On February 24, 1998, the City Council adopted Resolution Numbers R-289773 and R-289774, outlining recommendations to enhance and streamline application requirements and clarify category definitions for the TOT policy. Consequently, recommendations detailed in City Manager Reports 97-175, 97-188, and 98-13 have been utilized in the development of this revised Council Policy on TOT.

ATTACHMENT ~~BA~~ General Requirements and Conditions**A. General**

1. City funding support for private nonprofit organization operational expenses and for special events will be established so as to contribute to a balance of community cultural, recreational, and promotional programs designed to enhance the well-being of the community.
2. The functions or services to be provided by a private nonprofit organization must be of such nature that the interests of the City are better served by an agreement with a private nonprofit organization than by the performance of the services or functions by the City.
3. Programs or special events supported by the City must be open to the public.
4. It is the policy of the City to encourage similar organizations to operate in a coordinated and cooperative manner. If the City funds an “umbrella” organization for federated support of similar activities, then the City will not independently fund other organizations which should properly be part of the “umbrella” organization.
5. The City will only provide funding support to a legally constituted nonprofit corporation completely directing and in complete control of its own affairs through its own officers or members. Support for special events must also be directed to a sponsoring nonprofit corporation. The majority of the activities of the applicant organization must take place within the San Diego City limits and/or benefit City residents. A representative of the City designated by the City Manager shall conduct liaison with the corporation and shall be permitted to attend meetings of the board of directors of such organizations, as deemed appropriate by the City Manager.
6. ~~Organizations cannot apply for both Organizational Support and Community Festivals funding within the Arts, Culture, and Community Festivals category. For any other categories of funding, an organization should direct its application for funding to the program that best meets the organization’s goals and objectives. Organizations may only submit one TOT application to the City. An organization cannot apply for, or receive funding from, more than one category or subcategory of TOT. Applicant organizations must determine which one TOT category or subcategory best matches their program. City administrative staff can assist organizations in making that determination.~~
7. The City will not provide funding support to a private nonprofit organization for the conduct of any religious or political activity.

8. The City will only provide funding support to a private nonprofit organization that, in the conduct of its activities and affairs, adheres to the City's Equal Opportunity Contracting Program. The organization must not discriminate against any person because of sex, race, color, creed, national origin, physical handicaps, age, or sexual orientation.
9. The City Council retains the prerogative to waive any policy or requirement herein contained. Council may also impose such other conditions on City support to private nonprofit organizations, as it deems appropriate.

B. Funding

1. Expenses must be both incurred and paid by an organization before the City will release funding to the organization, except as otherwise may be provided.
2. Expenses must be incurred during the City's fiscal year (July 1 - June 30) for which the program is funded, except as otherwise may be provided.
3. City funds may not be used for alcoholic beverages. In addition, City funds may not be used for travel, meals, lodging, or entertainment expenses, except as otherwise may be provided. Waivers to this provision will be considered for expenditures within the Economic Development Program categories. Organizations receiving waivers may use City funds for travel, meals, or lodging within the following parameters:
 - a. Travel – when use of public air carrier transport is required in order to perform the contractual scope of services to the City, City funds may be applied toward the equivalent of coach airfare only. City funds may not be applied toward any upgrades.
 - b. Meals – when provision of meals is required in order to perform the contractual scope of services to the City, City funds may be applied toward a maximum of \$50 per day per person for meals (excluding sales tax and a maximum 15% gratuity, which are also eligible expenses). This daily maximum is further limited by meal, as follows: \$10, \$15, and \$25 are the maximum City funds that can be applied toward breakfast, lunch, and dinner, respectively, per person. If alcoholic beverages are consumed with meals, they may not be paid for with City funds. In the event that meals are provided to individuals who are not members of the funded organization within the scope of a business development meeting, documentation containing the purpose of the meeting, the benefit to the City, and a list of attendees must be provided to the City in order for City funding to be utilized.

c. Lodging – when out-of-town lodging is required in order to perform the contractual scope of services to the City, City funds may be applied toward the equivalent of the cost of a standard room in a business class hotel, or toward the conference rates of the host hotel when attending a conference.

d. Sponsorships – the City acknowledges the business requirement of event sponsorships by promotional organizations in order to market San Diego as a convention destination in a highly competitive market. The primary objective of a funded organization’s participation in such events is to gain exposure for San Diego and secure access to important decision makers representing prominent convention groups. Financial sponsorship of such events is an acceptable application of City funds. If alcoholic beverages are consumed during event sponsorships, they may not be paid for with City funds.

4. City funds will be used only to assist an organization in its annual operating program or in its sponsorship of special events. City funding will not be used for capital or equipment outlay, for the purchase of awards, trophies, gifts, or uniforms, nor for the buildup of reserves.
5. Matching fund requirements will be determined by the appropriate application process as called for in the specific funding guidelines within each funding category, if applicable.
6. Organizations requesting funds should possess, at a minimum, a three-year track record of operations. Annual requests for funding may ~~not~~ be for one-time events or projects, though applicant organizations must have a three-year history.

C. Request for Funds

1. It is the City’s intent to provide advance notification of the annual application process to a wide distribution of potential organizations that may be eligible for funding. Requests by private nonprofit organizations shall be supported by appropriate documentation and in accordance with the submission schedule as prescribed by the City Manager and promulgated in a procedural guide. Late submissions will not be accepted.
2. One-time special event requests must be accompanied by the same documentation outlined in paragraph C.1. above, except that financial data may be confined to the special event. A disclosure of the full-year fiscal status of the sponsoring organization will not normally be required.
3. If an organization charges fees for admission to or participation in an event, the organization’s request for funding must include a disclosure of all such fees.

4. Initial requests for funding must, additionally, be accompanied by documents that evidence the existence of the organization as a legal entity in good standing. Such documents shall be determined by the City Manager and promulgated in a procedural guide.

D. Evaluation of Requests

1. All requests for support by private nonprofit organizations will be referred to the appropriate review panel for each funding subcategory application process for analysis and subsequent recommendations to the Mayor and City Council. These subcategories include Festivals and Celebrations, Organizational Support, Citywide Economic Development and ~~Sub-regional~~ Economic Development and Tourism Support. All requests will be reviewed and evaluated in the light of the criteria of this Council Policy.

E. Agreements

1. No expenditure may be made out of any appropriation until a written agreement setting out the terms and obligations of the parties has been consummated. The agreement will specify in detail the services or functions to be performed, the nature of the payment or reimbursement schedule, and the financial reporting requirements.
2. All agreements will provide that the City may withhold funds from the contracting organizations and terminate its entire obligation upon notice to the organization if the organization violates any of the terms of the agreement, or for other good cause shown not related to a violation of the terms of the agreement. The City Manager shall thereafter advise the City Council of the notification of termination made to the organization.
3. Compliance with the terms and conditions of agreements shall be determined by the City Manager.

F. Performance Reporting

1. Performance reporting shall be required of all funding recipients. Organizations receiving funding shall provide the Contract Administrator, each year, a Final Performance Report detailing the organization's progress towards meeting the goals and objectives outlined in the contract's scope of services. The Contract Administrator may require additional documentation to substantiate the information. The report shall also include a Statement of Compliance signed by the executive director or other chief executive officer of the organization, certifying that the organization has complied with the terms of the City's agreements. This information must be submitted within ninety (90) days of the end of that fiscal year.
