§33.4501 Purpose and Intent

It is the purpose and intent of this Division to provide for local regulation of retail businesses that sell tobacco products, tobacco paraphernalia, electronic cigarettes, electronic cigarette paraphernalia, and vaping juice by requiring police permits. The intent is to discourage violations of law prohibiting the sale or distribution of tobacco products and electronic cigarettes to minors to protect their health, welfare, and safety. Further, because of the increasing popularity of electronic cigarettes and the unknown health risks associated with their use, it is the purpose of this Division to regulate the sale of vaping juice, which is often packaged and marketed to attract youth. It is also the intent that all costs associated with the administration and enforcement of this Division be borne by tobacco retailer and electronic cigarette retailer applicants and permittees. It is further the intent that recoveries hereunder shall be used to pay the costs of administering and enforcing this Division.
