

Article 3: Police Regulated Occupations and Businesses**Division 6: Exemptions****§33.0601 Exempt Institutions**

The provisions of this Article shall not be construed to require the payment of any permit fee by any federal, state, county or municipal organization, or any non-profit organization, organized and qualified under the laws of the United States or California as a tax-exempt organization. The issuance of a tax-exempt certificate by the California State Franchise Tax Board shall be conclusive evidence of such exempt status.

In order to obtain a free permit the non-profit organization shall file with the permit application a written statement setting forth the necessary facts including documentation in support of any claim for exemption from payment of the permit fee.

The required permit shall expire at midnight one calendar year from date of issue, or, on a specified date if for an occasional activity. Renewal shall be subject to the same provisions as the original application.
