

DATE ISSUED: December 10, 2001

REPORT NO. 01-278

ATTENTION: Honorable Mayor and City Council

SUBJECT: Appointment of Multiple Species Conservation Program Manager

SUMMARY

THIS IS AN INFORMATION ITEM ONLY. NO ACTION IS REQUIRED ON THE PART OF THE CITY COUNCIL.

I am pleased to announce the appointment of Keith A. Greer to the position of Multiple Species Conservation Program (MSCP) Manager in the Planning Department. This position will be responsible for achieving Mayor Murphy's goal #10: "Complete Acquisition of MSCP Open Space," as well as fulfilling the necessary duties to implement the contractual agreement between the City, the State of California and the U.S. Fish and Wildlife Service.

Keith is currently a Supervising Biologist with the City, and has been with us for over eleven years. Since January, 2001, Keith has been working as the Acting MSCP Program Manager for the Planning Department, where he was successfully supervising the review of land development projects for consistency with the City's MSCP Subarea Plan, as well as managing the acquisition of MSCP open space, and coordinating the biological monitoring program.

Keith has a Bachelor of Science in Marine Biology from California State University, Long Beach and a Masters of Arts in Geography from San Diego State University. Please join me in congratulating Keith on his appointment.

Respectfully submitted,

Michael T. Uberuaga
City Manager
