Overall Crime in 2012

- Overall, crime increased 6.9% when comparing 2012 to 2011.
- The overall number of crimes last year in 2011 was the lowest in 42 years; despite the increases in 2012, the number of crimes in each of the categories this year is similar to those from the early 1970s.
- Increasing crime appears to be consistent with trends in the San Diego region.

Use technology to enhance the Department’s ability to identify and respond to crime patterns and predict crime.

- Expand & train personnel on Crime View Dashboard.
- Enhance customized crime analysis hot spot mapping & provide line level training.
- Further develop the use of private video through Operation Secure San Diego.
Violence Reduction Efforts

- Enhance personnel resources in focused areas to maximize impact (directed policing).
  - Develop divisional directed problem solving teams.
  - Expand the Tracking Known Offender (TKO) Program.
  - Provide proactive policing training to patrol officers.
Violence Reduction Efforts

- Enhance personnel resources (cont.).
  - Enhance proactive patrol teams assigned to alcohol/entertainment areas.
  - Enhance Juvenile Services Teams (JST) to include extended hours.
  - Increase staffing for the Gang Suppression Team (GST).
Violence Reduction Efforts

- Strengthen communication and partnerships with our communities.
  - Increase the use of social media as a communications tool.
  - Expand Crime Free Multi Housing Program.
  - Expand Neighborhood Watch.
  - Focus on homeless violence.
  - Enhance relationships with security and other non-law enforcement professionals.
