Attachment B
General Requirements and Conditions

A. General

1. City funding support for private nonprofit organization operational expenses and for special events will be established so as to contribute to a balance of community cultural, recreational, and promotional programs designed to enhance the well-being of the community.
2. The functions or services to be provided by a private nonprofit organization must be of such nature that the interests of the City are better served by an agreement with a private nonprofit organization than by the performance of the services or functions by the City.
3. Programs or special events supported by the City must be open to the public.
4. It is the policy of the City to encourage similar organizations to operate in a coordinated and cooperative manner. If the City funds an "umbrella" organization for federated support of similar activities, then the City will not independently fund other organizations which should properly be part of the "umbrella" organization.
5. The City will only provide funding support to a legally constituted nonprofit corporation completely directing and in complete control of its own affairs through its own officers or members. Support for special events must also be directed to a sponsoring nonprofit corporation. The majority of the activities of the applicant organization must take place within the San Diego City limits and/or benefit City residents. A representative of the City designated by the City Manager shall conduct liaison with the corporation and shall be permitted to attend meetings of the board of directors of such organizations, as deemed appropriate by the City Manager.
6. Organizations cannot apply for both Organizational Support and Community Festivals funding within the Arts, Culture, and Community Festivals category. For any other categories of funding, an organization should direct its application for funding to the program that best meets the organization's goals and objectives.
7. The City will not provide funding support to a private nonprofit organization for the conduct of any religious or political activity.
8. The City will only provide funding support to a private nonprofit organization that, in the conduct of its activities and affairs, adheres to the City's Equal Opportunity Contracting Program. The organization must not discriminate against any person because of sex, race, color, creed, national origin, physical handicaps, age, or sexual orientation.
9. The City Council retains the prerogative to waive any policy or requirement

herein contained. The Council may also impose such other conditions on City support to private nonprofit organizations, as it deems appropriate.

B. Funding

1. Expenses must be both incurred and paid by an organization before the City will release funding to the organization, except as otherwise may be provided.
2. Expenses must be incurred during the City's fiscal year (July 1 - June 30) for which the program is funded, except as otherwise may be provided.
3. City funds may not be used for travel, meals, lodging or entertainment expenses, except as otherwise may be provided. (Waivers to this provision will be considered for expenditures within the Economic Development Program categories.)
4. City funds will be used only to assist an organization in its annual operating program or in its sponsorship of special events. City funding will not be used for capital or equipment outlay, for the purchase of awards, trophies, gifts, or uniforms, nor for the buildup of reserves.
5. Matching fund requirements will be determined by the appropriate application process as called for in the specific funding guidelines within each funding category.
6. Organizations requesting funds should possess, at a minimum, a three- year track record of operations. Annual requests for funding may be for one-time events or projects, though applicant organizations must have a three-year history.

C. Request for Funds

1. It is the City's intent to provide advance notification of the annual application process to a wide distribution of potential organizations that may be eligible for funding. Requests by private nonprofit organizations shall be supported by appropriate documentation and in accordance with the submission schedule as prescribed by the City Manager and promulgated in a procedural guide. Late submissions will not be accepted.
2. One-time special event requests must be accompanied by the same documentation outlined in paragraph C.1. above, except that financial data may be confined to the special event. A disclosure of the full-year fiscal status of the sponsoring organization will not normally be required.
3. If an organization charges fees for admission to or participation in an event, the organization's request for funding must include a disclosure of all such fees.
4. Initial requests for funding must, additionally, be accompanied by documents that evidence the existence of the organization as a legal entity in good standing. Such documents shall be determined by the City Manager and promulgated in a

procedural guide.

D. Evaluation of Requests

1. All requests for support by private nonprofit organizations will be referred to the review panel for each funding subcategory application process for analysis and subsequent recommendations to the Mayor and City Council. These subcategories include Festivals and Celebrations, Organizational Support, Citywide and Sub-regional Economic Development. All requests will be reviewed and evaluated in the light of the criteria of this Council Policy.

E. Agreements

1. No expenditure may be made out of any appropriation until a written agreement setting out the terms and obligations of the parties has been consummated. The agreement will specify in detail the services or functions to be performed, the nature of the payment or reimbursement schedule, and the financial reporting requirements.
2. All agreements will provide that the City may withhold funds from the contracting organizations and terminate its entire obligation upon notice to the organization if the organization violates any of the terms of the agreement, or for other good cause shown not related to a violation of the terms of the agreement. The City Manager shall thereafter advise the City Council of the notification of termination made to the organization.
3. Compliance with the terms and conditions of agreements shall be determined by the City Manager.

F. Financial Disclosure

1. Financial disclosure information shall be required of all funding recipients. Organizations receiving funding shall provide the Contract Administrator, each year, copies of true, accurate and complete financial disclosure documentation evidencing the financial status of the organization's last complete fiscal year within ninety (90) days of the end of that fiscal year.

All organizations receiving funding shall submit the following documents:

- a) A statement of the expenditure of City funds by program to be identified in the same expenditure classifications as contained in the final budget and compared with the budgeted amounts.
- b) A statement of compliance with the terms of the City's agreement.
- c) A statement of revenues and expenditures and a balance sheet of all funds received by the organization.

If City funding is \$35,000 or greater, audited financial statements, including items a, b, and c above, must be prepared in accordance with generally accepted accounting principles (GAAP) and audited by an independent Certified Public Accountant, in accordance with generally accepted auditing standards (GAAS).

2. An organization receiving funding support will permit the City to inspect all books and records at any time and to perform or require audits the City reasonably desires.

G. Compliance with General Requirements and Conditions

1. Failure to comply with the City's terms and conditions could result in the suspension of any current remaining funding or possible future funding.
2. All organizations must be in good standing at the time of application for future funding. Non-compliance with any terms and conditions could result in the disqualification of funding requests for future fiscal years, until such time as organization comes into full compliance.
