§22.2402 Planning Department — Powers and Duties of the Planning Director

- (a) The Planning Department is a City department. The department is responsible for long-range planning of the City’s communities and neighborhoods. The department’s responsibilities also include historic resource analysis, the multiple species conservation program, and environmental policy and analysis. An environmental section responsible for all California Environmental Quality Act policy in the City shall serve as a section of the department. The Planning Director is the administrative head of the department and shall be appointed by and may be removed by the Mayor.
- (b) The Planning Director, under the direction of the Mayor or City Manager and with policy direction of the City Council and policy guidance and recommendations of the Planning Commission, shall be responsible for performing those duties and functions as assigned and directed by the Mayor or City Manager. Such activities, as may be assigned, shall be performed as required by federal, state and local law and regulations as may be promulgated by the Mayor or City Manager.
- (c) The environmental section of the Planning Department shall maintain that degree of independence in the performance of its functions and duties as will assure the Mayor or City Manager, the City Council, Planning Commission and the people of the City of San Diego that its review and analysis of the environmental consequences of projects under its purview, whether beneficial or detrimental, are independent and wholly objective and are not prepared for the purpose of either supporting or detracting from any project, plan or position, whether advanced by the City, any other governmental agency, a developer, a citizen or a group of citizens.
