EXECUTIVE SUMMARY SHEET
CITY OF SAN DIEGO

DATE: 10/6/2016

ORIGINATING DEPARTMENT: Debt Management

SUBJECT: Public Facilities Financing Authority of the City of San Diego Lease Revenue Bonds, Series 2017 (Balboa Park Parking Related Public Improvements)

COUNCIL DISTRICT(S): While the Project is in District 3, all districts will be served

CONTACT/PHONE NUMBER: Lakshmi Kommi/619-236-6928, M.S. 7B

DESCRIPTIVE SUMMARY OF ITEM:

Authorize the issuance of Public Facilities Financing Authority of the City of San Diego Lease Revenue Bonds, Series 2017 (Balboa Park Parking Related Public Improvements), the execution of related financing documents, and other necessary actions.

STAFF RECOMMENDATION:

Approve the requested actions.

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

On September 19, 2016, City Council established the Balboa Park Plaza de Panama as a Capital Improvement Project (Balboa Park Community Area District 3). Listed among the improvements is a new 797 space parking garage (the "Parking Garage") with a 2.2 acre rooftop park, a bypass bridge, and road to divert vehicular traffic away from the pedestrian core of the park (the "Project"). Subject to City Council approval of the Plaza de Panama Cooperation Agreement between the Plaza de Panama Committee and the City, the City's financial contribution towards the Project will be \$49 million through a combination of bond proceeds and City funds earmarked for major capital projects, if necessary. The construction bond proceeds would be generated through the implementation of a tax-exempt bond financing, leveraging paid parking revenues generated from the Parking Garage.

To ascertain projected parking revenues, the City engaged Parking Concepts Inc. ("PCI"), the primary parking consultant selected to develop the 2012 projections, to prepare Parking Garage fee model projections. Based on the proposed fee model and updated projections, PCI estimates potential gross parking revenues, including general visitor parking, monthly parking passes, and valet parking, to total approximately \$4.0 million beginning in year 1. In addition, PCI projects operating expenses for the Parking Garage to be approximately \$683,000 in year 1, resulting in approximately \$3.3 million in net operating revenue from the parking garage available to make bond payments.

The plan of finance calls for the issuance of 30-year, tax-exempt Lease Revenue Bonds by the Public Facilities Financing Authority (the "Authority"), in an amount sufficient to provide up to \$49 million (in combination with major capital projects funds, if needed) for construction, a capitalized interest fund, and costs of issuance. The legal structure of the Bonds involves lease agreements between the City and the Authority under which the City leases the site of the Parking Garage to the Authority and, in turn, the Authority leases the site and Parking Garage (once completed) back to the City in exchange for lease payments sufficient to cover the debt

service on the bonds. The Parking Garage, once constructed and available for use and occupancy by the City, is anticipated to be the subject of the lease over the life of the Bonds.

The proposed parking fee structure and PCI's projected parking revenues and expenses are detailed in the full Staff Report, as are various proposed General Fund protection features concerning the Bonds.

Since various 501(c)(3) institutions within Balboa Park may derive benefits from the Parking Garage, the City Council must conduct a publicly noticed Tax Equity and Fiscal Responsibility Act (TEFRA) hearing authorizing the issuance of the Bonds in order for the Bonds to be tax-exempt, pursuant to Section 147(f) of the Internal Revenue Code.

CITY STRATEGIC PLAN GOAL(S)/OBJECTIVE(S):

Goal #1: Provide high quality public service

Objective #1: Promote a customer-focused culture that prizes accessible, consistent, and predictable delivery of services

Goal #2: Work in partnership with all of our communities to achieve safe and livable neighborhoods

Objective #3: Invest in infrastructure

FISCAL CONSIDERATIONS:

Based upon an assumed interest rate (TIC) of 4.25%, the issue size of the Bonds is estimated to be approximately \$44.5 million. Annual debt service for a 30-year bond issue amounts to approximately \$2.7 million beginning in Fiscal Year 2021. This is approximately \$600,000, or 20%, less than projected net parking revenues (which are approximately \$3.3 million).

EQUAL OPPORTUNITY CONTRACTING INFORMATION (IF APPLICABLE):

This agreement is subject to the City's Equal Opportunity Outreach Program (San Diego Ordinance No.18173, Section 22.2701 through 22.2708) and Non-Discrimination in Contracting Ordinance (San Diego Municipal Code Sections 22.3501 through 22.3517).

PREVIOUS COUNCIL and/or COMMITTEE ACTION (describe any changes made to the item from what was presented at committee):

On July 9, 2012, the City Council adopted Resolution R-307554, Certifying EIR – Balboa Park Plaza de Panama; Resolution R-307555, approving the amendments to the Balboa Park Master Plan and the Central Precise Plan; Resolution R-307556, granting Site Development Permit No. 837848; Resolution R-307557, declaring an intention to issue debt solely for the purpose of establishing compliance with Section 1.1.50-2 of the Treasury Regulations; and Resolution R-307558, accepting a contribution from the Plaza de Panama Committee.

On September 18, 2012, the City Council adopted Resolution R-307692, authorizing the budgeting and allocation in the amount of the Spreckels Organ Pavilion Public Parking Garage (Balboa Park) Lease Revenue Bonds, Series 2012C. On October 2, 2012, the City Council adopted Ordinance O-20205, approving the Site Lease, Facilities Lease, a Bond Purchase Agreement, and authorizing the Indenture by the Public Facilities Financing Authority and the issuance of the Authority's Lease Revenue Bonds.

On September 19, 2016, the City Council adopted Resolution R-310691, establishing Balboa Park Plaza de Panama as a CIP Project (Balboa Park Community Area District 3); thereby reinitiating the Project.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

I. Background

On September 19, 2016, City Council established the Balboa Park Plaza de Panama as a Capital Improvement Project (Balboa Park Community Area District 3) thereby reinitiating the Balboa Park Plaza de Panama Project. Listed among the improvements in the Balboa Park Plaza de Panama Project, is the 797 space Parking Garage with a 2.2 acre rooftop park, a bypass bridge, and road to divert vehicular traffic away from the pedestrian core of the park.

Subject to City Council approval of the Plaza de Panama Cooperation Agreement between the Plaza de Panama Committee and the City, the City's financial contribution towards the Balboa Park Plaza de Panama Project will be \$4.9 million. Of this identified City contribution amount, a significant portion is proposed to be generated through the implementation of a tax-exempt bond financing leveraging paid parking revenues generated from the Parking Garage. Based on net-parking revenue projections and the financing plan discussed below, it is estimated that approximately \$3.9 million in project proceeds could be generated from the proposed bond issuance. The expected remaining balance of approximately \$1.0 million would be funded from City funds available for major capital projects, of which \$1 million was previously authorized by the City Council on September 19, 2016 (Resolution R-310691) for the purpose of reviewing and finalizing project design.

II. Discussion

Parking Revenue and Expense Projections

To ascertain projected parking revenues, the City engaged Parking Concepts, Inc. ("PCI"), the primary parking consultant selected to develop the 2012 projections, to prepare Parking Garage fee model projections (Attachment 1). PCI has significant experience leasing, operating, and managing parking facilities across California, and providing consultant services on parking facility revenue, expenses, operations, and maintenance for various private and public entities.

Based on the proposed fee model and updated projections for the 797 space Parking Garage, which are discussed in detail below and summarized in Table 1, PCI estimates potential gross parking revenues, including general visitor parking, monthly parking passes, and valet parking, to total approximately \$4.0 million beginning in year 1, with fees assumed to increase 6.66% every third year (or 20% over the 10 year proforma period). In addition, PCI projects gross annual operating expenses for the Parking Garage to be approximately \$683,000 in year 1, with expenses generally assumed to increase 2% annually, resulting in approximately \$3.3 million in annual net operating revenue from the Parking Garage in year 1 available to make annual bond payments. Over the 10 year proforma period, net operating revenue is projected to range between \$3.3 million and \$4.0 million.

General Visitor Parking

The general visitor parking rate structure is proposed as follows:

<u>Parking Duration</u>	<u>Weekdays</u>	<u>Weekends/Holidays/Peak Days</u>
Up to One Hour	\$2.00	\$3.00
Between One and Two Hours	\$4.00	\$6.00
Over Two Hours (Daily Maximum)	\$8.00	\$12.00

The proposed rates are tiered to offer lower parking rates to visitors who plan to spend less than two hours at the park. On weekdays, this amounts to \$2.00 and \$4.00 for patrons parking for one hour and two hours, respectively, and \$8.00 for those visitors parking for any amount of time longer than two hours in a given day. On weekends and City holidays, the hourly rate during the first two hours is \$3.00, which amounts to \$3.00 for one hour and \$6.00 for two hours, with a daily maximum of \$12.00. In addition, if any weekdays are deemed to be “Peak” days due to expected elevated park attendance during pre-planned events including private events in the park, there is a potential to charge weekend/holiday pricing up to \$12.00. The projections provided in the report however only assumed revenue from the weekends and holidays.

Based on the assumed rate structure above, PCI projects revenue from general visitor parking to be approximately \$3.8 million annually beginning year 1. This projection incorporates the following key factors and assumptions: (1) current parking space inventory/supply in Balboa Park; (2) parking lot occupancy/demand surveys conducted in August/September 2016 by Park and Recreation staff; and (3) three paid tickets per space per day. Based on the factors above, PCI assumes projected general visitor occupancy to range between 36–50% on weekdays and 49–61% on weekends and holidays.

Monthly Parking

A monthly parking rate is proposed at a rate \$125 per month with 30 spaces reserved for staff and board members of the various 501(c)3 institutions within Balboa Park who would want the certainty of a parking spot in the Parking Garage. This rate reflects a modest discount compared to the proposed daily parking rates assuming 20 days of use at the \$8 maximum daily rate during weekdays, which would total \$160 per month. Based on the \$125 proposed monthly rate for 30 spaces, PCI projects parking revenue related to monthly parking to be \$45,000 annually beginning year 1.

Valet Parking

The monthly valet parking rate proposed to be charged to a valet parking operator is \$150/month per space, with 80 spaces set aside full-time for this purpose. In addition, 50 additional part-time spaces would be available on weekends at a rate of \$6.00/weekend day per space. The new valet parking operator is expected to be identified through the City’s procurement process, potentially together with the solicitation for the general Parking Garage Operator.

Currently, LAZ Parking (formerly Sunset Parking) operates a valet concession in the Plaza de Panama. Under current operations, LAZ Parking uses nearby parking lots, including the Organ Pavilion, Federal and Inspiration Point parking lots, to park valet cars in free, unreserved parking spaces that would otherwise be used by general visitors. By incorporating and moving valet parking into the Parking Garage, those spaces that were previously occupied by valet cars would be freed up for general self-parking use outside of the Parking Garage. In addition, the valet parking operator will gain reserved valet parking spaces, thereby increasing valet efficiency for the valet parking operator and valet users and

provide a guaranteed income stream for the Parking Garage operations. Based on the \$150 proposed monthly valet rate, and the additional \$6.00/day per space (up to 50 spaces) weekend rate, PCI projects valet parking revenue to be \$175,200 annually beginning year 1.

Projected Expenses

PCI projections for Parking Garage operating expenses are based on industry standards and cost indications provided by parking garage operators. The Parking Garage is proposed to operate on an automated basis, with seven full time equivalent (FTE) customer service staff members (including one manager and one supervisor) available to assist parking patrons in using the pay machines. Furthermore, PCI has assumed one FTE and one part-time equivalent (PTE) for parking enforcement.

In addition to payroll related expenses, other major expense categories include Repair and Maintenance, Administrative Expenses, and Other Operating Expenses. Included within the Other Operating Expenses category is the funding of a Capital Reserve Fund to cover the cost of capital improvements that the Parking Garage may need over its lifetime in order to maintain sound operational status. Based on input from PCI, who reviewed industry standards, the Capital Reserve Fund, which will be held by the City, will receive deposits annually at a rate of \$55 per parking space, or approximately \$44,000 per year, from Parking Garage revenue. The cumulative total, including assumed 2% annual growth, over the first 10 years is approximately \$480,000. Combined, total Parking Garage operating expenses are projected by PCI to be at least \$682,530 beginning in year 1, as discussed above.

Table 1 - Parking Revenue and Expense Projections (Year 1)			
Revenue Source	Parking Spaces ⁽¹⁾	Proposed Rate	Annual Projection ⁽²⁾
General Visitor (Weekday)	681	\$2.00/hour for First 2 Hours \$8.00 Daily Max for 2+ Hours	\$2.0 million
General Visitor (Weekend/Holiday/Peak)	631	\$3.00/hour for First 2 Hours \$12.00 Daily Max for 2+ Hours	\$1.8 million
Monthly Parking	30	\$125/month	\$45,000
Valet Parking	80 +50 weekends	\$150/month \$6/weekend day per space	\$175,000
Parking Revenue Subtotal:			\$4.0 million

III. Bond Legal Structure

The Bonds would be issued as lease revenue bonds under the Joint Powers Authority legal framework utilizing the Public Facilities Financing Authority (the “Authority”) with the City General Fund providing the legal backstop for repayment. The Authority issues the lease revenue bonds with the bond repayment supported by the net annual fee revenue to be generated by the Parking Garage.

The legal structure for the Bonds involves lease agreements between the City and the Authority under which the City leases the site of the Parking Garage to the Authority and, in turn, the Authority leases the site and Parking Garage (once completed and available for use and occupancy) and rooftop park (subject to valuation) back to City in exchange for lease payments sufficient to cover the debt service over the life of the Bonds. Upon the completion of the construction, the Parking Garage and related improvements would be capital assets of the General Fund.

IV. Summary of Key Terms

- **Issuer:** Public Facilities Financing Authority of the City of San Diego
- **Structure:** General Fund-backed Lease Revenue Bonds; issued using a standalone Indenture, Site Lease, and Facilities Lease (see “Financing & Legal Documents” below)
- **Financing Ordinance Not-to-Exceed Bond Authorization:** \$50 million. Under certain favorable bond market conditions, and assuming the net parking revenue projections discussed above, this not-to-exceed authorization allows for a bond offering that could provide a greater amount of project proceeds above the currently projected amount. As shown in the Estimated Sources and Uses of Funds table below, approximately \$44.5 million in bond issue proceeds is estimated based on an assumed interest rate of 4.25% generating approximately \$39 million in project proceeds. If for any reason the City is unable to use the proceeds for the Project, the financing ordinance also incorporates flexibility to use the proceeds for alternate General Fund capital improvement purposes.
- **Final Maturity:** 30 year term
- **RepaymentSource:** While the General Fund will be pledged to the Bonds, annual debt service is expected to be paid from annual parking revenues net of operating expenses of the Parking Garage (\$3.3 million projected beginning year 1 of the Parking Garage opening). Annual debt service/lease payments for the Bonds after the capitalized interest period (see below) will commence beginning Fiscal Year 2021 and will be budgeted in a newly established fund within the Park and Recreation Department budget. In addition to paying debt service on the Bonds, this fund will also be programmed to collect parking revenues, pay Parking Garage operating expenses, and maintain Internal Safety and Capital Reserve Funds. In the event that annual parking garage revenue is insufficient to pay debt service in any given year, funds will be drawn from the Internal Safety Fund (discussed below).
- **TaxStatus:** The Bonds will be issued as a tax-exempt issuance. Consistent with the IRS regulations for tax-exempt bonds, the weighted average life of the bonds will not exceed 120% of the useful life of the project funded by the bonds.

In addition, the current assumption envisions up to 30 garage spaces to be dedicated for the museums and other Balboa Park tenants in the form of monthly permits. Since these 501(c)(3) institutions may derive benefits from the Parking Garage over the life of the bond issuance, the City Council would conduct a publicly noticed Tax Equity and Fiscal Responsibility Act (TEFRA) hearing authorizing the issuance of the Bonds in order for the Bonds to be tax-exempt, pursuant to Section 147(f) of the Internal Revenue Code. In consulting with tax counsel, Stradling, Yocca, Carlson & Rauth, a TEFRA hearing would create flexibility for uses that may shift over the 30 years. This allows for maximum user benefits while optimizing the occupancy levels. This TEFRA hearing will be publicly noticed in an official newspaper 14 days prior to the hearing (see Attachment 2).

In order to insulate the General Fund, certain protection features are recommended, which are elaborated below:

- **Capitalized Interest Fund:** Since the parking revenues to support the debt service will not be available until after the completion and opening of the Parking Garage, a capitalized interest fund to pay interest on the Bonds during Parking Garage construction will be funded with proceeds of the bond issue, offsetting the need for the City to fund or front debt service during the construction of the Parking Garage. This is a standard feature for bond issues that provide funding for a capital facility that generates income and in which lease payments are derived from use of the financed facility. The amount of capitalized interest to be funded from bond proceeds is based on the anticipated Parking Garage construction timeframe/ opening date. Based on the current expected construction timeline, the capitalized interest period is estimated to be 2.5 years, which covers the construction period, plus an additional six months to mitigate the risk of any construction delays (actual period to be determined at the time of pricing).
- **Debt Service Coverage:** Under the proformas and revenue findings generated by PCI, net parking revenues are projected to be approximately 120% of the annual debt service under this structure. This coverage, which would be at least 20% above the required annual debt service payment, will cushion against possible revenue shortfalls by such amount and reduce the possibility that the City must cover a revenue shortfall through the General Fund.
- **Internal Safety Fund:** Upon the Parking Garage's opening, a City-held Internal Safety Fund is recommended to be maintained from excess net parking revenues to serve as a buffer against any revenue volatility over the 30-year term of the Bonds. This is designed to mainly mitigate the potential need for the General Fund to front any shortfall in revenue for annual debt service.

The Internal Safety Fund is anticipated to be initially funded by net parking revenues that are in excess of debt service collected following the completion of construction of the Parking Garage. The funding amount is targeted to be sufficient to cover up to one year of debt service, which is estimated to be approximately \$2.7 million, and is projected to be funded in approximately four years following the Parking Garage opening date. Upon fulfilling the Internal Safety Fund target, annual coverage revenue net of Parking Garage Operating expenses will be General Fund revenue that can be appropriated for any general purpose through the annual budget process.

Should a draw on the Internal Safety Fund be required for the City to meet debt service shortfalls in a given year, reducing the funding level below the established amount described above, excess net parking revenues in subsequent year(s) would be used to replenish the Internal Safety Fund to the original level. Since the Internal Safety Fund will be City-held and would not be pledged to the Bonds, no adverse repercussions (i.e., investor concerns, higher costs of borrowing for future issuances or impact on credit ratings) are anticipated if the City were to draw funds from the Internal Safety Fund in any given year.

- **Capital Reserve Fund:** A City-held Capital Reserve Fund will also be established once the Parking Garage becomes operational to cover the cost of capital improvements that the Parking Garage may need over its lifetime in order to maintain sound operational status. This is also designed to protect the General Fund from potential Parking Garage capital expenses and maintain the capital asset's strong condition on an ongoing basis.

Based on input from PCI, who reviewed industry standards, the Capital Reserve Fund will receive deposits annually at a rate of \$55 per parking space, or approximately \$44,000 per year, from Parking Garage revenue. The cumulative total, including assumed 2% annual growth, over the first 10 years is approximately \$480,000 and is factored into PCI operating expense projections, as discussed above.

V. City Council Approval Process

The financing legal documents, including the Site Lease, Facility Lease, Indenture, Bond Purchase Agreement, and Continuing Disclosure Certificate, are approved via Ordinance. Staff will be docketing the Preliminary Official Statement (POS) for the Bonds separately to be authorized via Resolution in 2017, closer to the distribution of the POS to investors and pricing of the Bonds.

The financing documents that would be approved through the requested actions include:

1. **Site Lease** – The Site Lease is the agreement between the City and the Authority under which the City leases the site of the Parking Garage to the Authority.
2. **Facilities Lease** – The Facilities Lease is the agreement between the City and the Authority under which the City leases the site and the Parking Garage (once constructed) and rooftop park (subject to valuation) back from the Authority. The lease payments made by the City are equal to the principal and interest payments on the Bonds issued by the Authority. The Facilities Lease contains certain covenants of the City, including the necessary action to include all lease payments due under the lease in the City's operating budget each year.
3. **Indenture** – The Indenture is an agreement between the Authority and the trustee for the Bonds. The Indenture provides for the issuance of the Bonds, and includes information regarding the amount of the Bonds, the maturities and interest rates on the Bonds, the use of Bond proceeds, and the nature of the security for the Bonds (i.e., that the bonds are limited obligations of the Authority payable from lease payments). The Indenture also sets forth terms, including the specific rights, responsibilities, and obligations of each party with respect to the issuance of the Bonds. Under the

Indenture, the Authority assigns its rights to receive lease payments under the Facilities Lease to the trustee to make debt service payments to bondholders.

4. Bond Purchase Agreement (BPA) – The BPA is an agreement among the City, the Authority, and the Underwriters for the transaction pursuant to which the Authority agrees to sell, and the Underwriters agree to buy, the bonds. It specifies the purchase price of the bonds, and certain terms of the bonds, such as interest rates and maturities. The agreement also specifies documents that the parties must receive prior to bond closing, including the Bond Counsel opinion regarding the validity and tax exempt nature of the bonds as well as certain opinions and certificates of the City Attorney and other City and Authority officials. Such opinions and certificates would confirm, among other things, that all steps necessary to authorize the execution of the financing documents and the issuance of the bonds have been properly taken.
5. Continuing Disclosure Certificate – The Continuing Disclosure Certificate details the City’s ongoing obligation to file annual reports and material events with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system for the benefit of the bondholders.

VI. Financing Time Line

The City Council authorizations are expected to occur as follows:

November 14, 2016	Introduction of the Financing Ordinance authorizing the issuance of the bonds and approval of the financing documents; Conduct TEFRA hearing
December 6, 2016	Approval of the Financing Ordinance authorizing the issuance of the bonds and approval of the financing documents (2 nd reading)
August/ September 2017 (Subject to construction schedule)	Approval of the Preliminary Official Statement; Pricing of the Bonds and execution of the Bond Purchase Agreement; Bond Closing and delivery of construction proceeds deposited with Trustee
Late 2019	Anticipated Parking Garage opening date

VII. Financing Team

The City’s Financing Team for the Bonds consists of the same members as the 2012 Financing Team. Internal members include: the Chief Financial Officer and staff of the Debt Management Department; the Park and Recreation Department; the Comptroller’s Office; Office of the City Treasurer; and the Financial Management Department. The Financing Team also includes staff of the Real Estate Assets Department, the City Attorney’s Office, the Risk Management Department, and Public Works Department. External members of the team include: Parking Concepts, Inc. as parking revenue consultant; Fieldman, Rolapp, & Associates as financial advisor; Stradling, Yocca, Carlson & Rauth as bond and disclosure counsel; Loop Capital Markets as the senior managing underwriter; Kutak Rock LLP as underwriter’s counsel; Wilmington Trust as trustee; and Chicago Title Company as title insurance provider.

The City Council authorized the City Attorney to retain Stradling, Yocca, Carlson & Rauth on July 9, 2012 (R-307558). If the proposed bond counsel contract amendment is approved, the term of the Agreement will be extended through December 31, 2018 and Stradling, Yocca, Carlson & Rauth will receive an amount not to exceed \$95,000, inclusive of out of pocket expenses. This is an increase of \$32,500 above the original 2012 contracted amount.

The requested contract amendment for Fieldman, Rolapp, & Associates as financial advisor would extend the term of service through December 31, 2018. In addition, compensation for Wilmington Trust as the trustee includes an initial fee of \$4,000 and ongoing annual fees of \$2,000.

CITY STRATEGIC PLAN GOAL(S)/OBJECTIVE(S):

- Goal #1: Provide high quality public service
 Objective #1: Promote a customer-focused culture that prizes accessible, consistent, and predictable delivery of services

FISCAL CONSIDERATIONS:

I. Estimated Sources and Uses of Proceeds (preliminary and subject to change)

Based upon the assumed interest rate (TIC) of approximately 4.25%, the issue size of the Bonds is estimated to be approximately \$44.5 million. This amount would provide sufficient funds to contribute \$39 million towards the construction fund for the Project, establish the required Capitalized Interest Fund and pay costs of issuance. It should be noted that current interest rate levels are lower than the 4.25% assumed rate. If interest rates are lower than the assumed level at the time of issuance, the City would be able to generate additional bond proceeds and correspondingly lower the capital outlay cash contribution to the project.

The table below provides a breakdown of the estimated sources and uses of funds.

Estimated Sources and Uses of Bond Proceeds

Estimated Sources

Bond Issue Proceeds	<u>\$44.5 million</u>
Total Sources of Funds	\$44.5 million

Estimated Uses

Deposit to Construction Fund	\$39.0 million
Deposit to Capitalized Interest Fund	\$ 4.9 million
Costs of Issuance ⁽¹⁾	<u>\$ 0.6 million</u>
Total Uses of Funds	\$44.5 million

⁽¹⁾ Costs of Issuance include underwriters' discount, bond and disclosure counsel fees, financial advisory fees, title insurance costs, appraisal fees, rating agency fees, trustee fees, and Preliminary Official Statement and Official Statement electronic printing/posting costs.

II. Projected Debt Service and Impact on Current Debt Ratios

Annual debt service for a 30-year bond issue amounts to approximately \$2.7 million beginning in Fiscal Year 2021. This is approximately \$600,000, or approximately 20%, less than projected net parking revenues (approximately \$3.3 million in year 1).

The City's Debt Policy (Section 4.2), requires an analysis to be conducted to determine the impact of additional General Fund-backed bond obligations. Given that the proposed bond issuance has been structured to be self-supported by net parking revenues generated by the Parking Garage, the resulting impact is neutral to the City's General Fund lease burden ratio (debt service as a percentage of General Fund revenue). Based on currently outstanding lease revenue bond levels, the lease burden ratio is currently at 3.64% and is projected to steadily decline as outstanding principal is paid down in its ordinary course.

EQUAL OPPORTUNITY CONTRACTING INFORMATION (if applicable):

This agreement is subject to the City's Equal Opportunity Outreach Program (San Diego Ordinance No.18173, Section 22.2701 through 22.2708) and Non-Discrimination in Contracting Ordinance (San Diego Municipal Code Sections 22.3501 through 22.3517).

2. Tax Equity and Fiscal Responsibility Act (TEFRA) Notice

We have prepared revenue projections based on the following scenarios:

Updates to the 2012 baseline fee model, amending the week day fee structure to an incremental rate of \$2.00 per hour for the first two hours, with a week day daily maximum of \$8.00, weekend and holiday incremental rates of \$3.00 per hour for the first two hours, with weekend and holiday maximums of \$12.00.

Assumptions: ■ Rate structure:

	<u>Week days</u>	<u>Weekends & Holidays</u>
Up to one hour	\$2.00	\$3.00
Between one and two hours	\$4.00	\$6.00
Over two hours – daily maximum	\$8.00	\$12.00

■ Weekends are Saturdays and Sundays.

■ City Holidays are:

New Year's Day	Independence Day
Martin Luther King, Jr. Day	Labor Day
Presidents' Day	Veterans Day
César Chávez Day	Thanksgiving Day
Memorial Day	Christmas Day

■ Duration usage statistics:

Less than one hour	3% of parkers
Between one and two hours	7%
Over two hours	90%

■ Number of turns based on average stay of three hours (2004 Jones and Jones Study)

■ Parking rate increases assumed every third year (Years 3, 6 and 9).

■ Payroll and payroll related increases for first three years based upon City and State mandated minimum wage levels.

■ Demand analysis and assumptions were similar to Jones and Jones report (11/04) and validated by KMA Study (6/12).

■ KMA evaluated demand based on 1/4- and 3/8-mile distance assumptions and found differences to be less than 1%, statistically insignificant.

■ 3rd Party Management Contract for parking operations.

any, in each year as shall be required for the payment of all costs and expenses incurred by the Authority in connection with the execution, performance or enforcement of the Site Lease or this Lease or the assignment hereof pursuant to the Indenture or the respective interests in the Leased Premises and the lease of the Leased Premises by the Authority to the City hereunder, including but not limited to all fees, costs and expenses and all administrative costs of the Authority relating to the Leased Premises including, without limiting the generality of the foregoing, salaries and wages of employees, overhead, insurance premiums, taxes and assessments (if any), expenses, compensation and indemnification of the Trustee (to the extent not paid or otherwise provided for out of the proceeds of the sale of the Bonds), fees of auditors, accountants, attorneys or engineers, insurance premiums, rebate amounts payable to the United States pursuant to the Tax Certificate, and all other reasonable and necessary administrative costs of the Authority or charges required to be paid by it to comply with the terms of the Bonds or the Indenture, or otherwise incurred in connection with the administration hereof or thereof.

(1) The foregoing Additional Rental, if any, shall be billed to the City by the Authority or the Trustee from time to time, together with a statement certifying that the amount billed has been incurred or paid by the Authority, the Trustee or the Trustee on behalf of the Authority, for one or more of the items above described, or that such amount is then so payable for such items. (2) The Authority may issue bonds and may enter into leases to finance facilities other than the Leased Premises. The administrative costs of the Authority shall be allocated among said facilities and the Leased Premises, as hereinafter in this paragraph provided. The Trustee may conclusively rely upon a certificate of the Authority in making any determination that costs are payable as Additional Rental hereunder, and shall not be required to make any investigation as to whether or not the items so requested to be paid are expenses of operation of the Leased Premises.

(c) Consideration for Leasehold Estate and Fair Rental Value. Such payments of Base Rental Payments and Additional Rental for each Lease Year or portion thereof during the term of this Lease shall constitute the total rental for such Lease Year or portion thereof and shall be paid or payable by the City from funds of the City lawfully available therefor for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of, the Leased Premises by the City for and during such Lease Year.

(1) The City has determined and certified to the Trustee and the Authority on the Closing Date that such total rental in any Lease Year is not in excess of the total fair rental value of the Leased Premises for such Lease Year. In making such determination, the City has considered a variety of factors including: (i) the uses and purposes served by the Leased Premises and the benefits therefrom that will accrue to the City by reason of this Lease and to the general public by reason of the City's use and occupancy of the Leased Premises, including the general public's use of portions of the Leased Premises; (ii) the costs of construction and the replacement costs of the Project; (iii) revenues that will be available from the Parking Garage; (iv) third-party or City appraisals; and (v) upon payment of all rental due hereunder and the termination of this Lease and the Site Lease, the transfer by the Authority to the City, pursuant to of the Site Lease and without any additional payment or consideration by the City, of all of the Authority's right, title and interest with respect to the Leased Premises.

(2) The parties hereby acknowledge that the parties may amend this Lease from time to time to amend the Base Rental Payments payable hereunder so that Additional Bonds may be executed and delivered pursuant to Section 6.07 hereto and Sections 2.11 and 2.12 of the Indenture. Notwithstanding anything to the contrary herein contained, this Lease may not be amended in a manner such that the sum of Base Rental Payments (including Base Rental Payments payable pursuant to such amendment) and Additional Rental with respect to Outstanding Bonds and Additional Bonds, in any Lease Year is in excess of the annual fair rental value of the Leased Premises and other land and improvements leased to the City hereunder for such Lease Year, after giving effect to the application of proceeds of any Additional Bonds executed and delivered in connection therewith.

(d) Payment Provisions; Credit. Each installment of Base Rental Payments payable hereunder shall be paid in lawful money of the United States of America to or upon the order of the Trustee at the designated corporate trust office of the Trustee, or such other place as the Trustee shall designate in writing to the City. Any such installment of rental accruing hereunder which shall not be paid when due shall remain due and payable until received by the Trustee.

(e) Notwithstanding any dispute between the City and the Authority, the City shall make all rental payments when due, without deduction or offset of any kind, and shall not withhold any rental payments pending the final resolution of any such dispute. The obligation of the City to pay Base Rental Payments is an absolute and unconditional obligation, subject to the abatement of Base Rental Payments pursuant to Section 6.04 hereof. In the event of a determination that the City was not liable for said rental payments or any portion thereof, said payments or excess of payments, as the case may be, shall, at the option of the City, be credited against subsequent rental payments due hereunder or be refunded at the time of such determination.

(f) Amounts required to be deposited by the City with the Trustee pursuant to this Section 6.01(d) on any date shall be reduced to the extent of amounts on deposit on such date in the Interest Account or the Principal Account held under the Indenture.

(g) Base Rental Payments are subject to abatement as provided in Section 6.04 hereof.

(h) Nothing contained in this Lease shall prevent the City from making, from time to time, contributions or advances to the Authority for any purpose now or hereafter authorized

by law, including the making of repairs to, or the restoration of, the Leased Premises in the event of damage to or the destruction of the Leased Premises.

(i) Notwithstanding the City may cease to use any portion of the Leased Premises, the City shall remain obligated to pay Base Rental Payments and Additional Payments in consideration of the availability of the Leased Premises for the use and occupancy of the City, as provided in Section 6.01.

Section 6.02 Annual Budgets. The City covenants to take such action as may be necessary to include all Base Rental Payments and Additional Rental payments due under this Lease in its operating budget for each fiscal year (an "Operating Budget") and to make all necessary appropriations for such Base Rental Payments and Additional Rental payments. In addition, to the extent permitted by law, the City covenants to take such action as may be necessary to amend or supplement the budget appropriations for payments under this Lease at any time and from time to time during any fiscal year in the event that the actual Base Rental Payments and Additional Rental paid in any fiscal year exceeds the pro rata portion of the appropriations then contained in the City's budget.

These covenants on the part of the City to include the Base Rental Payments and Additional Rental in the Operating Budget and to make the necessary appropriations therefor are deemed to be, and shall be construed to be, ministerial duties imposed by law and by the City's Charter, and it shall be the duty of applicable officials of the City to take such action and do such things as are required by law and by the City's Charter in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease agreed to be carried out and performed by the City.

Section 6.03 Application of Rental Payments All rental payments received shall be applied: first to the Base Rental Payments due hereunder (including any prepayment premium components); and thereafter to all Additional Rental due hereunder, but no such application of any payments which are less than the total rental due and owing shall be deemed a waiver of any default hereunder.

Section 6.04 Rental Abatement.

(a) To the extent described below, the amount of Base Rental Payments and Additional Rental due hereunder shall be abated during any period in which by reason of delay in the completion of the Parking Facility beyond _____ 1, 20__ there is substantial interference with the City's use and occupancy of the Leased Premises. The amount of such abatement shall be such that the resulting Base Rental Payments and Additional Payments do not exceed the annual fair rental value (as determined by an certified real estate appraiser selected by the City, who may be an employee of the City) for the use and occupancy of the Site and the completed portions of the Parking Facility made available to the City. Any such abatement pursuant to this Section 6.04(a) shall continue until the Parking Facility is substantially complete and made available for beneficial use and occupancy by the City.. Notwithstanding the foregoing, the City shall remain obligated to make Base Rental Payments and Additional Payments hereunder to the extent there are proceeds of any completion or performance bonds or moneys paid to the City by the contractors or any other person as liquidated damages as a result of any defect or delay in completion of the Project or to the extent that amounts in the Revenue Fund and the Capitalized Interest Fund are available to pay Base Rental Payments which would otherwise be abated under this Section 6.04(a). Any amounts

received by the City as liquidated damages shall be deposited by the City immediately upon receipt in the Revenue Fund to the extent necessary to pay the principal and interest on the Series 2017__ Bonds to the expected completion date of the Parking Facility.

(b) Except to the extent of (i) amounts held by the Trustee in the Interest Account or Principal Account of the Revenue Fund, (ii) amounts received in respect of use and occupancy insurance, and (iii) amounts, if any, otherwise legally available to the Trustee for payments in respect of the Bonds, during any period in which, by reason of material damage, destruction, title defect or condemnation, there is substantial interference with the use and occupancy by the City of any portion of the Leased Premises, rental payments due hereunder with respect to the Leased Premises shall be abated to the extent that the annual fair rental value of the portion of the Leased Premises in respect of which there is no substantial interference is less than the annual Base Rental Payments and Additional Rental, in which case rental payments shall be abated only by an amount equal to the difference. In the case of abatement relating to the Leased Premises, the amount of annual rental abatement shall be such that the resulting Base Rental Payments in any Lease Year during which such interference continues, excluding any amounts described in clauses (i), (ii), (iii) above, do not exceed the annual fair rental value for each Lease Year of the portions of the Leased Premises with respect to which there has not been substantial interference, as evidenced by a certificate of an Authorized Representative of the City. Such abatement shall continue for the period commencing with the date of such damage, destruction, title defect or condemnation and ending with the restoration of the Leased Premises or portion thereof to tenantable condition or correction of title defect or substantial completion of the work of repair or replacement of the portions of the Leased Premises so damaged, destroyed, defective or condemned.

(c) In the event the City shall assign, transfer or sublease any or all of the Leased Premises or other rights hereunder, as permitted by Section 3.04(b) hereof, for purposes of determining the annual fair rental value available to pay Base Rental Payments and Additional Rental, annual fair rental value of the Leased Premises shall first be allocated to this Lease as provided in clause (iv) of Section 3.04(b) hereof.

(d) Any abatement of rental payments pursuant to this Section shall not be considered an Event of Default as defined in Article XI hereof, but shall result in the extension of the Expiry Date by a period equal to the period of abatement for which Base Rental Payment has not been paid in full (but in no event later than 10 years after the then existing Expiry Date), and Base Rental Payment for such extension period shall be equal to the unpaid Base Rental Payments during the period of abatement but without interest thereon. The City waives the benefits of California Civil Code Sections 1932(1), 1932(2) and 1933(4) and any and all other rights to terminate this Lease by virtue of any such interference and this Lease shall continue in full force and effect.

(e) In the event that rental is abated, in whole or in part, pursuant to this Section due to damage, destruction, title defect or condemnation of any part of the Leased Premises and the City is unable to repair, replace or rebuild the Leased Premises from the Net Proceeds, if any, the City agrees to apply for and to use its best efforts to obtain any appropriate state and/or federal disaster relief in order to obtain funds to repair, replace or rebuild the Leased Premises.

(f) The City hereby acknowledges and agrees that during any period of abatement with respect to all or any part of the Leased Premises, the Trustee on behalf of the City shall use the proceeds of use and occupancy insurance to make payments of principal and interest on the Bonds.

(g) The City has the option, but not the obligation, to deliver Substituted Property for all or a portion of the Leased Premises pursuant to Section 3.06 hereof during any period of abatement.

Section 6.05 Prepayment of Base Rental Payments The Authority hereby grants an option to the City to prepay the principal component of the Base Rental Payments in full, or in part, in order to effect a redemption of the Series 2017__Bonds, in whole or in part, pursuant to Section 4.01(c) of the Indenture or a defeasance of the Series 2017__Bonds, in whole or in part, pursuant to Sections 10.01 and 10.02 of the Indenture.

Said option shall be exercised by the City by giving written notice to the Authority and the Trustee of the exercise of such option at least forty five (45) days prior to the due date of such Base Rental Payment. Such option shall be exercised in the event of prepayment in full, by depositing cash in an amount, which, together with amounts then on deposit in the Insurance and Condemnation Fund and the Revenue Fund, will be sufficient to pay the aggregate unpaid Base Rental Payments on the prepayment date, or, in the event of prepayment in part, by depositing cash equal to the amount desired to be prepaid (the principal component of which shall be an amount divisible by \$5,000) together with any Base Rental Payments then due but unpaid. In the event of prepayment in part, the partial prepayment shall be applied against Base Rental Payments in such manner as the City shall determine and if the City shall fail to make such determination, starting with the next succeeding payment dates. Base Rental Payments due after any such partial prepayment shall be in the amounts set forth in a revised Base Rental Payment Schedule which shall be provided by, or caused to be provided by, the City to the Trustee and which shall represent an adjustment to the schedule set forth in Exhibit B attached hereto taking into account said partial prepayment.

Section 6.06 Obligation to Make Rental Payments The agreements and covenants on the part of the City contained herein shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the City to carry out and perform the agreements and covenants contained herein agreed to be carried out and performed by the City.

THE OBLIGATION OF THE CITY OF SAN DIEGO TO MAKE BASE RENTAL PAYMENTS DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NEITHER THE BONDS NOR THE OBLIGATION TO MAKE BASE RENTAL PAYMENTS CONSTITUTES AN INDEBTEDNESS OF THE CITY, THE COUNTY OF SAN DIEGO, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION.

Section 6.07 Additional Bonds. In addition to the Series 2017__ Bonds to be executed and delivered under the Indenture, the Authority may, from time to time at the request of the City, but only upon satisfaction of the conditions to the execution and delivery of Additional Bonds set forth in Sections 2.11 and 2.12 of the Indenture, enter into a Supplemental Indenture to authorize Additional Bonds the proceeds of which may be used as provided in Section 2.11 of the Indenture and as provided in the Supplemental Indenture; provided that prior to or concurrently with the execution and delivery of the Additional Bonds, the City and the Authority shall have entered into an amendment to this Lease providing for any required adjustment in the Base Rental Payments to be

made hereunder to pay Debt Service on such Additional Bonds, subject to the limitations set forth in Section 6.01(c) hereof.

ARTICLE VII

MAINTENANCE; TAXES; INSURANCE AND OTHER CHARGES

Section 7.01 Maintenance of the Leased Premises by the City. The City agrees that, at all times during the term hereof, it will maintain, preserve and keep, at its own cost and expense, or cause to be maintained, preserved and kept, the Leased Premises and every portion thereof, which is owned by the City, in good repair, working order and condition and that it will from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals. The Authority shall have no responsibility in any of these matters or for the making of additions or improvements to the Leased Premises.

Section 7.02 Taxes, Other Governmental Charges and Utility Charges. The parties hereto contemplate that the Leased Premises will be used for public purposes by the City and, therefore, that every portion of the Leased Premises, which is owned by the City, will be exempt from all taxes presently assessed and levied with respect to real and personal property, respectively. In the event that the use, possession or acquisition by the City or the Authority of the Leased Premises is found to be subject to taxation in any form, the City will pay, or cause to be paid, during the term hereof, as the same respectively become due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Leased Premises and any other property acquired by the City in substitution for, as a renewal or replacement of, or a modification, improvement or addition to, the Leased Premises, as well as all gas, water, steam, electricity, heat, power, air conditioning, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Leased Premises; provided, however, that with respect to any governmental charges or taxes that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as are accrued during such time as this Lease is in effect.

Section 7.03 Insurance.

(a) The City shall procure (or cause to be procured) at the times specified below and maintain (or cause to be maintained) throughout the term hereof for every portion of the Leased Premises insurance against the following risks in the following respective amounts:

(1) Not later than the start of construction of the Project, insurance against loss or damage to the Leased Premises caused by fire and lightning and all other risks covered by an extended coverage endorsement, but excluding earthquake and flood, which insurance, at the election of the City, initially may be in the form of a builder's risk policy providing coverage in an amount not less than the construction costs expended for the Project. The insurance described in this paragraph (1) shall be in an amount equal to the lesser of (A) replacement cost (without deduction for depreciation) of improvements located or to be located on the Leased Premises; or (B) the remaining unpaid principal amount of Bonds Outstanding, plus the amount of use and occupancy coverage described in paragraph (2) below, except that such insurance may be subject to deductible clauses of not to exceed the first one hundred thousand dollars (\$100,000) of the amount of any one loss. Insurance described in this paragraph (1) and in paragraph (2) below may be in the form of a policy which covers the Leased Premises and one or more additional parcels of real

property insured by the City; provided that the amount of coverage available thereunder shall be at least equal to the cumulative replacement values of the Leased Premises and any other such property which is the subject of a lease, installment purchase or other financing arrangement ("Financed Property") for which bonds, certificates of participation or other obligations shall have been issued ("Obligations") plus the amount of use and occupancy coverage required by paragraph (2) below; in the event the City elects to obtain insurance for the Leased Premises and one or more additional parcels of real property and the amount of the insurance proceeds available to pay all claims thereunder is not sufficient to cover the replacement values of all such properties, then any such proceeds shall be used first to rebuild or repair the Leased Premises and all Financed Property or to repay the Bonds and all Obligations.

(2) From the date that the Parking Facility is substantially completed and made available to the City for use by the City, use and occupancy insurance against loss, total or partial, of the use and occupancy of the Leased Premises as a result of any of the hazards covered by the insurance required by paragraph (1) hereof, in an amount sufficient to pay the Base Rental Payments attributable to the Leased Premises for a twenty-four month period; provided, that the amount of such insurance need not exceed the total remaining Base Rental Payments; provided further, that such insurance may be part of a policy permitted under paragraph (1) above, except that such use and occupancy insurance shall not be provided through a self-insurance method or plan of protection; provided further, the City may obtain use and occupancy insurance covering the Leased Premises as well as other parcels of property owned by the City, provided that (i) the cumulative amount thereof is at least equal to the cumulative amount of use and occupancy insurance required by this paragraph (2) with respect to the Leased Premises and any other agreements pursuant to which the City is to maintain such insurance; and [(ii) in the event the City elects to obtain insurance for the Leased Premises and one or more additional parcels of real property and the amount of the insurance proceeds available to pay all claims thereunder is not sufficient to cover the replacement values of all such properties, then any such proceeds shall be used first to rebuild or repair the Leased Premises and all Financed Property or to repay the Bonds and all Obligations.] Any proceeds of such insurance shall be payable to and used by the Trustee as provided in the Indenture to pay principal of and interest on the Bonds for a period of time during which the payment of rental under this Lease is abated. Such insurance may be subject to a deductible clause of not to exceed the amounts permitted by Section 7.02(a)(1) above.

(b) The City shall adjust all moneys which may become due and payable under any policies contemplated by paragraphs (a)(1) and (2) above, may compromise any and all claims thereunder and shall cause the deposit of the Net Proceeds with the Trustee for application as provided herein or in the Indenture. The Trustee shall not be responsible for the sufficiency of any insurance herein required. The Trustee shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the City.

(c) Any insurance policy issued pursuant to paragraph (a)(1) above shall be so written or endorsed as to make losses, if any, payable to the City, the Authority and the Trustee as their respective interests may appear and the Net Proceeds of the insurance required by paragraph (a)(1) above shall be applied as provided in Section 8.01 hereof. The Net Proceeds, if any, of the insurance policy described in paragraph (a)(1) above shall, to the extent that such proceeds are paid on account of loss or damage to the Leased Premises, be payable to the Trustee and deposited in the Insurance and Condemnation Fund and applied as described in the Indenture. The Net Proceeds, if any, of the insurance policy described in paragraph (a)(2) above shall, to the extent that such proceeds relate to the use and occupancy of the Leased Premises, be payable to the Trustee and

deposited in the Revenue Fund. Each insurance policy provided for in this Lease shall contain a provision to the effect that the insurance company shall not cancel the policy or modify it materially and adversely to the interests of the Authority and the Trustee without first giving written notice thereof to the Authority and the Trustee at least 60 days in advance of such intended cancellation or modification. If the insurance carrier cannot include this notice provision, the policy shall require the insurance company to so notify the Authority and the Trustee.

(d) The City shall file a certificate with the Trustee not later than nine months following the effective date of the insurance policies each year, commencing in 2017, certifying that the insurance required by this Section is in full force and effect and that the Trustee and the Authority are named as loss payees on each insurance policy which this Lease requires to be so endorsed.

(e) As an alternative to providing the insurance required by (a)(1) of this Section, or any portion thereof, through a commercial insurance policy, the City may provide a self-insurance method or plan of protection if and to the extent such self-insurance method or plan of protection shall afford reasonable coverage for the risks required to be insured against, in light of all circumstances, giving consideration to cost, availability and similar plans or methods of protection adopted by public entities in the State other than the City. Before such self-insurance method or plan may be provided by the City, and annually thereafter on or before April 1 of each year so long as such method or plan is being provided to satisfy the requirements of this Section 7.03(a)(1), the City shall file with the Trustee:

(1) a Written Certificate of the City describing such self-insurance method or plan;

(2) a Written Certificate of an Insurance Consultant stating that, in the opinion of the signer, such self-insurance method or plan is in accordance with the requirements of this Section and, when effective, will afford reasonable coverage for the risks required to be insured against in (a)(1) of this Section; and

(3) a Written Certificate of City stating that, during the time such method or plan is in effect and all of the risks described in (a)(1) of this Section are not covered by policies of insurance, the policies of use and occupancy insurance required by (a)(2) of this Section will remain in effect.

In the event of loss covered by any such self-insurance method or plan, the liability of the City with respect to the damaged portion of the Leased Premises shall be limited to the amounts in the self-insurance reserve fund or funds created under such method or plan.

Section 7.04 Advances. In the event the City shall fail to maintain the full insurance coverage required by Section 7.03 hereof or shall fail to keep the Leased Premises in good repair and operating condition, the Authority may (but shall be under no obligation to) purchase the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefor by the Authority shall become Additional Rental, which amounts the City agrees to pay within 30 days of a written request therefor, together with interest thereon at the maximum rate allowed by law.

Section 7.05 Title Insurance. The City covenants and agrees to deliver or cause to be delivered to the Trustee on the Closing Date a CLTA leasehold policy or policies, or a commitment

for such policy or policies, with respect to the Leased Premises with liability in the aggregate amount equal to the principal amount represented by the Series 2017__ Bonds. Such policy or policies, when issued, shall name the Trustee as the insured and shall insure the leasehold estate of the Authority under the Site Lease in the Leased Premises, subject only to Permitted Encumbrances.

Section 7.06 Leases of City. In the event all or any portion of the Leased Premises is leased or subleased by the City after the initial recordation of the Lease, the City may require the lessee or sublessee to satisfy the requirements of Sections 7.01, 7.02, 7.03 (exclusive of Subsections (a)(2) and (e)).

ARTICLE VIII

DAMAGE, DESTRUCTION, TITLE DEFECT AND CONDEMNATION

Section 8.01 Damage, Destruction, Title Defect and Condemnation; Use of Net Proceeds.

(a) If prior to the termination of the term hereof, (i) the Leased Premises or any improvements in or on the Leased Premises are damaged (each of which is hereinafter called “Damaged Improvements”) by a peril covered by a policy of insurance described in Section 7.03(a)(1) hereof (an “Insured Peril”); or (ii) title to, or the temporary use of, the Leased Premises or any portion thereof or the estate of the City or the Authority in the Leased Premises or any portion thereof is defective or shall be taken under the exercise of the power of eminent domain by any governmental body or by any person or firm or corporation acting under governmental authority, then the City and the Authority will cause the Net Proceeds of any insurance claim (other than use and occupancy insurance pursuant to Section 7.03(a)(2) hereof which shall be directly transferred to the Trustee for deposit in the Revenue Fund pursuant to Section 7.03(c) hereof) or condemnation award to be transferred to the Trustee for deposit in the Insurance and Condemnation Fund established pursuant to Section 5.05 of the Indenture and applied by the Trustee as follows:

(1) Net Proceeds Exceeding Costs. Within 120 days of the date of said Insured Peril, the City shall obtain a written estimate(s) of the (i) cost of the repair, replacement and reconstruction of the Damaged Improvements (collectively referred to herein as the “Reconstruction”); and (ii) Net Proceeds available to pay such costs. Copies of such estimate(s) shall be made available to the Trustee at the Trustee’s request. If the 120 day period is insufficient to obtain said estimates, the period shall be reasonably extended by the Authorized Representative of the City. If the Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Premises) exceed the estimated costs of Reconstruction, the Damaged Improvements shall be repaired, replaced and reconstructed to the same or better quality as existed before the damage occurred. The City shall commence and manage the Reconstruction and shall complete the Reconstruction as soon as reasonably possible after the occurrence of such damage. Any balance of Net Proceeds remaining after the Reconstruction has been completed shall be transferred by the Trustee to the Redemption Fund established under the Indenture and applied, as directed by the City, to redeem Outstanding Bonds in the manner provided by Section 4.01(c) thereof.

(2) Costs Exceeding Net Proceeds. If the estimated costs of Reconstruction exceed the Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Premises), the City, in its sole

discretion, may elect to budget and appropriate to the Reconstruction the amount of such excess, whether the same is greater or less than the estimated excess, and to manage the Reconstruction as set forth in Section 8.01(a)(5) hereof. The City shall exercise this election by written notice thereof delivered to the Trustee within 30 days after the City obtains said written estimate(s).

(3) Net Proceeds Sufficient to Redeem All Bonds. If the City does not exercise the election to reconstruct pursuant to Section 8.01(a)(2) hereof and Net Proceeds are at least sufficient to redeem all Outstanding Bonds pursuant to Section 4.01(c) of the Indenture, such Net Proceeds shall be transferred by the Trustee to the Redemption Fund established under the Indenture and used to redeem all Outstanding Bonds in the manner provided by Section 4.01(c) of the Indenture. If the Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Premises) exceed the amount necessary to redeem all Outstanding Bonds, the City shall be entitled to the amount of proceeds remaining after redemption of all Outstanding Bonds (“Excess Proceeds”) and shall have the option (i) to distribute the Excess Proceeds to the Reconstruction and to manage the Reconstruction pursuant to Section 8.01(a)(5) hereof; or (ii) if required by law or if the City so elects, to demolish any remaining improvements on the Leased Premises and remove all debris from the Leased Premises.

(4) Net Proceeds Insufficient to Redeem All Bonds. If the City does not exercise the election to reconstruct pursuant to Section 8.01(a)(2) hereof and Net Proceeds are insufficient to redeem all Outstanding Bonds pursuant to Section 4.01(c) of the Indenture, the City, in its sole discretion, may elect to budget and appropriate funds to cause the redemption of the remaining Outstanding Bonds and the Net Proceeds, together with such funds, shall be transferred to the Trustee with directions to apply the proceeds to the Redemption Fund established under the Indenture to redeem all Outstanding Bonds in the manner provided by Section 4.01(c) of the Indenture; provided, that if the City elects not to appropriate funds for the redemption of the remaining Outstanding Bonds, the City shall apply Net Proceeds (not including proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Premises) to the Reconstruction. If the City, in its sole discretion, elects to budget or appropriate funds for the redemption of the remaining Outstanding Bonds, the City shall transfer such funds to the Trustee for deposit in the Redemption Fund established pursuant to the Indenture.

(5) Management of Reconstruction. If the Leased Premises or any part thereof becomes Damaged Improvements, the City shall promptly cause, manage and supervise the Reconstruction. Nothing in this Section 8.01 shall be construed to preclude the City from agreeing to issue a joint contract for, or otherwise cooperating in, the Reconstruction of any of the Damaged Improvements.

(b) The proceeds of any policy of title insurance or condemnation award received by the Trustee in respect of the Leased Premises shall be applied in accordance with Section 5.05(b) of the Indenture.

ARTICLE IX

DISCLAIMER OF WARRANTIES; USE OF THE LEASED PREMISES

Section 9.01 Disclaimer of Warranties. THE AUTHORITY MAKES NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS

TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE LEASED PREMISES, OR WARRANTY WITH RESPECT THERETO. THE CITY ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE LEASED PREMISES OR A DEALER THEREIN, THAT THE CITY LEASES THE LEASED PREMISES AS-IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE CITY. In no event shall the Authority or its assigns be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Lease or the existence, furnishing, functioning or the City's use of the Leased Premises as provided hereby.

Section 9.02 Use of the Leased Premises The City will not use, operate or maintain the Leased Premises in violation of any applicable law or in a manner contrary to that contemplated hereby. The City shall provide all permits and licenses, if any, necessary for the use of the Leased Premises. In addition, the City agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each portion of the Leased Premises) with all laws of the jurisdictions in which its operations involving any portion of the Leased Premises may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Leased Premises; provided, that the City may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the City adversely affect the leasehold estate of the Authority in and to the Leased Premises or its interest or rights hereunder.

ARTICLE X

ASSIGNMENT AND INDEMNIFICATION

Section 10.01 Assignment by Authority. The parties understand that certain of the rights of the Authority hereunder will be assigned to the Trustee pursuant to the Indenture and accordingly the City agrees to make all payments due hereunder to the Trustee, notwithstanding any claim, defense, setoff or counterclaim whatsoever (whether arising from a breach hereof or otherwise) that the City may from time to time have against the Authority. The City agrees to execute all documents, including notices of assignment and chattel mortgages or financing statements, which may be reasonably requested by the Authority or the Trustee to protect their interests in the Leased Premises during the term hereof.

Section 10.02 Assignment by City. This Lease and the interest of the City in the Leased Premises may not be assigned or encumbered by the City except as permitted by Section 3.04 hereof.

Section 10.03 Indemnification The City shall, to the full extent permitted by law, indemnify, protect, hold harmless, save and keep harmless the Authority and the Trustee and their respective directors, officers and employees from and against any and all liability, obligations, losses, claims and damages whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, without limitation, counsel fees and expenses as incurred, penalties and interest (collectively, a "Claim"), arising out of or as the result of entering into the Financing Documents, and the acquisition, construction, reconstruction, operation, use, condition, or possession of the Leased Premises and any portion thereof, including:

(a) any accident in connection with the operation, use, condition or possession of the Leased Premises and any portion thereof, resulting in damage to property or injury to or death to

any person including, without limitation, any Claim alleging latent and other defects, whether or not discoverable by the City or the Authority;

(b) patent, trademark or copyright infringement as a consequence of the operation of the Leased Premises and any portion thereof;

(c) strict liability in tort as a consequence of the operation of the Leased Premises and any portion thereof;

(d) any environmental law or regulation as a consequence of the operation of the Leased Premises;

(e) delivery, storage or release of hazardous materials at the Leased Premises or any part thereof, or the contamination of property arising therefrom; and

(f) the Trustee's acceptance or administration of the trusts imposed by the Indenture, including performance of the Trustee's duties, to the extent provided herein.

ARTICLE XI

DEFAULT

Section 11.01 Default.

(a) The following events shall be "Events of Default" under this Lease and the terms "Event of Default" and "Default" shall mean, whenever they are used in this Lease, any one or more of the following events:

(1) the City shall fail to deposit with the Trustee any Base Rental Payment required to be so deposited by the close of business on the day such deposit is required pursuant to Section 6.01(a) hereof, provided, that the failure to deposit any Base Rental Payments abated pursuant to Section 6.04 hereof shall not constitute an Event of Default;

(2) subject to the provisions of subsection (c) of this section, the City shall fail to pay any item of Additional Rental when the same shall become due and payable pursuant to Section 6.01(b) hereof; or

(3) the City shall breach any other terms, covenants or conditions contained herein or in the Indenture, and shall (i) fail to remedy any such breach with all reasonable dispatch within a period of 60 days after written notice thereof from the Trustee to the City; or (ii) if the failure stated in the notice cannot be corrected within such period, the City shall fail to institute corrective action within such 60-day period and diligently pursue the same to completion; or

(4) the City's interest herein or any part thereof be assigned, sublet or transferred without the written consent of the Trustee (except as otherwise permitted by Section 3.04(b) hereof), either voluntarily or by operation of law; or

(5) the City or any assignee shall file any petition or institute any proceedings under any act or acts, state or federal, dealing with or relating to the subject of bankruptcy or insolvency or under any amendment of such act or acts, either as a bankrupt or as an

insolvent or as a debtor or in any similar capacity, wherein or whereby the City asks or seeks or prays to be adjudicated a bankrupt, or is to be discharged from any or all of its debts or obligations, or offers to its creditors to effect a composition or extension of time to pay its debts, or asks, seeks or prays for a reorganization or to effect a plan of reorganization or for a readjustment of its debts or for any other similar relief, or if the City shall make a general or any assignment for the benefit of its creditors; or

(6) the City shall abandon or vacate the Leased Premises or any portion thereof (except as permitted by Section 3.04 hereof).

(b) Upon the happening of any Event of Default, the Trustee, as assignee of the rights of the Authority pursuant to the Indenture, may exercise those remedies granted to it pursuant to law or hereunder, subject to the terms of this Lease. The Trustee, in addition to all other rights and remedies it may have at law, shall have the option to do any of the following:

(1) To terminate this Lease in the manner hereinafter provided on account of default by the City. In the event of such termination, the City agrees to pay the Trustee all damages recoverable at law that the Trustee may incur by reason of default by the City. Neither notice to pay rent nor the appointment of a receiver upon initiative of the Trustee to protect the Trustee's interest under this Lease shall of itself operate to terminate this Lease, and no termination of this Lease on account of default by the City shall be or become effective by operation of law or acts of the parties hereto, unless and until the Trustee shall have given written notice to the City of the election on the part of the Trustee to terminate this Lease.

(2) Without terminating this Lease, to collect each installment of rent as it becomes due and enforce any other term or provision hereof to be kept or performed by the City. In the event the Trustee does not elect to terminate this Lease in the manner provided for in subparagraph (1) hereof, the City shall remain liable and agrees to keep or perform all covenants and conditions herein contained to be kept or performed by the City and to pay the rent to the end of the term of this Lease and further agrees to pay said rent and/or rent deficiency punctually at the same time and in the same manner as hereinabove provided for the payment of rent hereunder (without acceleration).

Notwithstanding anything to the contrary contained in this Lease, the Trustee shall not have any right to re-enter or re-let the Leased Premises upon an Event of Default.

(c) The Authority expressly waives the right to receive any amount from the City pursuant to Section 1951.2(a)(3) of the California Civil Code.

(d) The City and Authority and its successors and assigns shall honor the exclusive rights of the City hereunder to use the Leased Premises.

(e) Each and all of the remedies given to the Trustee hereunder or by any law now or hereafter enacted are cumulative, and the single or partial exercise of any right, power, or privilege hereunder shall not impair the right of the Trustee to other or further exercise thereof or the exercise of any or all other rights, powers, or privileges. If the City Charter, any statute or rule of law shall limit the remedies given to the Trustee hereunder, the Trustee nevertheless shall be entitled to whatever remedies are allowable under the City Charter, any statute or rule of law, except those specifically waived herein. All rights, remedies and powers provided by Section 11.01 may be

exercised only to the extent that the exercise thereof does not violate any applicable provision of the City Charter or law, and all of the provisions of this Section 11.01 are intended to be subject to all applicable mandatory provisions of the City Charter and law which may be controlling and to be limited to the extent necessary so that they will not render this Lease or the provisions hereof invalid or unenforceable under the provisions of the City Charter and any applicable law.

(f) Notwithstanding any other provision of this Lease or the Indenture, in no event shall the Trustee have the right to accelerate the payment of any Base Rental Payment hereunder and, without limiting the generality of the foregoing, the Trustee specifically waives its rights under Section 1951.2 of the California Civil Code to accelerate payment of any Base Rental Payment in the event of default by the City.

(g) In the event the Trustee shall prevail in any action brought to enforce any of the terms and provisions of this Lease, the City agrees to pay a reasonable amount as and for attorney's fees incurred by the Trustee in attempting to enforce any of the remedies available to the Trustee hereunder.

(h) All damages and other payments received by the Trustee pursuant to this Section 11.01 shall be applied in the manner set forth in Section 7.03 of the Indenture.

Section 11.02 Waiver. Failure of the Trustee to take advantage of any default on the part of the City shall not be, or be construed as, a waiver thereof, nor shall any custom or practice that may grow up between the parties in the course of administering this instrument be construed to waive or to lessen the right of the Trustee to insist upon performance by the City of any term, covenant, or condition hereof, or to exercise any rights given the Trustee on account of such default. A waiver of a particular default shall not be deemed to be a waiver of the same or any subsequent default. The acceptance of rental payments hereunder shall not be, or be construed to be, a waiver of any term, covenant, or condition of this Lease.

Section 12.03 Third Party Beneficiaries. The Trustee is hereby designated as a third party beneficiary hereunder for the purpose of enforcing any of the rights hereunder assigned to the Trustee under the Indenture and for the purpose of the Trustee enforcing its own rights.

Section 12.04 Net Lease. This Lease is a triple net lease. It is the purpose and intent of the Authority and the City that lease payments hereunder shall be absolutely net to the Authority so that this Lease shall yield to the Authority the lease payments, free of any charges, assessments or impositions of any kind charged, assessed or imposed on or against the Leased Premises, and without counterclaim, deduction, defense, deferment or set-off by the City except as herein specifically otherwise provided. The Authority shall not be expected or required to pay any such charge, assessment or imposition, or be under any obligation or liability hereunder except as herein expressly set forth, and all costs, expenses and obligations of any kind relating to the maintenance and operation of the Leased Premises which may arise or become due during the term of this Lease shall be paid by the City.

Section 12.05 Amendments to the Lease.

(a) This Lease may be amended in writing as may be mutually agreed by the Authority and the City, subject to the written approval of the Trustee; provided, however, that no such amendment which materially adversely affects the rights of the Owners shall be effective unless it shall have been consented to by the Owners of more than 50% in principal amount of the affected Bonds Outstanding; and provided further that no such amendment shall (i) extend the payment date of any Base Rental Payment, or reduce the interest, principal or prepayment premium component of any Base Rental Payment (except a reduction to reflect prepayment or defeasance of any Bonds pursuant to Article X of the Indenture, so long as the remaining Base Rental Payments are at least sufficient to pay Debt Service on Outstanding Bonds), without the prior written consent of the Owner of each Series of Bonds so affected; or (ii) reduce the percentage of the value of the Bonds Outstanding, the consent of the Owners of which is required for the execution of any amendment hereof.

(b) Without complying with the provisions of paragraph (a) above, this Lease and the rights and obligations of the Authority and the City hereunder may be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding upon execution without the written consents of any Owners, but only to the extent permitted by law and only for any one or more of the following purposes:

(1) to add to the agreements, conditions, covenants and terms required by the Authority or the City to be observed or performed herein and other agreements, conditions, covenants and terms thereafter to be observed or performed by the Authority or the City, or to surrender any right or power reserved herein to or conferred herein on the Authority or the City, and which in either case shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners;

(2) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or in regard to questions arising hereunder which the Authority or the City may deem desirable or necessary and not inconsistent herewith, and which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners;

(3) to effect a Substitution, Addition or Removal in accordance with Section 3.06 hereof; and

(4) to facilitate the issuance of Additional Bonds;

(5) after prepayment or defeasance of any Bond, to revise Base Rental Payment Schedule to be sufficient to pay Debt Service on Bonds then Outstanding; and

(6) to make any other addition, amendment or deletion which does not, in the judgment of the Trustee, materially adversely affect the interests of the Owners.

Section 12.06 Discharge of City. Upon the payment to the Owners of all Outstanding Bonds in accordance with Article X of the Indenture, all of the obligations of the City hereunder shall thereupon cease, terminate and become void and shall be discharged and satisfied.

Section 12.07 Partial Invalidity. If any one or more of the agreements, conditions, covenants or terms hereof shall to any extent be declared invalid, unenforceable, void or voidable for any reason whatsoever by a court of competent jurisdiction, the finding or order or decree of which becomes final, none of the remaining agreements, conditions, covenants or terms hereof shall be affected thereby, and each provision of this Lease shall be valid and enforceable to the fullest extent permitted by law.

If for any reason this Lease shall be held by a court of competent jurisdiction to be void, voidable or unenforceable by the Trustee or by the City, or if for any reason it is held by such a court that any of the covenants and agreements of the City hereunder, including the covenant to pay Base Rental Payments hereunder, is unenforceable for the full term hereof, then and in such event for and in consideration of the right of the City to possess, occupy and use the Leased Premises, which right in such event is hereby granted, this Lease shall thereupon become and shall be deemed to be a lease under which the Base Rental Payments due in any fiscal year of the City are subject to annual appropriation and are to be paid by the City annually in consideration of the right of the City to possess, occupy, and use the Leased Premises, and all of the rental and other terms, provisions, and conditions of this Lease, except to the extent that such terms, provisions, and conditions are contrary to or inconsistent with such holding, shall remain in full force and effect.

Section 12.08 California Law. This Lease shall be governed by and construed and interpreted in accordance with the laws of the State of California.

Section 12.09 Section Headings. All section headings contained herein are for convenience of reference only and are not intended to define or limit the scope of any provision hereof.

Section 12.10 Execution in Counterparts. This Lease may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute but one and the same instrument. It is also agreed that the Authority and City may each execute separate counterparts of this Lease, all with the same force and effect as though both had executed the same counterpart

Section 12.11 Excess Payments Notwithstanding anything contained herein or in the Indenture to the contrary, if for any reason, including but not limited to damage, destruction, condemnation, transfer, sale or disposition, the City or the Trustee receives payments, proceeds or awards with respect to the Leased Premises in excess of the amount necessary to pay, or prepay, or provide in accordance with the Indenture, for the payment or prepayment of all of the Outstanding Bonds and all other amounts due hereunder and under the Indenture, such excess shall all be paid to the City.

Section 12.12 Further Assurances and Corrective Instruments The City and the Authority agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Leased Premises leased hereby or intended to be so leased or for carrying out the express intention of this Lease.

Section 12.13 Concerning the Trustee. Pursuant to the Indenture, the Authority will assign its rights under this Lease and the Site Lease to the Trustee, solely in its capacity as Trustee under the Indenture. As assignee of the rights of the Authority, the Trustee shall have the protections, indemnities and limitations from liability afforded to the Trustee under the Indenture.

Nothing contained herein shall be construed as creating any liability on the Trustee to perform any covenant, duty or obligation of any kind contained in this Lease or in the Site Lease and under no circumstances shall the Trustee be liable for the payment of any fees, costs, indebtedness or expenses related to or arising from this Lease or from the Site Lease or any documents related hereto except from amounts held under the Indenture and available for such use.

Principal of and interest and premium (if any) on the Series 2017__ Bonds shall be payable in lawful money of the United States of America.

Each Series 2017__ Bond shall be dated as of the Closing Date and shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless (a) it is authenticated after a Record Date and on or before the following Interest Payment Date, in which

event it shall bear interest from such Interest Payment Date, or (b) unless it is authenticated on or before _____, 2017, in which event it shall bear interest from the Closing Date; provided, however, that if, as of the date of authentication of any Series 2017__ Bond, interest thereon is in default, such Series 2017__ Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

Section 2.04 Transfer and Exchange of Bonds. Any Bond may, in accordance with its terms, be transferred on the Registration Books by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Trustee. Transfer of any Bond shall not be permitted by the Trustee during the period established by the Trustee for selection of Bonds for redemption or if such Bond has been selected for redemption pursuant to Article IV. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and shall deliver a new Bond or Bonds for a like aggregate principal amount and of like maturity. The Trustee may require the Bond Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Authority. Any Bond may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of like maturity. Exchange of any Bond shall not be permitted during the period established by the Trustee for selection of Bonds for redemption or if such Bond has been selected for redemption pursuant to Article IV. The Trustee may require the Bond Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Authority.

Section 2.05 Book-Entry System. Notwithstanding any provision of this Indenture to the contrary:

(a) The Bonds shall be initially issued and registered in the name of “Cede & Co.,” as nominee of The Depository Trust Company, and shall be evidenced by one certificate maturing on each of the maturity dates set forth in Section 2.02 and Section 2.04 hereof to be in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(i) to any successor of The Depository Trust Company or its nominee, or of any substitute depository designated pursuant to paragraph (ii) of this subsection (a) (“substitute depository”); provided that any successor of The Depository Trust Company or substitute depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(ii) to any substitute depository designated in a written request of the Authority, upon (A) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository or (B) a determination by the Authority that The Depository Trust Company or its successor is no longer able to carry out its functions as depository; provided that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) to any person as provided below, upon (A) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository or (B) a determination by the Authority that The Depository Trust Company or its successor is no longer able to carry out its functions as depository; provided that no substitute depository which is not objected to by the Authority and the Trustee can be obtained.

(b) In the case of any transfer pursuant to paragraph (i) or paragraph (ii) of subsection (a) of this Section 2.07, upon receipt of all Outstanding Bonds by the Trustee, together with a written request of an Authorized Representative of the Authority to the Trustee, a single new Bond shall be issued, authenticated and delivered for each maturity of such Bond then outstanding, registered in the name of such successor or such substitute depository or their nominees, as the case may be, all as specified in such written request of an Authorized Representative of the Authority. In the case of any transfer pursuant to paragraph (iii) of subsection (a) of this Section 2.07, upon receipt of all Outstanding Bonds by the Trustee together with a written request of an Authorized Representative of the Authority, new Bonds shall be issued, authenticated and delivered in such denominations and registered in the names of such persons as are requested in a written request of the Authority provided the Trustee shall not be required to deliver such new Bonds within a period less than sixty (60) days from the date of receipt of such a written request of an Authorized Representative of the Authority.

(c) In the case of partial redemption or an advance refunding of any Bonds evidencing all of the principal maturing in a particular year, The Depository Trust Company shall, at the Authority's expense, deliver the Bonds to the Trustee for cancellation and re-registration to reflect the amounts of such reduction in principal.

(d) The Authority and the Trustee shall be entitled to treat the person in whose name any Bond is registered as the absolute Owner thereof for all purposes of this Indenture and any applicable laws, notwithstanding any notice to the contrary received by the Trustee or the Authority; and the Authority and the Trustee shall have no responsibility for transmitting payments to, communication with, notifying or otherwise dealing with any beneficial owners of the Bonds. Neither the Authority nor the Trustee will have any responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party including The Depository Trust Company or its successor (or substitute depository or its successor), except for the registered owner of any Bond.

(e) So long as all outstanding Bonds are registered in the name of Cede & Co. or its registered assign, the Authority and the Trustee shall reasonably cooperate with Cede & Co., as sole registered Owner, or its registered assign in effecting payment of the principal and redemption premium, if any, and interest due with respect to the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

(f) So long as all Outstanding Bonds are registered in the name of Cede & Co. or its registered assigns (hereinafter, for purposes of this paragraph (f), the "Owner"):

(i) All notices and payments addressed to the Owners shall contain the Bonds' CUSIP number.

(ii) Notices to the Owner shall be forwarded in the manner set forth in the form of blanket issuer letter of representations (prepared by The Depository Trust Company) executed by the Authority and received and accepted by The Depository Trust Company.

Section 2.06 Registration Books. The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall at all reasonable times upon reasonable prior notice be open to inspection during regular business hours by the Authority and the City; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as hereinbefore provided.

Section 2.07 Form and Execution of Bonds. The Bonds and the authentication and registration endorsement and assignment to appear thereon shall be substantially in the form set forth on Exhibit A hereto. The Chair or Vice Chair of the Authority is hereby authorized and directed to execute each of the Bonds on behalf of the Authority and the Secretary of the Authority is hereby authorized and directed to countersign each of the Bonds on behalf of the Authority. The signatures of such Chair or Vice Chair or Secretary may be by printed, lithographed or engraved by facsimile reproduction. In case any officer whose signature appears on the Bonds shall cease to be such officer before the delivery of the Bonds to the purchaser thereof, such signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in office until such delivery of the Bonds. Only those Bonds bearing thereon a certificate of authentication and registration in substantially the form set forth in Exhibit A hereto, executed manually and dated by the Trustee, shall be entitled to any benefit, protection or security hereunder or be valid or obligatory for any purpose, and such certificate of the Trustee shall be conclusive evidence that the Bonds so authenticated and registered have been duly authorized, executed, issued and delivered hereunder and are entitled to the benefit, protection and security hereof.

Section 2.08 Temporary Bonds. The Bonds may be issued in temporary form exchangeable for definitive Bonds when ready for delivery. Any temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Authority, shall be in fully registered form without coupons and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Authority and authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Authority issues temporary Bonds it will execute and deliver definitive Bonds as promptly thereafter as practicable, and thereupon the temporary Bonds may be surrendered, for cancellation, at the Office of the Trustee and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.09 Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Authority, at the expense of the Owner of said Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it and delivered to, or upon the order of, the Authority. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Authority and the Trustee and, if such evidence be satisfactory to them an indemnity satisfactory to them shall be given, the Authority, at the expense of the Owner of such lost, destroyed or stolen Bond, shall execute, and the Trustee shall thereupon

authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee). The Authority may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.11 and of the expenses which may be incurred by the Authority and the Trustee in the premises. Any Bond issued under the provisions of this Section 2.11 in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Indenture with all other Bonds secured by this Indenture.

Section 2.10 CUSIP Numbers The Trustee, the Authority and the City shall not be liable for any defect or inaccuracy in the CUSIP number that appears on any Bond or in any redemption notice. The Trustee may, in its discretion, include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners and that neither the Trustee, the Authority nor the City shall be liable for any inaccuracies in such numbers.

Section 2.11 Conditions for the Issuance of Additional Bonds. The Authority may at any time issue Additional Bonds pursuant to a Supplemental Indenture, payable from the Revenues as provided herein and secured by a pledge of and charge and lien upon the Revenues as provided herein equal to the pledge, charge and lien securing the Outstanding Bonds theretofore issued hereunder, and subject to the following specific conditions, which are hereby made conditions precedent to the issuance of any such Additional Bonds:

(a) No Event of Default shall be continuing after giving effect to the issuance of the Additional Bonds and the application of the proceeds thereof.

(b) The Supplemental Indenture shall require that the proceeds of the sale of such Additional Bonds shall be applied only to the refunding or repayment of any Outstanding Bonds, including the payment of costs and expenses of and incident to the authorization and sale of such Additional Bonds.

(c) The aggregate principal amount of Bonds issued and at any time Outstanding hereunder shall not exceed any limit imposed by law, by this Indenture or by any Supplemental Indenture.

(d) The Lease shall have been amended, if necessary, so that the Base Rental Payments payable by the City thereunder in each Fiscal Year shall at least equal scheduled Debt Service, including Debt Service on the Additional Bonds, in each Fiscal Year.

(e) If any Addition, Substitution or Removal is to be made with respect to the issuance of the Additional Bonds, then the Lease and Site Lease shall have been amended accordingly.

Nothing herein shall prevent payment of Debt Service on any Series of Additional Bonds from being secured and payable from sources, or by property, instruments or documents, not applicable to the Bonds or any one or more Series of Additional Bonds.

Section 2.12 Proceedings for Authorization of Additional Bonds. Whenever the Authority and the City shall determine to execute and deliver any Additional Bonds pursuant to Section 2.11, the Authority and the Trustee shall enter into a Supplemental Indenture providing for the issuance of such Additional Bonds, specifying the maximum principal amount of such Additional Bonds and prescribing the terms and conditions of such Additional Bonds.

The Supplemental Indenture shall prescribe the form or forms of such Additional Bonds and, subject to the provisions of Section 2.11, shall provide for the distinctive designation, denominations, method of numbering, dates, interest rates, provisions for redemption (if desired) and places of payment of principal and interest.

Before such Additional Bonds shall be issued, the City and the Authority shall file or cause to be filed the following documents with the Trustee:

(a) An Opinion of Bond Counsel setting forth (1) that such Bond Counsel has examined the Supplemental Indenture and any amendment to the Lease and to the Site Lease as described in Section 2.11(d) and (e); (2) that the execution and delivery of the Additional Bonds have been duly authorized by the City and the Authority; and (3) that any amendment to the Lease and to the Site Lease, when duly executed by the City and the Authority, will be a valid and binding obligation of the City and the Authority.

(b) A Certificate of the City that the requirements of Section 2.11 have been met.

(c) A Certificate of the City stating that the insurance required by Sections 7.03 and 7.05 of the Lease is in effect.

Upon the delivery to the Trustee of the foregoing instruments and upon the Trustee's receipt of Certificates of the City and of the Authority stating that all applicable provisions of this Indenture have been complied with (so as to permit the execution and delivery of the Additional Bonds in accordance with the Supplemental Indenture then delivered to the Trustee), the Trustee shall execute and deliver said Additional Bonds, in the aggregate principal amount specified in such Supplemental Indenture, to, or upon the Written Request of the Authority.

Section 2.13 Limitations on the Issuance of Obligations Payable from Revenues. The Authority will not, so long as any of the Bonds are Outstanding, issue any obligations or securities, however denominated, payable in whole or in part from Revenues except for Additional Bonds.

ARTICLE III

APPLICATION OF PROCEEDS

Section 3.01 Application of Proceeds of Sale of Series 2017__ Bonds.

(a) Upon the receipt of payment for the Series 2017__ Bonds on the Closing Date of \$_____ (being the principal amount of the Series 2017__ Bonds of \$[AMOUNT], less an underwriter's discount of \$_____, [plus a net original issue premium of \$_____/less original issue discount of \$_____]), the Trustee shall apply the proceeds of sale thereof as follows:

(i) The Trustee shall deposit the amount of \$_____ in the Construction Fund.

(ii) The Trustee shall deposit the amount of \$_____ in the Costs of Issuance Fund.

(iii) The Trustee shall deposit the amount of \$_____ in the Capitalized Interest Fund.

(b) The Trustee may, in its sole discretion, establish such funds or accounts in its records to facilitate the foregoing transfers and deposits.

Section 3.02 Establishment and Application of Costs of Issuance Fund. The Trustee shall establish, maintain and keep separate and apart from all other funds held by the Trustee a separate fund designated as the “Costs of Issuance Fund.” Notwithstanding any other provision of this Indenture, the Cost of Issuance Fund is not pledged to, nor does it secure, the Bonds.

The moneys in the Costs of Issuance Fund shall be used by the Trustee to pay the Costs of Issuance upon submission of Written Requisitions of the City in the form of Exhibit B hereto and stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Requisition shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

On the date that is 180 days after the Closing Date, or upon the earlier Written Request of the City, all amounts remaining in the Costs of Issuance Fund shall be transferred by the Trustee to the Revenue Fund to be used for the payment of interest on the Bonds.

Section 3.03 Construction Fund.

(a) The Trustee shall establish and maintain a fund designated as the “Construction Fund.” Notwithstanding any other provision of this Indenture, the Construction Fund is not pledged to, nor does it secure, the Bonds.

(b) The Trustee shall hold the moneys in the Construction Fund separate and apart from all other funds held by the Trustee and shall use such moneys, as herein provided: (i) to pay the Construction Costs; or (ii) at the election of the City, as set forth in a Written Request of the City to the Trustee, to transfer moneys therefrom for deposit into the Interest Account to pay interest on the Bonds, when and as the same shall become due and payable.

Such payments of Construction Costs shall be made from time to time upon receipt by the Trustee of a Written Requisition of the City (in the form as set forth in Exhibit C hereto, signed by the Public Works Director and Comptroller or their designees) which requisition: (i) states with respect to each payment to be made: (A) the requisition number, (B) the name and address of the person, firm or authority to whom payment is due; (C) the amount to be paid; and (D) that each obligation therein has been properly incurred, and is a proper charge against the Construction Fund and has not been the basis of any previous disbursement; (ii) specifies in reasonable detail the nature of the obligation; and (iii) is accompanied by a bill or statement of account for each obligation.

Each such written requisition shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

(c) If, after payment by the Trustee of all Written Requisitions of the City and delivery by the City to the Trustee of a Completion Certificate, there shall remain any balance of money in the Construction Fund, all money so remaining shall be transferred by the Trustee to the Interest Account or the Redemption Fund, as directed by the City in a Written Request.

Section 3.04 Series 2017__ Bonds Sinking Account. The Trustee shall establish, maintain and keep separate and apart from all other funds held by the Trustee a separate account within the Principal Account designated as the “Series 2017__ Bonds Sinking Account” into which the Trustee shall deposit sinking fund payments derived from Base Rental Payments made by the City and from which funds shall be applied to the Sinking Fund Redemption of Series 2017__ Bonds pursuant to Section 4.01(d) hereof.

Section 3.05 Validity of Bonds. The validity of the authorization and issuance of the Bonds is not dependent on and shall not be affected in any way by any proceedings taken by the Authority or the Trustee with respect to or in connection with the Lease. The recital contained in the Bonds that the same are issued pursuant to the Constitution and laws of the State shall be conclusive evidence of their validity and of compliance with the provisions of law in their issuance.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.01 Terms of Redemption.

(a) Optional Redemption of Series 2017__ Bonds. The Series 2017__ Bonds maturing on or before _____ 15, 20__ are not subject to optional redemption prior to their respective stated maturities. The Series 2017__ Bonds maturing on or after _____ 15, 20__, shall be subject to optional redemption, in whole or in part, upon forty-five (45) days written notice to the Trustee by the City of its intention to optionally prepay all or a portion of the Lease Payments, on any date on or after _____ 15, 20__, from any available source of funds of the City, at a redemption price equal to the principal amount of the Series 2017__ Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

Any such redemption shall be in such order of maturity as the City shall designate in the above-mentioned written notice (and, if no specific order of redemption is designated by the City, pro rata among maturities).

(b) Special Mandatory Redemption From Insurance or Condemnation Proceeds of Series 2017__ Bonds. The Series 2017__ Bonds shall also be subject to redemption as a whole, or in part on any date, to the extent the Trustee has received hazard or title insurance proceeds or condemnation proceeds not used to repair or replace any portion of the Leased Premises damaged, destroyed or taken and elected by the City to be used for such purpose as provided in Section 5.05 of the Indenture, at a redemption price equal to one hundred percent (100%) of the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

(c) Series 2017__ Sinking Fund Redemption. The Series 2017__ Bonds maturing on _____ 15, 20__ are also subject to mandatory redemption prior to their stated maturity, in part by lot, from sinking account payments derived from scheduled Base Rental Payments made by the City and deposited in the Series 2017__ Bonds Sinking Account, on each principal payment date commencing _____ 15, 20__, at a redemption price equal to the principal amount thereof to be redeemed and interest accrued thereon to the dates fixed for mandatory redemption, without premium, according to the following schedule:

† Maturity

The Series 2017__ Bonds maturing on _____ 15, 20__ are also subject to mandatory redemption prior to their stated maturity, in part by lot, from sinking account payments derived from scheduled Base Rental Payments made by the City and deposited in the Series 2017__ Bonds Sinking Account, on each principal payment date commencing _____ 15, 20__, at a redemption price equal to the principal amount thereof to be redeemed and interest accrued thereon to the dates fixed for mandatory redemption, without premium, according to the following schedule:

† Maturity

provided, however, that if some but not all of the Term Bonds have been redeemed pursuant to subsection (a) above, the total amount of all future sinking fund payments shall be reduced by the aggregate principal amount of Term Bonds so redeemed, to be allocated among the sinking fund payments as are thereafter payable on a pro rata basis in integral multiples of \$5,000 to the extent possible and in inverse order thereafter. The City shall provide the Trustee with a revised schedule.

Section 4.02 Purchase in Lieu of Redemption with Respect to Term Bonds.

(a) The City shall have the option, in lieu of redemption of any Term Bonds, to direct the Trustee in a Written Request to use and withdraw amounts on deposit in the Series 2017__ Bonds Sinking Account as sinking fund payments for such Term Bonds, at any time for the purchase by the City (or an agent on behalf of the City) of Series 2017__ Term Bonds otherwise required to be redeemed on the following principal payment date, at public or private sale as and when and at such prices (including brokerage and other charges and including accrued interest) as the City may in its discretion determine. The par amount of any of the Term Bonds so purchased by the City and surrendered to the Trustee for cancellation in any twelve-month period ending on the principal payment date for such Term Bonds shall be credited towards and shall reduce the par amount of such Term Bonds otherwise required to be redeemed on such principal payment date pursuant to mandatory sinking fund payment (and corresponding mandatory redemption obligation) as set forth in Section 4.01(c) with respect to Series 2017__ Bonds.

(b) The City shall also have the option to deliver for cancellation to the Trustee Term Bonds in any aggregate principal amount, and to receive a credit therefore against the mandatory sinking fund payment (and corresponding mandatory redemption obligation) set forth in Section 4.01(c) with respect to Series 2017__ Bonds.

That option shall be exercised by the City on or before the 35th day preceding the applicable mandatory sinking fund redemption date, by furnishing to the Trustee a Written Certificate setting forth the extent of the credit to be applied with respect to the mandatory sinking fund payment for the specified Term Bonds. If the Written Certificate is not furnished timely to the Trustee, no credit shall be made against that mandatory sinking fund payment (and corresponding mandatory redemption obligation), although credits may be available against subsequent mandatory sinking fund payment.

To the extent not applied theretofore as a credit against any mandatory sinking fund payment (and the corresponding mandatory redemption obligation) described in the preceding paragraph, such a credit shall also be received by the City for any Term Bonds which prior thereto have been purchased or redeemed other than through the operation of the mandatory sinking fund payment or have been purchased for cancellation and cancelled by the Trustee.

Each Term Bond so delivered, redeemed previously, or purchased and cancelled, shall be credited by the Trustee at 100 percent of the principal amount thereof against the mandatory sinking fund payment, subject to the completion of the procedures described above. Any excess of that amount over the then current mandatory sinking fund payment shall be credited against subsequent mandatory sinking fund payment starting with the next subsequent such payment, unless otherwise directed by the City in a Written Certificate.

Section 4.03 Selection of Bonds for Redemption Whenever provision is made in this Indenture for the redemption of less than all of the Bonds of a particular maturity, the Trustee shall select the Bonds to be redeemed from all Bonds of such maturity or such given portion thereof not previously called for redemption, by lot in any manner which the Trustee in its sole discretion shall deem appropriate. For purposes of such selection, the Trustee shall treat each Bond as consisting of separate \$5,000 portions and each such portion shall be subject to redemption as if such portion were a separate Bond. If less than all the Outstanding Bonds are called for redemption from proceeds of eminent domain or insurance at any one time, the Authority shall specify to the Trustee a principal

amount in each maturity to be redeemed which, to the extent practicable, results in approximately equal annual debt service on the Bonds Outstanding following such redemption.

Section 4.04 Notice of Redemption.

(a) Notice of redemption shall be mailed by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days before any redemption date, to the respective Owners of any Bonds designated for redemption at their addresses appearing on the Registration Books, and to the Securities Depositories. Each notice of redemption shall state the name of the Bonds (including Series) to be redeemed, the date of the notice, the redemption date, the place or places of redemption, whether less than all of the Bonds (or all Bonds of a single maturity) are to be redeemed, the CUSIP numbers and (in the event that not all Bonds within a maturity are called for redemption) Bond numbers of the Bonds to be redeemed, the maturity or maturities of the Bonds to be redeemed and in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on the redemption date there will become due and payable on each of said Bonds the redemption price thereof, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered. Neither the failure to receive any notice nor any defect therein shall affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date. Each such Written Requisition shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. Notice of redemption of Bonds shall be given by the Trustee, at the expense of the City, for and on behalf of the Authority.

(b) Notwithstanding the foregoing, in the case of any optional redemption of the Bonds under Section 4.01(a) above, the notice of redemption shall state that the redemption is conditioned upon receipt by the Trustee of sufficient moneys to redeem the Bonds on the anticipated redemption date, and that the optional redemption shall not occur if, by no later than the scheduled redemption date, sufficient moneys to redeem the Bonds have not been deposited with the Trustee. In the event that the Trustee does not receive sufficient funds by the scheduled optional redemption date to so redeem the Bonds to be optionally redeemed, such event shall not constitute an Event of Default, the Trustee shall send written notice to the Owners and to the Securities Depositories to the effect that the redemption did not occur as anticipated, and the Bonds for which notice of optional redemption was given shall remain Outstanding for all purposes of this Indenture.

The City shall have the right to rescind any optional or special mandatory redemption by written notice to the Trustee on or prior to the date fixed for redemption. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

Section 4.05 Partial Redemption of Bonds. Upon surrender of any Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered and of the same interest rate and maturity.

Section 4.06 Effect of Redemption Notice of redemption having been duly given as aforesaid, and moneys for payment of the redemption price of, together with interest accrued to the date fixed for redemption on, the Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Bonds (or portions thereof) so

called for redemption shall become due and payable, interest on the Bonds so called for redemption shall cease to accrue, said Bonds (or portions thereof) shall cease to be entitled to any benefit or security under this Indenture, and the Owners of said Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.

All Bonds redeemed pursuant to the provisions of this Article shall be canceled by the Trustee upon surrender thereof and destroyed.

Section 4.07 Purchase of Bonds in Lieu of Optional Redemption. If any Bond is called for optional redemption in whole or in part, the City may elect, as provided in this Section 4.07, to have such Bond purchased in lieu of redemption in accordance with this Section.

(a) Purchase in Lieu of Optional Redemption. Purchase in lieu of redemption shall be available to all Bonds called for optional redemption or for such lesser portion of such Bonds as constitute authorized denominations. In a Written Certificate, the City may direct the Trustee (or another agent appointed by the City to make such purchase upon behalf of the City), to purchase all or such lesser portion of the Bonds called for optional redemption. Any such direction to the Trustee must: (i) be in writing; (ii) state either that all the Bonds called for redemption therein identified are to be purchased or, if less than all of the Bonds called for redemption are to be purchased, identify those Bonds to be purchased by maturity date and outstanding principal amount in authorized denominations; and (iii) be received by the Trustee no later than 12:00 noon one Business Day prior to the scheduled redemption date thereof.

If so directed, the Trustee shall purchase such Bonds on the date which otherwise would be the redemption date of such Bonds. Any of the Bonds called for redemption that are not purchased in lieu of redemption shall be redeemed as otherwise required by the Indenture on such redemption date.

(b) Withdrawal of Direction to Purchase. On or prior to the scheduled redemption date, any direction given to the Trustee pursuant to this Section may be withdrawn by the City by delivering a Written Certificate to the Trustee. Subject generally to the terms of the Indenture, should a direction to purchase be withdrawn, the scheduled redemption of such Bonds shall occur.

(c) Purchaser. If the purchase is directed by the City, the purchase shall be made for the account of the City or its designee.

(d) Purchase Price. The purchase price of the Bonds purchased in lieu of redemption shall be equal to the outstanding principal of, accrued and unpaid interest on and the redemption premium, if any, which would have been payable on such Bonds on the scheduled redemption date for such redemption. To pay the purchase price of such Bonds, the Trustee shall use money deposited by the City with the Trustee for such purpose. The Trustee shall not purchase the Bonds pursuant to this Section if, by no later than the redemption date, sufficient moneys have not been deposited with the Trustee or such moneys are deposited, but are not available.

(e) No Notice to Bondholders. No notice of the purchase in lieu of redemption shall be required to be given to the Owners (other than the notice of redemption otherwise required under Section 4.04).

ARTICLE V

REVENUES; FUNDS AND ACCOUNTS; PAYMENT OF PRINCIPAL AND INTEREST

Section 5.01 Pledge and Assignment; Revenue Fund.

(a) Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, all of the Revenues including any other amounts (including proceeds of the sale of the Bonds) held in the Revenue Fund, the Capitalized Interest Fund and the Redemption Fund are hereby pledged to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms and the provisions of this Indenture, and the Revenues shall not be used for any other purpose while any of the Bonds remain Outstanding; provided, however, that out of the Revenues and other moneys there may be applied in such sums and for such purposes as are permitted hereunder. This pledge shall constitute a pledge of and charge and lien upon the Revenues for the payment of Debt Service on the Bonds in accordance with the terms hereof. Said pledge shall constitute a first lien on and security interest in such assets and shall attach, be perfected and be valid and binding from and after the Closing Date, without any physical delivery thereof or further act.

Each such Written Requisition shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

(d) Title Insurance. Proceeds of any policy of title insurance received by the Trustee in respect of the Leased Premises or any portion thereof for the benefit of the Owners, shall be applied and disbursed by the Trustee as follows:

(i) If the City determines that the title defect giving rise to such proceeds has not materially affected the City's right to the use and possession of the Leased Premises and will not result in an abatement of Base Rental Payments by the City under the Lease, upon Written Request of the City such proceeds shall, if there is first delivered to the Trustee a Written Certificate of a City Representative to the effect that the annual fair rental value of the Leased Premises, notwithstanding the title defect for which the payment was made, is at least equal to the maximum amount of Base Rental Payments becoming due under the Lease in the then current Lease Year or any subsequent Lease Year, be paid to the City to be used for any lawful purpose. The Trustee will furnish the Authority and the City periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder.

Such investments shall be valued by the Trustee not less often than quarterly, at the market value thereof, exclusive of accrued interest.

PARTICULAR COVENANTS

Section 6.01 Punctual Payment The Authority shall punctually pay or cause to be paid the principal of and interest and premium (if any) on all the Bonds in strict conformity with the terms of the Bonds and of this Indenture, according to the true intent and meaning thereof, but only out of Revenues and other assets pledged for such payment as provided in this Indenture.

Section 6.02 Against Encumbrances The Authority shall not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under this Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by this Indenture. Subject to this limitation, the Authority expressly reserves

the right to enter into one or more other indentures for any of its corporate purposes, and reserves the right to issue other obligations for such purposes. Nothing in this section shall in any way limit the City's ability (i) to encumber its assets other than Leased Premises or (ii) to encumber the Leased Premises in accordance with the terms of the Lease.

Section 6.03 Power to Issue Bonds and Make Pledge and Assignment. The Authority is duly authorized pursuant to law to issue the Bonds and to enter into this Indenture and to pledge and assign the Revenues and other assets purported to be pledged and assigned, respectively, under this Indenture in the manner and to the extent provided in this Indenture. The Bonds and the provisions of this Indenture are and will be the legal, valid and binding special obligations of the Authority in accordance with their terms, and the Authority and the Trustee shall at all times, subject to the provisions of Article VIII and to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bond Owners under this Indenture against all claims and demands of all persons whomsoever.

Such books of record and account shall be available for inspection by the Authority and the City, during business hours and under reasonable circumstances.

Section 6.05 Compliance with Indenture. The Trustee will not execute or deliver any Bonds in any manner other than in accordance with the provisions hereof, and the Authority will not suffer or permit any default by it to occur hereunder, but will faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms hereof required to be complied with, kept, observed and performed by it.

Section 6.06 Tax Covenants for Series 2017__ Bonds. The Authority covenants to and for the benefit of the Owners of the Series 2017__ Bonds that, notwithstanding any other provisions of this Indenture (other than Section 11.01 hereof), it will:

(a) neither make or use nor cause to be made or used any investment or other use of the proceeds of the Series 2017__ Bonds or the moneys and investments held in the funds and accounts established under this Indenture which would cause the Series 2017__ Bonds to be arbitrage bonds under Section 103(b) and Section 148 of the Code or which would otherwise cause the interest payable on the Series 2017__ Bonds to be includable in gross income for federal income tax purposes;

(b) not take or cause to be taken any other action or actions, or fail to take any action or actions, which would cause the interest payable on the Series 2017__ Bonds to be includable in gross income for federal income tax purposes;

(c) at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Authority on the Series 2017__ Bonds will be excluded from the gross income, for federal income tax purposes, of the Owners pursuant to Section 103 of the Code; and

(d) not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series 2017__ Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

In furtherance of the covenants in this Section 6.06, the Authority shall execute, deliver and comply with the provisions of the Tax Certificate for Series 2017__ Bonds, which is by this reference incorporated into this Indenture and made a part of this Indenture as if set forth in this Indenture in full including all of the defined terms therein, and by its acceptance of this Indenture the Trustee acknowledges receipt of such Tax Agreement and acknowledges its incorporation in this Indenture by this reference. The Trustee agrees it will invest funds held under this Indenture in accordance with the terms of this Indenture (this covenant shall extend throughout the term of the Series 2017__ Bonds, to all funds and accounts created under this Indenture and all moneys on deposit to the credit of any fund or account).

Section 6.07 Rebate Fund for the Series 2017__ Bonds.

(a) The Trustee shall establish and maintain, when required, a fund separate from any other fund established and maintained hereunder designated as the Rebate Fund for the Series 2017__ Bonds, which is not pledged to the Bonds. Neither the Authority nor the Owner of any Bonds shall have any rights in or claim to such money. Within the Rebate Fund, the Trustee shall maintain such accounts as shall be necessary to comply with instructions of the City given pursuant to the terms and conditions of the Tax Certificate. Subject to the transfer provisions provided in paragraph (e) below, all money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as defined in the Tax Certificate) for the Series 2017__ Bonds, for payment to the federal government of the United States of America.

All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section 6.07, by Section 6.06 and by the Tax Certificate (which is incorporated herein by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the Written Request of the City including supplying all necessary information in the manner provided in the Tax Certificate, and shall have no liability or responsibility to enforce compliance by the Authority or City with the terms of the Tax Certificate or any other tax covenants contained herein. The Trustee shall not be responsible for calculating rebate amounts or for the adequacy or correctness of any rebate report or rebate calculations. The Trustee shall have no independent duty to review such calculations or enforce the compliance by the City with such rebate requirements. The Trustee shall have no duty or obligation to determine the applicability of the Code and shall only be obligated to act in accordance with Written Request provided by the City.

(b) Upon the City’s Written Request, an amount shall be deposited to the Rebate Fund by the Trustee from deposits by the City, if and to the extent required, so that the balance in the Rebate Fund shall equal the Rebate Requirement for the Series 2017__ Bonds. Computations of the Rebate Requirement shall be furnished by or on behalf of the City in accordance with the Tax Certificate. The Trustee shall supply to the City all necessary information in the manner provided in the Tax Certificate, to the extent such information is reasonably available to the Trustee.

(c) The Trustee shall have no obligation to rebate any amounts required to be rebated pursuant to this Section 6.07, other than from moneys held in the funds and accounts created under this Indenture or from other moneys provided to it by the City.

(d) At the Written Request of the City, the Trustee shall invest all amounts held in the Rebate Fund in Permitted Investments. Moneys shall not be transferred from the Rebate Fund except as provided in paragraph (e) below. The Trustee shall not be liable for any consequences arising from such investment.

(e) Upon receipt of the City's Written Request, the Trustee shall remit part or all of the balances in the Rebate Fund to the United States, as so directed. In addition, if the City so directs, the Trustee will deposit money into or transfer money out of the Rebate Fund from or into such accounts or funds as directed by the City's Written Request; provided, however, only moneys in excess of the Rebate Requirement may, at the written direction of the City, be transferred out of the Rebate Fund to such other accounts or funds or to anyone other than the United States in satisfaction of the arbitrage rebate obligation. Any funds remaining in the Rebate Fund after each five year remission to the United States, redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the City.

(f) Notwithstanding any other provision of this Indenture, including in particular Article X, the obligation to remit the Rebate Requirement to the United States and to comply with all other requirements of this Section 6.07, Section 6.06 and the Tax Certificate shall survive the defeasance or payment in full of the Series 2017__ Bonds.

Section 6.08 Collection of Amounts Due Under Lease; Amendments. The Trustee shall promptly collect all amounts due from the City pursuant to the Lease. Subject to the provisions of Article VIII, the Trustee shall enforce, and take all steps, actions and proceedings which the Trustee determines to be reasonably necessary for the enforcement of all of its rights thereunder as assignee of the Authority, for the enforcement of all of the obligations of the City under the Lease.

The Authority shall not amend, modify or terminate any of the terms of the Lease or the Site Lease, or consent to any such amendment, modification or termination, without the prior written consent of the Trustee. The Trustee shall give such written consent only if it determines the requirements of Section 12.05 of the Lease have been complied with.

Section 6.09 Waiver of Laws. The Authority shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension of law now or at any time hereafter in force that may affect the covenants and agreements contained in this Indenture or in the Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by the Authority to the extent permitted by law.

Section 6.10 Further Assurances. The Authority will make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Indenture.

ARTICLE VII

(d) The occurrence and continuation of an event of default under and as defined in the Lease.

If an Event of Default occurs hereunder, the Trustee shall give notice, at the expense of the City, of such Event of Default to the Owners. Such notice shall state that an Event of Default has occurred and shall provide a brief description of such Event of Default. The Trustee in its discretion may withhold notice if it deems it in the best interests of the Owners. Such notice provided shall be given by first-class mail, postage prepaid, to the Owners within 30 days of the Trustee's receipt of knowledge of the occurrence of such Event of Default.

Section 7.02 Remedies Upon Event of Default.

(b) Upon the occurrence of an Event of Default, the Trustee shall be entitled as a matter of right to the appointment of a receiver or receivers for the Revenues, ex parte, and without notice, and the Authority consents to the appointment of such receiver upon the occurrence of an Event of Default. In the case of any receivership, insolvency, bankruptcy, or other judicial proceedings affecting the Authority or the City, the Trustee shall be entitled to file such proofs of claims and other documents as may be necessary or advisable in order to have the claims of the Trustee and the Bond Owners allowed in such proceedings, without prejudice, however, to the right of any Bond Owner to file a claim on his or her own behalf; provided, the Trustee shall be entitled to compensation and reimbursement for the reasonable fees and expenses of its counsel and indemnity for its reasonable expenses and liability from the Authority, the City or the Bond Owners, as appropriate.

(c) Notwithstanding the foregoing, neither this Indenture nor the Bonds provide for the remedy of acceleration of principal or interest due with respect to the Bonds prior to their stated due dates.

Section 7.03 Application of Revenues and Other Funds After Default. If an Event of Default shall occur and be continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of this Indenture shall be applied by the Trustee as follows and in the following order:

Second: To the payment to the persons entitled thereto of the unpaid principal of any Bonds which shall have become due, whether at maturity or by redemption, with interest on the overdue principal at the rate borne by the respective Bonds (to the extent permitted by law), and, if the amount available shall not be sufficient to pay in full all the Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the persons entitled thereto, without any discrimination or preference.

Section 7.04 Trustee to Represent Bond Owners. The Trustee is hereby irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, this Indenture and applicable provisions of any law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Trustee to represent the Bond Owners, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction therefor, the Trustee shall, proceed to protect or enforce its rights or the rights of such Owners by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Trustee or in such Owners under the Bonds, this Indenture or any other law; and upon instituting such proceeding, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the Revenues and other assets pledged under this Indenture, pending such proceedings. All rights of action under this Indenture or the Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of this Indenture.

Section 7.05 Bond Owners' Direction of Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, and upon indemnification of the Trustee to its reasonable satisfaction, to direct the method of conducting all remedial proceedings taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law and the provisions of this Indenture, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would expose it to liability.

Section 7.06 Limitation on Bond Owners' Right to Sue. Notwithstanding any other provision hereof, no Owner of any Bonds shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Lease or any other applicable law with respect to such Bonds, unless (a) such Owner shall have given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee shall have failed to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee; and (e) no direction inconsistent with such written request shall have been given to the Trustee during such sixty (60) day period by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy

hereunder or under law; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners of Bonds, or to enforce any right under the Bonds, this Indenture, the Lease or other applicable law with respect to the Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of this Indenture.

Section 7.07 Absolute Obligation of Authority. Nothing in Section 7.06 or in any other provision of this Indenture or in the Bonds contained shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay the principal of and interest and premium (if any) on the Bonds to the respective Owners of the Bonds at their respective dates of maturity, or upon call for redemption, as herein provided, but only out of the Revenues and other assets herein pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

Section 7.08 Termination of Proceedings. If any proceedings taken by the Trustee or any one or more Bond Owners on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Bond Owners, then the Authority, the Trustee and the Bond Owners, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Authority, the Trustee and the Bond Owners shall continue as though no such proceedings had been taken.

Section 7.09 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

Section 7.10 No Waiver of Default. No delay or omission of the Trustee or any Owner of the Bonds to exercise any right or power arising upon the occurrence of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient.

Section 7.11 Parties Interested Herein. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the City, the Authority, the Trustee, their officers, employees and agents, and the Owners any right, remedy or claim under or by reason of this Indenture, or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Authority shall be for the sole and exclusive benefit of the City, the Authority, the Trustee, their officers, employees and agents, and the Owners.

Section 7.12 Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of the City Charter and other applicable law, and all of the provisions of this Article are intended to be subject to the City Charter and all other applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render

this instrument or the provisions hereof invalid or unenforceable under the provisions of the City Charter or other applicable law.

ARTICLE VIII

THE TRUSTEE

Section 8.01 Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in this Indenture and no implied duties or covenants shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The City may remove the Trustee at any time unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee if at any time requested to do so by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or if at any time the Trustee shall cease to be eligible in accordance with subsection (e) of this Section 8.01, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its Leased Premises shall be appointed, or any public officer shall take control or charge of the Trustee or of its Leased Premises or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee and the City and thereupon shall appoint a successor Trustee by an instrument in writing. Any such removal shall be made upon at least thirty (30) days' prior written notice to the Trustee.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Authority and the City, and by giving the Bond Owners notice of such resignation by mail at the addresses shown on the Registration Books. Upon receiving such notice of resignation, the City as agent for the Authority shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within sixty (60) days of giving notice of removal or notice of resignation as aforesaid, the City (as agent of the Authority) shall petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture, shall signify its acceptance of such appointment by executing and delivering to the Authority, the City and its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the City (as agent of the Authority) or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more

fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any Leased Premises held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other Leased Premises subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Authority shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Authority shall promptly mail or cause the successor trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which is then rating the Bonds and to the Bond Owners at the addresses shown on the Registration Books. If the Authority fails to mail such notice within fifteen (15) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Authority.

(e) Any Trustee appointed under this Indenture shall be a corporation or association organized and doing business under the laws of any state or the United States of America or the District of Columbia, shall be authorized under such laws to exercise corporate trust powers, shall have (or, in the case of a corporation or national banking association included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least one hundred million dollars (\$100,000,000) shall be subject to supervision or examination by federal or state agency, so long as any Bonds are Outstanding. If such corporation or national banking association publishes a report of condition at least annually pursuant to law or to the requirements of any supervising or examining agency above referred to then for the purpose of this subsection (e), the combined capital and surplus of such corporation or national banking association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section 8.01.

Section 8.02 Merger or Consolidation. Any bank or trust company into which the Trustee may be merged or converted or with which it may be consolidated or any bank or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or trust company shall be eligible under subsection (e) of Section 8.01 shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding. Notice of such merger or conversion shall be provided to the Authority and the City within five (5) Business Days following the public announcement of such merger or conversion.

Section 8.03 Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall not be taken as statements of the Trustee, and the Trustee shall not assume responsibility for the correctness of the same, or make any representations as to the validity or sufficiency of this Indenture, the Bonds or the Lease, nor shall the Trustee incur any responsibility in respect thereof, other than as expressly stated herein in connection with the respective duties or obligations herein or in the Bonds assigned to or imposed upon it. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence. The Trustee may become the

Owner of Bonds with the same rights it would have if it were not Trustee, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bond Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

(c) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(d) The Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder, or any other event which, with the passage of time, the giving of notice, or both, would constitute an Event of Default hereunder unless and until it shall have actual knowledge thereof, or a corporate trust officer shall have received written notice thereof, at its Office. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by the Authority or the City of any of the terms, conditions, covenants or agreements herein, under the Lease or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default or an event which would, with the giving of notice, the passage of time, or both, constitute an Event of Default. The Trustee shall not be responsible for the validity, effectiveness or priority of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee shall not be required to ascertain or inquire as to the performance or observance by the City and the Authority of the terms, conditions, covenants or agreements set forth in the Lease, other than the covenants of the City to make Lease Payments to the Trustee when due, such reports and certifications as the City are required to file with the Trustee thereunder.

(f) Except for giving notice of an Event of Default pursuant to Section 7.01 hereof, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it is not assured to its satisfaction that the repayment of such funds or adequate indemnity against such risk or liability is reasonably assured to it.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of Owners pursuant to this Indenture,

unless such Owners shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction. No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy.

(i) Whether or not therein expressly so provided, every provision of this Indenture and the Lease relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of Section 8.01(a), this Section 8.03 and Section 8.04 hereof.

(j) The Trustee shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

(k) The Trustee makes no representation or warranty, expressed or implied as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose for the use contemplated by the Authority or the City of the Leased Premises. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Lease or this Indenture for the existence, furnishing or use of the Leased Premises.

(l) Except to the extent that information was provided by the Trustee, the Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(m) The indemnities extended to the Trustee also extend to its directors, officers, employees and agents.

(n) The Trustee may become the owner or pledgee of any Bonds with the same rights it would have if it were not Trustee.

(o) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay ("unavoidable delay") in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the Leased Premises, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(p) The Trustee agrees to accept and act upon facsimile transmission of written instructions and/or directions pursuant to this Indenture provided, however, that: (a) subsequent to such facsimile transmission of written instructions and/or directions the Trustee shall forthwith receive the originally executed instructions and/or directions, (b) such originally executed instructions and/or directions shall be signed by a person as may be designated and authorized to sign

for the party signing such instructions and/or directions, and (c) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated person.

Section 8.04 Right to Rely on Documents The Trustee shall be protected in acting upon any notice, facsimile, e-mail, resolution, request, requisition, consent, order, certificate, report, opinion, bonds or other paper or document believed by them to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Trustee may treat the Owners of the Bonds appearing in the Registration Books as the absolute owners of the Bonds for all purposes and the Trustee shall not be affected by any notice to the contrary.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate, Written Request or Written Requisition of the Authority or the City, and such Written Certificate, Written Request or Written Requisition shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Written Certificate, Written Request or Written Requisition, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable.

Section 8.05 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained by the Trustee and shall be subject at all reasonable times to the inspection of the Authority, the City and any Bond Owner, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

Section 8.06 Compensation and Indemnification. The Authority shall pay to the Trustee from time to time compensation for all services rendered under this Indenture and also all reasonable expenses and disbursements (including fees and expenses of counsel), incurred in and about the performance of its powers and duties under this Indenture, in accordance with the fee schedule attached hereto as Exhibit D, as Exhibit D may be amended from time to time by written agreement of the City and the Trustee.

The Authority shall indemnify, defend and hold harmless the Trustee against any loss, liability or expense incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust, including costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers hereunder. As security for the performance of the obligations of the Authority under this Section 8.06 to the Trustee, the Trustee shall have a lien prior to the lien of the Bonds upon all Leased Premises and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of or interest on particular Bonds. The rights of the Trustee and the obligations of the Authority under this Section 8.06 shall survive the resignation or removal of the Trustee or the discharge of the Bonds and this Indenture.

ARTICLE IX

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 9.01 Amendments Permitted.

(a) This Indenture and any of the rights and obligations of the Authority and of the Owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time by an indenture or indentures supplemental thereto, which the Authority and the Trustee may enter into when the written consents of the Owners of a majority in aggregate principal amount of all Bonds then Outstanding which are affected by the amendment, shall have been filed with the Trustee; provided, however, no such modification or amendment without the consent of the Owners of all of the Bonds then Outstanding which would be affected thereby, shall (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or (iii) permit the creation of any lien on the Revenues and other assets pledged under this Indenture prior to or on a parity with the lien created by this Indenture except as permitted herein, or (iv) deprive the Owners of the Bonds of the lien created by this Indenture on such Revenues and other assets (except as expressly provided in this Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It shall not be necessary for the consent of the Bond Owners to approve the particular form of any Supplemental Indenture, but it shall be sufficient if such consent shall approve the substance thereof. Consent of the Owners may be obtained as provided in Section 9.02 hereof.

(b) In addition to any Supplemental Indenture authorized pursuant to Section 2.12 hereof, this Indenture and the rights and obligations of the Authority, of the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority and the Trustee may enter into without the consent of any Bond Owners, for any one or more of the following purposes:

(i) to add to the covenants and agreements of the Authority in this Indenture contained other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority, or to close the Indenture against, or provide limitations and restrictions in addition to the limitations and restrictions contained in the Indenture on, the authentication and delivery of Additional Bonds;

(ii) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, contained in this Indenture, or in regard to matters or questions arising under this Indenture, as the Authority may deem necessary or desirable;

(iii) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute; or

(iv) to modify, amend or supplement this Indenture in such manner as to cause interest on the Bonds to remain excludable from gross income under the Code.

(v) to permit the Trustee to comply with any duties imposed upon it by law;

(vi) to provide for the refunding or advance refunding of any Bonds, so long as such amendment is not inconsistent with Article X hereof;

(vii) to evidence the appointment of a separate trustee or the succession of a new trustee hereunder;

(viii) to make any amendments appropriate or necessary to provide for or facilitate the delivery of credit enhancement for any Bonds; or

(ix) for any other reason, provided such modification or amendment does not, in the judgment of the Trustee, materially adversely affect the interests of the Owners of the Bonds then Outstanding.

(c) The Trustee may in its discretion, but shall not be obligated to, enter into any such Supplemental Indenture authorized by subsections (a) or (b) of this Section 9.01 which materially adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(d) Prior to the Trustee entering into any Supplemental Indenture hereunder, there shall be delivered to the Trustee an opinion of Bond Counsel stating, in substance, that such Supplemental Indenture has been adopted in compliance with the requirements of this Indenture and that the adoption of such Supplemental Indenture will not, in and of itself, adversely affect the exclusion from gross income for purposes of federal income taxes of interest on the Bonds.

(e) Provision of this Section are subject to Section 9.03 hereof.

Section 9.02 Consent of Owners.

(a) If at any time the Authority (or the City on behalf of the Authority) shall request the Trustee to enter into any Supplemental Indenture requiring consent of the Owners, the Trustee, upon being satisfactorily indemnified with respect to expenses, shall cause notice (unless waived by the affected Owners in their consent) of the proposed Supplemental Agreement to be mailed to each affected Owners, as shown in the Registration Books at the close of business on the 15th day preceding that mailing and at its address as it appears on the Registration Books on that 15th day preceding the mailing. The notice shall describe briefly the nature of the proposed amendment and shall state that copies thereof are on file at the office of the Trustee designated therein for inspection by all such Owners.

Consent of Owners may also be evidenced: (i) by Bonds being sold to such Owners under an official statement or other offering document which describes the proposed amendment and states that their purchase shall be treated as their consent to such amendment; or (ii) in any other manner acceptable to the Trustee.

If the Supplemental Indenture will not take effect so long as any particular Bonds remain Outstanding, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of determining the required consents.

(b) Disqualified Bonds. Bonds owned or held by or for the account of the Authority or the City shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Bonds provided in this Article, and shall not be entitled to consent to or take any other action provided in this Article; provided, however, that the Trustee shall not be deemed to have knowledge that any Bond is owned or held by or for the account of the Authority or the City unless the Authority or the City is the registered Owner or the Trustee has received written notice that any other registered Owner is holding for the account of the Authority or City.

(c) The Trustee shall not be subject to any liability to any Owner of Bonds by reason of the Trustee's failure to mail, or the failure of any such Owner to receive, the notice required by this Section. Any failure of that nature shall not affect the validity of the Supplemental Indenture when there has been consent thereto as provided in this Section.

(d) If the Trustee shall receive, within a period not exceeding one year as prescribed by the City upon behalf of the Authority, following the mailing of the notice (unless waived by the affected Owners in their consent), an instrument or document or instruments or documents, in a form or forms to which the Trustee does not object reasonably, purporting to be executed by the Owners of not less than a majority in aggregate principal amount of the affected Outstanding Bonds, but not otherwise, the Trustee shall execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice, without liability or responsibility to any affected Owner, regardless of whether that Owner shall have consented thereto. The instrument or document or instruments or documents described in this paragraph shall refer to the proposed Supplemental Indenture in the form described in the notice and shall consent specifically to the Supplemental Indenture in substantially that form.

(e) At any time after the Owners of the required percentage of the Bonds shall have filed their consents with the Trustee to the Supplemental Indenture, the Trustee shall make and file with the Authority and City a written statement that the Owners of the required percentage of the Bonds have filed those consents. That written statement shall be conclusive evidence that the consents have been so filed. Prior to the Trustee filing such written statement, a consent may be revoked in writing by the Owner who gave the consent or by a subsequent Owner of the Bonds by a written revocation received by the Trustee.

Section 9.03 City's Consent to Supplemental Indentures. Anything herein to the contrary notwithstanding, so long as the City is not in default under the Lease, a Supplemental Indenture under this Article shall not become effective unless and until the City shall have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture, together with a copy of the proposed Supplemental Indenture, to be mailed by first-class mail to the City at least 30 days prior to the proposed date of execution and delivery of any Supplemental Indenture.

Section 9.04 Effect of Supplemental Indenture. Upon the execution of any Supplemental Indenture pursuant to this Article IX, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Authority, the Trustee and all Owners of Bonds Outstanding shall thereafter be

determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.05 Endorsement of Bonds; Preparation of New Bonds. Bonds delivered after the execution of any Supplemental Indenture pursuant to this Article may, and if the Authority so determines shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand on the Owner of any Bonds Outstanding at the time of such execution and presentation of his Bonds for the purpose at the Office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation shall be made on such Bonds. If the Supplemental Indenture shall so provide, new Bonds so modified as to conform, in the opinion of the Authority and the Trustee, to any modification or amendment contained in such Supplemental Indenture, shall be prepared and executed by the Authority and authenticated by the Trustee, and upon demand on the Owners of any Bonds then Outstanding shall be exchanged at the Office of the Trustee, without cost to any Bond Owner, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amount of the same series and maturity.

Section 9.06 Amendment of Particular Bonds. The provisions of this Article IX shall not prevent any Bond Owner from accepting any amendment as to the particular Bonds held by him.

ARTICLE X

DEFEASANCE

Section 10.01 Discharge of Indenture.

(a) Any or all of the Outstanding Bonds may be paid by the Authority in any of the following ways, provided that the Authority also pays or causes to be paid any other sums payable hereunder by the Authority:

(i) by paying or causing to be paid the principal of and interest and premium (if any) on such Bonds, as and when the same become due and payable;

(ii) by depositing with the Trustee, in trust, at or before maturity, Defeasance Obligations in the necessary amount (as provided in Section 10.02) to pay or redeem such Bonds; or

(iii) by delivering to the Trustee, for cancellation by it, such Bonds.

If the Authority shall also pay or cause to be paid all other sums payable hereunder by the Authority, then and in that case, at the election of the Authority evidenced by a Written Certificate of the Authority (or of the City upon behalf of the Authority), filed with the Trustee, signifying the intention of the Authority to discharge all such indebtedness and this Indenture), and notwithstanding that any of such Bonds shall not have been surrendered for payment, this Indenture and the pledge of Revenues and other assets made under this Indenture with respect to such Bonds and all covenants, agreements and other obligations of the Authority under this Indenture with respect to such Bonds shall cease, terminate, become void and be completely discharged and satisfied (except for those provisions surviving by reason of Section 10.01(c) in the event that the Bonds are

deemed to be paid and discharged pursuant to Section 10.02 hereof). In such event, upon the Written Request of the Authority (or of the City upon behalf of the Authority), the Trustee shall execute and deliver to the Authority and City all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over, transfer, assign or deliver to the City all moneys or securities or other Leased Premises held by it pursuant to this Indenture which are not required for the payment or redemption of any of such Bonds not theretofore surrendered for such payment or redemption.

If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of the Outstanding Bonds of a particular Series, or of a particular maturity or particular Bonds within a Series, the Debt Service due or to become due thereon, at the times and in the manner stipulated therein and in the Indenture, such Bonds shall cease to be entitled to any lien, pledge, benefit or security under the Indenture, and all covenants, agreements and obligations of the Authority to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied (subject to provisions of subsection (c), below, if applicable).

Bonds or interest installments, for the payment or redemption of which moneys shall have been set aside and held in trust by the Trustee (through deposit by the City of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof, shall be deemed to have been paid within the meaning and with the effect expressed in this Section 10.01(a).

(b) If, in connection with a redemption of all or any part of the Bonds, or in connection with providing for payment of all or any part of the Bonds pursuant to this Article X, moneys and/or Defeasance Obligations are deposited with the Trustee sufficient to pay Debt Service on all or a portion of the Bonds being defeased in accordance with Section 10.02 to any date after the first date on which such Bonds may be redeemed, the City on behalf of the Authority may expressly reserve and retain the right to subsequently change the date on which any such Bonds are to be redeemed. The City may further reserve and retain the right to restructure the moneys and/or Defeasance Obligations held by the Trustee for payment such Bonds as provided in Section 10.02(c), (d) or (e), and to apply any of the proceeds, which are available following such restructuring and are not needed to pay Debt Service on the Bonds being defeased, for any lawful purpose.

If the City desires to reserve and retain any such rights, it shall so advise the Trustee at the time of the deposits of such funds with the Trustee and the Trustee shall include a statement of such reserved and retained rights in the notice given to Owners pursuant to Section 10.02(b).

(c) Notwithstanding the foregoing, any provisions of the Indenture which relate to:

- (i) the maturity of Bonds;
- (ii) the interest payments and dates thereof;
- (iii) the optional and mandatory redemption provisions;
- (iv) the credits against the mandatory sinking fund requirements;
- (v) the exchange, transfer and registration of Bonds;
- (vi) the replacement of mutilated, destroyed, lost or stolen Bonds;

- (vii) the safekeeping and cancellation of Bonds;
- (viii) the nonpresentment of Bonds;
- (ix) the holding of moneys in trust;
- (x) the repayments to the Authority from the escrow fund;
- (xi) the timely payment of any rebate of arbitrage earnings to the United States and any other provisions which relate to exclusion of interest on the Bonds from gross income for federal income tax purposes; and
- (xii) the duties of the Trustee in connection with all of the foregoing and payment of its fees and expenses;

shall remain in effect and shall be binding upon the Authority, the Trustee and the Owners, notwithstanding the release, discharge and satisfaction of the Indenture. The provisions of this Section 10.01(c) shall survive the release, discharge and satisfaction of the Indenture.

Section 10.02 Deposit of Money or Securities with Trustee to Defeas Bonds.

(a) Whenever in this Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Trustee in the funds and accounts established pursuant to this Indenture and available for such purposes.

(b) Subject to the provisions of subsection (c) and subsection (d) of this Section 10.02, any Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid, within the meaning and with the effect expressed in Section 10.01(a), if:

(i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the City upon behalf of the Authority shall have given to the Trustee written instructions, accepted in writing by the Trustee, to mail as provided in Article IV of the Indenture notice of redemption of such Bonds (other than Bonds which have been purchased or otherwise acquired by the City and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption);

(ii) there shall have been deposited with the Trustee (or another trust company selected by the City which meets the requirements of Section 8.01(e)), in trust for the Owners of such Bonds, either moneys in an amount which shall be sufficient, or Defeasance Obligations (including any Defeasance Obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient (without regard to further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom, which earnings are to be held likewise in trust and so committed, except as provided herein) to pay when due the Debt Service due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, the City upon behalf of the Authority shall have given written instructions to the Trustee in form satisfactory to it to mail a notice to the Owners of such Bonds, within 15 days of the date on which the Bonds are deemed to be paid and discharged, at their address as it appears on the Registration Books on that date on which such Bonds are deemed to be paid and discharged. The notice shall: (1) state the numbers of the Bonds deemed to be paid and discharged, or shall state that all Bonds of a particular Series are deemed to be paid and discharged; (2) that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section 10.02; and (3) state such maturity or redemption date upon which moneys are expected to be available for the payment of the Debt Service on said Bonds (other than Bonds which have been purchased or otherwise acquired by the City and delivered to the Trustee as hereinafter provided prior to the mailing of the notice of redemption referred to in clause (i) hereof);

(iv) the Trustee shall have received a report of an independent firm of certified public accountants or a financial consulting firm of recognized standing in the field of municipal bonds to the effect that the amount of principal of and interest when due on the Defeasance Obligations and any money deposited at the same time with the Trustee shall be sufficient to pay when due the Debt Service due and to become due on said Bonds prior to and on the redemption or maturity date thereof, as the case may be; and

(v) if the Bonds deemed paid with Defeasance Obligations were issued as obligations the interest on which was excluded from gross income for federal tax purposes, then the City shall furnish to the Trustee an opinion of Bond Counsel to the effect that the provisions for paying such Bonds (assuming compliance by the Authority, the City and the Trustee with their duties under the Indenture and any related escrow agreement) will not, by itself, cause such Bonds to lose such exclusion.

Any notice of redemption mailed pursuant to (i) with respect to Bonds which constitute less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond.

Defeasance Obligations shall consist of securities which are not subject to redemption prior to their maturity other than at the option of the holder thereof, or shall consist of securities as to which an irrevocable notice of redemption of such securities on a specified redemption date has been given and such securities are not otherwise subject to redemption prior to such specified date.

(c) The Trustee shall, if so directed by the City, (i) prior to the maturity date of Bonds that have been deemed to have been paid in accordance with this Section 10.02 (the "Defeased Bonds") which are not to be redeemed prior to their maturity date or (ii) prior to mailing of the notice of redemption referred to in clause (i) above with respect to any Defeased Bonds which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee for such Defeased Bonds and redeem or sell Defeasance Obligations so deposited with the Trustee and apply the proceeds thereof to the purchase of such Defeased Bonds and the Trustee shall immediately thereafter cancel all such Defeased Bonds so purchased; provided, however, that the moneys and Defeasance Obligations remaining on deposit with the Trustee after such purchase and cancellation of such Defeasance Bonds must be determined by the Trustee to be sufficient to pay when due the Debt Service due or to become due on all remaining unpaid Defeased Bonds, in respect of which

such moneys and Defeasance Obligations are being held by the Trustee, on or prior to the redemption date or maturity date thereof, as the case may be.

(d) If, at any time (i) prior to the maturity date of Defeased Bonds which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (i) with respect to any Defeased Bonds which are to be redeemed on any date prior to their maturity, the City shall purchase or otherwise acquire any such Defeased Bonds and deliver such Defeased Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee shall immediately cancel all such Defeased Bonds so delivered; and such delivery of Defeased Bonds to the Trustee shall be accompanied by Written Direction from the City to the Trustee as to the manner in which such Defeased Bonds are to be applied against the obligation of the Trustee to pay or redeem Defeased Bonds. Such directions of the City shall also specify the portion, if any, of such Defeased Bonds so purchased or delivered and cancelled to be applied against the obligation of the Trustee to pay Defeased Bonds upon their maturity date or dates and the portion, if any, of such Defeased Bonds so purchased or delivered and cancelled to be applied against the obligation of the Trustee to redeem Defeased Bonds on any date or dates prior to their maturity.

(e) If on any date: (i) as a result of any purchases, acquisitions and cancellations of Defeased Bonds as provided in this Section 10.02 the total amount of moneys and Defeasance Obligations remaining on deposit with the Trustee under this Section 10.02 is in excess of the total, determined by the Trustee, which would have been required to be deposited with the Trustee on such date in respect of the remaining unpaid Defeased Bonds in order to satisfy subclause (b)(ii) of this Section 10.02, the Trustee shall, if requested by the City in Written Certificate, sell specified Defeasance Obligations and transfer the amount of such excess as directed by the City; or (ii) the City directs the Trustee in Written Certificate to sell and re-invest specified Defeasance Obligations as directed by the City;

then before any such excess is so transferred or any such Defeasance Obligations sold and re-invested, as applicable, the Trustee shall have received a report, of an independent firm of certified public accountants or a financial consulting firm of recognized standing in the field of municipal bonds, to the effect that the amount of money and the principal of and interest when due on the Defeasance Obligations remaining on deposit with the Trustee after such transfer or sale or re-investment, as applicable, shall be sufficient to pay when due the Debt Service due and to become due on said unpaid Defeased Bonds on or prior to the redemption or maturity date thereof, as the case may be.

(f) Except as otherwise provide Section 10.02, neither Defeasance Obligations nor moneys deposited with the Trustee pursuant to this Section 10.02 nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust by the Trustee solely for, the payment of the Debt Service on the Defeased Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Trustee (i) to the extent such cash will not be required at any time for such purpose as determined by the Trustee, shall be transferred as directed by the City, and (ii) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable and as directed by the City, be reinvested by the Trustee in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the Debt Service due on said remaining unpaid Defeased Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be transferred as directed by the City.

ARTICLE XI

MISCELLANEOUS

Section 11.01 Liability of Authority Limited to Revenues. Notwithstanding anything in this Indenture or in the Bonds contained, the Authority shall not be required to advance any moneys derived from any source other than the Revenues and other assets pledged under this Indenture for any of the purposes in this Indenture mentioned, whether for the payment of the principal of or interest on the Bonds or for any other purpose of this Indenture. Nevertheless, the Authority may, but shall not be required to, advance for any of the purposes hereof any funds of the Authority which may be made available to it for such purposes.

Section 11.02 Limitation of Rights to Parties and Bond Owners. Nothing in this Indenture or in the Bonds expressed or implied is intended or shall be construed to give to any person other than the Authority, the Trustee, the City and the Owners of the Bonds, any legal or equitable right, remedy or claim under or in respect of this Indenture or any covenant, condition or provision therein or herein contained; and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the Trustee, the City, the Authority and the Owners of the Bonds.

Section 11.03 Funds and Accounts. Any fund or account required by this Indenture to be established and maintained by the Trustee may be established and maintained in the accounting records of the Trustee, either as a fund or an account, and may, for the purposes of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account; but all such records with respect to all such funds and accounts shall at all times be maintained in accordance with industry standards to the extent practicable, and with due regard for the requirements of Section 5.06 and for the protection of the security of the Bonds and the rights of every Owner thereof. The Trustee may establish such funds and accounts as it deems necessary to perform its obligations hereunder. The Trustee shall deliver by electronic notification/access a monthly accounting to the Authority and to the City of the funds and accounts held hereunder; provided, that the Trustee shall not be obligated to deliver an accounting for any fund or account that has had no activity since the last reporting date and that has a balance of zero.

Section 11.04 Unclaimed Funds. Notwithstanding any provisions of this Indenture, and subject to applicable provisions of State law, any moneys held by the Trustee in trust for the payment of the principal of, premium, if any, or interest on, any Bonds and remaining unclaimed for two (2) years after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption as provided in this Indenture), if such moneys were so held at such date, or two (2) years after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall be repaid to the City free from the trusts created by this Indenture, and all liability of the Trustee with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the City as aforesaid, the Trustee shall (at the written request and cost of the City) first mail to the Owners of Bonds which have not yet been paid, at the addresses shown on the Registration Books, a notice, in such form as may be deemed appropriate by the Trustee with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the City of the moneys held for the payment thereof. Thereafter, the Owner of such Bond shall look only to the City for payment and then only to the extent of the amount so returned to the City without any interest thereon, and the Trustee shall have no responsibility with respect to such money.

During any period in which the Trustee holds such unclaimed money, the Trustee shall not be required to invest such money; nonetheless if the Trustee should invest such money any earnings on such amounts shall be remitted to the City as such earnings are realized.

Section 11.05 Waiver of Notice; Requirement of Mailed Notice. Whenever in this Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. Whenever in this Indenture any notice shall be required to be given by mail, such requirement shall be satisfied by the deposit of such notice in the United States mail, postage prepaid, by first class mail.

Section 11.06 Destruction of Bonds. Whenever in this Indenture provision is made for the cancellation by the Trustee and the delivery to the Authority of any Bonds, the Trustee shall, in lieu of such cancellation and delivery, destroy such Bonds as may be allowed by law, and at the written request of the Authority or the City the Trustee shall deliver a certificate of such destruction to the Authority.

Section 11.07 Severability of Invalid Provisions. If any one or more of the provisions contained in this Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Indenture and such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, and this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The Authority hereby declares that it would have entered into this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses or phrases of this Indenture may be held illegal, invalid or unenforceable.

All written notices to be given under this Indenture shall be given by first class mail or personal delivery to the party entitled thereto at its address set forth below, or at such address as the party may provide to the other party in writing from time to time. Notice shall be effective either (a) upon transmission by facsimile transmission or other form of telecommunication, confirmed by telephone, (b) after deposit in the United States mail, postage prepaid, upon receipt, or (c) in the case of personal delivery to any person, upon actual receipt. Section 11.10 Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in the Indenture, shall be a legal holiday or a day on which the Authority, the City, the Trustee or banking institutions in the State are authorized by law or otherwise to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which the Authority, the City, the Trustee or such banking institutions are authorized by law or otherwise to remain closed, with the same force and effect as if done on the nominal date provided in the Indenture, and no interest shall accrue for the period after such nominal date.

Section 11.11 Credit Enhancement Providers. If any credit enhancement is provided for a Series of Bonds or for specific Bonds, the Authority may in the Supplemental Indenture under which such Bonds are issued provide any or all of the following rights to the provider of the credit enhancement, as the Authority shall deem to be appropriate:

(1) the right to make requests of, direct or consent to the actions of the Trustee or to otherwise direct proceedings provided in Articles VII and IX of this Indenture, to the same extent and in place of the Owners of the Bonds which are secured by its credit enhancement, and for such purposes the provider of such credit enhancement shall be deemed to be the Owner of such Bonds;

(2) the right to act in place of the Owners of the Bonds which are secured by its credit enhancement for purposes of removing a Trustee or appointing a Trustee under Article VIII hereof; and

(3) the right to receive copies of all notices required to be provided hereunder or under the Lease, to the Trustee, Authority or City.

Section 11.12 Money Held for Particular Bonds. The money held by the Trustee for the payment of the interest or principal due on any date with respect to particular Bonds (or portions of Bonds in the case of Bonds redeemed in part only) shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of the Bonds entitled thereto, subject, however, to the provisions of Section 11.04 hereof but without any liability for interest thereon.

Section 11.13 Waiver of Personal Liability. No member, officer, agent or employee of the Authority shall be individually or personally liable for the payment of the principal of or interest or premium (if any) on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law or by this Indenture.

The purchase price for the Bonds shall be \$[____], being the principal amount of the Bonds [plus/less] an original issue [premium/discount] of \$[____] and less an Underwriters’ discount of \$[____].

The Representative represents and warrants that: (a) it has been duly authorized by and on behalf of the Underwriters to execute this Bond Purchase Agreement; and (b) it has been duly authorized by the Underwriters to act hereunder and, as the representative of the Underwriters, to take all actions, and waive any condition or requirement, required or permitted to be taken or waived hereunder by the Underwriters. The Underwriters shall not designate any other representative except upon the approval of the City (which approval shall not be unreasonably withheld). The Underwriters agree to comply with all applicable Securities and Exchange Commission rules and rules of the Municipal Securities Rulemaking Board (the **“MSRB”**) governing the offering, sale and delivery of the Bonds to ultimate purchasers.

The Authority and the City acknowledge and agree that: (i) the primary role of the Underwriters, as underwriters, is to purchase securities, for resale to investors, in an arm’s length commercial transaction among the Authority, the City and the Underwriters and the Underwriters have financial and other interests that differ from those of the Authority and/or the City; (ii) the Underwriters are acting solely as principals and are not acting as municipal advisors, financial advisors or fiduciaries to the Authority or the City and have not assumed any advisory or fiduciary responsibility to the Authority or the City with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriters have provided other services or are currently providing other services to the Authority or the City on other matters); (iii) other than as imposed by law, the only obligations the Underwriters have to the Authority and/or the City with respect to the transaction contemplated hereby expressly are set forth in this Bond Purchase Agreement; and (iv) the Authority and the City have each consulted their own financial and/or municipal, legal, accounting and other advisors, as applicable, to the extent it has deemed appropriate.

The Bonds are subject to redemption as provided in the Indenture and as described in Schedule I attached hereto.

The Bonds are limited obligations of the Authority payable from and secured by Revenues (as defined in the Indenture) held in the Revenue Fund comprised primarily of all Base Rental Payments, prepayments, insurance proceeds, and condemnation proceeds.

Pursuant to a Site Lease, dated as of [____] 1, 2017 (the **“Site Lease”**), by and between the City and the Authority, the City will lease to the Authority certain real property owned by the City (the **“Site”**), and pursuant to a Facilities Lease, dated as of [____] 1, 2017 (the **“Facilities Lease”**), by and between the Authority and the City, the Authority will lease the Site and the Parking Facility (collectively, the **“Leased Premises”**) to the City, and the

City will be required to make Base Rental Payments sufficient to pay debt service on the Bonds as provided in the Facilities Lease.

The proceeds of the sale of the Bonds will be used for the purpose of enabling the Authority to provide funds to (i) assist the City in financing a portion of the costs of the acquisition, construction, installation and equipping of the Project, (ii) fund capitalized interest on the Bonds and (iii) pay certain costs of issuance associated with the Bonds.

Section 3. Public Offering

(a) The Underwriters agree to make a bona fide public offering of all the Bonds initially at prices not in excess of the public offering prices (or less than the yields) set forth on Schedule I attached hereto and incorporated herein by this reference. Subsequent to the initial public offering, the Underwriters reserve the right to change the public offering prices (or yields) as they deem necessary in connection with the marketing of the Bonds, provided that the Underwriters shall not change the interest rates set forth on Schedule I. The Bonds may be offered and sold to certain dealers, unit investment trusts and money market funds, certain of which may be sponsored or managed by one or more of the Underwriters, at prices lower than such initial public offering prices. restrain, or enjoining the execution and delivery of the Bonds or the collection of Revenues to be applied to pay the principal of and interest with respect to the Bonds, or the pledge thereof, or in any way contesting or affecting the validity or enforceability of the Bonds or the Indenture, or contesting the powers of the Trustee or its authority to enter into, adopt or perform its obligations under any of the foregoing to which it is a party, wherein an unfavorable decision, ruling or funding would materially adversely affect the validity or enforceability of the Bonds or the Indenture or the power and authority of the Trustee to enter into and perform its duties under the Indenture and to authenticate and deliver the Bonds to or upon the order of the Underwriters;

(xi) the opinion, dated the Closing Date and addressed to the Underwriters, the Authority and the City, of Counsel to the Trustee, to the effect that: (A) the Trustee has been duly incorporated as a national banking association under the laws of the United States and is in good standing under the laws of the United States, and is qualified to exercise trust powers therein, having full power and authority to enter into and to perform its duties under the Indenture; (B) the Trustee has duly authorized, executed and delivered the Indenture, and by all proper corporate action has authorized the acceptance of the trusts of the Indenture; (C) the Indenture constitutes the legally valid and binding agreement of the Trustee, enforceable against the Trustee in accordance with its terms, and (D) the Bonds have been validly authenticated and delivered by the Trustee;

(d) the Underwriter shall have the right to terminate this Bond Purchase Agreement, without liability therefor, by notification to the Authority and the City if at any time between the date hereof and the Closing:

(i) any event shall occur or facts are discovered which causes any statement contained in the Final Official Statement to be materially misleading or results in a failure of the Final Official Statement to state a material fact necessary to make the statements in the Final Official Statement, in the light of the circumstances under which they were made, not misleading, provided, however, the Underwriters shall not terminate this Bond Purchase Agreement if prior to the Closing and prior to the distribution of the Final Official Statement to any public investor the City, the Authority and the Representative agree to and shall have amended or supplemented the Final Official Statement so that the Final Official Statement as so amended or supplemented will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made in light of the circumstances in which they were made, not misleading, and, in the sole judgment of the Representative, such amendment or supplement shall not have an adverse effect on the market price of the Bonds or the ability of the Underwriters to enforce contracts with investors for the sale of the Bonds; or

(ii) the marketability of the Bonds or the market price thereof, in the reasonable opinion of the Representative, after consultation with the City, has been materially adversely affected by an amendment to the Constitution of the United States or by any legislation in or by the Congress of the United States or by the State, or the amendment of legislation pending as of the date of this Bond Purchase Agreement in the Congress of the United States, or the recommendation to Congress or endorsement for passage (by press release, other form of notice or otherwise) of legislation by the President of the United States, the Treasury Department of the United States, the Internal Revenue Service or the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, or the proposal for consideration of legislation by either such

Committee or by any member thereof, or the presentment of legislation for consideration as an option by either such Committee, or by the staff of the Joint Committee on Taxation of the Congress of the United States, or the favorable reporting for passage of legislation to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or any decision of any Federal or State court or any ruling or regulation (final, temporary or proposed) or official statement on behalf of the United States Treasury Department, the Internal Revenue Service or other federal or State authority materially adversely affecting the federal or State tax status of the City or the Authority, or the interest on bonds or notes or obligations of the general character of the Bonds; or

(iii) any legislation, ordinance, rule or regulation shall be introduced in, or be enacted by any governmental body, department or agency of the State, or a decision by any court of competent jurisdiction within the State or any court of the United States shall be rendered which, in the reasonable opinion of the Representative, materially adversely affects the market price of the Bonds; or

(iv) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including all underlying obligations, as contemplated hereby or by the Final Official Statement, is in violation or would be in violation of, or that obligations of the general character of the Bonds, or the Bonds, are not exempt from registration under any provision of the federal securities laws, including the Securities Act of 1933, as amended and as then in effect, or that the Indenture needs to be qualified under the Trust Indenture Act of 1939, as amended and as then in effect; or

(v) there shall have occurred any outbreak or escalation of hostilities or terrorist activities or other local, national or international calamity or crisis, or a default with respect to the debt obligations of, or the institution of proceedings under the federal bankruptcy laws by or against, any state of the United States or agency thereof, or any city in the United States having a population of over one million, the effect of which on the financial markets of the United States will be such as in the Representative's reasonable judgment, makes it impracticable for the Underwriters to market the Bonds or enforce contracts for the sale of the Bonds; or

(vi) Fitch or S&P shall downgrade, suspend or withdraw any rating on the Bonds, which in the Representative's reasonable opinion, materially adversely affects the marketability or market price of the Bonds; or

(vii) the declaration of a general banking moratorium by federal, New York or California authorities, the general suspension of trading on any national securities exchange or a material disruption in securities settlement, payment or clearance services, which event, in the reasonable judgment of the Representative, would materially adversely affect the market price of the Bonds; or

(viii) the imposition by the New York Stock Exchange or other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to obligations of the general character of the Bonds or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to net capital requirements of, the Underwriters, which, in the reasonable judgment of the Representative, would materially adversely affect the market price of the Bonds; or

(ix) there shall have been any material adverse change in the affairs of the Authority or the City which in the Representative's reasonable judgment materially adversely affects the ability of the Underwriters to market the Bonds.

If the City or the Authority shall be unable to satisfy the conditions contained in this Bond Purchase Agreement, or if the obligations of the Underwriters shall be terminated for any reason permitted by this Bond Purchase Agreement, this Bond Purchase Agreement shall terminate and neither the Underwriters, the City nor the Authority shall be under further obligation hereunder, except as further set forth in Section 9 hereof.

Section 9. Expenses. The Underwriters shall be under no obligation to pay, and the Authority and the City shall pay or cause to be paid, the expenses incident to the performance of the obligations of the Authority and the City hereunder including but not limited to (a) the costs of the preparation and printing, or other reproduction (for distribution on or prior to the date hereof) of the Authority Legal Documents and the City Legal Documents and the cost of preparing, printing, issuing and delivering the definitive Bonds, (b) the fees and disbursements of any counsel, financial advisors, accountants or other experts or consultants retained by the Authority or the City, (c) the fees and disbursements of Bond Counsel, (d) the fees and disbursements of Disclosure Counsel, (e) the fees and disbursements of the Trustee, (f) the cost of preparation and printing of the Preliminary Official Statement and any supplements and amendments thereto and the cost of preparation and printing of the Final Official Statement and any supplements and amendments thereto, including the requisite number of copies thereof for distribution by the Underwriters, and (g) charges of rating agencies for the rating of the Bonds. The Authority, the City and the Underwriters intend that the Authority and the City will pay all expenses of the Authority and City's employees that are incidental to implementing this Bond Purchase Agreement, including, but not limited to, meals, transportation, and lodging, of those employees, and the Authority and the City shall reimburse the Underwriters if the Underwriters pay for any of such expenses on behalf of the Authority or City.

All out-of-pocket expenses of the Underwriters, including the California Debt and Investment Advisory Commission fee, fees of Underwriters' counsel, and other expenses (except MSRB Underwriters and Transaction Assessment fees, Securities Industry and Financial

Markets Association Municipal Assessment fees, GASB fees and the expenses as provided above), shall be included in the Underwriters' discount set forth in Section 1 hereof. Certain expenses of the Underwriters may be in the form of inclusion in the expense component of the Underwriters' Discount.

Section 10. Covenants of Authority and City. The Authority and the City covenant with the Underwriters that:

(a) If between the date hereof and the date which is not less than 25 days after the End of the Underwriting Period for the Bonds (as defined below), an event occurs, or facts or conditions become known of which the Authority or the City has knowledge which in the reasonable opinion of counsel to the Underwriters or counsel to the Authority or the City, might or would cause the information contained in the Final Official Statement, as then supplemented or amended, to contain an untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make such information therein, in the light of the circumstances under which it was made, not misleading, the Authority or the City, as applicable, will notify the Representative, and, if in the opinion of the Representative or the City, such event requires the preparation and publication of a supplement or amendment to the Final Official Statement, the Authority and the City will forthwith prepare and furnish to the Underwriters (at the expense of the City) a reasonable number of copies of an amendment of or supplement to the Final Official Statement (in the form and substance satisfactory to the Representative) which will amend or supplement the Final Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Final Official Statement is delivered to prospective purchasers, not misleading. If such notification shall be subsequent to the Closing, the Authority and the City shall forthwith provide to the Underwriters such certificates as the Underwriters may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Final Official Statement. For the purposes of this subsection, between the date hereof and the date which is 25 days after the End of the Underwriting Period for the Bonds, the City will furnish such information with respect to itself and the Authority as the Underwriters may from time to time reasonably request in writing;

(b) If the information contained in the Final Official Statement is amended or supplemented pursuant to subparagraph (a) of this Section 10, at the time of such supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such subparagraph) at all times subsequent thereto up to and including the date which is 25 days after the End of the Underwriting Period for the Bonds, the portions of the Final Official Statement so supplemented or amended (including any financial and statistical data contained therein), excluding statements and information under the heading "UNDERWRITING," contained in APPENDIX []—"Information Regarding the Book-Entry Only System," and information as to bond prices on the inside front cover of the Final Official Statement, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make such information therein, in the light of the circumstances under which it was made, not misleading;

As used in subparagraph (a) and (b) of this Section 10, the term “**End of the Underwriting Period**” for the Bonds shall mean the earlier of (i) the Closing Date unless the Authority and the City shall have been notified in writing to the contrary by the Representative on or prior to the Closing Date or (ii) the date on which the End of the Underwriting Period for the Bonds has occurred under the Rule, provided, however, that the Authority and the City may treat as the End of the Underwriting Period for the Bonds the date specified as such in a notice from the Representative stating the date which is the End of the Underwriting Period;

(c) The Authority and the City will advise the Representative immediately of receipt by the Authority or the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose;

(d) The Authority and the City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriters as the Underwriters may reasonably request to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriters may designate; provided, however, that the Authority and the City shall not be required to register as a dealer or broker or foreign corporation in any such state or jurisdiction or consent to service of process therein;

(e) Between the date of this Bond Purchase Agreement and the Closing Date, except as disclosed in the Final Official Statement, the Authority and/or the City will not, without prior written notice to the Representative, offer or issue any bonds, certificates, notes or other obligations for borrowed money secured by the General Fund of the City; and

(f) The Authority and the City will perform all actions as may be requested by the Underwriters (including delivery of an appropriate certificate with respect to the Preliminary Official Statement) in order for the Underwriters to comply with the applicable provisions of the Rule.

Any notice or other communication to be given to the Authority or the City under this Bond Purchase Agreement may be given by delivering the same in writing at the Authority’s and the City’s addresses, respectively, set forth above and any such notice or other communication to be given to the Underwriters shall be delivered to the following address:

B. COMPENSATION

Compensation for services described in this Agreement has been agreed upon by all parties. The compensation will be based on an hourly fee for the time actually expended, with the total not to exceed \$28,500 for Professional Services contingent on the closing of the debt transaction, and not to exceed \$500 for additional expenses, for the life of the contract. Billing rates for the services provided are outlined in the table below.

<u>Title</u>	<u>Hourly Rates</u>
Principal	\$290
Vice President	\$225
Assistant Vice President	\$195
Administrative Assistant	\$65

C. EXPENSES

1. In addition to the fees specified in Section B above, the Financial Advisor shall be paid, contingent on the payment of fees, their reasonable and necessary expenses. Expenses would include, but not be limited to, deliveries, photocopies, binding services, telephone calls, messenger services, travel, hotels, taxis, and meals incurred in connection with the services pertaining to this Agreement. Additional fees and expenses under this Agreement shall not exceed \$500.
2. The Financial Advisor shall provide documentation for all reasonable and necessary expenses, including receipts for all items more than one hundred dollars (\$100.00).
3. In no event the Financial Advisor shall be billing the City for the ethics online training if required by the Ethics Commission.

5. The Financial Advisor will be reimbursed for travel expense up to the amount specified in Section B above but will not be reimbursed for billing rates during the travel period.
6. In no event shall the total amount of reimbursement to Financial Advisors for expenses exceed the amounts in Section B above.
7. The Financial Advisor shall obtain the Project Manager's authorization prior to travel.

D. PRINCIPAL

It is mutually agreed that James Fabian and Paul Pender, for the Financial Advisor, will serve as co-project managers responsible for the delivery of the described services, and will be assisted by Joshua Lentz and other staff as necessary with minimal duplication in services provided. Each team member has been assigned to this project based on the specific expertise that they bring to this engagement. While it is understood that portions of the described services may be delegated to other members of the team, the City reserves the right to request removal of any of the Financial Advisor's employee(s) or their agent(s) at the sole discretion of the City. **The Financial Advisor will not use more than one staff member for the same specific service, including meetings or conference calls, without the City's approval.** The Financial Advisor should use the minimum number of staff for this engagement consistent with good professional practices after consulting with and obtaining approval by the City.

In the event the Financial Advisor proposes a change to their agreed upon co-project managers and/or assistants, and the City does not approve of the proposed replacement, the City at its sole option may terminate this contract.

E. MISCELLANEOUS

It has been determined that, based on the scope of services and the roles of various members of the Financial Advisor set forth in this agreement, the project leader does not meet the definition of "Financial Advisor" as stated in the Regulations of the Fair Political Practices Commission, Title 2, Division 6 of the California Code of Regulations (Chapter 7, Article 1, Section 18701). Accordingly, the project leader is not required to file Form 700 (Assuming Office Statement) in connection with this agreement.

Most financial advisory services from the Financial Advisor can be provided to the City orally or through email. The City will consult with the Financial Advisor if any formal communications, memos or reports are to be drafted.

CITY OF SAN DIEGO WORK FORCE REPORT

HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (Black, Hispanic, Asian, American Indian, Filipino) for each occupation. Currently, our CLFA data is taken from the 2000 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report.¹ By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county.² If participation in a San Diego project is by work forces from San Diego County and, for example, from Los Angeles County and from Sacramento County, we ask for separate Work

Force Reports representing your firm from each of the three counties.

MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report.^{1,3} In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.³

TYPES OF WORK FORCE REPORTS:

Please note, throughout the preceding text of this page, the superscript numbers one ¹, two ² & three ³. These numbers coincide with the types of work force report required in the example. See below:

- ¹ One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- ² Branch Work Force *
- ³ Managing Office Work Force

**Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county.*

CONTRACTOR STANDARDS
Pledge of Compliance

Effective December 24, 2008, the Council of the City of San Diego adopted Ordinance No. O-19808 to extend the Contractor Standards Ordinance to all contracts greater than \$50,000. The intent of the Contractor Standards clause of San Diego Municipal Code §22.3224 is to ensure the City of San Diego conducts business with firms that have the necessary quality, fitness and capacity to perform the work set forth in the contract.

To assist the Purchasing Agent in making this determination and to fulfill the requirements of §22.3224(d), each bidder/proposer must complete and submit this *Pledge of Compliance* with the bid/proposal. If a non-competitive process is used to procure the contract, the proposed contractor must submit this completed *Pledge of Compliance* prior to execution of the contract. A submitted *Pledge of Compliance* is a public record and information contained within will be available for public review for at least ten (10) calendar days, except to the extent that such information is exempt from disclosure pursuant to applicable law.

All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, respondents must use the *Pledge of Compliance Attachment "A"* and sign each page. The signatory guarantees the truth and accuracy of all responses and statements. Failure to submit this completed *Pledge of Compliance* may make the bid/proposal non-responsive and disqualified from the bidding process. If a change occurs which would modify any response, Contractor must provide the Purchasing Agent an updated response within thirty (30) calendar days.

CONTRACTOR EQUAL BENEFITS ORDINANCE CERTIFICATION

Please indicate your firm's compliance status with the EBO. The City may request supporting documentation.

☒ I affirm **compliance** with the EBO because my firm (contractor must select one reason):

☒ Provides equal benefits to spouses and domestic partners.

☐ Provides no benefits to spouses or domestic partners.

☐ Has no employees.

☐ Has collective bargaining agreement(s) in place prior to January 1, 2011, that has not been renewed or expired.

☐ I request the City's approval to pay affected employees a **cash equivalent** in lieu of equal benefits and verify my firm made a reasonable effort but is not able to provide equal benefits upon contract award. I agree to notify employees of the availability of a cash equivalent for benefits available to spouses but not domestic partners and to continue to make every reasonable effort to extend all available benefits to domestic partners.

It is unlawful for any contractor to knowingly submit any false information to the City regarding equal benefits or cash equivalent associated with the execution, award, amendment, or administration of any contract. [San Diego Municipal Code §22.4307(a)]

Under penalty of perjury under laws of the State of California, I certify the above information is true and correct. I further certify that my firm understands the requirements of the Equal Benefits Ordinance and will provide and maintain equal benefits for the duration of the contract or pay a cash equivalent if authorized by the City.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
