NOTICE OF APPLICATION

DEVELOPMENT SERVICES DEPARTMENT

As a property owner, tenant, or person who has requested notice, you should know that an application has been filed with the City of San Diego for the construction of a residential tower totaling approximately 300,250 square feet to accommodate a total of 214 dwelling units (nine visitor accommodations and 205 residential condominiums), retail space, and lobby area with the conversion of an existing historic residential dwelling-unit into a restaurant. The project utilizes the City's Affordable Density Bonus by providing 20 affordable residential units (15%) located off-site at 4069 Brant Avenue within the Uptown Community Plan area to very-low income households (rents at 30% of 50% AMI for a period of 55 years), consistent with SDMC §143.0745(a) and in compliance with the Affordable, in-fill Housing and Sustainable Buildings Expedite Program. Additionally, the project proposes to reconstruct a historical residential dwelling unit at 3232 4th Avenue, proposed to be demolished at the project site. The project is located on the northeast corner of 5th Street and Thorn Street. The western portion of the site (0.69 acre), which fronts on 5th Avenue, is zoned CC-3-9. The eastern portion of the site (0.48 acre), which fronts on Sixth Avenue, is zoned RM-4-10. The project site is designated Multiple Use in the City of San Diego General Plan and Community Commercial [0-109 dwelling units per acre (du/ac)] and Residential – Very High (74-109 du/ac) in the Uptown Community Plan.
