ADOPTION AGENDA, CONSENT ITEMS

ORDINANCES TO BE INTRODUCED, WITH RESOLUTIONS TO BE ADOPTED:

- * ITEM-60: Two actions related to Second Amendment to Consultant Agreement with MWH Americas, Inc. for Miramar Water Treatment Plant Upgrade and Expansion.

(See memorandum from Vic Bienes dated 9/20/2005. Scripps Miramar Ranch and Miramar Ranch North Community Areas. District 5.)

CITY MANAGER'S RECOMMENDATION:

Introduce the ordinance in Subitem A and adopt the resolution in Subitem B:

Subitem-A: (O-2006-66)

Introduction of an Ordinance authorizing execution of a Second Amendment to Consultant Agreement with MWH Americas, Inc. for the Miramar Water Treatment Plant Upgrade and Expansion.

NOTE: 6 votes required pursuant to Section 99 of the City Charter.

Subitem-B: (R-2006-499)

Authorizing the additional use of City forces work on the Miramar Water Treatment Plant Upgrade and Expansion in Water Fund 41500, CIP-73.284.0, Miramar WTP Upgrade and Expansion, for additional costs not to exceed \$300,000;

Authorizing an additional \$550, in property-related costs for the Miramar Water Treatment Plant Upgrade and Expansion in Water Fund 41500, CIP-73-284.0, Miramar WTP Upgrade and Expansion.

CITY MANAGER SUPPORTING INFORMATION:

On March 5, 2001, the City entered into a phase-funded agreement with MWH Americas, Inc. (MWH) for consulting services (RR-294630), for the Miramar WTP Upgrade and Expansion Project wherein Consultant agreed to provide construction management services. Furthermore, City and Consultant entered into a First Amendment to the Agreement (First Amendment) by City Manager Action Document No. C-12956, to update the insurance coverage requirements and reflect the corporate name change of Consultant. City desires to extend the term of the Agreement for an additional three (3) years.

ADOPTION AGENDA, CONSENT ITEMS (Continued)

ORDINANCES TO BE INTRODUCED, WITH RESOLUTIONS TO BE ADOPTED:
(Continued)

*ITEM-60: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

Because of the magnitude and complexity of upgrading and expanding a major water treatment plant, it was contemplated the project would be broken up into three construction contracts starting with the Early Start Improvements Phase ESIP I, ESIP II, and Miramar WTP Upgrade and Expansion. This would allow the Water Department to maintain water reliability both locally and regionally and assist in competitive bidding with local contractors. Due to funding issues associated with the CIP Program, the project was further broken up into subprojects titled Contract A, B, C and D. At the time of the original agreement, it was envisioned the duration of the contracts would take between seven to nine years to complete and a no cost time extension would be needed to retain MWH. As of today, ESIP I and ESIP II have been completed and Contract A is over fifty percent complete. With almost two years remaining for completion of Contract A and then additional time for project closeout, a time extension of three years it is requested.

MWH has unique and specialized experience managing the construction of the Miramar WTP Upgrade and Expansion and other similar projects. The City would realize substantial savings by having MWH complete Contract A due to MWH's knowledge of the plant's extensive design, operational and site requirements. It would cost more money and City staff time to conduct another consultant selection process and have a new construction management firm provide services because of their unfamiliarity with the Miramar WTP requirements.

The City's agreement with MWH will expire on December 31, 2005. In order to ensure MWH's continuing services for the Miramar WTP Upgrade and Expansion, the agreement must be amended to extend the term for an additional three years. The amendment will not increase the Contract Amount as there is a sufficient balance of funds remaining from the original Council authorization. Because the Second Amendment will result in a contract term exceeding five years, approval of the amendment must be by ordinance of the Council in accordance with City Charter Section 99.

This action is also requesting authorization of additional City forces work and property-related costs for the Miramar WTP Upgrade and Expansion.

ADOPTION AGENDA, CONSENT ITEMS (Continued)

ORDINANCES TO BE INTRODUCED, WITH RESOLUTIONS TO BE ADOPTED:
(Continued)

* ITEM-60: (Continued)

FISCAL IMPACT:

No new funds are being requested by this action. The additional City force work and property related costs will be funded by previously authorized funds within this project. Water Fund 41500, CIP-73-284.0, Miramar WTP Upgrade and Expansion.

ADOPTION AGENDA, CONSENT ITEMS

RESOLUTIONS:

* ITEM-100: Funding for Telemetry Control Systems (SCADA).

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-475)

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$206,500 from Fund 41506, CIP-46-193.0, Annual Allocation – CIP Contingencies to Fund 41506, CIP-46-168.0, Telemetry Control Systems (SCADA);

Authorizing the expenditure of an amount not to exceed \$206,500 from Fund 41506, CIP-46-168.0, Telemetry Control Systems (SCADA), of which \$70,973 is for City Forces and \$135,527 is for related costs, for the purpose of providing funds to upgrade sewer pump stations with supervisory control and data acquisition systems (SCADA);

Declaring this activity is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3) because it can be seen with certainty that there is no possibility this activity will cause a significant impact on the environment;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION:

Supervisory Control and Data Acquisition (SCADA) systems are state-of-the-art computerized systems with many electronic components including PLC'S (programmable logic controllers), digital components, modems, and relays. SCADA systems at sewer pump stations use telemetry and radio control signal transmissions to provide near real time monitoring and trending of process data, specific information on the activities of pump station components, and level of flows from the remote locations.

SCADA systems allow for faster response times to prevent potential sewer spills by informing operators at the Metropolitan Operation Center (MOC) complex, who are able to observe and diagnose issues associated with sewer pump stations, the Mission Bay Sewer Interceptor System (MBSIS), and the Coastal Flow Diversion Project.

ADOPTION AGENDA, CONSENT ITEMS (Continued)

RESOLUTIONS: (Continued)

* ITEM-100: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

The SCADA system electronic and logic controllers require maintenance and parts replacements, as well as system hardware and software updates due to age and compatibility with new systems.

This action will authorize funds to be used by City Forces to complete engineering and electrical fieldwork support for upgrades to the remaining sewer pump stations with SCADA and to fund final related administration costs, including in-house engineering and contract closeouts. The support includes site meetings, inspection, plan review, testing, and other miscellaneous activities performed by the Wastewater Collection Division.

FISCAL IMPACT:

The total cost of this action is \$206,500, and funding is available in Fund 41506, CIP-46-168.0, Telemetry Control Systems (SCADA).

(North Park Community Area. District 3.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-479)

Amending the Fiscal Year 2006 Capital Improvements Program Budget for CIP-39-201.0, El Cajon Boulevard Median Improvements, in Fund 79502, North Park Developer Impact Fees, by increasing the budget amount by \$83,000;

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$231,000, of which \$216,000 is from CIP-68-011.0, Traffic Signal Modernization, Fund 30300, JO 681135; \$10,000 is from CIP-39-017.0, Annual Allocation for the Removal of Architectural Barriers, Fund 18540, Dept. 4313, Org. 1312, JO 000001; and \$5,000 is from the Fiscal Year 2004 CDBG Fund 18539, Dept. 4282, Org. 8217, JO 000001;

Certifying the appropriation and expenditure of \$309,000 from CIP-39-201.0 El Cajon Boulevard Median Improvements, of which \$83,000 is from Fund 79502; \$216,000 is from Fund 30300; \$10,000 is from Fund 18540 for the purpose of Contract Change Order No. 1; and \$5,000 is from Fund 18539;

Approving Change Order No. 1 dated August 22, 2005, issued in connection with the contract between the City of San Diego and Scheidel Contracting and Engineering, and the changes therein set forth amounting to a net increase of \$294,000;

Amending the Fiscal Year 2006 Capital Improvements Program by adding CIP-63-053.0, Bollard Repair and Replacement - Citywide;

Amending the Fiscal Year 2006 Capital Improvements Program Budget for CIP-63-053.0, Bollard Repair and Replacement - Citywide, Fund 30245, Capital Outlay by increasing the budget amount by \$5,000;

ADOPTION AGENDA, CONSENT ITEMS (Continued)

RESOLUTIONS: (Continued)

* ITEM-101: (Continued)

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$5,000 in Capital Outlay funding from CIP-39-201.0, El Cajon Boulevard Median Improvements, to CIP-63-053.0, Bollard Repair and Replacement - Citywide, Fund 30245;

Authorizing the authorization and expenditure of \$5,000 from CIP-63-053.0, Bollard Repair and Replacement - Citywide, Fund 30245, Capital Outlay, for the purpose of installing a replacement bollard on the Vermont Street Bridge;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION:

The El Cajon Boulevard Median Improvements: Texas to 30th Street Project, CIP-39-201.0, is currently under construction. The City of San Diego has a contract with Scheidel Contracting and Engineering for construction of the project. Unanticipated costs have arisen related to certain project construction items and several actions are needed in order for the project to move forward. This action would accept and authorize for expenditure additional funding totaling \$309,000 for the following items: (1) Replacement and conversion of the street light system in the El Cajon Boulevard medians between Arizona and Ohio Streets to meet current City standards; (2) Installation of upgraded traffic signal systems at Oregon and Utah Streets; (3) Payment for unforeseen but necessary construction overages, including additional paving and excavation, removal and import of topsoil and certain ADA improvements. In order to fund the selected contractor's alternate bid of \$246,000 for installation of new traffic signal systems at Oregon and Utah Streets mentioned in #2 above, \$216,000 has been identified in the Traffic Signal Modernization CIP fund for transfer to this project, leaving a funding gap of \$30,000. \$83,000 from the North Park Developer Impact Fees has been identified to cover the traffic signal modernization and additional ADA improvements. \$10,000 from the Annual Allocation for the Removal of Architectural Barriers has been identified for specific use to install the curb ramps at El Cajon Boulevard and Utah Street. In order to facilitate the above items, this action would authorize a project change order in an amount not to exceed \$294,000. An additional action would make a budget adjustment which would transfer \$5,000 in CDBG funding to El Cajon Boulevard Median Improvements and transfer \$5,000 in Capital Outlay from the project to CIP-63-053.0, Bollard Repair and Replacement - Citywide. This action would also authorize the City Auditor and Comptroller to appropriate and expend \$5,000 for installation of a replacement bollard on the Vermont Street Bridge.

ADOPTION AGENDA, CONSENT ITEMS (Continued)

RESOLUTIONS: (Continued)

* ITEM-101: (Continued)

FISCAL IMPACT:

The current Council Action would 1) Authorize an increase of \$314,000 and a decrease of \$5,000 to the FY 2006 CIP Budget for the El Cajon Boulevard Median Improvements; 2) Authorize the City Auditor and Comptroller to transfer, accept, appropriate and expend \$83,000 from North Park DIF, \$216,000 from Traffic Signal Modernization, \$10,000 from Annual Allocation for the Removal of Architectural Barriers, and \$5,000 from CDBG; 3) Authorize the City Auditor and Comptroller to transfer \$5,000 in Capital Outlay from El Cajon Boulevard Median Improvements to Bollard Repair and Replacement - Citywide and appropriate and expend \$5,000 for installation of a replacement bollard on the Vermont Street Bridge; and 4) Approve a construction change order for \$294,000.

(Uptown Community Area. District 3.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-476)

Authorizing the addition of CIP-29-896.0, Roosevelt Middle School Joint Use Improvements, to the Fiscal Year 2006 Capital Improvements Program;

Authorizing a \$400,000, increase in the Fiscal Year 2006 Capital Improvements Program Budget in CIP-29-896.0, Roosevelt Middle School Joint Use Improvements, Fund No. 79512, Uptown Developer Impact Fees for the purpose of design and construction of improvements to joint use facilities at Roosevelt Middle School (the Project);

Authorizing the City Auditor and Comptroller to appropriate and expend an amount not to exceed \$400,000, from CIP-29-896.0, Roosevelt Middle School Joint Use Improvements, Fund No. 79512, Uptown Developer Impact Fees for the Project;

Finding that this activity is exempt from the California Environmental Quality Act pursuant to State CEQA Guidelines Section 15301 because this action involves the minor alteration of an existing facility;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess Project funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION:

Roosevelt Middle School is located at 3366 Park Boulevard, at the corner of Park Boulevard and Upas Street, in the Uptown Community Planning Area. The Uptown Community Planning Area is park deficient; therefore, this project will help to satisfy the community's and San Diego Unified School District's (SDUSD's) recreational and athletic programmatic needs. The proposed improvements include the design and construction of approximately 5.0 acres of joint use facilities consisting of artificial turf multi-purpose sports fields, walkways, landscaping, parking, shade structures and ADA/accessibility upgrades to comply with current state and federal safety and accessibility requirements.

* ITEM-102: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

The City and SDUSD have been cooperating in the use of numerous recreational facilities in accordance with the City - SDUSD Recreation Agreement of September 1948, and the Memorandum of Understanding between the City and SDUSD for the Development and Maintenance of Joint Use Facilities (MOU) adopted by the San Diego City Council on October 7, 2002 (Resolution No. R-297149) and by the SDUSD's Board of Education on October 8, 2002. Prior to the construction of the proposed improvements, the City and SDUSD will enter into a ten (10) year no fee lease and joint use agreement. The joint use agreement will provide an option for three extensions at five (5) years each, for a total of fifteen (15) additional years. This project will go through the Park and Recreation Department approval process and will be presented to the Morley Field Recreation Council, Balboa Park Committee, Design Review Committee and Park and Recreation Board. Funding for design and construction of the turf fields will be provided by the City and via private donations. SDUSD is providing the land. These contributions will be used to calculate maintenance responsibilities and parity, pursuant to the terms of the MOU. This action will add Uptown Developer Impact Fees to the project for the purpose of design and construction of Roosevelt Middle School Joint Use Improvements. Construction is not fully funded and will be completed in phases, as funding is identified.

FISCAL IMPACT:

The total project cost for all phases is \$3,811,000. Funding in the amount of \$400,000 is available from Fund No. 79512, Uptown Developer Impact Fees. Maintenance costs are unknown at this time.

* ITEM-103: Retainer Agreement with Jacobs Chase Frick Kleinkopf & Kellye, LLC for Legal and Consulting Services Related to Negotiations with the San Diego Chargers.

CITY ATTORNEY'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-459 Cor. Copy)

Authorizing and directing the City Attorney to execute a retention agreement with Paul A. Jacobs of Jacobs, Chase, Frick, Kleinkopf & Kelley, LLC, for legal and consulting services related to the negotiations in a contract amount not to exceed \$100,000;

Authorizing the expenditure of an amount not to exceed 100,000 from Fund 81140, Dept. 82240, Object Account 4141, solely and exclusively, for the purpose of providing funds for the above project.

SUPPORTING INFORMATION:

On Wednesday, October 19, 2005, the Land Use and Housing Committee heard a proposal from the San Diego Chargers regarding a multi-use project that the organization wants to undertake on 60 acres of City-owned land at Qualcomm Stadium. This proposal, which would also include construction of a Charger-financed new Stadium, would involve abrogation of the current lease.

On November 1, 2005, the City Council approved of the creation of a negotiating team comprising of City Attorney Michael Aguirre, Executive Assistant City Attorney Don McGrath, Councilmembers Donna Frye and Scott Peters, with Councilmember Toni Young as an alternate, an Auditor's Department designee, and attorney Paul Jacobs, a sports business consultant. After the election, the Mayor or a Mayoral designee will be added to the group. This team would be tasked with evaluating the Qualcomm Stadium lease issues and will regularly update the Mayor and City Council on its progress of the negotiations.

The amount of \$100,000 was also approved for the retention of Paul Jacobs, Esq., for his expertise as a consultant on this matter.

CITY ATTORNEY'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-316)

Authorizing a Retainer Agreement with Latham & Watkins, LLP, for certain legal services regarding the case POA v. Michael Aguirre, et al., USDC Case No. 05CV1581H (POR);

Authorizing the expenditure of an amount not to exceed \$200,000 from Fund 81140, solely and exclusively, for the purpose of providing funds for the above project.

SUPPORTING INFORMATION:

On August 23, 2005, the Police Officers Association (POA) filed and served a complaint in the case POA v. Michael Aguirre, et al., USDC Case No. 05CV1581H (POR). The case raises a number of issues related to labor negotiations and retirement issues between the City of San Diego and the Police Officers Association.

The City needs outside legal counsel to represent certain City officials, excluding City Attorney Michael Aguirre, who is currently being represented by the law firm of Wehner & Perlman, LLP. Latham & Watkins, LLP, has been identified as the firm best capable of providing the necessary legal services. The City Attorney proposes an initial retainer in an amount not to exceed \$200,000. Non-conflicted employees in the City Attorney's Office shall monitor and direct the firm's work.

* ITEM-105: Lease Agreement with American Tower, L. P. for Communications Facility on City-Owned Property Known as Mount Woodson in the County of San Diego.

(Mount Woodson near Ramona. This is City-owned land located in the County of San Diego.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-474)

Authorizing the City Manager to execute a five-year lease agreement with two five-year options to extend with American Tower, L. P. for City-owned property located on Mount Woodson for the construction, operation and maintenance of a communications facility, at the greater of an annual minimum rent of \$72,000, or 35% of the gross rent received, on the terms and conditions set forth in the Lease Agreement;

Waiving Council Policy 700-41 regarding the use of the RFP process for the lease of City-owned land.

CITY MANAGER SUPPORTING INFORMATION:

A lease agreement for a communications facility on City-owned Mount Woodson has been in effect since 1984. American Tower has operated the facility since 1997, when they acquired the leasehold interest from Meridan Communications by merger. American Tower's primary business is licensing rack space in the equipment shelter and antenna tower to small scale users of private radio systems and to communications carriers. The current lease has expired and American Tower has requested a lease renewal. Under the terms of the proposed lease, American Tower will pay the City the greater of an initial minimum rent of \$72,000 or 35% of the gross rent received.

The terms of the proposed lease are as follows:

USE: Construction, operation and maintenance of a communications facility on Mount Woodson.

TERM: Five (5) years with two 5-year options to extend.

MINIMUM RENT: Initial annual minimum rent of \$72,000. Minimum rent is adjusted to eighty percent (80%) of the average rent paid to the City for the previous two-year period beginning at the sixth year and at the beginning of each three-year period thereafter.

* ITEM-106: First Amendment to Consultant Agreement with Project Design Consultants for University City North/South Transportation Corridor Study.

(University Community Area. District 1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-493)

Authorizing the City Manager to execute the First Amendment to the Agreement with Project Design Consultants for consulting services for the University City North/South Transportation Corridor Study under the terms and conditions set forth in the First Amendment, for an amount not to exceed \$187,836;

Authorizing the City Auditor and Comptroller to expend \$93,918 from CIP-53-044.0, Regents Road Bridge, Fund 79001, University City Facility Benefit Assessment and \$93,918 from CIP-52-458.0, Genesee Avenue – Nobel Drive to State Route 52, Fund 79001, University City Facility Benefit Assessment, for the purpose of funding the aforementioned First Amendment to Agreement, provided that the City Auditor and Comptroller first furnishes a certificate demonstrating funds are available;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess funds, if any, to the appropriate reserves;

Declaring this activity is exempt from CEQA pursuant to State CEQA Guidelines Section 15601(b)(3) because it can be seen with certainty that there is no possibility this activity will cause a significant impact on the environment.

CITY MANAGER SUPPORTING INFORMATION:

The University City North/South Transportation Corridor project is proposed as a means of improving traffic circulation within the University community area. Two of the infrastructure improvements identified in the University Community Plan are the widening of Genesee Avenue between Nobel Drive & State Route 52 and the construction of a bridge over Rose Canyon connecting the northern and southern portions of Regents Road. In 2003, the City entered into an Agreement with Project Design Consultant to facilitate public participation through a taskforce; to provide preliminary engineering & construction cost estimates for different alternatives; and to subsequently prepare the environmental document (R-297850).

ADOPTION AGENDA, CONSENT ITEMS (Continued)

RESOLUTIONS: (Continued)

* ITEM-106: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

As a result of the Public Working Committee, on third infrastructure improvements alternative, a Grade Separation at Genesee Avenue and Governor Drive, has also been proposed as a potential solution to the area wide network to meet traffic circulation needs.

A draft Environmental Impact Report (EIR) has been prepared by the City of San Diego, Land Development Review Division, for this project. A total of seven (7) transportation alternatives have been addressed equally in this EIR. These alternatives are the individual major infrastructure improvements; the Limited Roadway Improvements, which consists of minor enhancements at three locations; the combination of major and/or minor improvements; and the "No Project" option. This First Amendment to the Agreement covers unanticipated costs due to the extensive public comment on the Draft EIR. A total of 374 (over 3,000 individual comments) letters were received from a variety of sources including resource agencies, stakeholders, and community members. Many of the responses require in-depth research and technical evaluation in relation to traffic, biology and noise. Unanticipated time required on the part of the technical specialists to provide the research, coordination and response was required to address these comments. Also included in the First Amendment are the additional costs associated with miscellaneous engineering, public outreach, project management, preparation of the final document and public hearing process.

FISCAL IMPACT:

The total fee for providing services under this amendment is \$187,836. The base fee is \$127,836 and \$60,000 is available for additional services, if required. Total consultant agreement will be \$1,751,086. Funds are available from CIP-53-044.0, Regents Road Bridge, and Fund 79001 (\$93,918), University City Facility Benefit Assessment, and from CIP-52-458.0, Genesee Avenue-Nobel Drive to State Route 52, Fund No. 79001 (\$93,918), University City Facility Benefit Assessment.

* ITEM-107: Memorandum of Understanding with the Port of San Diego, City of Oceanside and Orange County for the Regional Harbor Monitoring Program.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-497)

Authorizing the City Manager to execute a Memorandum of Understanding with the Port of San Diego, the City of Oceanside, and Orange County for the Regional Harbor Monitoring Program;

Authorizing the City Manager to expend an amount of \$55,132.40 for the Regional Harbor Monitoring Program of the Storm Water Pollution Prevention Division, from Fund No. 100, Dept. 553, Org. 2200;

Authorizing the City Manager to amend Amendment No. 1 to the As-Needed Engineering Services Agreement, 2002-2005, with Brown and Caldwell, which will reduce the total not-to-exceed amount to the Contract from \$5,000,000 to \$4,949,997. The reduction will take place in the portion that was allocated to the Storm Water Pollution Prevention Division, Fund No. 100, Dept. 533, Org. 2200, amending the authorized amount from \$75,000 to \$24,997;

Declaring this activity is not subject to the California Environmental Quality Act pursuant to CEQA Guidelines Section 15378(a) because this activity will not result in a direct or reasonably foreseeable indirect physical change in the environment.

CITY MANAGER SUPPORTING INFORMATION:

On February 25, 2002, the City Council approved the as-needed agreement with Brown and Caldwell for Professional Engineering Services 2002-2005, via Resolution R-296103. The agreement provides professional engineering services for existing Metropolitan Wastewater Department (MWW) facilities, such as design studies and design improvements. The not-to-exceed contract amount of \$5,000,000, was funded from Sewer Funds 41506, 41508, and 41509.

On October 11, 2004, via Resolution R-299743, the City Council approved the reallocation of \$75,000, of the total contract amount from Sewer Funds 41506, 41508, and 41509 to the Storm Water Pollution Prevention Division (SWPPD), Fund 100, Department 533. Subsequently, Brown and Caldwell completed \$24,997, worth of work for the SWPPD, leaving a remainder contract amount of \$50,003, allocated for the SWPPD. The SWPPD needs no further work from this Brown and Caldwell agreement.

* ITEM-107: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

This proposed action includes amending the as-needed agreement with Brown and Caldwell to reflect the \$50,003 reduction, and reallocating \$50,003, within the SWPPD Fund towards the Regional Harbor Monitoring Program. The SWPPD will use this money towards a proposed \$55,132.40, City of San Diego share of the Regional Harbor Monitoring Program. The Regional Harbor Monitoring Program is proposed to be established via a Memorandum of Understanding between the City of San Diego, the Port of San Diego, the City of Oceanside, and Orange County to monitor water quality in Mission Bay, San Diego Bay, Oceanside Harbor, the Del Mar Boat Basin, and Dana Point Harbor. Previously, the participants paid for monitoring efforts separately. This program was initiated in response to an enforcement letter from the Regional Water Quality Control Board which required a single coordinated regional harbor monitoring program in order to collect comparable data on overall water quality status and trends in the individual harbors.

FISCAL IMPACT:

Funding in the amount of \$55,132.40, is available in the Storm Water Pollution Prevention Division budget, Fund 100, Dept 533, Org 2200.

CITY ATTORNEY'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-388)

Authorizing the expenditure of an amount not to exceed \$46,000, for services provided with respect to the refunding of San Diego Open Space Park Facilities District No. 1 Refunding Bonds, such amount to be derived from \$37,000, from the Capital Outlay Fund 30352, and \$9,000, from the Environmental Growth Fund 105052, provided that the City Auditor and Comptroller first furnishes one or more certificates certifying that the funds necessary for expenditure are, or will be, on deposit with the City Treasurer.

SUPPORTING INFORMATION:

The law firm of Quateman & Zidell LLP was retained pursuant to an agreement for bond counsel and disclosure counsel services, dated October 17, 2003, as amended July 24, 2004, with respect to the refunding of the San Diego Open Space Facilities District No. 1 Refunding Bonds. The agreement provides Quateman & Zidell LLP will be compensated up to 50 percent of the fees for services rendered in connection with the preparation of documents with respect to the bonds. Quateman & Zidell has submitted an invoice for the payment of \$46,000, such amount to be paid from the following funds and accounts of the City: \$37,000, from 30252 Capital Outlay Fund, and \$9,000 from 105052 (EGF) Fund Balances.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-480)

Authorizing the City Auditor and Comptroller and Chief of Police to apply for, accept and expend these Grant funds from the State of California;

Authorizing the City Auditor and Comptroller and Chief of Police to execute all aspects of the program operation, including any amendments, extensions, or renewals, for a period of up to five years, provided funding is made available by the State of California, and to certify that the City will comply with all applicable statutory or regulatory requirements related to said program;

Declaring any resources received hereunder shall be used to supplement, and not to supplant expenditures controlled by this body; and that personnel positions, if any, funded under this grant are not subject to local hiring freezes.

CITY MANAGER SUPPORTING INFORMATION:

The San Diego Police Department will receive approximately \$1,884,023 from the State of California under Assembly Bill 3229, "Citizen Options for Public Safety" (State COPS). The State designates these funds for "front line law enforcement services," and requires that the City Council appropriate and approve these funds in accordance with the request of the Chief of Police.

The San Diego Police Department plans to use these funds for police automation, vehicle, communications, safety, forensic, training, and miscellaneous equipment, maintenance and resources as needs are identified. Expenditures will contribute to the safety and efficiency of law enforcement and crime prevention services throughout San Diego.

Please note: At present, there is NO application form for these grant funds. Once approved in the State budget, they are transferred automatically.

ITEM-150: Water Department Fees and Charges.

(See City Manager Report CMR-05-214.)

TODAY'S ACTION IS:

Adopt the following resolution:

(R-2006-483)

Authorizing the changes to the Water Department fees and charges requiring Council approval as shown on City of San Diego Water Department Proposed Schedule of Fees and Charges dated November 4, 2005, which changes shall be effective on January 1, 2006;

Finding that the establishment or modification of these fees and changes are for the purpose of meeting operating expenses, and not for the funding of capital projects for the expansion of services, and therefore this activity is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15273.

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 10/26/2005, NR&C voted 4 to 0 to approve the updated schedule of existing Water Department cost recoverable fees and charges and allow the City Manager to set certain fees based on individual project estimates. (Councilmembers Young, Maienschein, Frye, and Madaffer voted yea.)

SUPPORTING INFORMATION:

The Water Department is mandated by the City Charter (Section 53), the San Diego Municipal Code (Sections 67.0203 and 67.0228) and the 1998 Master Installment Purchase Agreement to charge fees to fully reimburse the City for the cost of the services provided. The last increase in the schedule of fees and charges was approved by Council Resolution R-290820 adopted on October 6, 1998, for all fees related to the water distribution system. In addition, the Water Department also increased, per Council Resolution R-293483 adopted on July 18, 2000, the fees charged for services related to water billing and collection, as well as fees related to the Fire Hydrant Meter Program.

ADOPTION AGENDA, DISCUSSION, COMMITTEE ITEMS (Continued)COMMITTEE ON NATURAL RESOURCES, AND CULTURE,

ITEM-150: (Continued)

SUPPORTING INFORMATION: (Continued)

Under current State law and the San Diego Municipal Code, Council is required to approve modifications to water connection fees and charges which include: water service and meter installations, replacement and maintenance of publicly owned backflow devices, taps and connections into water mains, cross connection tests, and water billing and collection fees. The City Manager can approve fees related to meter credit allowance, lost or stolen meter, fire hydrant meter with deposit, cut and plug water mains, bacterial water sampling and water meter testing.

In Manager's Report No. 05-167 to the Natural Resources & Culture Committee, the Water Department requested Council authorization of adjustments to specified water connection charges. The Water Department also requested that the Council authorize the Manager to set charges for backflow assembly installations, tapping tee connections and large main connections (classified as special estimate fees). After consulting with the City Attorney's Office, the Department is withdrawing the request to authorize the Manager to set those special estimate fees. After appropriate analysis and review, the Department will bring forth updates for those special estimate fees via a separate request for Council review and approval. The Proposed Schedule of Fees and Charges has been revised accordingly and is attached to the Resolution for this item. The proposed schedule is recommended to be implemented as of January 1, 2006. Applications for construction permits that are deemed complete on or before December 31, 2005, shall be subject to the existing fee schedule for only one year from the date such applications are deemed complete.

FISCAL IMPACT:

The revised fees and charges are estimated to increase the Water Department operations and maintenance revenues by approximately \$900,000 per year. This figure includes approximately \$86,000 in additional revenues charged to other City Departments as detailed in Manager's Report No. 05-167.

ITEM-202: (Continued)

CITY MANAGER SUPPORTING INFORMATION:

The Engineering and Capital Projects Department, Transportation Engineering Design Division (TED) has a continuing need for as-needed construction contracts for small accelerated CIP construction projects such as sidewalks, pedestrian ramps and other street surface improvements. A General Requirements Contract (GRC) will provide a flexible, efficient method to construct street improvements and will reduce the time between when a smaller project is identified and when it is completed. This GRC will enable the City of San Diego to rapidly engage a contractor on necessary work with costs established in advance. The GRC will be competitively bid with a pre-established maximum dollar amount not to exceed \$1,000,000. The contractor bids unit prices on various items of work which are non-project specific. These prices remain in effect for the one-year term of the contract.

Prior to executing any GRC Task Order, General Services Department, Street Division will evaluate each task order's scope, budget and schedule, to determine if its City crews have the resources and expertise to more effectively complete the work. If a project is identified as a GRC Task, a site visit is scheduled to clarify the scope of work with the contractor. Upon agreement of scope, the City processes a Task Authorization, and issues a Notice to Proceed to the contractor. The contractor will have an incentive to deliver quality work in a timely fashion in order to get additional work under the contract.

The GRC is a tool the City of San Diego can use to effectively and efficiently execute small CIP construction contracts. Although projects costing more than \$100,000, typically are put out to bid, staff has found utilizing a GRC for smaller projects to be a faster, less costly method of getting them into construction and placed in service.

FISCAL IMPACT:

Total authorized expenditure per contract year, contingent upon Council approving appropriations, will not exceed \$1,000,000. The City obligation under this contract is to execute construction work for a minimum of \$30,000, a year during the one-year duration of the contract.

ITEM-203: Inviting Bids for the General Requirements Contract for the Construction of Minor Storm Drain Improvements at Various Locations.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-455 Cor. Copy)

Approving the contract documents and technical specifications for the General Requirements Contract for the Construction of Minor Storm Drain Improvements at Various Locations, for an amount no less than \$30,000 but not to exceed \$1,000,000, and as advertised by the Engineering and Capital Projects Department-Contract Services on Work Order No. 130075;

Authorizing the City Manager to execute the aforementioned construction contract with the lowest responsible and reliable bidder, contingent upon the City Auditor and Comptroller first furnishing one or more certificates demonstrating that funds are available;

Authorizing the City Manager to approve individual tasks of up to \$200,000 each, contingent upon the City Auditor and Comptroller first furnishing one or more certificates demonstrating that funds are available;

Authorizing the City Auditor and Comptroller to expend an amount not to exceed \$1,000,000, from Fund 30244/30300, TransNet, for the purpose of constructing minor storm drain improvements, contingent upon the City Auditor and Comptroller first furnishing one or more certificates demonstrating that funds are available;

Authorizing the City Auditor and Comptroller to expend an amount not to exceed \$30,000 from CIP-13-005.0, Fontaine Street Storm Drain Repair, Fund 30244/30300, TransNet, for the purpose of constructing minor storm drain improvements, contingent upon the City Auditor and Comptroller first furnishing one or more certificates demonstrating that funds are available;

Authorizing the City Auditor and Comptroller to transfer excess budgeted funds, if any, to the appropriate reserves on advice of the administering department;

Declaring this activity is exempt from CEQA pursuant to State CEQA Guidelines Sections 15060(b)(3) and 15378 because it is a governmental fiscal activity that is not committed to a specific project which may have a significant impact on the environment. (BID-K062825)

CITY MANAGER SUPPORTING INFORMATION:

The Engineering and Capital Projects Department, Transportation Engineering Design Division (TED) has a continuing need for as-needed construction contracts for small accelerated CIP construction projects such as repairs to existing storm drain facilities and other drainage improvements. A General Requirements Contract (GRC) will provide a flexible, efficient method to repair or construct drainage infrastructure and will reduce the time between when a smaller project is identified and when it is completed. This GRC will enable the City of San Diego to rapidly engage a contractor to repair failed flood prone drainage systems quickly in order to safeguard life and property with costs established in advance. The GRC will be competitively bid with a pre-established maximum dollar amount not to exceed \$1,000,000. The contractor bids unit prices on various items of work which are non-project specific. ITEM-205: Amendment to the Clairemont Mesa Community Plan-Chicago Street Supplemental Parking.

Matter of approving, conditionally approving, modifying or denying a Progress Guide and General Plan/Clairemont Mesa Community Plan Amendment in order to add policy language which would allow for supplemental off-site parking areas for commercial establishments on the back portion of residentially-designated properties along the west side of Chicago Street, between Ashton Street and Littlefield Street.

(Project No. 82079. Clairemont Mesa Community Plan Area. District 6.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-504)

Adoption of a Resolution amending the Clairemont Mesa Community Plan, a copy of which is on file in the Office of the City Clerk;

That the Council adopts the amendment to the Progress Guide and General Plan for the City of San Diego to incorporate the above amended plan.

OTHER RECOMMENDATIONS:

Planning Commission on November 10, 2005, voted 5-0 approve; no opposition.

Ayes: Steele, Chase, Garcia, Schultz, Otsuji

Not present: Griswold, Ontai

On October 18, 2005, the Clairemont Mesa Planning Committee voted 7-2-0 to recommend approval of the proposed amendment.

CITY MANAGER SUPPORTING INFORMATION:

Following several years of meetings led by community stakeholders, it was determined that an amendment to the Clairemont Mesa Community Plan should be prepared in order to address a severe parking deficiency in the area defined by Morena Boulevard, Ashton Street, Chicago Street, and Littlefield Street.

ITEM-205: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

Over the years, this group of stakeholders, comprised of business owners, residents, consultants and City Staff, surveyed existing conditions, identified the issues, conducted field reviews, and discussed potential short-term and long-term strategies. This community effort galvanized around a unanimous agreement that parking was a major problem around this particular block and that it would take a combined effort of the City and private businesses to resolve it. Staff's recommendation is to provide policy language in the Community Plan that will allow for supplemental parking in this limited geographic area, through a discretionary review process.

FISCAL IMPACT:

All costs associated with the preparation of the Community Plan Amendment are recovered by a deposit account with the Development Services Department.

ITEM-206: Awarding a Contract to Villa Ford, Orange, California for Furnishing Police Patrol Vehicles for the San Diego Police Department.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-527)

Authorizing the City Manager to award the contract to Villa Ford, Orange, CA, for furnishing Police Patrol Vehicles for the San Diego Police Department based on Bid No. 7219-06-Z, with an initial purchase of 103 police patrol vehicles with various options, as may be required for a period of one (1) year beginning from date of award with option to renew the contract for four (4) additional one (1) year periods, for an estimated annual purchase cost of \$3,009,436.93, including sales tax, terms 10% twenty (20) days; with price escalations not to exceed twenty-two and twenty-two hundredths percent (22.22%) of prices in effect at the end of each prior contract year;

Authorizing the estimated FY 2006 expenditure of \$2,439,923.53, from Fund No. 100, Department No. 110, Org. No. 79931, Object Account No. 6013, and Job Order No. 079931, be approved for the initial purchase of 103 police patrol vehicles with various options to replace the existing fleet, solely and exclusively for providing funds for said contract;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves;

Declaring this activity is not subject to the California Environmental Quality Act as provided in Guidelines Section 15060(c)(3) because the purchase is a continuing administrative or maintenance activity, and therefore not a project pursuant to Guidelines Section 15378(b)(2).

CITY MANAGER SUPPORTING INFORMATION:

City Council approval is requested to award a contract for the purchase of Police Patrol Vehicles for the San Diego Police Department based on Bid No. 7219-06-Z, with an initial purchase of one hundred three (103) police patrol vehicles with various options, as may be required for a period of one (1) year beginning from date of award, with options to renew the contract for four (4) additional one (1) year periods, for an estimated annual purchase cost of \$3,009,436.93, including sales tax, terms 10% twenty (20) days; with price escalations not to exceed twenty-two and twenty-two hundredths percent (22.22%) of prices in effect at the end of each prior contract year.

ITEM-206: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

All units are replacement units for similar pieces of equipment that have all exceed their useful life of approximately one hundred twenty thousand (120,000) miles.

Eighteen (18) potential bidders were contacted, and eight (8) bids and one (1) alternate bid were received per the tabulation. Award is recommended to the low responsive and responsible bidder meeting specifications, Villa Ford, Orange, CA.

In an effort to seek additional potential price discounts and to assist other public agencies, this bid was processed as a cooperative procurement which included the City of La Mesa, the City of Escondido, and the City of Chula Vista.

FISCAL IMPACT:

FY 2006 Estimated Cost: \$2,439,923.53.

Annual Estimated Cost: \$3,009,436.93.

The FY 2006 budget includes 4.5M for vehicles. The department plan is to purchase \$4.5M worth of vehicles annually to improve the aged fleet. The DMG Maximus study which was conducted on a city-wide basis recommended an annual allocation of \$6.0M for Police to maintain its fleet at an acceptable level. The Department currently has 368 vehicles over 100,000 miles. Industry standard for replacement is 75,000 - 80,000 miles. Last year the Police Department purchased 174 vehicles.
