

THE CITY OF SAN DIEGO REPORT TO THE CITY COUNCIL

DATE ISSUED:	May 1, 2012	REPORT NO: 12-055
ATTENTION	Honorable Council President and Members	of the Council
SUBJECT:	Appeal Hearing for Permanent Debarmer Krueger Landscape Services	nt of Jerry L. Krueger of J.L.
REFERENCE:	Chapter 2, Article 2, Division 8, of the San	Diego Municipal Code

<u>REQUESTED ACTION</u>: Conduct a hearing of Jerry L. Krueger's appeal of the Debarment Hearing Board's decision of permanent debarment in accordance with San Diego Municipal Code Section 22.0810(b).

STAFF RECOMMENDATION: Deny appeal and uphold permanent debarment of Jerry L. Krueger.

EXECUTIVE SUMMARY: In response to receipt of a Living Wage Ordinance [LWO] Employee Complaint on September 26, 2008, the Administration Department conducted a review of City contracts with J.L. Krueger Landscape Services. In addition to specific violations of the LWO, several discrepancies were identified including: failure to pay workers, labor law violations, and apparent falsification of documents. This information was forwarded to the San Diego County District Attorney Insurance Fraud Division and resulted in a Grand Jury indictment of Mr. Krueger. Mr. Krueger pled guilty to felony insurance and tax fraud and was subsequently sentenced to three years felony probation, 30 days public work service, and restitution of approximately \$70,000 to the State Compensation Insurance Fund and Employment Development Department.

The Director of Administration recommended the City begin debarment proceedings. Mr. Krueger appeared before a Debarment Hearing Board on February 9, 2012. He admitted he had falsified records, failed to pay wages due, and pled guilty to felony insurance and tax fraud. The panel issued a Debarment Decision [Attachment A] March 5, 2012, with a finding of sufficient evidence for permanent debarment in accordance with Chapter 2, Article 2, Division 8, of the San Diego Municipal Code [SDMC].

Mr. Krueger requested an appeal of this decision in correspondence dated March 10, 2012 [Attachment B]. He argued against application of the LWO to his contracts. However, Mr.

Krueger's debarment was based on his felony insurance and tax fraud plea; falsification of records; violations of Federal, State and municipal wage and hour laws; and other offenses as detailed in the Debarment Decision.

SDMC Section 22.0810(a) states:

"If a Debarment Hearing Board has made a determination to debar a person permanently, that person may appeal that decision to the City Council in accordance with procedures set forth in this Division and procedures adopted by the City Council."

BACKGROUND

Receipt of LWO Employee Complaint #C09-004

On September 26, 2008, the Living Wage Program received LWO Employee Complaint #C09-004 from a worker employed by J.L. Krueger Landscape Services on Bid No. 8532-07-Y, Landscape Maintenance at Metropolitan Wastewater Department's North City Water Reclamation Plant. The worker claimed he was terminated in retaliation for inquiring about a wide range of alleged non-compliance with employment and labor laws, including the LWO.

An investigation determined Mr. Krueger had applied for and been granted an exemption from LWO requirements on the subject contract as an employer with twelve or fewer employees, in accordance with SDMC Section 22.4215(b)(1).

LWO Employee Complaint #C09-004 was resolved on November 17, 2008, with a finding of No Violation. Several inconsistencies were identified during this investigation, and therefore the Living Wage Program scheduled a Contract Compliance Review.

Initiation of LWO Contract Compliance Review #R09-010

LWO Contract Compliance Review #R09-010 was initiated on April 29, 2009, to expand the examination of J.L. Krueger Landscape Services.

Regarding the Living Wage Ordinance, SDMC Section 22.4235(a) states:

". . . The City Manager shall monitor compliance, including conducting periodic reviews of appropriate records maintained by covered employers to verify compliance and to investigate claimed violations."

Living Wage Program staff routinely conducts LWO Contract Compliance Reviews in accordance with the LWO Administrative Procedures Manual which includes the following:

- Confirmation of LWO clause in contract document;
- Verification that a *Certification of Compliance* was received from prime and each subcontractor, if any;
- Inspection of contractor's payroll records;

- Confirmation of proper payment made to covered employees;
- If health benefits constitute a portion of pay for covered employers, calculation of health premium cost and review of correct payment;
- Confirmation that proper days off are accorded to covered employees;
- Verification *LWO Notice to Employees* is posted or distributed;
- Interviews with a statistical sampling of covered employees; and
- Assessment of covered employer's record-keeping methods.

Records revealed that Mr. Krueger applied for and was granted an exemption from LWO requirements on several contracts:

Bid No. L-2312/99	Landscape Maintenance at Carmel Mountain Ranch Park and Comfort Station
Bid No. 6637-04-H	Landscape Maintenance at Recycled Water Storage Tank on Meanly Drive
Bid No. 6639-04-H	Landscape Maintenance of Park Village Maintenance Assessment District
Bid No. 7831-06-Y	Landscape Maintenance at Miramar Household Hazardous Waste Transfer Facility
Bid No. 8532-07-Y	Landscape Maintenance at Metropolitan Wastewater Department's North City Water Reclamation Plant

Findings of LWO Contract Compliance Review #R09-010

In the course of LWO Contract Compliance Review #R09-010, a significant discovery was made. On August 7, 2006, Mr. Krueger responded to Purchasing & Contracting Department's offer to exercise an option to renew Bid No. 6639-04-H. In his acceptance, he requested a "10.08% increase in labor cost to comply with Living wage" and a "0.02% increase in overhead/bookkeeping to comply with Living wage ordinance." The increase was granted at an amount of \$988 per month or \$11,856 per year. Though Mr. Krueger received this increase, he considered himself exempt from the LWO and did not pay his workers at the Living Wage rate. Living Wage Program staff required Mr. Krueger to make back payment in the combined amount of \$3,887 to three employees who worked on this contract.

For over a year, Living Wage Program staff repeatedly sought accurate and thorough payroll records from Mr. Krueger without success. The documents received were incomplete, inaccurate, and many appeared to be falsified. Employee interviews revealed numerous allegations of non-payment and labor violations. Mr. Krueger admitted he did not have any cancelled checks because employees had been paid in cash. He had not provided them with pay statements in violation of California Labor Code 226(a) [Attachment C] which requires contractors to give pay statements to employees at the time of payment and specifies the information that must be included on such statements.

Because many of the violations uncovered were outside the authority of the Living Wage Program, the Director of Administration and the City Attorney's Office agreed to forward all records to the County of San Diego District Attorney's Office, Insurance Fraud Division, on April 13, 2010.

LWO Compliance Review Report #R09-010 for J.L. Krueger Landscape Services [Attachment D] was issued on October 15, 2010. It listed the following LWO violations:

San Diego Municipal Code §22.4220(a): Failure to pay covered employees at the wage and benefit rates specified in the LWO.

San Diego Municipal Code §22.4220(c): Failure to provide each covered employee a minimum of 10 compensated leave days per year as required by the LWO.

San Diego Municipal Code §22.4225(b): Failure to notify covered employees of the requirements of the LWO.

This report advised Mr. Krueger that the Director of Administration had recommended his debarment and the City forwarded documentation of violations to the County of San Diego District Attorney's Office.

Receipt of LWO Employee Complaint #C10-005

When employees were interviewed to verify receipt of back payment, they claimed to be owed additional monies because they had worked more hours and been paid far less per hour than accounted for. Subsequently, on May 5, 2010, an employee filed Living Wage Complaint #C10-005. The employee worked for J.L. Krueger Landscape Services on Bid No. 6639-04-H and Bid No. 9900-10-Q, Landscape Maintenance at Park Village Maintenance Assessment District. The worker stated he had been paid in cash, had never been provided a pay statement, and had not received payment for all hours worked.

Living Wage Program staff conducted an investigation of these allegations with assistance from the contract administrator in Park and Recreation Department's Maintenance Assessment Districts Division. Mr. Krueger readily admitted he paid workers in cash and did not provide pay statements. Without sufficient payroll records, the Living Wage Program could not quantify any additional amounts owed to the complainant. However, the discoveries made during investigation of LWO Complaint #C10-005 contributed to the decision to forward documents to the County of San Diego District Attorney's Office, Insurance Fraud Division.

Referral of J.L. Krueger Landscape Services to County District Attorney's Office

The Living Wage Program forwarded documents and records to the County of San Diego District Attorney's Office, Insurance Fraud Division, on April 13, 2010, requesting use of their resources to investigate whether or not J.L. Krueger Landscape Services engaged in unlawful business practices. The following documents were included:

J.L. Krueger Landscape Services vendor records (12/01/2006 – present) including various LWO Applications for Exemption; various correspondence from City

requesting additional information; EDD Quarterly Wage and Withholding Report dated 09/30/08; and log notes.

<u>Complaint #C09-004 records</u> (09/24/2008 - 11/17/2008) including an interview with Mr. Krueger wherein he admitted to sometimes paying workers in cash; an interview with a terminated employee who made various labor violation allegations; a summary of the complaint investigations and findings; correspondence to Mr. Krueger and the complainant; and log notes.

<u>Contract Compliance Review #R09-010 records</u> (04/29/2009 – April 13, 2010) including various contract documents; correspondence from Mr. Krueger requesting a cost adjustment "to comply with Living Wage"; various payroll registers; correspondence during the course of the review; direction to Mr. Krueger to make back payments to employees; Mr. Krueger's xerox copies of Union Bank checks submitted as proof of payment; an employee's xerox bank slips for dates he claimed he worked that were not listed on Mr. Krueger's payroll records; log notes; and a timeline.

<u>Various payroll records</u> (12/01/2006 - 12/31/2009) submitted by Mr. Krueger in response to requests during review.

<u>Experian Business Reports</u> (08/22/2009 - 01/03/2010) listing 20 actual employees for J.L. Krueger Landscape Services.

A San Diego District Attorney Investigator sent an email on September 14, 2010, with a status update of the ongoing investigation. He stated:

"Krueger has failed to report a significant amount of wages to EDD and SCIF. The payroll reports Krueger submitted to the City of San Diego in regards to your investigation were made up after the fact."

Felony Insurance and Tax Fraud Conviction of Jerry L. Krueger

Jerry L. Krueger was indicted by the Grand Jury on March 22, 2011. Felony charges included Worker Compensation premium fraud and payroll tax evasion. Mr. Krueger pled guilty to felony insurance and tax fraud and was sentenced on September 12, 2011, to three years felony probation, 30 days public work service, and restitution of approximately \$70,000 to the State Compensation Insurance Fund and Employment Development Department [Attachment E].

Debarment Proceedings for Jerry L. Krueger

A Debarment Hearing Board was established in accordance with SDMC Section 22.0804 to hear and determine whether Jerry L. Krueger should be debarred.

SDMC Section 22.0802, **Definitions**, states:

"Debar" or "Debarment" means the disqualification of a person from:

- (a) bidding on a *contract*; or,
- (b) submitting responses to City's requests for proposals or qualifications; or,
- (c) being awarded a *contract*; or,
- (d) executing a *contract*; or
- (e) participating in a *contract* as a *subcontractor*, material supplier, or employee or a *prime contractor* or another *subcontractor* for a period of time specified by the *Debarment Hearing Board* following a hearing,
- (f) directly or indirectly (e.g. through an *affiliate*) submitting offers for, or executing *contracts*, or subcontracts with the City; or
- (g) conducting business with, or reasonably may be expected to conduct business with, the City as an employee, agent, or representative of another *person*.

A Notice of Debarment Hearing was sent by certified mail to Mr. Krueger on January 4, 2012, setting a hearing date for 2:00 p.m. on January 30, 2012. Mr. Krueger confirmed his acceptance. The notice listed the Municipal Code Grounds for Debarment and allegations to be considered.

At the hearing, Living Wage Program staff presented the City's case for debarment by describing events leading to the debarment recommendation. Copies of documents concerning Jerry L. Krueger from the Superior Court of California, County of San Diego, were provided: "Plea of Guilty/No Contest – Felony," dated June 17, 2011, and "Felony Minutes – Pronouncement of Judgment" dated September 27, 2011.

Mr. Krueger did not dispute the evidence presented by the City. He admitted he falsified records, failed to pay wages due, and pled guilty to felony insurance and tax fraud. He stated that he thought he was exempt from the LWO, but provided no evidence or factual information to indicate why that should have been the case.

Debarment Decision regarding Jerry L. Krueger

The Debarment Hearing Board issued a Debarment Decision in correspondence to Jerry L. Krueger on March 5, 2012. The Board found sufficient evidence to support a permanent debarment in accordance with Chapter 2, Article 2, Division 8, of the San Diego Municipal Code, *Grounds for Debarment*:

Subsection (a) A final conviction, including a plea of nolo contendere, or final unappealable civil judgment of any one or more of the grounds lists in Section 22.0807(a),(1)-(5) constitutes grounds for permanent *debarment* of the *person* who is subject to, or is the *affiliate* of the *person* who is subject to, the criminal conviction, plea or civil judgment:

- (1) under any state or federal statute or municipal ordinance for embezzlement, theft, fraudulent schemes and artifices, fraudulent schemes and practices, bid rigging, perjury, forgery, bribery, falsification or destruction of records, receiving stolen property or any offense indicating a lack of business integrity or business honesty which affects the *person's* or its *affiliate's* responsibility; or,
- (2) for commission of a criminal offense arising out of obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract; or,
- (3) for violations of California Government Codes sections 84300(c) and 84301 (sections of the California Political Reform Act requiring disclosure of true campaign donor), as they exist on May 15, 1996, or as amended thereafter, which violations occurred on or after May a5, 1996, and which violations occur with respect to a City election; or,
- (4) for a conviction under federal or state antitrust statures involving public contracts or the submission of offers or bid proposals,

and,

- Subsection (c) Any one of the following acts or omissions by a *person* also constitute grounds for permanent *debarment*:
 - (1) the *person* committed any offense, took any action, or failed to take an action, which indicates a lack of business integrity and which could directly affect the reliability and credibility of performance of the *person* on future *contracts* with the *City*.

The Debarment Hearing Board found permanent debarment was supported by a preponderance of the evidence which included:

- Mr. Krueger pled guilty to felony insurance and tax fraud and was sentenced on September 12, 2011, to three years felony probation, 30 days public work service, and restitution of approximately \$70,000 to State Compensation Insurance Fund and EDD.
- Mr. Krueger fabricated copies of time cards, payroll registers, payroll checks, and State of California *Quarterly Wage and Withholding Reports* for the period of December 1, 2006, through December 31, 2009, and submitted these falsified documents to the City of San Diego during the course of investigations.
- Mr. Krueger violated Federal, State and municipal wage and hour laws when he did not maintain payroll records and made payments in cash to workers on City of San Diego contracts (Bid No. 6639-04-H, Landscape Maintenance of Park Village

Maintenance Assessment District, and Bid No. 9900-10-Q, Landscape Maintenance Park Village Maintenance Assessment District).

- Mr. Krueger provided the City of San Diego's Purchasing & Contracting Department with false payroll information on August 6, 2006, in order to obtain an upward contract adjustment for initial implementation of the Living Wage Ordinance on Bid No. 6639-04-H, Landscape Maintenance of Park Village Maintenance Assessment District. His request was granted in the increase amount of \$11,856 per year.
- Mr. Krueger failed to compensate employees at Living Wage rates on Bid No. 6639-04-H, Landscape Maintenance of Park Village Maintenance Assessment District, after securing an upward contract adjustment from the City of San Diego for this purpose.
- Mr. Krueger failed to compensate one or more employees full wages for work performed during a one-year period on City of San Diego Bid No. 9900-10-Q, Landscape Maintenance Park Village Maintenance Assessment District, prior to his abrupt resignation from this contract on May 26, 2010.

The Debarment Decision included notice of Mr. Krueger's right to appeal to the City Council in accordance with SDMC Sections 22.0809(c) and 22.0810.

Appeal of Debarment Decision by Jerry L. Krueger

Mr. Krueger sent the City correspondence dated March 10, 2012, requesting an appeal of the Debarment Decision. His letter listed his concerns about application of LWO requirements to his contracts and his belief that his conviction by the District Attorney is unrelated to the City's records.

SDMC Section 22.0810(c) states: The filing of a request for an appeal shall not stay the *Debarment* decision.

SDMC Section 22.0811, Submission of Argument on Appeal, states:

- (a) At the City Council hearing on the appeal, no new evidence may be presented by the City or any *person*. However, if the *person* who filed the appeal under Section 22.0810 wishes to submit argument supporting the appeal, that *person* shall submit argument in writing with the City Clerk no later than 4:00 p.m. ten calendar days prior to the date on which the hearing is scheduled to be held. Filing shall also be made on all *persons* subject to the *debarment* and on the *Debarment Hearing Board*.
- (b) Where argument is submitted in accordance with Section 22.0811, the City may submit rebuttal arguments, which shall be filed with the City Clerk no later than 4:00 p.m. five calendar days prior to the date on which the hearing is scheduled to be heard. Filing shall also be made on all *persons* subject to the *debarment*.

SDMC Section 22.0812 states: The standard of proof for the *Debarment Hearing* shall be a *preponderance of the evidence*.

<u>FISCAL CONSIDERATIONS</u>: None. The City does not currently have any contracts with Jerry L. Krueger of J.L. Krueger Landscape Services.

PREVIOUS COUNCIL and/or COMMITTEE ACTION: None regarding this report.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS: None

<u>KEY STAKEHOLDERS AND PROJECTED IMPACTS</u>: Key stakeholders for fairness in contracting are City of San Diego citizens, businesses who compete for City contracts, and employees for businesses who perform on City contracts. Fair competition in City contracting requires enforcement of equal compliance with rules and regulations governing workers. A contractor who is dishonest in payment to workers holds an unfair advantage over honest competition, especially when contracts are awarded to the lowest bidder.

<u>ALTERNATIVES</u>: The City Council could alternatively:

- 1. Debar Jerry L. Krueger for no less than one year and up to and including permanent.
- 2. Reverse the Debarment Hearing Panel's decision to permanently debar Jerry L. Krueger and allow future contracting with the City.

Mr. Jerry Krueger J.L. Krueger Landscape Services 39716 Mount Blanc Avenue Murrieta CA 92562-6705

Subject: Debarment Decision

Dear Mr. Krueger:

On February 9, 2012, you appeared before a City of San Diego Debarment Hearing Panel convened for the purpose of considering whether the facts as presented support a decision to debar you from contracting with the City of San Diego in the future.

The panel consisted of Garth K. Sturdevan, Interim Director of the Transportation & Storm Water Department; Mark Leonard, Director of Financial Management; and Stephen Grealy, Deputy Director of the Waste Reduction and Disposal Division. Also present were Nora Nugent, Living Wage Manager; Debra Fischle-Faulk, Administration Department Director and Nooria Faizi, Deputy City Attorney. Ms. Nugent presented the City's case supporting your debarment. Attachment (1) was provided by Ms. Nugent and is a summary of the events leading to the debarment recommendation.

After Ms. Nugent made her presentation, you were offered the opportunity to respond, either to rebut the evidence she presented or to offer information on extenuation or mitigation. You did not dispute the information presented by Ms. Nugent. You admitted that you falsified records after the fact in order to produce records you didn't have; that you failed to pay wages due; and you pled guilty to felony insurance and tax fraud. You did state that you thought you were exempt from the Living Wage Ordinance but you provided no evidence or factual information to indicate why that should have been the case.

You concluded your statements to the panel by indicating that you had no desire to bid on City work in the future and that your main concern is to maintain your State Contractor's License.

After consideration of all the facts associated with this case, it is the panel's finding that

sufficient evidence exists to support a permanent debarment of you, Jerry L. Krueger, by the City of San Diego. This permanent debarment is in accordance with Chapter 2, Article 2, Division 8, of the San Diego Municipal Code, **Grounds for Debarment**:

Subsection (a) A final conviction, including a plea of nolo contendere, or final unappealable civil judgment of any one or more of the grounds lists in Section 22.0807(a),(1)-(5) constitutes grounds for permanent *debarment* of the *person* who is subject to, or is the *affiliate* of the *person* who is subject to, the criminal conviction, plea, or civil judgment:

- (1) under any state or federal statute or municipal ordinance for embezzlement, theft, fraudulent schemes and artifices, fraudulent schemes and practices, bid rigging, perjury, forgery, bribery, falsification or destruction of records, receiving stolen property or any offense indicating a lack of business integrity or business honesty which affects the *person's* or its *affiliate's* responsibility; or,
- (2) for commission of a criminal offense arising out of obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract; or,
- (3) for violations of California Government Code sections 84300(c) and 84301 (sections of the California Political Reform Act requiring disclosure of true campaign donor), as they exist on May 15, 1996, or as amended thereafter, which violations occurred on or after May 15, 1996, and which violations occur with respect to a City election; or,
- (4) for a conviction under federal or state antitrust statutes involving public contracts or the submission of offers or bid proposals,
- and,
- Subsection (c) Any one of the following acts or omissions by a *person* also constitute grounds for permanent *debarment*:
 - (1) the *person* committed any offense, took any action, or failed to take an action, which indicates a lack of business integrity and which could directly affect the reliability and credibility of performance of the *person* on future *contracts* with the *City*; [SDMC §22.0807 (c) (1)]

Thus, the finding of a permanent debarment is supported by a preponderance of the evidence which includes:

a) Mr. Krueger pled guilty to felony insurance and tax fraud and was sentenced on September 12, 2011 to three years felony probation, 30 days public work service, and Page 3 Subject: Jerry L. Krueger Debarment Decision March 5, 2012

restitution of approximately \$70,000 to State Compensation Insurance Fund and EDD.

- b) Mr. Krueger fabricated copies of time cards, payroll registers, payroll checks, and State of California *Quarterly Wage and Withholding Reports* for the period of December 1, 2006, through December 31, 2009, and submitted these falsified documents to the City of San Diego during the course of investigations.
- c) Mr. Krueger violated Federal, State and Municipal wage and hour laws when he did not maintain payroll records and made payments in cash to workers on City of San Diego contracts (Bid No. 6639-04-H, Landscape Maintenance of Park Village Maintenance Assessment District, and Bid No. 9900-10-Q, Landscape Maintenance Park Village Maintenance Assessment District).
- d) Mr. Krueger provided the City of San Diego's Purchasing & Contracting Department with false payroll information on August 6, 2006, in order to obtain an upward contract adjustment for initial implementation of the Living Wage Ordinance on Bid No. 6639-04-H, Landscape Maintenance of Park Village Maintenance Assessment District. His request was granted in the increased amount of \$11,856 per year.
- e) Mr. Krueger failed to compensate employees at Living Wage rates on Bid No. 6639-04-H, Landscape Maintenance of Park Village Maintenance Assessment District, after securing an upward contract adjustment from the City of San Diego for this purpose.
- f) Mr. Krueger failed to compensate one or more employees full wages for work performed during a one-year period on City of San Diego Bid No. 9900-10-Q, Landscape Maintenance Park Village Maintenance Assessment District, prior to his abrupt resignation from this contract on May 26, 2010.

In accordance with the San Diego Municipal Code §22.0809(c), the decision to permanently debar you may be appealed to the City Council in accordance with Section 22.0810 of the San Diego Municipal Code. The filing of a request for appeal shall not stay the Debarment Board's decision pending a final decision of the City Council. Included below is Section 22.08.10 of the San Diego Municipal Code that outlines the process you must follow if you wish to file an appeal to the City Council:

Appeals to City Council from Certain Decisions of Debarment Hearing Board

(a) If a *Debarment Hearing Board* has made a determination to *debar* a *person* permanently, that *person* may appeal that decision to the City Council in accordance with procedures set forth in this Division and procedures adopted by the City Council.

(b) A *person* who has been *debarred* may request an appeal to the City Council

Page 4 Subject: Jerry L. Krueger Debarment Decision March 5, 2012

no later than five working days from the date of the notice of the *Debarment Hearing Board's debarment* decision. The *person* shall file the notice of appeal with the City Clerk, who shall calendar the appeal hearing in front of the City Council after consultation with the City Manager and Mayor.

(c) The filing of a request for an appeal shall not stay the *Debarment* decision.

Unless a timely appeal is filed, the ruling by the City of San Diego Debarment Hearing Panel that you, Jerry L. Krueger, are permanently debarred from bidding on City contracts is final.

This is my rebuttal and appeal to your debarment letter.

I have been a very small company working for the City for the last 20 years. I have had the Park Village contract for 15 years.

I have operated my business in my way and have never had any trouble with the city.

I have never had more than five employees ever. This exempts me from being obligated to living wage requirements. I have some questions I would like some answers to.

Why was I forced to comply to the living wage in the first place? I am a small company. I am entitled to an increase each year. If you want proof you can see the records the DA fraud force seized.

I was confused about the living wage program when I wrote my request letter. Why did you wait three years before informing me you thought I was no longer exempt and wanted a whole bunch of payroll records?

Why wasn't I ever told up front I was expected to comply with the living wage program? This is my biggest complaint and rebuttal. If you would please consider the fact I had been performing this contract for many years exempt and I still feel I am exempt. It would have been only fair. If you would have given me up front notice that I would have to comply instead of waiting three years I could only blame myself for not complying.

Why was I still being forced to comply and be bound to the living wage program on my third new contract bringing my company into 15 years on this contract? This was a new contract and I bid it with the understanding it was a new contract and I would not be bound by living wage. Alano Michael told me I still was bound, even on the new contract, which was paying a lot less. That's when I outit.

The evidence that was compiled against me by the DA was not related to the records you had asked for. They were completely separate. The DA Bageri told me he did not use your records because they were incomplete. My conviction was not related to the records you provided

The world of a small self employed Service Company and some one who works for the city or the government, are two very separate worlds. The way I was operating believe it or not is not that uncommon. Nora could have approached me directly and we could have dealt with this problem. However the way Nora Nugent chose to handle this case was to take a hard working individual and turn him into a felon. I have fearned a hard lesson from what I am going through and not only me but also my whole family has suffered greatly through this. I am truly sorry for what has happened.

Living Wage Ordinance Compliance Review Report

Report No:	#R09-010
Date of Report:	October 15, 2010
Reporting Group:	Living Wage Program Administration Department, City of San Diego 619/236-6682
Authority:	Living Wage Ordinance [San Diego Municipal Code §22.4235(a)]
Objective:	Determine compliance with LWO requirements under San Diego Municipal Code §22.4235(a)
Subject Firm:	J.L. Krueger Landscape Services
Contract Number/Name:	Bid No. 6639-04-H, Landscape Maintenance within the Park Village Maintenance Assessment District (MAD)
Contract Terms:	September 1, 2006, to August 31, 2009
Contract Amount :	\$134,814
Review Period:	September 1, 2006, to March 31, 2009
Violations:	San Diego Municipal Code §22.4220(a): Failure to pay covered employees at the wage and benefit rates specified in the LWO.
	San Diego Municipal Code §22.4220(c): Failure to provide each covered employee a minimum of 10 compensated leave days per year as required by the LWO.
	San Diego Municipal Code §22.4225(b): Failure to notify covered employees of the requirements of the LWO.
	See Findings and Resolutions below.
Back Wages Paid:	\$3,887
Background:	The Living Wage Program in the Administration Department is responsible to monitor applicable service contracts for compliance with the Living Wage Ordinance. J.L. Kruger Landscape Services had one landscape maintenance contract covered by the LWO. The contract was selected for review to determine compliance with requirements of the Living Wage Ordinance.
Review Actions :	During the course of this review, payroll records were analyzed to determine whether correct LWO wage and health benefit rates were paid

to covered employees. The firm indicated four employees were assigned to this contract on a part-time basis, but they were no longer working for the firm at the time of this review. Three employees received a combined back payment amount of \$3,887; during interviews to verify receipt, two employees stated they had never been compensated at proper LWO rates, were not paid on a timely basis, were not provided pay stubs, and were threatened with termination if they complained to the proper authorities.

Summary:

J.L. Krueger Landscape Services originally denied having received an adjustment to compensate employees at LWO required rates, however, documentation on file verified the firm requested and received an increase amount of \$11,856 per year. The firm did not implement any measures to comply and, in fact, did not comply with the requirements of the Living Wage Ordinance, including payment of proper wages, provision of compensated and uncompensated leave time, and posting notices to inform covered employees about the Living Wage Ordinance. This review revealed multiple discrepancies where corrective action was required as detailed in the following section.

Findings and Resolutions:

<u>Wages & Benefits</u>. Payroll records for J.L. Krueger Landscape Services are maintained by the firm's owner, Jerry Krueger. Upon request, Mr. Krueger submitted copies of payroll records including time cards, checks, pay stubs and State of California Employment Development Department quarterly statements. These documents showed employees received compensation lower than stipulated by the LWO. To remedy underpayment, the firm paid three covered employees a total of \$3,887 in back wages.

When these employees were contacted to verify receipt of back wages, they complained they were owed additional monies because they'd worked more hours and had been paid far less per hour than accounted for. They also revealed they had never received pay stubs. Subsequently, one employee filed a formal Living Wage Complaint [#C10-005]. During the course of investigation, staff requested copies of cancelled checks from Mr. Krueger. At that time he admitted he did not have any cancelled checks because employees had been paid in cash. On May 26, 2010, Mr. Krueger resigned from his contract for Landscape Maintenance within the Park Village Maintenance Assessment District.

<u>Compensated/Uncompensated Leave Time</u>. The firm did not provide compensated days off to employees as required by the LWO.

<u>Notification</u>. The Living Wage Ordinance requires firms to notify covered employees of their rights under the LWO and advise them of their possible right to Earned Income Tax Credit (EITC). J.L. Krueger Landscape

Findings and Resolutions: (continued)	Services did not notify employees of their rights under the LWO or their possible right to Earned Income Tax Credit.
• • •	<u>Resolutions</u> : On April 13, 2010, Living Wage Program staff forwarded documentation to the County of San Diego District Attorney's Office, Insurance Fraud Division. On August 25, 2010, Living Wage Program staff recommended debarment in accordance with San Diego Municipal Code §22.0807(c)(1) for violations of local, State, and Federal wage laws; a preliminary Debarment Hearing Panel convened on September 20, 2010.
Firm's Response:	Not required.

Previous Review: None.
