WHEREAS, on November 4, 2004, the voters of San Diego County approved the San Diego Transportation Improvement Program Ordinance and Expenditure Plan (TransNet Extension Ordinance), which has been amended from time to time in accordance with the applicable amendment requirements; and

WHEREAS, the TransNet Extension Ordinance provides that SANDAG, acting as the Regional Transportation Commission, shall approve on a biennial basis a multi-year program of projects submitted by local jurisdictions identifying those transportation projects eligible to use transportation sales tax (TransNet) funds. This program is known as the Regional Transportation Improvement Program (RTIP) and this action will allow the City to amend its Program of Projects (POP) identified in the RTIP; and

WHEREAS, the estimated TransNet revenue for Fiscal Year 2023 is \$47,668,000 and as shown on Attachment A - TransNet Proposed Program of Projects, \$27,832,594 is allocated for the Capital Improvements Program (CIP) and \$19,835,406 is allocated for non-CIP functions, including \$14,157,396 for street maintenance operations; and

WHEREAS, the projects and budget allocations identified on Attachment A are included in the City's Fiscal Year 2023 Proposed CIP Budget; and

WHEREAS, this Council action includes TransNet programming adjustments for the current fiscal year to allow programming of the reallocated funding in the 2023 RTIP as detailed in Attachment B – Fiscal Year 2022 Additional TransNet Programming Adjustments; and

WHEREAS, Attachment C – Fiscal Year 2023 List of TransNet Allocations and Projects includes a detailed list of Fiscal Year 2023 projects that will receive additional TransNet funding under the Fiscal Year 2023 budget and Attachment D – Fiscal Year 2022 City of San Diego TransNet Funded Projects includes a detailed list of Fiscal Year 2022 TransNet funded projects; and

WHEREAS, the City of San Diego held a noticed public meeting with an agenda item that clearly identified the proposed amendment prior to approval of the projects by its authorized legislative body in accordance with Section 5(A) of the TransNet Extension Ordinance and Rule 7 of SANDAG Board Policy No. 31; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

1. That the Mayor, or designee, is authorized to request that SANDAG make the changes to the 2023 RTIP and to the City's Program of Projects (POP) outlined in this resolution and as noted on Attachments A, B, C, and D.
2. That pursuant to Section 2(C)(1) of the TransNet Extension Ordinance, the City of San Diego certifies that no more than 30 percent of its cumulative revenues shall be spent on local street and road maintenance-related projects, or that its expenditures are consistent with the most recent TransNet Extension Ordinance requirements adopted by SANDAG.

3. That pursuant to Section 4(E)(3) of the TransNet Extension Ordinance, the City of San Diego certifies that all new projects, or major reconstruction projects, funded by TransNet revenues shall accommodate travel by pedestrians and bicyclists, and that any exception to this requirement permitted under the Ordinance and proposed shall be clearly noticed as part of the City of San Diego's public hearing process.

4. That pursuant to Section 8 of the TransNet Extension Ordinance, the City of San Diego certifies that the required minimum annual level of local discretionary funds to be expended for street and road purposes will be met throughout the 5-year period consistent with the most recent Maintenance of Effort Requirements adopted by SANDAG.

5. 6. That pursuant to Section 13 of the TransNet Extension Ordinance, the City of San Diego certifies that it has established a separate Transportation Improvement Account for TransNet revenues with interest earned expended only for those purposes for which the funds were allocated.

7. That pursuant to Section 18 of the TransNet Extension Ordinance, the City of San Diego certifies that each project of \$250,000 or more will be clearly designated during construction with TransNet project funding identification signs.

8. That the City of San Diego does hereby certify that all applicable provisions of the TransNet Extension Ordinance and SANDAG Board Policy No. 31 have been met.

9. That the City of San Diego agrees to indemnify, hold harmless, and defend SANDAG, the San Diego County Regional Transportation Commission, and all officers and employees thereof against all causes of action or claims related to City of San Diego's TransNet funded projects.
