

COUNCIL POLICY

SUBJECT: COMMUNITY PLANNERS COMMITTEE

POLICY NO.: 600-09

EFFECTIVE DATE: February 20, 1975

BACKGROUND:

The increasing involvement of citizens of San Diego in planning programs is unique for many reasons, the more notable of which include the extent to which positive accomplishments are already emerging from this process coupled with the broadening citywide realization of the future benefits of insuring a better city that are possible from such efforts. The City Council, in early recognition of these advantages, established in 1965 Policy 600-05, clearly indicating official encouragement and support of citizen participation.

The adoption in 1967 of the Progress Guide and General Plan for the City of San Diego, the subsequent establishment in 1968 of Policy 600-07 setting forth a procedure for periodic review of the General Plan, the previously stated progress experienced in formulating, adopting and implementing community plans, all combine to illustrate the growing need to insure coordination between the General Plan, the many Community Plans and the many interrelated efforts required for their effectuation. Such coordination must be insured on a comprehensive citywide basis.

Effort to insure this comprehensive coordination should maximize the invaluable knowledge, experience and dedication towards community planning and development already demonstrated by San Diego citizens. To this end, a citizens organization should be formed with principal focus upon the General Plan and citywide issues related to it in a way that would assist the City Council, Planning Commission and Planning Department and the City Manager in guiding future growth of the City. Establishment of this citizens organization would represent a continuation of the original concept of citizen involvement utilized in initially formulating the General Plan.

PURPOSE:

The purpose of this Policy is to establish a citizens organization responsible in an advisory capacity to the City on those matters related to the General Plan and respective Community Plans.

POLICY:

It shall be the policy of the City to provide on a continuing basis a citizens committee responsible for advising the City Council, Planning Commission and Planning Department, City Manager and other appropriate agencies on those matters related to the General Plan, its amendment, implementation, and coordination with Community Plans and related planning and development programs.
