

RESOLUTION NUMBER R- 314131

DATE OF FINAL PASSAGE MAY 31 2022

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO IN ACCORDANCE WITH THE FISCAL YEAR 2023 SALARY ORDINANCE, APPROVING THE JOB CLASSIFICATIONS IN THE CITY OF SAN DIEGO THAT ARE ELIGIBLE FOR OVERTIME COMPENSATION FOR FISCAL YEAR 2023.

WHEREAS, this Resolution is intended to be consistent with the overtime provisions set forth in the Fiscal Year 2023 Salary Ordinance adopted by the San Diego City Council (Council) on April 26, 2022 (O-21453); and

WHEREAS, as stated in Council Policy 300-02, adopted by San Diego Resolution R-217487 (Jan. 12, 1977) and amended by San Diego Resolution R-222521 (Jan. 2, 1979), the Council has recognized that it is necessary for the efficient and effective administration of the City of San Diego (City)'s government to call upon employees to work beyond their normal working hours in certain circumstances, with the need for overtime to be determined by the Mayor or designee, or independent department directors, in accordance with controlling law; and

WHEREAS, the Council has established local overtime rules for certain employees, as specified in Council Policy 300-02, Personnel Manual Index Code H-4, and memoranda of understanding between the City and its recognized employee organizations approved by the Council; and

WHEREAS, local overtime is City-authorized working time beyond an employee's normally scheduled hours; under these local overtime rules, the City distinguishes between "regular rate overtime," which is compensation for overtime worked at the employee's "base rate" of pay, and "premium rate overtime," which is compensation at one and one-half times the employee's "base rate" of pay; and

WHEREAS, in *Garcia v. San Antonio Metropolitan Transit Authority*, 469 U.S. 528 (1985), the United States Supreme Court concluded that the Fair Labor Standards Act (FLSA), at 29 U.S.C. §§ 201-219, which sets forth federal minimum wage and overtime provisions, is applicable to states, cities, and local agencies, including the City; and

WHEREAS, the FLSA generally requires the City to pay those employees covered by the FLSA with overtime pay for hours worked over 40 in a workweek, which is defined as any fixed and regularly recurring period of 168 hours or seven consecutive 24-hour periods, at a rate of not less than one and one-half times the regular rate of pay as that term is defined by the FLSA; and

WHEREAS, in accordance with the FLSA and its regulatory provisions promulgated by the United States Department of Labor, certain employees are designated as exempt from FLSA-required overtime pay, if they meet minimum requirements related to their primary job duties and they are paid on a salary basis of not less than the minimum amounts as specified in the regulations; and

WHEREAS, the present minimum salary level to designate an employee salaried and exempt from the FLSA is \$679.00 per week; and

WHEREAS, the Civil Service Commission (Commission) designates classifications in the Classified Service that are covered by and exempt from local overtime rules and the FLSA; these designations must be approved by the Council in accordance with San Diego Charter sections 11.1 and 130 and Council Policy 300-02; and

WHEREAS, the Council wishes to approve the job classifications in the Classified Service that are eligible for overtime compensation, in accordance with local rules and the FLSA and related federal regulatory provisions; and

WHEREAS, the Council also intends to ensure that the City complies with local rules and the FLSA in compensating employees in the Unclassified Service; and

WHEREAS, under the City's rules, employees in the Unclassified Service are not eligible for local overtime as long as they are paid on a regular, biweekly, salaried basis for one-half, three-quarter, or full-time work; as set forth in the Fiscal Year 2023 Salary Ordinance, these employees will be paid for absences of less than one day, with no deduction from the employee's pay, leave credits, or other monetary amounts made to recover the cost of the absence, unless the deduction is required by law; and

WHEREAS, under the City's rules, employees in the Unclassified Service are compensated for overtime if they are designated to be paid on an hourly basis; and

WHEREAS, the FLSA, at 29 U.S.C. § 203(e)(2)(C), expressly excludes those City employees, who are not subject to the City's civil service provisions, and who (1) hold City elective office, (2) are selected by an elective officer to be a member of his or her personal staff, (3) are appointed by a City elective officer to serve on a policymaking level, (4) serve as an immediate advisor to an elective officer on constitutional or legal powers of the office, or (5) are employees in the legislative branch or body of the City; and

BE IT RESOLVED, the Council approves the job classifications in the City's Classified Service that are eligible for overtime compensation for Fiscal Year 2023, set forth in Personnel Manual Index Code H-4, Addendum A: Overtime Compensation, and as Attachment A to this Resolution.
