(d) It is further the intent of the Council to foster a mix of family incomes in projects assisted by the Fund and to disperse affordable housing projects throughout the City, in accordance with its Balanced Communities Policy and its intent to achieve a balance of incomes in all neighborhoods and communities so that no single neighborhood experiences a disproportionate concentration of housing units affordable to very low, low, and median income households.

(e) It is the purpose and intent of this part to preserve and maintain renter and ownership housing units which are affordable to low, very low, and moderate income households and are located within the City, including federally assisted units and units located in mobile home parks.
