(Added 10-2-2000 by O-18854 N.S.)

Division 2: Central Urbanized Planned District
(Added 10-2-2000 by O-18854 N.S.)

§155.0201 Purpose of the Central Urbanized Planned District

The purpose of the Central Urbanized Planned District is to assist in implementing the goals and objectives of the Mid-City Communities Plan and the College Area Community Plan. For residential uses, these goals and objectives include the development of quality single and multiple dwelling units that are compatible in scale and character with existing neighborhoods. For non-residential uses, the goals and objectives include developing sites that offer a broad range of goods and services on sites that can expand to meet economic development needs of the community. The goals also seek to provide an opportunity for light manufacturing uses in appropriate commercial districts, to encourage commercial/ residential mixed-use development, and to provide attractive design that is consistent with the existing commercial character.

§155.0232 Additional Residential Zones Development Regulations within the Central Urbanized Planned District

The following additional development regulations apply in the Central Urbanized Planned District:

- (a) Residential Architectural Features. All new multiple *dwelling units* in any residential zone shall include the following architectural features, unless a Planned Development Permit is obtained.
 - (1) All windows shall be of a similar material and maintain a consistent design character throughout.
 - (2) There shall be no more than two different wall siding materials on any single building.
 - (3) Each residential building shall include at least five architectural features all to be chosen from one of the following styles:
 - (A) Contemporary Style Structures
 - (i) Multiple pitched roofs
 - (ii) For three or more multiple dwelling units at least one chimney per three dwelling units
 - (iii) At least one clerestory window for each 50 feet of *street* elevation
 - (iv) Wood window frames
 - (v) At least one transom window
 - (vi) Front entry porch
 - (vii) Window awnings on all windows facing a *street*
 - (viii) Planted wall mounted lattice with plants
 - (ix) Windows recessed at least two inches
 - (x) Eaves with a minimum 18-inch overhang

(B) Spanish Style Structures

- (i) Wrought iron railings on at least all *street* facing elevations
- (ii) Entrance pergola
- (iii) Canvas awnings on all windows facing a *street*
- (iv) Integral ceramic tile wall detail
- (v) Buttressed *street* wall
- (vi) Wood window frames
- (vii) Clay or concrete tile roof over at least 80 percent of the coverage
- (viii) At least two different mass heights, each measuring at least 10 percent of the building coverage.
- (ix) Battered window openings with a minimum 6 inch depth on at least all street facing windows.
- (x) Molded stucco wall detail

(C) Bungalow Style Structures

§155.0233 Exceptions to the Commercial Zones Development Regulations within the Central Urbanized Planned District

- (a) In the CN-1-3, CC-4-3, CC-5-3 and CC-5-4 zones, *single dwelling units* with or without commercial or industrial *development* are permitted.
- (b) In the CN-1-3 and CC-5-4 zones, *multiple dwelling unit development* with or without a non-residential component may be permitted provided that the density does not exceed 75 percent of the density that would be permitted in a mixed-use *development*. A Planned Development Permit is required for *development* abutting El Cajon Boulevard or University Avenue as described in Section 155.0253(b).
- (c) In the CR-2-1, CC-4-3, CC-5-3 and CC-5-4 zones, Warehouses, Wholesale Distribution, and Light Manufacturing may be permitted subject to the regulations contained in Section 155.0253(f).

- (d) In the CC-5-4 zone, Processing and Packaging of Plant Products and Animal By-Products Grown Off-premises, of which only Custom Poultry Processing Facilities are permitted and only between I-805 and 54th Street, with a Conditional Use Permit decided in accordance with Process Three as described in Section 155.0251(c).
- (e) In the CC-4-3, CC-5-3 and CC-5-4 zones, a Conditional Use Permit issued in accordance with Process Three is required for Alcoholic Beverage Outlets as described in Section 155.0251(d).
- (f) In the CC-4-3, CC-5-3 and CC-5-4 zones, a Conditional Use Permit issued in accordance with Process Three is required for Specialized Practice Massage Establishments as described in Section 155.0251(e).

§155.0234 Additions to the Commercial Zones Regulations within the Central Urbanized Planned District

- (a) In the CN-1-3, CR-2-1, CC-2-3, CC-4-3, CC-5-3 and CC-5-4 zones, Section 155.0244 Architectural Requirements for CU Zones, apply.
- (b) In the CN-1-3, CC-4-3, CC-5-3 and CC-5-4 zones, *single dwelling unit residential development* with or without a non-residential component is permitted.

(Added 10-2-2000 by O-18854 N.S.)

(Renumbered from 151.0234 to 155.0234 by SDMC 11.0207 effective 4-26-2007.)

§155.0235 Purpose of the Central Urbanized (CU) Commercial Zones

The purpose of the CU zones is to allow different types of mixed uses at varying densities. The CU zones are differentiated based on the uses allowed and regulations as follows:

- (a) The following zones allow a mix of neighborhood serving commercial uses and lower density residential use:
 - CU-1-1 is intended to accommodate *development* combining low density residential and low intensity commercial uses.
 - CU-1-2 is intended to accommodate *development* combining low-medium density residential and low intensity commercial uses.

- (b) The following zones allow a mix of heavy commercial and limited industrial uses with residential uses:
- CU-2-3 is intended to accommodate *development* with pedestrian orientation and medium-high density residential use.
 - CU-2-4 is intended to accommodate *development* with pedestrian orientation and high density residential use.
 - CU-2-5 is intended to accommodate *development* with a high intensity, pedestrian orientation and medium-high density residential use.
- (c) The following zones allow a mix of pedestrian-oriented, community serving uses, limited industrial uses and residential uses:
- CU-3-3 is intended to accommodate *development* with a pedestrian orientation and medium-high density residential use
 - CU-3-6 is intended to accommodate *development* with strip commercial characteristics and medium density residential use
 - CU-3-7 is intended to accommodate *development* with strip commercial characteristics and low density residential use
 - CU-3-8 is intended to accommodate *development* with strip commercial characteristics and low-medium density residential use
- (d) The purpose of the CT (Commercial-Transitional) zones is to provide a transition area between commercial use areas and residential use areas. The CT zones are intended to allow an existing or new commercial use to expand on property which is located in both a transition zone and the adjoining commercial zone and which fronts on a major street. Otherwise, transition zoned lots may be developed with a residential use at the designated density. The CT zones are differentiated based on the uses allowed and regulations as follows:
- CT- 5-4 is intended to provide transition between the CC-5-4 zone and abutting residential use areas.
 - CT-2-3 is intended to provide transition between the CU-2-3 zone and abutting residential use areas.

- CT-2-4 is intended to provide transition between the CU-2-4 zone and abutting residential use areas.
- CT-3-3 is intended to provide transition between the CU-3-3 zone and abutting residential use areas.

§155.0236 Use and Development Regulations of Commercial-Transition (CT) Zones

- (a) CT- 5-4. *Development* in the CT-5-4 zone is subject to the CC-5-4 zone use and development regulations if any portion of the *development* is also within the CC-5-4 zone and fronts on a major street as designated in the applicable community plan. If no portion of the development is in the CC-5-4 zone or if no portion fronts on a major street then the RM-2-5 zone use and development regulations apply.
- (b) CT-2-3. Development in the CT-2-3 zone is subject to the CU-2-3 zone use and development regulations if the *development* is also within the CU-2-3 zone and fronts on a major street as designated in the applicable community plan. If no portion of the development is in the CU-2-3 zone or if no portion fronts on a major street then the RM-2-5 zone use and development regulations apply.
- (c) CT-2-4. Development in the CT-2-4 zone is subject to the CU-2-4 zone use and development regulations if the *development* is also within the CU-2-4 zone and fronts on a major street as designated in the applicable community plan. If no portion of the development is in the CU-2-4 zone or no portion fronts on a major street, then the RM-2-5 zone use and development regulations apply.
- (d) CT-3-3. Development in the CT-3-3 zone is subject to the CP-1-1 zone use and development regulations if the *development* is also within the CU-3-3 zone, or the RM-1-2 zone use and development regulations if the project site is not within the CU-3-3 zone.

§155.0240 Additional Use Regulations of CU Zones

- (a) In the CU-1-1, CU-1-2, CU-2-3, CU-3-6, CU-3-7 and CU-3-8 zones, *multiple dwelling unit residential development* without a non-residential component may be permitted provided that the density does not exceed 75% of the density permitted in a mixed-use *development*, except that properties abutting El Cajon Boulevard or University Avenue are subject to a Planned Development Permit as described in Section 155.0253(b).
- (b) In the CU-1-1 and CU-1-2 zones, Retail Sales, Office and Commercial Services use categories, as indicated in Table 155-02C, shall be subject to the following:
 - (1) A minimum of 50 percent of the *gross floor area* of the premises shall be residential in use.
 - (2) The *gross floor area* of the non-residential use shall not exceed 2,500 square feet.
 - (3) No premises shall contain more than one Retail Sales or Commercial Service establishment.
 - (4) Unless otherwise provided for in Section 155.0240(b), all non-residential activities including storage shall be located within an enclosed building.
 - (5) All activities associated with the non residential use shall occur between the hours of 8:00 a.m. and 10:00 p.m.

- (6) A maximum of five employees or business owners or a combination thereof may engage in Retail Sales, Office or Commercial Services activities on-site at any given time during business hours.
 - (7) The one-hour average sound level shall not exceed 55 decibels on or beyond the boundaries of the property on which the noise is produced. All other Noise Abatement and Control regulations established in Chapter 5, Article 9.5 shall apply.
 - (8) Only one licensed commercial vehicle used by the establishment for commercial purposes may be parked on the premises. The commercial vehicle shall not exceed a one-ton carrying capacity.
- (c) In the CU-1-1 and CU-1-2 zones, the following sign regulations apply:
- (1) Land Development Code Section 142.1270, Signs in Multiple Dwelling Unit Residential Zones; and
 - (2) One *sign per street frontage* identifying the principal uses of the premises is permitted, provided that the combined area of all *wall signs* and *ground signs* does not exceed 12 square feet.

- (1) For retail sales, office and commercial services use categories in the CU-1-1 and CU-1-2 zones, each *building facade* shall incorporate a door providing direct pedestrian access to the *structure* from the public street.
- (2) One *dwelling unit* per specified minimum square footage of lot area as determined in accordance with Land Development Code Section 113.0222.
- (3) Where residential *development* is permitted, the corresponding development regulations of the RS and RM zones as appropriate according to the maximum permitted residential *density* apply, except that the lot area, lot dimensions, *setback*, *floor area ratio*, and *structure height* requirements of the applicable commercial zone apply.
- (4) The minimum *setback* is 20 feet with parking in the street yard and 10 feet with no parking in the *street yard*.

- (5) See Section 131.0543(a)(2).
- (6) See Section 131.0543(a)(3).
- (7) An additional 6 feet in height is permitted for uninhabitable space necessary for a pitched roof, towers, or other architectural appurtenances, provided however, that the additional area of height does not exceed 10 percent of the total building footprint, as measured in plan view.
- (8) For *development* that consist of 3 to 7 *dwelling units*, the maximum *floor area ratio* shall be 1.0. For *development* within a historic district or property included on the State Historic Resources Inventory, as defined in Section 5020.1 of the Public Resources Code, or within a *premise* that is designated as a historical resource consistent with Chapter 12, Article 3, Division 2 of the San Diego Municipal Code, the maximum *floor area ratio* does not increase.
- (9) For *development* that consist of 8 to 10 *dwelling units*, the maximum *floor area ratio* shall be 1.0. For *development* within a historic district or property included on the State Historic Resources Inventory, as defined in Section 5020.1 of the Public Resources Code, or within a *premise* that is designated as a historical resource consistent with Chapter 12, Article 3, Division 2 of the San Diego Municipal Code, the maximum *floor area ratio* does not increase.

§155.0243 Maximum Floor Area Ratio

Maximum *floor area ratio* is specified in Table 155-02D.

Floor Area Ratio Bonus for Child Care Facilities

In the CU zones, a *floor area ratio* bonus over the otherwise maximum allowable *gross floor area* is permitted at the rate of 10 square feet of additional *gross floor area* for each 1 square foot of *gross floor area* devoted to the *child care facility* to be added to the total area of the *premises* when determining the *floor area ratio* for a *development*. The area designated for the *child care facility* must maintain an ‘E’ occupancy permit for a minimum of 10 years from the time of *construction permit* issuance and must comply with the requirements of Section 141.0606 (Child Care Facilities).

(“Maximum Floor Area Ratio” added 7-22-2024 by O-21836 N.S.; effective 10-5-2024.)

[Editors Note: Amendments as adopted by O-21836 N.S. will not apply within the Coastal Overlay Zone until the California Coastal Commission certifies it as a Local Coastal Program Amendment.

(Renumbered from 151.0244 to 155.0244 by SDMC 11.0207 effective 4-26-2007.)

§155.0250 General Regulations in the Central Urbanized Planned District

All provisions of Chapter 14 (General Regulations) apply within the Central Urbanized Planned District except for the regulations in Sections 155.0251 through 155.0253.

(Added 10-2-2000 by O-18854 N.S.)

(Amended and Renumbered from 151.0250 to 155.0250 by SDMC 11.0207 effective 4-26-2007.)

§155.0251 Separately Regulated Uses

The following additional separately regulated use regulations apply in the Central Urbanized Planned District:

- (a) Eating and Drinking Establishments Abutting Residentially Zoned and Open Space Zoned Property. Eating and drinking establishments on *premises* abutting a residential or open space-residential *lot* are permitted as a limited use in the zones indicated with an “L” in the Use Regulations Table 155-02C subject to the regulations in Section 155.0251(a)(1). Eating and drinking establishments on *premises* abutting a residential or open space-residential *lot* in the zones indicated with an “N” in the Use Regulations Table 155-02C may be permitted with a Neighborhood Use Permit subject to the regulations in Section 155.0251(a)(2).

- (1) Limited Use Regulations

- (A) Eating and drinking establishments abutting a residential or open space-residential *lot* may operate only during the hours between 6:00 a.m. and 12:00 midnight.

- (2) Neighborhood Use Permit Regulations

- (A) Eating and drinking establishments abutting a residential or open space-residential *lot* may operate only during the hours between 6:00 a.m. and 10:00 p.m.
 - (B) Outdoor seating or service areas shall be limited in size and location and screened from an abutting residential *lot* as needed.
 - (C) Live entertainment is not permitted.
 - (D) Drive-up or drive-through service is not permitted.
 - (E) The operator of the establishment shall take reasonable steps to prevent loitering on the *premises*, in parking lots serving the *premises*, and on public sidewalks adjacent to the *premises*.
 - (F) A maximum of ten employees or partners may engage in commercial activities on-site during permitted business hours.

- (3) Neighborhood Use Permit Regulations. Except in the CU-1-1 and CU-1-2 zones, eating and drinking establishments abutting a residential *lot* or *premises* that do not comply with Section 141.0607(a) may be permitted with a Neighborhood Use Permit subject to the following regulations.
 - (A) All activities associated with the establishment shall occur within an enclosed building between the hours of 12:00 midnight and 6:00 a.m.
 - (B) Drive-up or drive-through service is not permitted between the hours of 12:00 midnight and 6:00 a.m.
 - (C) Live entertainment is not permitted between the hours of 12:00 midnight and 6:00 a.m.
 - (D) The operator of the establishment shall take reasonable steps to prevent loitering on the *premises*, in parking lots serving the *premises*, and on public sidewalks adjacent to the *premises*.
 - (E) In the IL-3-1 zone, eating and drinking establishments shall also comply with Section 131.0623(b).
- (b) Instructional Studios. Instructional studios are establishments in which skills including dance, art, and martial arts are taught to individuals or groups. Instructional studios do not include educational facilities. Instructional studios may be permitted with a Neighborhood Use Permit in zones indicated with an “N” in the Use Regulations Table 155-02C subject to the following regulations:
 - (1) For every two students using the studio at any one time, one parking space is required.
 - (2) The number of students using the studio at any one time may be limited based on the following:
 - (A) The intensity of existing surrounding uses that are allowed in the zone; and
 - (B) The amount of parking available on the *premises*
