CONFLICT OF INTEREST CODE  
OF THE  
GASLAMP QUARTER PROJECT AREA COMMITTEE  
THE CITY OF SAN DIEGO

I. GENERAL STANDARDS

SECTION 100 PURPOSE AND SCOPE

- A. The maintenance of the highest standards of honesty, integrity, impartiality and conduct by the members of the Gaslamp Quarter Project Area Committee (herein called "committee") is essential to assure the proper performance of the City business and maintenance of confidence by citizens in their government. The avoidance of conflicts of interest on the part of committee members through informed judgment is indispensable to the maintenance of these standards.
- B. Pursuant to the provisions of Government Code Section 87300 et seq., the Gaslamp Quarter Project Area Committee of The City of San Diego hereby adopts the following Conflict of Interest Code. Nothing contained herein is intended to modify or abridge the provisions of the Political Reform Act of 1974 (Government Code Section 81000 et seq.). The provisions of this Code are additional to Title 9, Chapter 7 of the Government Code (Section 87100 et seq.) and other laws pertaining to conflicts of interest. Except as otherwise indicated, the definitions of said Act and regulations adopted pursuant thereto are incorporated herein and this Code shall be interpreted in a manner consistent therewith.
- C. This Code reflects accepted standards imposed by the criminal and civil law of the State of California. However informational these regulations are, they are not a complete enumeration of all restrictions imposed by statutes. The omission of a reference to such statute in no way affects its validity or applicability to a board member's conduct.

SECTION 101 DEFINITIONS

The definitions set forth in Title 9, Chapter 2 of the Government Code (Section 82000 et seq.) shall govern the interpretation of this Code.

SECTION 102 REMEDIAL ACTION

- A. In addition to civil and criminal penalties set forth in Title 9, Chapter 2 of the Government Code (Section 90000 et seq.), a violation of this Code by a member of the Gaslamp

Quarter Project Area Committee may be the cause for remedial action which may include, but is not limited to:

1. Disqualification for a particular assignment.
2. Removal from the committee.

B. Remedial action shall be effected in accordance with all applicable laws for notice, hearing and review.

## II. CONDUCT AND RESPONSIBILITIES OF MEMBERS

### SECTION 200 PROSCRIBED ACTIONS

A. A committee member shall avoid any action, whether or not specifically prohibited by law, which might result in:

1. Using public office for private gain.
2. Giving preferential treatment to any person.
3. Losing complete independence or impartiality.

B. In addition, every board member shall be familiar with and abide by Council Policy No. 0004.

### SECTION 201 GIFTS, ENTERTAINMENT AND FAVORS

A. A committee member shall not for his own monetary gain solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan, or any other thing of more than nominal monetary value, from a person with whom he or she has dealings in the course of membership who:

1. Has, or is seeking to obtain, contractual or other business or financial relations with The City of San Diego.
3. Has interests that may be substantially affected by the performance or nonperformance of City governmental duties.

B. None of the foregoing shall be deemed to prohibit the acceptance of loans from banks or other financial institutions on customary terms to finance proper and usual activities of committee members, or unsolicited promotional materials of nominal value, or the defrayal by others of a legitimate business expense.

- C. A gift or gratuity, the receipt of which is prohibited by this section, shall be returned to the donor when feasible. If no return is feasible, the gift or gratuity shall be conveyed through the board member's commission to a public charity.

SECTION 202 FINANCIAL INTERESTS

A board member shall not:

- A. Have a financial interest that conflicts with the board member's duties and responsibilities; or
- B. Engage in a financial transaction as a result of or primarily relying on information obtained through City duties and responsibilities.

SECTION 204 USE OF CITY PROPERTY

A committee member shall not directly or indirectly use, or allow the use of City property of any kind for other than official duties.

SECTION 205 CONFLICTS OF INTEREST

- A. A conflict of interest may exist whenever a board member has a substantial personal or private interest in a matter which involves duties and responsibilities as a committee member. The trust of the citizenry demands that a committee member take no action which would constitute the use of his or her position to advance personal or private interests. Each committee member should avoid situations which present the possibility or the appearance that such board member's official position might be used to private advantage.
- B. Neither the provisions of the California Penal Code, California Government Code, nor the standards of conduct prescribed in this Code, are to be regarded as comprehensive. Each committee member must, in each instance involving a personal or private interest in a matter which also involves his or her duties and responsibilities as a committee member, make certain that his or her actions do not have the effect or the appearance of the use of interests or those of committee member's family or business associates.
- C. The statutory provisions of conflict of interest are contained in Title 9, Chapter 7 of the Government Code (Section 87100 et seq.). The violation of these sections is more specifically outlined in Chapter 11 thereof (Section 91000 et seq.).

**SECTION 206 DISQUALIFICATION BECAUSE OF FINANCIAL INTERESTS**  
Designated committee members must disqualify themselves from making or participating in the making of any decisions in which they have a reportable financial interest when it is reasonably foreseeable that such interest may be materially affected by the decision.

When any person holding an official position as a committee member has reason to believe he or she may be disqualified, he or she shall immediately report the nature of the potential conflict and absent himself or herself from further consideration of the matter.

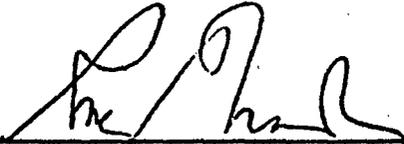

### III. STATEMENTS OF FINANCIAL INTERESTS

After review and consultation with the committee's legal advisor, it has been determined that by virtue of the committee's responsibilities as defined in Section 103.0302.2 of the San Diego Municipal Code, committee members are not designated employees pursuant to Section 82019 of the California Government Code in that they are unsalaried members of a committee or commission which serves a solely advisory function.

### IV. PUBLIC HEARING

Notwithstanding any other provision of this Conflict of Interest Code, a presentation by a committee member before public bodies in regard to matters already decided by the Board, will not be construed, by itself, as a conflict of interest or the appearance of such.

The foregoing Conflict of Interest Code has been prepared by the Gaslamp Quarter Project Area Committee after a fair opportunity for the members of the committee to present their views had been offered. The Code is submitted to the City Council this 15th day of December, 1980.
