**§22.4601 Department of Communications**

The Department of Communications is a City department. The Director is the administrative head of the department and shall be selected by the City Manager. The Director shall be the appointing authority of all personnel authorized in the department. The department is responsible for all City communication-related functions. These functions include: CityTV; internal communications; multimedia services; and public information. The department shall have responsibility and authority over all City external and internal communications to ensure consistent and effective management of information and to improve the ability of the Mayor and the Council to communicate with the public and the City workforce.
