A marijuana outlet shall not include clinics licensed by the State of California pursuant to Chapters 1, 2, 3.01, 3.2, or 8 of Division 2 of the California Health and Safety Code.

Marijuana production facility means individual or combined uses, operating with a Conditional Use Permit in accordance with section 141.1004, engaged in the agricultural raising, harvesting, and processing of marijuana; wholesale distribution and storage of marijuana and marijuana products; and production of goods from marijuana and marijuana products consistent with the requirements of State of California Statutes and the California Departments of Food and Agriculture, Consumer Affairs, and Public Health regulations.

Qualified patient means a California resident having the right to obtain and use marijuana for medical purposes where that medical use is deemed appropriate and has been recommended by a physician who has determined that the person’s health would benefit from the use of marijuana in the treatment of cancer, anorexia, AIDS, chronic pain, spasticity, glaucoma, arthritis, migraine, or any other illness for which marijuana provides relief, in accordance with state law, including California Health and Safety Code section 11362.5.
Responsible person has the same meaning as in San Diego Municipal Code section 11.0210, and includes an employee and each person upon whom a duty, requirement or obligation is imposed by this Division, or who is otherwise responsible for the operation, management, direction, or policy of a marijuana outlet or a marijuana production facility.
