

THE CITY OF SAN DIEGO
REPORT TO THE CITY COUNCIL

DATE ISSUED: June 29, 2011 REPORT NO. 11-099
ATTENTION: Natural Resources and Culture Committee
SUBJECT: Non-Exclusive Solid Waste Collection Franchise Amendments
REFERENCE: Report to Natural Resources and Culture Committee No. 09-039

REQUESTED ACTION:

Adopt an ordinance authorizing execution of the Fourth Amendment to the Class I Non-Exclusive Franchise Agreements for Solid Waste Management Services and the Third Amendment to the Class II Non-Exclusive Franchise Agreements for Solid Waste Management Services, effective July 1, 2011 for existing Class I and II franchisees. The existing Class I and Class II franchisees are listed in Exhibit "A" attached hereto. The forms of the proposed amendments are attached hereto as Exhibits "B" and "C" respectively.

STAFF RECOMMENDATIONS:

Approve the ordinance authorizing execution of the proposed franchise amendments. The proposed amendments include (1) a one (1) year extension of the Class I and Class II Non-Exclusive Franchise Agreements for Solid Waste Management Services to retain a seven (7) year term for existing Class I and II franchisees effective July 1, 2011 through June 30, 2018; (2) adjustment to collection start times; and (3) clarification that franchise audits will be performed by the City Treasurer.

SUMMARY:

In accordance with San Diego City Charter Article VII, Section 103 (Franchises), the Council has power to grant to any person, firm or corporation, franchises, and all renewals, extensions and amendments thereof, for the use of any public property under the jurisdiction of the City. Such grants shall be made by ordinance adopted by a vote of two-thirds (2/3) of the members of the Council and only after recommendations by the Mayor. The proposed amendments address the one-year extension to the term of the franchises, adjusted collection start times, and audit provisions.

BACKGROUND

In October 1996, a Non-Exclusive Solid Waste Collection Franchise system was established to regulate the collection, transfer, transportation, recycling, processing, and disposal of solid waste originating in the City of San Diego by private solid waste collection firms. This system replaced a licensing system where haulers paid a license

fee of \$100 per company plus \$100 per collection vehicle. The 17 solid waste haulers licensed by the City, at the time the franchise system was established, were each granted a Non-Exclusive Solid Waste Collection Franchise. The franchise system's fees are based on the amount of solid waste collected in the City of San Diego, regardless of the final disposal site, rather than on the quantity of waste disposed of in the Miramar Landfill. This methodology reflects the value of the solid waste collection franchises. In September 2000, a two-tier Non-Exclusive Solid Waste Collection Franchise system was established to reflect the difference in market share served by the franchised haulers. Three franchisees, EDCO Disposal Corporation, Republic Services, Waste Management, and their affiliates, collect approximately 84% of the City's commercial waste and the remaining franchisees collect about 16%. Under the two-tier system, Class I franchises are for smaller companies that collect up to 75,000 tons of waste per year. Class II franchises are for companies that collect more than 75,000 tons of waste per year with no upper limit. Currently, there are 12 companies with franchise agreements for providing solid waste collection services (9 Class I Franchisees and 3 Class II Franchisees).

DISCUSSION

Term of Agreement

Since the passage of the People's Ordinance in April 1919, the City has provided or managed the collection, transportation, transfer, recycling and/or disposal of solid waste generated in the City of San Diego to protect and enhance the health, safety, and quality of life of San Diego's residents. The franchise system is one component of the City's overall solid waste management system. The franchise agreements currently provide for a seven-year term with options to extend for an additional year, on an annual basis, upon approval by Council. As stated in the franchise agreements, extensions are contingent upon, among other things, the Franchisee having satisfied all performance requirements of the Agreement and all amendments thereto including, but not limited to, having provided the City with all required documents and having brought all franchise fee accounts and other accounts with the City current. ESD proposes that all franchise agreements be extended by one year in accordance with the terms of the current franchise agreements as amended.

Collection Start Time Adjustment

On May 12, 2010 the City Council approved an ordinance to amend San Diego Municipal Code 59.5.0406 Refuse Vehicles and Parking Lot Sweepers, to permit refuse and recycling vehicles to operate in residential areas starting at 6:00 a.m. Currently, the franchise agreements, section 5.5 (b) Collection Standards, prohibit collection operations prior to 7:00 a.m. This amendment would align the franchisee's collection start time with City forces' start time of 6:30 a.m.

Audit Provision

This provision is being revised in this amendment to provide that audits under the franchises will be performed by the City Treasurer, in accordance with current roles and practices.

FISCAL CONSIDERATIONS

There are no fiscal impacts associated with this action.

PREVIOUS COUNCIL and/or COMMITTEE ACTION:

Ordinance to adopt last franchise amendments occurred in July 2010.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

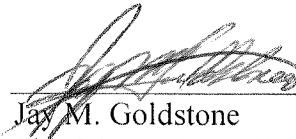

ESD has met with the franchised haulers to discuss the proposal for one (1) year extension of the franchise agreements to be effective July 1, 2011 to retain a seven (7) year term, as well as collection start time adjustments. Proposed amendments to franchise agreements will be distributed to all Franchisees and applicable stakeholders.

KEY STAKEHOLDERS & PROJECTED IMPACTS:
