

**Office of
The City Attorney
City of San Diego**

**MEMORANDUM
MS 59**

(619) 236-6220

DATE: February 2, 2007
TO: Council President Scott Peters
FROM: City Attorney
SUBJECT: Docketing Request: Approval of Newly Adopted Bylaws for the La Jolla Community Planning Association, Inc. Per Council Policy 600-24

Please docket approval of the La Jolla Community Planning Association, Inc. [LJCPA] newly adopted bylaws on the City Council agenda as soon as possible.

On February 1, 2007, the LJCPA ratified new bylaws approved at a special meeting on January 18, 2007. Council Policy 600-24 provides that subsequent amendments to adopted bylaws of community planning groups may be approved by the Planning Director and City Attorney if determined to conform with the Policy. Bylaws that deviate from Council Policy 600-24 must be presented to the City Council for approval. The City Attorney and Planning Department have determined that certain provisions in the newly adopted LJCPA bylaws do not conform with Council Policy 600-24 and, therefore, must be taken to the City Council for approval. See 1472 Executive Summary. The City Council has directed that all planning group bylaws be revised to reflect the update of Council Policy 600-24 by April 2007.

Additionally, approval of the LJCPA newly adopted bylaws will allow greater public participation in the March LJCPA annual board election and further the democratic process.

MICHAEL J. AGUIRRE, City Attorney

By 

Karen Heumann
Assistant City Attorney
