That the said work hereinabove described on SMILAX STREET, between the
southerly line of Calla Street and the northerly extension of the easterly line of
Roselle Street, and ROSELLE STREET, between the southerly line of Smilax Street
and a line parallel to and distant 230 feet southerly from the northerly extension of
the northwesterly line of Lot C of Acre Lot 33, Sorrento Lands and Townsite, both
in said City and streets intersecting therewith, shall be done to the official grade
shown and indicated on the plans and profiles on file in the office of the City Clerk of
said City, and hereinafter referred to, and reference is hereby made to said plans
and profiles for the description of the official grade at which the work is to be done.

All of said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, of the dimensions, and to the official grades thereof as shown upon and in accordance with the plans, profiles, drawings typical cross-sections and specifications therefore contained in Document No.:

694326

on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Council of more than local ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said District, as shown upon that certain Plat No. 3699, which plat, approved by the Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

The said Council hereby determines and declares that serial bonds shall be issued to represent each assessment of fifty dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the next September 1st following their date, and at the expiration of said time the whole sum then unpaid shall be due and payable; but on the second day of January of each year following the next September 1st after their date, an even annual proportion of its whole amount shall be due and payable, upon presentation of the coupon therefor, until the whole is paid. Said bonds shall bear interest at the rate of six per cent per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance to the Improvement Act of 1911, and amendments thereto; and if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued a premium of five percent (5%) of the unmatured principal shall be paid.
