact report (“EIR”) or supplemental or subsequent EIR. In that regard, the Agreement states that the City shall retain the discretion to impose mitigation measures and to adopt project alternatives, consistent with the requirements of CEQA, that may be identified during future environmental review of any specific project.

As reflected in the “CEQA Review” column of the Schedule of Projects attached to the Agreement, it is presently anticipated that various projects listed in the Schedule of Projects will be determined to be exempt from CEQA due to the nature of the proposed development and construction involved in such projects and consistent with prior CEQA protocol used with respect to similar types of redevelopment projects and activities. To cite a few examples for illustrative purposes only, it is anticipated that many of the projects, which involve activities such as completion of upgrades to existing streets and other public facilities and installation of relatively minor improvements such as streetlights, will be categorically exempt from CEQA under CEQA Guidelines Sections 15301, 15302 or 15303, as applicable, and that none of the exceptions set forth in CEQA Guidelines Section 15300.2 will preclude application of the applicable categorical exemption. The City reserves the right under the Agreement, however, to evaluate whether each project is exempt from CEQA based on the prevailing facts and circumstances at such time as the development concept for each project has been formulated to a sufficient level of detail to enable meaningful environmental review.

For the reasons discussed above, the approval of the Agreement is in full compliance with the requirements of CEQA and the CEQA Guidelines.

Housing Impact: approval of this action will provide funding for affordable housing projects.

**3. North Embarcadero Visionary Plan-First Amendment to the Joint Exercise of Powers Agreement-Columbia Sub Area of the Centre City Redevelopment Project (District 2)**

Redevelopment Agency

[\(RA-2011-76\)](#)

Item 1. Adopts a Resolution stating for the record that it has reviewed and considered information contained in certain environmental documents for the Project, adopting certain findings of fact, and adopting the Mitigation Monitoring and Reporting Program for the Project.

[\(RA-2011-75\)](#)

Item 2. Approves and authorizes execution of a proposed Amendment to the JPA Agreement by and among the Agency, acting through the Centre City Development Corporation (“Corporation”), the City of San Diego (“City”), and the San Diego Unified Port District (“Port”).

[\(RA-2011-76\)](#)

Item 3. Adopts the findings and recommendations set forth in the “Summary Pertaining to the Use of Tax Increment for the North Embarcadero Visionary Plan,” and more specifically finds and determines that:

- a. The Project for which the Agency proposes to pay will benefit the Project Area in which the Project is located by helping to eliminate blight within the Project Area.
- b. There are no other reasonable means available to the City and the Port for financing the Project; and
- c. The payment of Agency funds towards the cost of the Project is consistent with the Fourth Five-Year Implementation Plan for the Project Area adopted June 19, 2009 (“Implementation Plan”) pursuant to Section 33490 of the California Health and Safety Code (CRL); and

[\(RA-2011-74\)](#)

Item 4. Authorizes the City’s Chief Financial Officer, as delegated, to appropriate, encumber and expend tax increment funds from the Project Area in the amount of \$29,600,000, enabling the Agency, as required by the Amendment, to (i) pay \$14,300,000 to the Port, representing the Agency’s 50 percent share of the Project Costs to complete Phase 1 of the Project, (ii) advance \$14,300,000 to the Port, representing the Agency’s advance of all of the Port’s 50 percent share of the Project Costs to complete Phase 1 of the Project, subject to the Port’s later reimbursement to the Agency except for any credit or offset to which the Port may be entitled, and (iii) pay up to \$1,000,000 to the Port, representing the Agency’s contribution toward the cost of design and construction of the Broadway Pier Surface Improvements, provided that the Agency’s contribution toward the cost of the design aspect only shall not exceed \$150,000.

**Joint Public Hearing**

**3. North Embarcadero Visionary Plan-First Amendment to the Joint Exercise of Powers Agreement-Columbia Sub Area of the Centre City Redevelopment Project (District 2)**

(Continued)

The Port acting as the Lead Agency for the purposes of the California Environmental Quality Act (CEQA) set forth at California Public Resources Code Section 21000 et seq., and the State CEQA Guidelines (CEQA Guidelines), set forth at California Code of Regulations, Title 14, Chapter 3, Section 15000 et seq., prepared and certified a Master Environmental Impact Report (Final EIR) for the Project in April, 2000, including the adoption of Findings of Fact and a Mitigation Monitoring and Reporting Program (MMRP). In April, 2007, the Port certified an Addendum to the Final EIR for the Project's Broadway Pier Cruise Ship Terminal and Infrastructure Improvement Project. In October, 2007, the Port certified an Addendum to the Final EIR for the Project's Lane Field Development Project.

In 2010 the Port prepared an Addendum to the Final EIR for the Phase I, Coastal Access Features Project which found that the Project is within the scope of the NEVP Final EIR and that there were no new significant impacts or required mitigation measures not previously identified in the NEVP Final EIR and MMRP.

The Agency and Council, acting as Responsible Agencies under CEQA, shall review and consider these environmental documents and the Findings of Fact adopted by the Port as the Lead Agency. Staff recommends that the Agency and Council certify that the information contained in the Final EIR and Addenda has been reviewed and considered, adopt the Findings of Fact pursuant to CEQA Guidelines Sections 15091 and 15096, and adopt the MMRP prepared in connection with the Final EIR for the Project pursuant to CEQA Guidelines Section 15096, to monitor and ensure that the mitigation measures identified will be instituted. Based on these environmental documents, there is no further environmental review required under CEQA for the Project.

4. **East Village Green Building Demolition Environmental, and Interim Public Improvements (Block bounded by 13<sup>th</sup>, 14<sup>th</sup>, F and G streets)-Request to Bid East Village Redevelopment District of the Expansion Sub Area of the Centre City Redevelopment Project (District 2)**

Redevelopment Agency:

[\(RA-2011-59\)](#)

- Item 1. Authorizes the expenditure of an amount not to exceed \$1,480,906 to pay for the cost of construction of the East Village Green Building Demolition, Environmental, and Interim Public Improvements ("Improvements") located within the East Village Redevelopment District of the Expansion Sub Area of the Centre City Redevelopment Project Area ("Project Area");
- Item 2. Authorizes the Chief Financial Officer or designee, to appropriate and expend an amount not to exceed \$1,480,906 for the Improvements;
- Item 3. Authorizes the Centre City Development Corporation ("Corporation"), on behalf of the Agency, to advertise and receive bids for construction of the Improvements;
- Item 4. Authorizes the Agency Executive Director or designee, to award the construction contract to the lowest responsible bidder, provided responsive bids from a responsible contractor are within the established budget of \$1,480,906, and all other requirements are met;
- Item 5. Authorizes the Agency Executive Director or designee to execute the construction contract with the lowest responsible bidder for construction of the Improvements;
- Item 6. Authorizes the Corporation, on behalf of the Agency, to administer the construction contract; and
- Item 7. Makes certain findings pursuant to section 33445 of the California Health and Safety Code that the Improvements are of benefit to the Project Area by helping to eliminate blighting conditions within the Project Area, that no other reasonable means of financing construction of the Improvements are available to the community, and that the payment of Agency funds for construction of the Improvements is consistent with the Fourth Five-Year Implementation Plan, adopted June 19,2009 ("Implementation Plan"), for the Project Area pursuant to section 33490 of the California Health and Safety Code.

Section 156.0404(f) requires all development in the Centre City Planned District to comply with and incorporate the historical resources mitigation measures listed in the mitigation, monitoring, and reporting program of the 2006 FEIR. Compliance with these measures will ensure that the project will have no significant impacts on archaeological or paleontological resources. Therefore, this project is categorically exempt from the California Environmental Quality Act (CEQA) under State CEQA Guidelines Sections 15301 (entitled "Existing Facilities") and 15304 (entitled "Minor Alterations to Land"). Section 15301 applies to a class of projects ("Class I") that includes the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public and private structures, facilities, mechanical equipment, or topographical features when the project involves negligible or no expansion of the existing use.

**Adoption**

4. **East Village Green Building Demolition Environmental, and Interim Public Improvements (Block bounded by 13<sup>th</sup>, 14<sup>th</sup>, F and G streets)-Request to Bid East Village Redevelopment District of the Expansion Sub Area of the Centre City Redevelopment Project (District 2)**

(Continued)

Section 15301 identifies example projects including, but not limited to, improvements to existing highways, streets, sidewalks gutters, bicycle and pedestrian trails and similar facilities and the demolition and removal of small structures. Section 15304 applies to a class of projects ("Class 4") that consists of minor public or private alterations in the condition of land, and includes minor grading and filling activities, trenching and backfilling, and minor temporary uses of land. The application of the Class I and Class 4 categorical exemptions are, therefore, appropriate in this case as the proposed Project involves the demolition of small structures, removal and replacement of sidewalks, grading and filling activities on the site, and creation of a temporary asphalt parking lot. The application of a categorical exemption to this project is not precluded by any of the exceptions set forth in State CEQA Guidelines Section 15300.2.

- Item 5. Authorizes the Corporation, on behalf of the Agency, to administer the construction contract;
- Item 6. Authorizes the Corporation, on behalf of the Agency, to advertise and receive bids and to negotiate a contract(s) with the selected entity for the rental, operation and maintenance of the Interim Leash-Free Dog Park and the adjacent surface parking lot;
- Item 7. Authorizes the Agency Executive Director or designee to execute the contract(s) with the selected entity for the rental, operation and maintenance of the Interim Leash-Free Dog Park and the adjacent surface parking lot;
- Item 8. Approves the proposed rules and regulations for the Interim Leash-Free Dog Park in substantial form as attached to this Agenda Report No. CCDC-II-08 / CCDC-II-04 with such modifications as reasonably determined by the Corporation;
- Item 9. Makes certain findings pursuant to section 33445 of the California Health and Safety Code that the Improvements are of benefit to the Project Area by helping to eliminate blighting conditions within the Project Area, that no other reasonable means of financing construction of the Improvements are available to the community, and that the payment of Agency funds for construction of the Improvements is consistent with the Fourth Five-Year Implementation Plan for the Project Area adopted pursuant to section 33490 of the California Health and Safety Code; and

5. **Interim Leash-Free Dog Park and Block Improvements (block bounded by G Street, Park Boulevard, Market Street and Eleventh Avenue)-Request to Bid-Rental, Operation and Maintenance-East Village Redevelopment Project District of the Centre City Redevelopment Project (District 2)**

That the Redevelopment Agency ("Agency"):  
([RA-2011-25](#))(Cor.Copy)

Item 10. Authorizes the Agency Executive Director or designee to execute all other documents on behalf of the Agency that are necessary and appropriate to carry out and implement the purposes set forth in the Resolution according to its terms, and to administer the Agency's obligations, responsibilities and duties to be performed thereunder.

This Project is categorically exempt from the California Environmental Quality Act (CEQA) under State CEQA Guidelines Section 15332 (entitled "In-Fill Development Projects"). The Project involves the redevelopment of an existing construction laydown yard with various landscape and hardscape improvements to create a small downtown dog park and certain upgrades to an existing parking lot and adjacent public right-of-way. The Project is consistent with the goals and policies of the Downtown Community Plan, which calls for the development of small "pocket" parks throughout downtown, and with the development standards of the Centre City PDO. The development occurs on a site of less than 5 acres in size, and is surrounded on all sides by urban uses. The site is currently developed with a surface parking lot/construction laydown yard, and has no value as habitat for endangered, rare or threatened species. The site is located in a densely populated, active and walkable urban area and the Project will not have significant effects on traffic, noise or air quality beyond those which currently exist in the surrounding area. The Project will not have significant effects on water quality due to design features that will capture and filter water runoff, which will percolate onsite and not be discharged into the stormwater system. The application of a categorical exemption to this Project is not precluded by any of the exceptions set forth in State CEQA Guidelines Section 15300.2.

That the Redevelopment Agency:  
([RA-2011-100](#))

Item 1. Authorizes the expenditure of an amount not to exceed \$17,180,000 to pay for the cost of construction, including certain indirect costs, of the Fire Station No.2 (Bayside)("Project") located within the Little Italy Redevelopment District of the Expansion Sub Area of the Centre City Redevelopment Project ("Project Area");

Item 2. Authorizes the City of San Diego Chief Financial Officer or designee, to appropriate and expend an amount not to exceed \$17,180,000 for the Project;

Item 3. Authorizes the Centre City Development Corporation ("Corporation"), on behalf of the Agency, to advertise and receive bids for construction of the Project;

Item 4. Authorizes the Agency Executive Director, or designee, to award the construction contract to the lowest responsible bidder for construction of the Project;

Item 5. Authorizes the Corporation, on behalf of the Agency, to administer the construction contract; and

Item 6. Authorizes the Corporation, on behalf of the Agency, to select (through a qualifications- based selection process), and negotiate an agreement with a consultant Construction Manager for an amount not to exceed \$650,000.

The Project's design was approved by the Agency, and its Development Permit approved by the Council, at a joint public hearing held in July 2010. The Agency adopted Resolution R-04555 stating for the record that the Project is covered under the Final Environmental Impact Report (FEIR) for the Centre City Redevelopment Plan certified by the Agency on March 14, 2006 (Resolution R-04001) in compliance with the California Environmental Quality Act (CEQA). The FEIR is a "Program EIR" prepared in compliance with State CEQA Guidelines Section 15168. In accordance with Agency's procedures, an Environmental Secondary Study (ESS) was prepared which made certain findings with respect to the impacts on the environment compared to the analysis performed in the FEIR.

**Adoption**

6. **Fire Station No. 2/Bayside (southeast corner of Pacific Highway and Cedar Street)-  
Request to Bid-Little Italy Redevelopment District of the Expansion Sub Area of the  
Centre city Redevelopment Project (District 2)**

Acting as the "lead agency" for purposes of CEQA review and as part of its adoption of a resolution approving the Project's design on July 27,2010, the Agency made certain findings, consistent with State CEQA Guidelines Section 15168 and the Agency's CEQA procedures, to the effect that (i) the environmental impacts of the proposed Project were adequately addressed in the FEIR, (ii) the proposed Project is within the scope of the development program described in the FEIR, and (iii) no further environmental documentation is required under CEQA. Acting as the "responsible agency" for purposes of CEQA review in accordance with State CEQA Guidelines Section 15096, and as part of its adoption of a resolution approving the Development Permit on July 27,2010, the Council stated for the record that it had reviewed and considered the FEIR, Addenda and ESS. Therefore, no further CEQA review is required for the proposed actions.
