Article 2: Administrative Code

Division 42: City of San Diego Living Wage Ordinance
(Added 6/6/2005 by O-19386 N.S.)

§ 22.4201 Purpose and Intent

The City awards many taxpayer-funded agreements to businesses that provide services to the public and to the City or that are intended to promote economic development, job creation, and retention. The City also owns, operates, manages, or leases sports, entertainment, or convention facilities and contracts with businesses to use these facilities or provide services at these locations to the public. It is the experience of the City that many of these services to the public and to the City are provided by workers who live at or below the poverty line. This Division provides that when agreements, including service contracts, financial assistance agreements, and City facilities agreements are extended by the City to businesses these taxpayer funded benefits are used in a way that advances the interests of the City as a whole, by creating jobs that keep workers and their families out of poverty. This Division therefore requires covered employers and their subcontractors to pay their employees a wage that will enable a full-time worker to meet basic needs and avoid economic hardship. Paying services employees a living wage is intended to improve the quality of services provided to the City and to the public by reducing high turnover, absenteeism, and instability in the workplace. This Division also promotes the City’s policies and programs that seek to meet the employment and economic development needs of the City and its workforce. Businesses that do not fall into any of the above described categories are not required to comply with this Division.

§22.4220 Payment of Living Wage and Provision of Benefits

(a) Covered employers subject to this Division must pay covered employees the hourly wage rate and health benefits rate posted on the City’s web site for that fiscal year.

(b) The hourly wage rates will be upwardly adjusted each July 1 to reflect the change in the Consumer Price Index for All Urban Consumers for the San Diego – Carlsbad – San Marcos Metropolitan Statistical Area for the twelve-month period preceding December 31. The health benefits rate will be consistent with the Affordable Care Act and any other applicable federal and state law provisions. Prior to April 1 of each year, the City will calculate the new rates and provide notice to all covered employers by posting on the City’s web site the rates in effect for the next fiscal year.

(c) Covered employers must provide to each covered employee a minimum of eighty hours per year of compensated leave. Compensated leave must vest as accrued, in accordance with applicable state law and covered employer policies. Part-time employees must accrue compensated leave at a rate proportional to full-time employees. (e) Covered employers must also permit covered employees to take a minimum of eighty hours of uncompensated leave per year to be used for the illness of the covered employee or a member of his or her immediate family, when the covered employee has exhausted all accrued compensated leave.
(f) This section does not mandate the accrual from year to year of uncompensated leave.

(g) The City will provide covered employers with credit toward the total amount of compensated leave required under this Division for the paid sick leave they must provide under the California Healthy Workplaces, Healthy Families Act of 2014.

(h) Covered employers must pay covered employees the state prevailing wage rate as specified in section 22.3019 if the prevailing wage rate is higher than the wage rate specified in this Division. The poster must be at the site of work, or a site frequently accessed by covered employees, in a prominent and accessible place where it can easily be seen by covered employees. (b) The court may award the following monetary damages to a covered employee who proves a violation of this Division:

(2) For failure to pay the health benefits rate on applicable service contracts, financial assistance agreements, and City facilities agreements, the difference between the health benefits rate required by this Division and the amount actually paid towards the health benefits rate for the covered employee, plus interest, and penalties for willful violations.

Retaliation includes but is not limited to unfair immigration-related practices, or any other discriminatory practice that violates federal or state law; or

(2) Discharge, reduce in compensation, or otherwise discriminate against any covered employee for complaining with regard to the covered employer’s practices with respect to this Division, for opposing any practice proscribed by this Division, for participating in proceedings related to this Division, for seeking to enforce his or her rights under this Division by any lawful means, or for otherwise asserting rights under this Division.
(e) A covered employee claiming a violation of the Division may file a complaint with the City. The City shall investigate and address any alleged violation of this Division’s requirements, and shall convey the results of the investigation to the complainant within sixty days, with reasonable thirty-day extensions. However, the City's failure to investigate an alleged violation or otherwise enforce any of the provisions of this Division does not create any right of action to recover damages from the City by any person, including but not limited to an aggrieved covered employee.

(f) Whether based upon a complaint or otherwise, where the City Manager has determined that a covered employer has violated this Division, the City Manager shall issue a written notice to the covered employer that the violation is to be corrected within thirty days. If the covered employer does not demonstrate to the City Manager within such period that it has substantially cured any material violation, the City Manager shall take one or more of the following enforcement actions:

(1) Declare a material breach of the service contract, financial assistance agreement, or City facility agreement and exercise the City’s contractual remedies, which are to include, but not be limited to, suspension or termination of the service contract, financial assistance agreement, or City facility agreement and the return of monies paid by the City for services not yet rendered.

(2) Institute proceedings under Chapter 2, Article 2, Division 8 to debar the covered employer from future City contracts for three years or until all penalties or restitution have been fully paid, whichever occurs last.

(3) Request a determination of non-responsibility under Chapter 2, Article 2, Division 30.

(C) The City's administrative costs.

(5) Refer violations of this Division to appropriate local, state, and/or federal agencies and authorities.

(g) If a covered employer is determined by the City Manager to have violated this Division two or more times in a two-year period, the City Manager shall take enforcement action pursuant to section 22.4230(f), even if the covered employer has substantially cured any material violations.

(h) A violation of this Division is not subject to prosecution as a misdemeanor or infraction, notwithstanding any other provision of this Code.

(i) This Division is not to be construed to limit a covered employee’s right to bring legal action for a violation of any other laws concerning wages, hours, or other standards or rights, nor is exhaustion of remedies under this Division a prerequisite to the assertion of any other such right.
