* ITEM-106: State Route 75 (Palm Avenue) Deficiency Plan.

(See SANDAG Congestion Management Program Deficiency Plan, State Route 75 (South) I-5 to 16th Street. Otay Mesa-Nestor Community Area. District 8.)

**CITY MANAGER’S RECOMMENDATION:**

Adopt the following resolution:

(R-2006-57) ADOPTED AS RESOLUTION R-300963
Adopting the State Route 75 (Palm Avenue) Deficiency Plan.

CITY MANAGER SUPPORTING INFORMATION:

The proposed action is the adoption of the State Route 75 (Palm Avenue, west of Interstate 5) Deficiency Plan, in the community of Otay Mesa-Nestor. State Proposition 111, passed by the voters in 1990, established a requirement that urbanized areas prepare and regularly update a Congestion Management Plan (CMP). The purpose of the CMP is to monitor the performance of our transportation system and develop programs to address near-term and long-term congestion. According to the CMP statute, Deficiency Plans are required for the roadways that do not meet the adopted level of service (LOS) standard. The adopted LOS standard in the San Diego region is "E". As described in the 2002 CMP Update, State Route 75 (Palm Avenue), between 1-5 and 16th Street, was identified as a deficient segment based on 2001 roadway traffic conditions. The Deficiency Plan was prepared by the San Diego Association of Governments (SANDAG), which is also the region's Congestion Management Agency, with participation of staff from Metropolitan Transit System (MTS), California Department of Transportation (Caltrans), City of Imperial Beach, San Diego Air Pollution Control District, and the City of San Diego's Planning Department. The Deficiency Plan evaluates current traffic conditions, identifies existing deficiencies, and proposes site-specific "Direct Fix" strategies. Implementation of the proposed improvements in the plan is expected to improve the level of service at the intersection of SR 75 (Palm Avenue) with Saturn Boulevard, from "F" to "E". A copy of "Congestion Management Program Deficiency Plan, State Route 75 (South) 1-5 to 16th Street" will be on file in the Office of the City Clerk.

FISCAL IMPACT:

None with this action. The proposed improvements are approved by Caltrans. The subject roadway is a state route and the costs of improvements are typically borne by Caltrans.

CITY MANAGER SUPPORTING INFORMATION:

The Securities and Exchange Commission (SEC), U.S. Attorney's Office (USAO) and the District Attorney's Office are undertaking investigations into certain financial disclosure practices by the City. These investigations are ongoing and certain elected City Officials have been asked to participate in interviews and proceedings, including compliance with subpoenas.

In a report to the Mayor and City Council dated January 31, 2005, the City Attorney states "in our view it is appropriate for the Mayor and City Councilmembers to have separate counsel to advise them in anticipation of a civil proceeding by the SEC".

The City Manager engaged legal firms on behalf of the Mayor and City Council related to these investigations. Due to the complexity of the issues and the large number of documents involved, the City Council authorized $851,000 on June 28, 2005, for Mayor and Council representation as follows: $210,000 for Mayor Murphy, $130,000 for Councilmember Peters, $53,000 for Councilmember Zucchet, $158,000 for Deputy Mayor Atkins, $150,000 for Councilmember Maienschein, and $150,000 for Councilmember Madaffer. At that time, authorization actions were not proposed on behalf of Council members Young, Frye and Inzunza.

The investigations are continuing; based on invoices received to date, and in order to ensure uninterrupted outside legal services, the Manager requests initial authorizations or increased authorizations totaling $435,000 on behalf of Council members as follows:
A. $50,000 increase for Mayor Murphy - Sheppard Mullin Richter & Hampton, LLP - new total $260,000 (Aud. Cert. 2600272)

B. $50,000 increase for Councilmember Peters - Sheppard Mullin Richter & Hampton, LLP - new total $180,000 (Aud. Cert. 2600273)

C. $50,000 increase for Councilmember Zucchet - Coughlan, Semmer & Lipman, LLP - new total $103,000 (Aud. Cert. 2600274)

D. $50,000 increase for Deputy Mayor Atkins - Morrison & Foerster, LLP - new total $208,000 (Aud. Cert. 2600276)

E. $50,000 increase for Councilmember Maienschein - Morrison & Foerster, LLP - new total $200,000 (Aud. Cert. 2600277)

F. $85,000 increase for Councilmember Madaffer - Akin Gump Strauss Hauer & Feld, LLP - new total $235,000 (Aud. Cert. 2600279)

G. $100,000 initial authorization for Council member Inzunza - new total $100,000 (Aud. Cert. 2600280)

Subitem-C: (R-2006- ) CONTINUED TO TUESDAY, NOVEMBER 1, 2005

CITY MANAGER SUPPORTING INFORMATION:

In February of 2005, the City of San Diego ("City") entered into an agreement with Kroll, Inc. ("Kroll") to receive, review and evaluate the findings of the investigations performed by Vinson & Elkins ("V&E") and the City Attorney, and to provide consulting assistance in assessing internal control deficiencies affecting matters discussed in the investigation reports (see attached agreement with Kroll).

The original agreement was for a not-to-exceed amount of $250,000. Four subsequent amendments increased the not-to-exceed amount to $3,525,000, and another amendment is before the Mayor and City Council today requesting an additional amount of $1,750,000, bringing the total not-to-exceed amount to $5,275,000.

Kroll will also be utilizing independent legal counsel from the firm of Willkie, Farr & Gallagher LLP ("Willkie, Farr"). Willkie, Farr's role will be to provide counsel and assistance to Kroll and the Audit Committee in connection with the independent investigation into SDCERS finances and disclosure, as well as with other matters that, in the judgment of the Audit Committee, may require inquiry or investigation. Willkie, Farr will report exclusively to the Audit Committee, serving with complete independence from the Mayor and City Council, the City, and the City's departments, agencies and elected officials.

Funding for the retention of Willkie, Farr in the amount of $500,000 was approved by the Mayor and City Council in May of 2005. Three subsequent amendments increased the not-to-exceed amount to $2,650,000. An additional amendment is before the Mayor and City Council today, requesting an additional $1,250,000 to cover estimated expenses for November through December of Fiscal Year 2006, and would bring the total not-to-exceed amount to 3,900,000.

The requested funding is consistent with information presented to the Mayor and City Council on October 10, at which time the City Manager's Office outline anticipated future spending requirements for the audit and financial investigations.
