The scheduled biennial public hearing for the purpose of reviewing and evaluating the progress of the Redevelopment Plan for the City College Redevelopment Project was continued to the next regular meeting, because of the lateness of the hour. In response to questions of Members Stirling and Schnaubelt, Mr. Spotts said that on Parcel A, there are seventeen tenants, with only one space vacant, and that on Parcel B several alternatives are being studied, those to be included in a report to Agency at a later date. RESOLUTION No. 389, finding that satisfactory progress is being made in proceeding with the Linda Vista Redevelopment Project.

On the next item having to do with the refurbishment of the Horton Plaza Fountain, Mr. Spotts spoke briefly. The resolution follows:
