**§32.51 Purpose**

The City Council of The City of San Diego hereby declares that these sections are adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- (b) To adopt sales and use tax requirements which incorporate provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.5 of Division 2 of the said Revenue and Taxation Code;
- (c) To adopt a sales and use tax law which imposes one per cent (1%) tax and provides a measure therefor that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practical to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes;
- (d) To adopt sales and use tax requirements which can be administered in a manner that will, to the degree possible consistent with the provisions of Part 1.5 of Division 2 of the said Revenue and Taxation Code, minimize the cost of collecting city sales and use taxes and at the same time minimize the burden of record keeping upon persons subject to taxation under the provisions of these sections.
