The purpose of this letter is to request additional projects for the next submittal of the Safe Routes to School (SR2S) grant application. If you are aware of any needed public improvements that would enhance the safety performance of public facilities used by school children to walk or bicycle to school, please forward them to Jie Xiao at the following address:

More detailed information on the SR2S grant program can also be found at: <http://www.dot.ca.gov/hq/LocalPrograms/>.

Proposed SR2S projects should be forwarded to us by August 15, 2000. If you have any questions, please call Jie Xiao at (619) 533-3140. Thank you for your assistance.
